L. B. (Bud) KERR ANNOUNCES FOR COMMISSIONER

L. B. (Bud) Kerr has authorized the Success this week to announce that he has entered the race for County Commissioner of Precinct No. 1, having filed for that position before the deadline on Monday.

In making this announcement Mr. Kerr stated that he now has no ranch or farm duties and that he will be able to give his full time to the job of commissioner if elected.

A resident of Schleicher County for 28 years, Mr. Kerr is well known as a former stock farmer and is familiar with the needs and problems of the county. "This is my first time," said Mr. Kerr, "to ask for a public office, and I will appreciate your vote and support in the coming Democratic primary. If you see fit to elect me as your next commissioner I will give my best efforts to the good of the county."

Leslie Announces For District Judge

W. S. LESLIE

W. S. Leslie, attorney of San Angelo, announces his candidacy for the office of District Judge of the 51st Judicial District, composed of Tom Green, Schleicher, Irion, Coke and Sterling Counties.

"Proper administration of justice," says Mr. Leslie, "is America's first line of defense against communism."

"I believe that our courts should be equally open to all people, and that the presiding Judge should be as impartial as human ability and diligent effort can make possible."

Mr. Leslie is a member of a pioneer West Texas family, having been born and reared in Scurry County, and being the son and grandson of ministers who blazed the West Texas Trail. He is 54 years of age and came to San Angelo just over 18 years ago. For 6½ years, in addition to the regular practice of law, he served as City Judge of the City of San Angelo under several changes in the City administration.

He is a World War I veteran, having volunteered at the age of 18, and for approximately 18 months was overseas with the 169th Aero Squadron, serving with Pershing's First Army in the battles of "The Meuse," "Defensive Sector," "St. Mihiel" and "Argonne Forest," having been in the Meuse-Argonne sector when the Armistice was signed November 11, 1918.

After returning home, he attended Texas University and Baylor University and graduated with the LLB in 1925. He began the practice of law in Bay City, Matagorda County, 1925, and continued there until the spring of 1934, when he came to San Angelo.

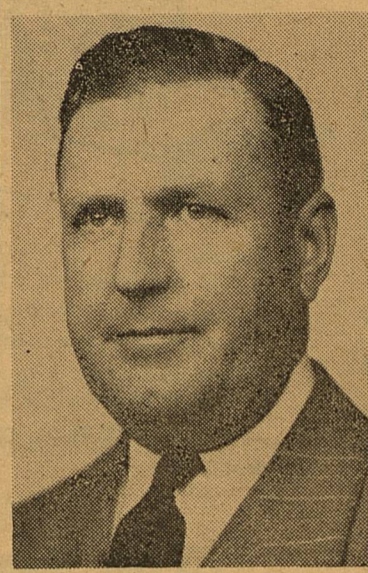

Mr. Leslie has taken an active part in civic affairs. He has served as a member and vice-president of the Board of Directors of the Board of City Development of San Angelo. He is a member of the First Baptist church, the Masonic Lodge, the Kiwanis club, and two of the San Angelo veterans' organizations, having served two terms as Post Advocate of the San Angelo VFW, three terms as Post Commander of the American Legion here and at Bay City, and two terms as Judge Advocate of the American Legion, Department of Texas.

Mr. Leslie and his wife, formerly Miss Stella Cobb of Brady, reside 519 Shafter, San Angelo. He has one daughter, Mrs. Mitchell May, who lives in Shreveport, La. He has practiced in all State and Federal Courts, including the Appellate Courts.

"I believe that I can contribute to the preservation of American ideas and ideals by presiding over your court with fairness, impartiality and diligence."

"I believe that special attention should be given to the problem of juvenile delinquents in an effort to develop them into useful citizens instead of permitting them to become criminals; and to that I shall devote a considerable part of my time to the development of a practical plan for setting youngsters' erring feet upon a solid road to good citizenship."

Shilling Will Speak At Baccalaureate

Rev. ROY SHILLING

Baccalaureate services of the 1952 graduating class of Eldorado high school will be held Sunday night at 8:00 in the high school auditorium, with Rev. Roy Shilling as speaker.

Special music will be given by the high school chorus directed by Miss Lucille Farmer, and Mrs. Joe M. Christian will play the processional and recessional.

Commencement will be the following Friday night.

Rain Making Meeting Scheduled Monday May 12 At Angelo

SAN ANGELO.—A general area meeting of the West Texas rain-making project will be held in San Angelo at the City Auditorium, May 12, at 8:00 p.m.

Open to the public, the meeting is being held especially for farmers, ranchers and others interested in rain-inducing paraphernalia in West Texas. The purpose of the meeting is to better acquaint West Texans with the program of rain-making.

Dr. Irving P. Krick, president of the Water Resources Development, Inc., in Denver, will speak at the meeting.

Sponsor is the Colorado River Association. The temporary rain-making corporation is a non-profit organization that was formed to promote and finance rain-inducing over a large part of West Texas.

C. J. Schmid, of Austin, is chairman for the corporation that proposes rainmaking over a 25-county area. County representatives to the Board of Directors are Joe Funk, of San Angelo, Jack Williams, Paint Rock, and W. T. Stevenson, of Santa Anna.

Lost Child Has Relatives Here

Local relatives and friends of the family are deeply concerned over the disappearance from his home in Aztec, New Mexico, of John R. Wade, age three, great nephew of Marion and Ovid Wade of this county.

The child has been missing from his home since Sunday. The father, the Rev. Anthem Wade, has broadcast the child's special diet and instructions for his care, in case the boy has been kidnapped. Hundreds of searchers and five planes have taken part in the search, and police have alerted officers in other states.

It is not known whether the child was kidnapped, drowned or lost.

FINAL EXAMS NEXT WEEK

Final exams at school start tomorrow (Friday) and last through Thursday noon of next week, it was announced this week by school officials. W. J. Fraker, high school principal, said that Seniors would finish their exams Tuesday.

Buses will run next Thursday at 1:00 p.m.

1927 FOOTBALL SCORE WANTED

Did Eldorado play a football game with Eden during the fall of 1927? If any of our readers know, please communicate with Lloyd L. Smith of Eden, who is compiling statistics for that team. He wants to know if Eldorado played Eden that year and if so what the score was.

MAGNOT CLINIC NEWS

Larry Dagen of Junction, dismissed after treatment for broken leg.

Ann Meador, daughter of Jack Meadors of Dallas and granddaughter of Mr. and Mrs. C. L. Meador, treated over weekend for food poisoning.

D. C. Hill, admitted Wednesday as a bed patient.

EAST RANCHES GET SOAKING LAST THURSDAY

A local rain fell Thursday afternoon, bringing more water to the Meador and Koy ranches than those places had seen in many months.

The rain measured 5.5 inches at Billy Frank Meador's, over three inches at the Frank Meador and Jess Koy places, two inches at Tom Henderson's, and reached several miles out in all directions from this wettest area.

Good rains were reported in the Huldale Oil Field, a half inch at Derricks, .25 at Dick Jackson's, .15 in Eldorado, none west of town, an inch at Cooper Gas Lease, over an inch Wednesday night and Thursday at Gay Copeland's where there had been little rain before, and 4 at McIntoshes—these are a few reports.

Heavy hail, unusually large, fell with the rain, damaging foliage on the Meador place and especially at the Cooper Lease where gardens and fruit leaves were shredded by the hailstones. Large stones and heavy hail was reported with a half inch rain at Virge Tisdale's.

Draws were up at Frank Meador's, Jess Koy's, and at Tom Henderson's, and traffic was stopped on the Menard Highway for a short time late Thursday afternoon because of high water!

The major part of the county is looking better after the spring rains, and farmers have part of their crop planted, and up to a good stand in some fields.

Miss Mae Ellington To Present Pupils In Recital Friday

Miss Mae Ellington will present her piano pupils in a recital at the high school auditorium tomorrow evening at 8:00 o'clock. The public is cordially invited to attend.

The following pupils will take part on the program: Myrtle Westbrook, Carol Tisdale, Linda Jones, Ruth E. Parker, Jerry Nolen, Maudie Mitchell, Sandra Hall, Arnie Lee Westbrook, June Williams, Linda Bess Love, Judy Wyatt, Darla Jones, Phyllis Kerr, Wanda Sue Hall, Barbara Jo Sheffield;

Mary Jo Parker, Barbara Waggon, Margo Mittel, Nancy Jo Jackson, Mary Tisdale, Riedale West, Jimmie Dell Williams, Bernay Sheffield, Frances Parker, Ralph Taylor, Beth Shilling, Gaynell Belk, Betty Ann Hunt, Ruthy Dee Harris, and Jane Belk.

NOW AT HOME

Mrs. J. B. Christian, who has been under treatment in San Angelo since March 15, when she was badly injured in a car wreck which claimed the life of her husband, returned home Wednesday, and is able to walk short distances. Mrs. Beatrice Dausey, a practical nurse, is staying with her.

Guests of Mr. and Mrs. Robert Milligan this week on the ranch are Mr. and Mrs. Manley Branch of Milford. Mr. Branch, a mail carrier there, and his wife are old friends of the Milligans.

Schleicher County Oil News

Exploration activity picked up in Schleicher County this week as one wildcat, three field wells and one offset to a discovery were staked, and deepening began on Ellenburger project.

The Pure Oil Company will drill No. 1 R. S. Williams as an 8,000-foot wildcat to test the Ellenburger in northwest Schleicher County. The prospector will be drilled 660 feet from south and east lines of section 32, block TT, TC survey and 14 miles northwest of Eldorado. Operator was preparing location and building roads. Pure will start operations as soon as a rotary rig can be moved in.

P. R. (Pat) Rutherford of Houston No. 1 Hayden Baugh is to be a long steput to the discovery well of the Baugh-Strawn field in north central Schleicher County. It is to be 1980 feet from north and 467 feet from west lines of section 8, block M, GH&SA survey. That makes it 6½ miles northeast of Eldorado. The exploration is a farm-out from Ohio, who have the lone producer in the Baugh-Strawn field. Drilling is to go 6,000 feet or production in the Pennsylvania at a lesser depth. Equipment is already on the ground.

Anton Oil Corporation of Fort Worth has taken over C. L. Norworthy Jr., No. 1 Hallie Reynolds, wildcat in west central Schleicher, 10½ miles west of Eldorado. Contracted to 8,200 feet for tests of the Ellenburger, the project was spudded Feb 12, 1952. Anton has had rotary on the job for the past ten days.

Three outposts to the Huldale-Strawn field were staked. All three will be drilled by American Republics on W. H. McClatchy land in section 83, block LL, Texas Central survey, abstract 608.

No. 1 McClatchy is 467 feet from north and west lines of the section. No. 2 is 1450 feet from north and west lines of section 83. No. 3 McClatchy is 1450 feet from and 467 feet from east lines of section 83, block LL, TC survey. All are to drill to around 6748 feet.

Humble will install a pump for completion of its No. 1 Rector L. Henderson as a discovery producer from the upper Wolfcamp in northwestern Schleicher County.

Reacidized with 4,000 gallons through casing perforations from 5,492 to 5,514 feet, the wildcat swabbed 57 barrels of fluid in 8½ hours. The fluid was 80 per cent new oil, 20 per cent acid water.

Cities Service Oil Co. No. 1-B Robinson, wildcat eight miles SE of the Huldale field, was bottomed at 5496 feet in the Pennsylvania preparing to run a drillstem test with packer at 5445 feet.

Pure Oil No. 1 J. S. Roach, six and three-quarter miles northeast of Pure No. 1 Williams, Ellenburger wildcat in northwest Schleicher

Cecil Meador Elected Delegate to Convention

The County Democratic Convention was held at the court house on Tuesday afternoon, and in a short and snappy session elected Cecil Meador as the county's delegate to the State Democratic Convention to be held in San Antonio on May 27th.

Mr. Meador will go to the state convention as an "uninstructed" delegate, but the convention Tuesday voted to instruct their delegate to vote for an "uninstructed" state delegation to the national convention.

Precinct conventions were held throughout the county last Saturday and elected delegates to Tuesday's county convention. Only a handful of voters showed up in each precinct meeting—there were eight at the school house and fourteen at the court house—the two largest voting boxes in the county. Of the delegates elected, only seven showed up for the county meeting Tuesday, which was conducted by E. C. Hill in the district court room at the court house.

Delta Gulf No. 1 Blair M. Boyd, northeast Schleicher County Canyon sand discovery was due to file potential test with the Railroad Commission of Texas within the next few days. The new field opener had pumped an average of 52 barrels of oil daily on last gauges. The oil is coming from the perforated section at 4416-36 feet.

Wicks Oils, Inc., No. 1 K. L. Harris, wildcat in central-north Schleicher County, was drilling below 5407 feet in the Strawn after finding salt water on a drillstem test from 5323 feet, top of the Strawn, to 5349 feet. Tool was open 2½ hours. Recovery was 240 feet of drilling mud, 130 feet of gas-cut mud, 630 feet of mud that was gas-cut and very slightly oil cut and was salty, and 180 feet of salt water.

Paul F. Barnhart No. 1 Tankersley Estate, one mile west of the Wolfcamp discovery in the Tankersley field of southeast Irion Co., was plugged and abandoned on total depth of 7299 feet in a detrital above the Ellenburger. Strawn was topped at 7233, elevation 2290 feet. Operator found no possibilities of commercial production in any formation drilled.

LONE STAR LINE TO BRING GAS FROM SUTTON

Material is being unloaded in Sonora for construction of a 12-inch pipe line from capped gassers in Sutton County to the Lone Star line in the Page Field.

Work is scheduled to start at once, according to company officials.

The length of the new line will be around 30 miles, and according to present plans the 12-inch line will be built to connect with the 8-inch line at the Page Field, in Schleicher County, and from there the gas will be distributed out over the Lone Star transmission system.

Whether there will be local consumption of the gas remains to be worked out. Lone Star has completed survey of the city of Sonora, where they found potential of 650 customers; this survey has been sent to top Lone Star officials, who will discuss and pass on the feasibility of supplying that city with gas.

The City of Eldorado will not be affected by building of this line, as this city is at present under contract to receive gas at the Page field from Cooper Gas Company. The City of Eldorado owns its own gas distribution system in town, buying the gas wholesale from Cooper Gas.

This 12-inch Lone Star line will not pass the McIntosh gasser, brought in recently and now capped. It is understood that the McIntosh producer has a different quality of gas which would not be run into the other line.

Sonora has received delivery on eight cars of pipe coating. Pipe is expected to arrive here and probably at Sonora, any time.

OZONA BOOSTERS COMING WEDNESDAY

The third annual Ozona Quarter Horse Show booster trip will be held Wednesday, May 14th. The group will travel in a chartered Kerrville bus and arrive in Eldorado at approximately 5:00 p. m. and leave at 5:30.

The booster trip is advertising the show to be held at Ozona on May 31st. Some twenty-five boosters, including a western string band, will put on a short program upon arrival.

The County Democratic Convention was held at the court house on Tuesday afternoon, and in a short and snappy session elected Cecil Meador as the county's delegate to the State Democratic Convention to be held in San Antonio on May 27th.

Mr. Meador will go to the state convention as an "uninstructed" delegate, but the convention Tuesday voted to instruct their delegate to vote for an "uninstructed" state delegation to the national convention.

Precinct conventions were held throughout the county last Saturday and elected delegates to Tuesday's county convention. Of the delegates elected, only seven showed up for the county meeting Tuesday, which was conducted by E. C. Hill in the district court room at the court house.

Hundreds Expected For Lions Barbecue Honoring Oil Men

Plans for the Lions Club barbecue at which Schleicher County oil men will be guests, were discussed at yesterday's Lions meeting in the Memorial building. Ernest Hill called for reports from the various committees.

Roger Jones, reporting for the Invitations committee, said that an estimated 450 oil people and 150 Lions would attend. This was in addition to a few executives who might attend from other towns.

Reporting for the barbecue committee, Wilson Page said that the supper would be served by a committee of Lions—from four tables.

Roy Shilling reported that Dorsey Hardeman, state senator, had agreed to speak, and that other features of the program were still in the planning stage.

Gus Love said that his finance committee was still canvassing Eldorado and Schleicher county for donations.

The barbecue will be held Tuesday night, May 20, at 7:00 p. m. on the courthouse lawn.

Bob Tiffany of Abilene spoke at yesterday's meeting. He was introduced by Rev. Charles G. Bruce.

Latin American Girl To Graduate From Taft School

The first Latin American girl from Schleicher County to graduate from High School is Maria Munoz, daughter of Mr. and Mrs. Antonio Munoz of Eldorado and grand daughter of Mr. and Mrs. Agreppita DeLeon of this city.

She completed seven grades in the Latin American school here, starting to school under Mrs. W. M. Davis. Because Latin Americans did not go to high school here at that time, she entered Presmex, at Taft, where she attended school five years. She will receive her diploma there on May 22. She had been accepted through the assistance of Mr. and Mrs. P. K. McIntosh.

After her graduation she will return to Eldorado where she will be at home for a few days. On the 25th, Josephine Pena and Clara Munos will give a surprise party in her honor. She will accompany the family when they go to California to work for the summer.

She expects to enroll in business school in California and take a secretarial course, requiring about nine months for completion.

The family are old residents of Eldorado. Maria was born here on December 10, 1932.

For a BETTER COTTON CROP

PLANT PROPERLY TREATED COTTONSEED

The chance for a good stand of cotton with the first planting can be increased greatly when seed that has been treated properly with a recommended seed disinfectant is planted.

The circles in the picture above illustrate the difference seed treating may make. Treated seed and seedlings are less apt to suffer from seed decay, damping-off or sore-shin.

The small cost of treating is unimportant when compared with the expense of soil preparation, fertilizers, labor and equipment needed to produce a good crop. Less than 10c per acre spent for seed protection can often mean many dollars profit when the crop is brought to the gin.

For information about treating your seed and the name of the cottonseed treater nearest you consult your county agricultural agent.

First Baptist News

We are deeply grateful for our people's response to Christian Education day this Sunday. We had 221 in Sunday School and 72 in Training Union. Wonderful and inspiring messages were brought by Dr. Todd, head of the Bible department of Howard Payne college, and by Durward Rutland and Glenn Biggs who are freshman students for the ministry in Howard Payne college. The banner department Sunday was the Beginner. Orchids to the Beginners with a grade of 77. Onions to the Young People's department with a grade of 43. Adults, Primary, Nursery, Young People, and Beginner departments reached or exceeded their goals last Sunday. Don't forget our goal for 1952 is 200 average attendance in our Sunday School. Do you know what your department's goal is? Are you reaching your goal in your department?

Important meeting at the First Baptist church of San Angelo Tuesday, May 13, at 10:00 a.m. Vacation Bible School clinic will be held. Lunch is to be served by the First church of San Angelo. Nursery will be open for your children. All who are to work in the Vacation Bible school should go to this meeting. There will be sufficient cars furnished for all who will go. We urge each departmental superintendent to get all who will go from their departments. Take hand work ideas to be traded with those from the other churches. Our goal is 30 workers to go to that meeting from this church.

At the 11:00 morning worship hour this Sunday we will present the outstanding Christian mother of the year in our church selected by the vote of the membership of the church by secret ballot. This, we trust will become a yearly occasion where we recognize the wonderful blessing and privilege of Christian motherhood by selecting the outstanding Christian mother in our church who will be presented a lasting gift to commemorate this honor bestowed upon them by their friends in the church. The pastor's message at the morning worship hour will be, "The World's Greatest Hope." We give each of you an urgent invitation to be present for our mother's day services.

We still need workers for our vacation Bible school. If you will help us in this wonderful work with our children, will you contact one of the following and let us know in which department you had rather work: Mrs. L. M. Hoover, Clifford Nelson, Mrs. E. W. Perry, Mrs. Morris Isbell, Mrs. Claudia Galbreath, Mrs. Evelyn Stigler, or Mrs. F. B. Calcote. We trust you will give prayerful attention to this urgent plea before you say no to the request. The school will be held from June 2 through 13. The sessions will be in the morning from 8:30 to 11:30. The ages are from 2 through 16. We will have a department and workers for every age, and our goal of enrollment is 202. We would like to have your boys and girls. Make plans to bring them every morning or see that they get here by 8:30.

Our study course last week was fairly well attended. Total enrollment was 45. There were 36 awards earned. The young people's class who are studying the book, "Planning a Life," led in the enrollment with 18. They earned 10 awards. This book was taught by Mrs. Nelson. Mrs. Calcote's class studying the book, "Studies in Ephesians," enrolled 15 and there were six awards earned. The class studying the book, "The Vacation Bible School Guide," taught by Bro. Nelson enrolled 12 and 10 received awards. We had hoped that many more of our adults would take these books, especially the Vacation Bible School Guide. But we are deeply grateful for those who did attend and qualify for the awards.

A wonderful youth fellowship picnic was enjoyed by the young people of the church and their guests. The young people assembled at the church Monday afternoon at 5:45 and went on a hay ride to the Weldon Davis ranch. There games were played until late evening and then the group gathered around a camp fire where weiners were roasted, toasted, burned, etc. A wonderful time was had by all and we are looking forward to this becoming an annual farewell each year at the close of school. Our deepest thanks go out to Miss Welsh who has been sponsoring our youth fellowships, and to Mrs. E. W. Perry and her committee who have so faithfully been serving refreshments to the group. We urge the young people to be in our youth services which are held each Wednesday evening and Sunday evening.

I am sure that many of the friends of R. B. Cooper will be glad to know that he is rapidly recovering from his injuries. He will be back in school this week and will be back with his mission here in Eldorado this weekend.

GUILD TO MEET

The Episcopal Guild of St. John's church will meet Monday, the 12th, at the home of Mrs. Thad A. Thomson.

Rev. Bruce Addresses Church Women's Meet

About 25 attended the Council of Churches' May Fellowship meeting Friday afternoon at 4:00 at the Methodist Church.

The speaker was the Rev. Charles Bruce, pastor of the Presbyterian Church, who addressed the group on Spiritual Security for Today's Families.

Tracing the declining influence of the church in the school, he stressed the increasing need of religious instruction in the home as a part of a well-rounded family life, and pointed out that Christianity helps the individual to attain his highest development and his greatest happiness.

He also pointed out the necessity of extending Christian helpfulness to the stranger, the man of another race, and the person of another creed. He also mentioned the need of courtesies in the home and provision there for the highest cultural development.

Mrs. Mae Tisdale presided, Mrs. Keno Ogden was pianist for the hymns, and Mrs. Ray Tisdale was leader of the litany. Mrs. Forrest Runge, with her story of Ruth, and Mrs. Lillian Crosby, with her story of the Prodigal Son, gave Biblical examples of family relationships. Mrs. Roy Shilling gave the closing prayer. The offering will be used for United Church Women causes.

The nominating committee is Mrs. Stanley Gaynor of the Episcopal Church, Mrs. V. G. Tisdale, Methodist, and Mrs. Jim Griffin, Presbyterian. The program committee is composed of Mrs. Lawrence Steen, Methodist, Mrs. Leslie Baker, Presbyterian, and Mrs. Lillian Crosby, Episcopal.

The next meeting date is Nov. 7.

A BUILDING OF GOD

"For we know that our earthly house of this tabernacle were dissolved, we have a building of God. An house not made with hands, eternal in the heavens." II Cor. 5:1.

This is a wonderful verse of scripture to the Christians or believers and holds out the hands of God to the lost.

1. Notice the positive note here, "we know." This is the difference between a reborn child of God and the man religionist. The Christian knows because he has the spirit of God in His body. I Cor. 6:19, and he does not have to guess.

2. Notice what He says we know. "If this tent we live in now, meaning our bodies, were dissolved or died we have a building in heaven made by God. Notice it is an eternal house.

How gracious are the promises of God. To know that while we live here on this sin cursed and doomed earth, our bodies, weak, sick, tired, pained by every disease, a servant of the elements. Our body and minds servants of sin, pride, lusts of the flesh. It is wonderful to KNOW that some sweet day we shall be raptured into Glory to be in presence of Jesus Himself.

My friend do you have this hope in your heart?

Our revival starts this coming Sunday week. Come and be saved. Pray for us. Come to church.

—F. H. Pryor, Fundamental Baptist church.

From where I sit... by Joe Marsh

As a Matter of Fact...

Out of all the newspaper and magazine columns I read, the ones I enjoy most are those that pack in a whole lot of facts—unrelated facts, but each one an interesting bit of information in itself.

These columns go something like this: "Did you know that humpback whales are addicted to snoring? That bees have been bred with red, brown, and buff-color eyes? "Did you know that lead can be converted to gold—at a cost of \$1,000,000 an ounce? That a 555-pound fat girl went on a diet and lost 401 pounds in 12 months? That a chrysanthemum has been developed that smells like a violet?"

From where I sit, maybe I'm a kind of "Johnny-one-note." My own columns always seem to revolve around one idea—a plea for us to make sure we respect the other fellow's rights—like the right to vote for your own choice or the right to enjoy a glass of beer now and then. I may not be in style, but I believe my one fact is worth repeating—and remembering!

Methodist News

Sunday will be observed as Church Loyalty Day at the Methodist Church, and all families of the church are urged to be present. Mother's Day will be observed with special Mother's Day hymns by a men's choir, and presentation of flowers to the oldest mother, the youngest mother, the most recent mother, and the one with the most children present. There will be no services at night because of the Baccalaureate services at school.

The pastor and family and others from the congregation will go to the Methodist Conference, which opens Tuesday, the 27th, in San Antonio.

Everything is in readiness for the Methodist Men's fishing trip to the camp grounds at Upper Lake, supper at 7:00 Friday night being the first scheduled gathering of the group. They will remain over night and return some time Saturday. Several are planning to leave on Thursday and get in a day's fishing before the others arrive. Rev. Clifford Nelson, of the First Baptist church, and Rev. Charles Bruce of the Presbyterian church, will be guests, with about 25 from the Methodist church attending, including the district superintendent, Rev. Fred Brucks of San Angelo. A negro cook will accompany the men and prepare the meals.

Mr. and Mrs. Hanson Nixon and children and Mrs. Paul Nixon visited Mr. and Mrs. Charles Fuller in Brady and other relatives in Eden last week end.

Mrs. Frank Bradley had as a dinner guest Sunday her son Bob of Midland, who was here on business.

News Of The Sick

Mrs. Jack Ratliff had minor surgery in San Angelo recently, and is back home after spending two days in the hospital.

A four-year-child, son of the McElroys of Big Spring, was bitten Monday afternoon by Elders' pet monkey, and had several stitches taken to close the wound. The family were here looking for living quarters.

D. C. Hill is again confined to his bed.

Mrs. Ira McDonald has returned home after spending three weeks under a doctor's care in Christoval, then visiting two weeks in San Angelo with Mr. and Mrs. Floyd Farrington. Her sister, Mrs. J. H. Harvey of Houston is here staying with her.

Mrs. Lester Early is still improving after her illness and surgery, and her mother is continuing to stay with her.

The son of Mr. and Mrs. E. L. Early of Crane has measles which he contracted while the family were visiting Mr. and Mrs. J. N. Early. The mother and son are remaining here until the boy recovers, after which he will have treatments for another ailment, in a San Angelo hospital.

Jackie, oldest child of the Jack Shugarts, had an emergency appendectomy in San Angelo late Monday afternoon and is doing well, though she was quite sick for a few days.

Mrs. W. A. Menees has been quite seriously ill at her home, the McGill rent house, in Eldorado, and was hospitalized a week in San Angelo. Mr. Menees is field man with Pan American pipe line division, and he and his wife and their four daughters moved here a month ago to make their home. Two sons in the Navy have been here visiting their mother.

Mrs. Ralph Waldron, who was very ill during the weekend after she had been bitten by Elders' pet monkey, is much improved and is now at home.

Ann Meador, age nearly 2, was quite seriously ill for a day and was hospitalized in San Angelo; she was taken sick while she and her parents, Mr. and Mrs. Jack Meador and her brother Larry were here from Dallas to visit Jack's parents, Mr. and Mrs. Claude Meador. While her illness was never diagnosed, it was thought to be a food poisoning. She was rushed to the hospital Saturday night, and was in a coma several hours, recovering about noon the next day. The family returned to Dallas Wednesday.

Mrs. Sadie Davidson was a week end visitor in San Antonio.

A group from the Presbyterian Church will go to San Angelo Friday to attend a school of instruction for teachers and other workers in the vacation Bible school.

On Monday G. J. King was in Abilene on business.

Mr. and Mrs. D. C. O. Wilson had as guests last week Mr. and Mrs. R. T. Hazzard of Shreveport, and on Sunday Mr. and Mrs. Arthur Martin of San Angelo.

Larry Dagen of Junction fell Friday and broke his leg while on a visit here with his grandparents, Mr. and Mrs. Tom Westbrook.

Mrs. Rutha Boyer arrived back home Monday morning, accompanying Howard Belcher and children of San Angelo, after spending two weeks in Abilene with her daughter Mrs. M. T. Johnson, who is still hospitalized following surgery.

Mr. and Mrs. W. T. Whitten and Mrs. W. L. McWhorter have returned home after spending about three weeks at Hot Springs, Ark. While in that state they made side trips to Little Rock where they visited relatives, and to Glenwood where they visited Mr. and Mrs. R. L. Sample, returning home through northern Arkansas, Missouri and Oklahoma.

The three daughters of the Jess Thompsons were at home last week end; Mr. and Mrs. Paul Hamby and Keith of Dallas, Mr. and Mrs. E. H. Speir and daughter of Pasadena, Texas, and the B. L. Blakeways of Eldorado.

Betty Sue Williams of Waco was at home last week end visiting her mother Mrs. Myrtle Williams.

J. L. Neill has returned from his trip to California.

Mr. and Mrs. Bert Page left Tuesday for Galveston to spend several days with their daughter.

Mr. and Mrs. Robert Milligan will move to their new residence in Eldorado as soon as they have completed shearing on the ranch.

Band Gives Program At P-TA Meeting

The Eldorado School band gave the P-T.A. thirty minutes of their time so that we could conduct our business and have officers installed. P-T.A. felt honored to even be in the auditorium with the school band. The suits were beautiful and the concert was simply grand!

All officers and chairmen submitted reports.
Rev. Charles Bruce and Mr. Payne Robinson were appointed to audit the treasurer's book.

The unit voted to nominate Mrs. Edwin Jackson as state vice president. Mrs. Arthur Mund and Supt. Holcomb were appointed to write the letter of nomination.

A school of instruction will be held in Eldorado May 22 from 9:30 to 3:30. Each officer and chairman are expected to attend and also bring at least one inactive member. Anyone interested is welcome. Mrs. Sid Bolding, San Angelo, and District vice president, will conduct this school. Sonora and Rocksprings have been invited. Come on, parents and teachers, let's get informed!

Mrs. Jackson installed officers and chairmen, as follows:
Mrs. M. D. McAngus, pres.
Mrs. Archie Mittel, 1st vice
Mrs. James Williams, 2nd vice
Mrs. Dee Love, 3rd vice
Mrs. Jack Hext, sec.

There are three things about supervisors which should be stressed: (1) They are farmers and ranchers; (2) They are supervisors of the Eldorado Divide Soil Conservation District; (3) They are not government employees, and are not on a government payroll. The service rendered as a district supervisor is free.

These statements are made to show you the relationship of farmers, ranchers and soil conservation district supervisors to each other, and to State and Federal agricultural agencies.

A soil conservation district law was passed in this state about 13 years ago because our soil was washing into the ocean, taking with it our greatest source of health and wealth.

The soil conservation districts law authorized the formation of soil conservation districts in given areas of the state.

When farmers and ranchers found that the purpose of soil conservation district was to conserve soil and water, they voted to form one here in our county. Farmers and ranchers in other counties did the same thing. Now the whole state is covered by soil conservation districts. In fact, every state in the nation has soil conservation districts.

The next step in the district formation was to set up a board of supervisors for each district. Five landowners within the district

PARTIES FOR SENIORS

Among social events planned for the Seniors and parents are a reception to be given by Supt. and Mrs. T. E. Holcomb and Principal and Mrs. W. J. Fraker, in the school cafeteria after Commencement next Friday night; and an ice cream supper tonight, given for Seniors, room mothers and sponsors by Mrs. Ben Biggs, Mrs. Arch Crosby and Mrs. R. C. Morgan, at the Memorial building at 8:00 o'clock.

Sandra Holcomb spent several days here with friends during the weekend, and was joined by her mother, Mrs. M. G. Holcomb, who had been with Dr. Holcomb at a doctor's convention in Dallas. Dr. Holcomb took a plane from San Angelo and returned to his hospital in El Paso, and Mrs. Holcomb visited in the home of the Palmer Wests here before she and Sandra started home.

Mrs. Ernest K. Nimitz is in Dallas for a several-day stay with her sister, who is in a hospital there.

Jimmie Woodward, son of Mr. and Mrs. O. L. Woodward, left Monday to return to his base at San Diego. He has been at home on a seven-day leave.

Two youths serving in the Navy were granted emergency leaves to visit their mother, Mrs. W. A. Menees, who is seriously ill at her home here. Ralph was granted his leave, and was transferred to the naval air station at Dallas, reporting there on the 14th. Kenneth has already gone back to Treasure Island, on the California coast, and from there to Japan where he has been stationed.

Honoring Rusty Dannheim while he was at home on furlough, Mr. and Mrs. E. H. Dannheim, his parents, entertained with a supper Saturday night. Attending were the family, Wanda of San Angelo, and Mr. and Mrs. Paul Taylor and Dale Peterson of San Angelo. Paul and Dale are instructors at Goodfellow Field. Other guests for the dinner were Mr. and Mrs. Henry Speck Jr., and Connie Sue of Eldorado.

James A. Griffin and his wife and baby of Midland visited the Skeet Griffins, and James' brother David Dewey, who has returned to San Diego to his base, after a ten-day visit with home folks. He has been in service since December 26th. He has finished boot training and expects to be located on a cargo ship soon. Other visitors in the home were Mr. and Mrs. C. E. Griffin and three sons of San Antonio.

Johnny Westbrook leaves today for San Diego to report back to duty with the Navy. He will be aboard the USS Kearsarge.

Rusty Dannheim arrived in Eldorado last Thursday on a 30-day leave from the Navy and is visiting his parents, Mr. and Mrs. E. H. Dannheim.

Entering the Navy in October, 1950, Rusty put in his boot camp days at San Diego and then attended two schools in Memphis, Tenn. Since last August he has been stationed at Alameda, Calif., where his present rating is "aviation structural mechanic" and his duties have to do with repairs on aircraft. His enlistment was for a period of four years, and he is due back at Alameda on May 30.

Corporal Glyndon Aldridge came in Sunday from Hunter AFB, in Georgia, for a 15-day furlough which he is spending with his mother Mrs. Jerome Mitchell and fam-

ily in Eldorado. He has served 18 months of the four years for which he volunteered.

Billy Dan McAngus, son of Mr. and Mrs. Ross McAngus, was one of the boys in service who was at home recently visiting relatives.

A/C Henry Mittel Jr., came in Tuesday for a visit here with his father and brothers. He is being transferred from Houston to Connally AFB, at Waco, where he will report Monday.

Corp. Louis McGown of Wisconsin and Pvt. Fred Windmuller of Minnesota, friends of Howard Parker at Fort Hood, spent from Friday through Sunday here with Howard.

The Delbert Taylors expect to spend Mothers Day in Coleman.

Ben Biggs drove to Lubbock recently with Truman who tried out for football at Texas Tech and won a scholarship there. On their way home a car which ran out in front of the car, wrecked the front of the automobile, and a major repair job was required to put the car back in operation again.

Cart Suggested For That Cleaning Job

COLLEGE STATION—Use your head and save your feet on house cleaning day. Plan the job to do away with back-tracking for utensils and supplies.

The home management specialists with the Texas Agricultural Extension Service say it's not so much the work as the walking that wears the homemaker out on house cleaning jobs. Plan the job in advance. Arrange all supplies needed on a wheel cart or table. This can be wheeled from place to place as the work is done.

The specialists suggest a cart with two shelves on which can be carried two buckets, one with water for washing and the other for rinsing. There will also be plenty of room for all the small items needed for most cleaning jobs such as soap, brushes, cloths and sponges. The hand vacuum cleaner may even fit in some place.

Lifting and stooping can be eliminated by using a cart because the needed equipment will be in easy reach and at a convenient level for handling, say the specialists.

Other good suggestions for work simplification in the home may be obtained from the local county home demonstration agent. Ask her for C-252, House Cleaning Made Easier and L-69, Simplify Your Work.

ATTENDS PTA MEETINGS IN OFFICIAL CAPACITY

Mrs. Edwin Jackson, district president of P-TA, went to San Angelo Monday, accompanied by Mrs. Marvin McAngus, local president, to attend the P-TA meeting, at which she installed officers at the Lakeview High school. That night she installed officers at the meeting of the Sonora P-TA, on Tuesday night at Eldorado, and at Rooksprings Wednesday. Tonight, Thursday, she will install officers at Big Lake. Several other similar meetings next week will conclude her spring visits to local units under her jurisdiction.

Glenn Biggs and Chester Biggs of Howard Payne were at home for the week end. Accompanying Glenn was a girl friend, Miss Pat Bates, who teaches at San Saba.

IT'S THE LAW
in Texas
A public service feature of the State Bar of Texas

Lawyers' Duty To Persons Accused of Crime Explained

People often misunderstand the reason a lawyer puts up the fight he does for a client who is accused of a crime. "It might be all right," they say, "if the man were innocent, but why put out so much effort defending him when everyone knows he is guilty?"

The obvious answer is that not everyone knows all the material facts. The accused is not a criminal in any legal sense until, by due process of law and under rules of evidence insuring equal justice, the court and jury arrive at the conclusion that he has committed a crime.

The Canons of Ethics governing the lawyers of Texas say: "It is the right of a member (of the State Bar of Texas) to undertake the defense of a person accused of crime, regardless of his personal opinion as to the guilt of the accused; having undertaken such defense, the member is bound by all fair and honorable means, to present every defense that the law of the land permits, to the end that no person may be deprived of life or liberty but by due process of law."

If this were not the case, innocent persons, victims only of suspicious circumstances, might be denied proper defense. Such legal defense is a basic principle of American justice. The rights of the accused to defend himself are nowhere as well guarded as in the British Commonwealth and the United States where government is based on the common law.

In France and other European countries a person accused of a crime is presumed to be guilty. If he is to escape the penalties of the law, he is obliged to prove that he is innocent. But in common law countries an accused person is presumed to be innocent until the state presents enough properly admissible evidence to convince an impartial jury that he is guilty beyond a reasonable doubt.

In serious cases, if the accused cannot afford to hire his own attorney, the court is required to appoint a lawyer to defend him without charge. The Canons of Ethics require the lawyer to defend such a man with the same vigor and skill as he would an ordinary client.

Corresponding to the Canon governing lawyers who defend the accused, there is one for the prosecuting attorney — the attorney retained by the government to present its case against the accused. The Canons of Ethics on this point say: "It should be the primary duty of a member engaged in public prosecution not to convict, but to see that justice is done."

How seriously the public, as well as lawyers, considers the rights of defendants accused of crime is found not only in indignation against government officers who violate these rights, but also against mobs which try to take the law into their own hands. If either officers or mobs can take over the law, then no one is safe and the basis of our type of civilization is gone. The laws pertaining to criminal trials were made, not only to protect the rights of the accused, but to protect the rights of all persons.

Quite a few men who work in the oil fields of Schleicher County are affected by the oil strike which is now under way.

Two necessary items, electricity and water, have been provided during the past week on the site of the Bailey Station. The water well, a good producer, about 400 feet deep, was finished up Wednesday, and is ready for use with the exception of the pump and the water tower. It is understood that a large sphere, something new in Schleicher County, will be put up on a solid stand—this will be similar to the spherical tank at the Ozark Station. West Texas Utilities will furnish electricity—it has already been brought to the site.

Materials continue to arrive for the Bailey Station, and are being unloaded on location.

A new family in the county are Mr. and Mrs. Paul Mazur and two young children, Annette Marie and Paul Joseph Jr., who moved Sunday from San Angelo to the former Georgia Gillispie place, now owned by R. R. Olsak of San Angelo. They are renting from Mr. Olsak, and occupy the house on the place.

Among pipeline workers coming in with their families are Ervin Davis, who is in a trailer, and the Alls family, in an apartment, both at the Mattie Cozzens place.

Other new families: Dee Stroud, Humphrey apartment; Travis Giles, Gus Graves house; J. M. Miller, Humphrey apartment; E. B. Musick, Mrs. Rosa Owens house; Charlie Thompson, Gus Love house; J. C. Johnson Jr., Eaton apartment; E. H. Swanson, Flora Riley house; P. A. Tillman, Gus Love house; Mrs. Maggie Glenn, Mrs. Mercer's small apartment; Sam Carman, Mrs. May Mercer's house; W. C. Haynes, Crosby apartment; W. D. Hobson, Humphrey apartment.

Use Range For Pullets

COLLEGE STATION — A good range for growing pullets will help reduce their feed bill and at the same time permit the poultryman to raise a replacement flock of clean, healthy birds. Pullets on the range, says W. J. Moore, poultry husbandman for the Texas Agricultural Extension Service, can be

separated from the older birds on the farm and this is very important from the standpoint of disease and parasite control.

Older birds, says the specialist, are often carriers of diseases and parasites and unless the replacement flock is kept segregated from them, they may become infected. The ideal range is one that provides plenty of good green grass and shade for the birds. Chickens don't like to be out in the hot sun any more than is necessary. If shade trees are not available, other types of shade should be provided. The range shelter, says Moore, is easy and economical to build and in addition to shade they provide safe housing.

The developing pullets on the range should receive a good growing mash, oyster shell and plenty of good water. The care given the pullets on the range may determine whether or not they develop into profitable layers. To show the importance of water, Moore points out that 100 pullets actually need a minimum of 10 gallons of water per day. Unless plenty of water is provided, the birds will not eat the feed they should have to make the proper growth and development. Moore says it is a good rule to provide at least two five-foot feeders and one barrel-type water fountain for each 100 birds. The barrel-type fountain is recommended because its use insures a plentiful supply of water at all times and is a labor and time saver.

The shelters, feeders and water-

ers should be moved frequently in order to keep the birds on clean ground. The shelters should be built on runners to make the moving job easier. Frequent moves will aid in keeping down parasites and diseases that might be picked up by the birds if allowed to range on contaminated soil.

When the pullets are moved to the range, they should be cycled and vaccinated for fowl pox, says Moore. Experience and observations according to the specialist, indicate that pullets should be moved to the range when they are 8 to 12 weeks of age and should remain there until they reach about 20 per cent production. There are indications, he adds, that laying house mortality will be less if the pullets are fully developed on the range. One acre of well-sodded range will take care of from 250 to 500 pullets and when possible Moore likes to see the range on ground that has a slight slope. This makes for better drainage and sanitation.

Moore adds that blueprints and plans for range shelters, waterers and feeders are available for the asking at all county agent's offices and suggests that interested poultrymen visit the local agent. The agent has available many other bulletins which contain information that should prove valuable even to the experienced poultry or turkey producer. His experience with poultry demonstrators is also a valuable source of information, says Moore.

Mrs. Jack Moore Is Shower Honoree

Honoring Mrs. Jack Moore, the former Pat Keffer, women of the Rock Church of Christ entertained with a layette shower at the club room of the Memorial building Saturday afternoon. Over 40 called and were registered by Marianne Craig. Mrs. Joe Kreklow received callers at the door.

Refreshments were served from a table centered with an arrangement of spring flowers, Mrs. E. W. Craig presiding at the punch bowl, and Mrs. Clyde Keeney serving the cake.

A large assortment of gifts was presented to the honoree.

HERE FROM N. M.

Mr. and Mrs. W. W. Sudduth of Dexter, New Mexico, visited in Kerrville last week, and spent the week end in Eldorado with Mr. and Mrs. O. Sudduth. They were accompanied by their four children and Dorothy and Nelly Cunningham. They returned to Dexter Monday, while their youngest son, Mike, remained here for a two-weeks' visit with his grandparents. Mr. Sudduth, who is a Church of Christ minister at Dexter, reports that irrigated section is looking fine this year, and that the first alfalfa crop is now nearly ready to cut.

BIBLE SCHOOL

Ladies of the Rock Church of Christ announce that they will have a Bible school from May 19 through May 30, for age groups from 3 years through 12. All are cordially invited to attend.

WOMAN'S CLUB

The Woman's Club will meet Tuesday, May 13, with Mrs. Mae Tisdale at her home beginning at 2:30. Roll call will be answered with the name of a philosopher.

Tom McGill is spending part of his 5-weeks' Shell vacation on the ranch, and Mrs. McGill has gone to Bay City to visit her mother.

Mr. and Mrs. Gordon McDonald and Dwight and Mr. and Mrs. Marvin McDonald had a week end fishing trip at Lake Walk.

LAYETTE SHOWER HONORS MRS. CHARLES GARY

Honoring Mrs. Charles Gary, about 35 women attended a layette shower at 4:00 Friday afternoon in the Methodist Church parlors, with Mrs. Palmer West, Mrs. Edgar Spencer and Mrs. S. D. Harper as hostesses.

Refreshments of cake squares and lime punch carried out the color scheme of yellow and green, as did also the floral piece in yellow which centered the dining table. Other spring flowers decorated the reception rooms.

The hostesses directed several games before the large assortment of gifts was presented to the honoree, Mrs. Gary is English and speech teacher in the local High School.

FRESHMAN NEWS

The Freshman class had their end-of-school picnic Monday, April 22 in San Angelo. We left here at 3:00 and returned around 10:00 p. m. We went to the park behind the Central fire station where we played softball and other games and of course, ate supper. After we ate we went bowling or to the show.

We met at the park after we were through with our activities and returned home. Sponsors along were Miss Jane Overby; room mothers and others out of the class attending were: Mr. and Mrs. T. E. Holcomb, Mr. and Mrs. Jerry Pennington and Micky, Mr. and Mrs. W. S. Carrell, Mr. and Mrs. W. H. Hale and Michael, Mrs. Odie Jeffrey and Mrs. Albert Fore, Rev. Roy Shilling, Mrs. Dee Love and Mrs. Paul Miller. A good time was enjoyed by all.—Reporter, Donna McCormick.

Ellen Wheeler of San Angelo spent the week end here visiting her grandparents, Mr. and Mrs. L. Wheeler, and Ann Ballew. She accompanied her former classmates the seventh grade, on their all-day picnic and outing Saturday.

Guests in the home of Mr. and Mrs. Bill Williams were Mr. and Mrs. Raymond Blasdel of Brady and Mrs. T. E. Donaldson of Calif Creek. Mrs. Blasdel is Mrs. Williams' sister and Mrs. Donaldson is her mother.

100 PRESENT AT MYF MEET HERE SUNDAY

One hundred young people from MYF's of Methodist churches in this sub-district attended the bi-monthly meeting of the group in Eldorado Sunday afternoon beginning at 3:00. Present were representatives from Sterling City, Miles, and Water Valley, and Day Memorial, Trinity, Angelo Heights and First Church of San Angelo, in addition to Eldorado.

Rev. W. J. Weimer and his group from Sterling City remained over and the pastor preached at the Methodist church that night.

Beth Shilling played the organ prelude, and Sue Shilling presided over the business session. James Alexander addressed the group, Jane Belk was pianist for the songs, Billy Sam Hale offered prayer, Nancy Jo Elder gave a chalk talk, Betty Hunt played the offertory, and Bill Bearce and Kenneth Love were ushers. Jerry Thompson read scripture, Mary Lou Alexander and Jane Belk sang a duet, and Jerry Lynn Pennington led the devotionals, and Retha Nell Lloyd and Shirley Sofge registered guests.

Installation services, with Rev. Bob Hickman of San Angelo Day Memorial church, district youth director, and Rev. Roy Shilling of Eldorado in charge, were conducted and the following new officers took over their duties: Glenn Weimer of Sterling City, pres.; Connie C. Lucas of San Angelo, vice; Robert Mims of Water Valley, rec. sec.; Mary Lou Alexander, rec. sec.; Milton Teagarten of San Angelo, treas.; Nancy Wall of San Angelo, MYF fund sec.

The next meeting will be in Miles the second Sunday in July.

Supper for the 100 young people, served buffet style by the WSCS of the hostess church, included sandwiches, cookies, potato chips and tea.

College students from SAC, San Angelo, had charge of the recreation, Marilyn Scott directing the games, and a cast from the dramatics department presenting a one-act play, "That's My Baby."

George Williams and his family spent Saturday evening in Brady with relatives.

Mrs. Rex McCormick, who has been staying with Mrs. Belle Glasscock in Sonora, has been home a week while Mrs. Glasscock was in San Antonio for treatment.

News From Our Neighbors

Officers Installed

Mrs. Edwin Jackson of Eldorado, president of Sixth District, Texas Congress of Parents and Teachers, will be the installing officer at the Big Lake Grade Parent-Teacher Association meeting next Thursday afternoon at 3:15 when officers for the coming year will be inducted. This will be the association's last meeting of the year.—Big Lake Wildcat.

New Lake Opened

A gala day was in prospect Thursday, May 1, when Robert Lee's new Mountain Creek Lake was to be opened for fishing for the first time. Many business houses closed for the day and crowds were expected from many West Texas towns.

Several prizes for the best catches were offered by Robert Lee firms. The new lake is said to be well stocked.

City officials last week secured an easement from D. J. Walker which permits the public to have access to the entire lake which backs up a considerable distance. Mr. Walker will be paid \$100 per year, and everyone feels it was a good settlement.—Robert Lee Observer.

Paving Planned

The State Highway department "hopes to enter into a contract for the remaining portion of State Highway 118, south of Alpine, during the fall of 1952," a letter from E. W. Mars, El Paso, district engineer, to County Judge Felix McCaughy, received yesterday, stated.

The road is now paved for a distance of 60 miles from Alpine south and a survey of the remaining approximately 20 miles to the park entrance near Study Butte has been under way for some weeks.

The distance from Alpine to the park entrance via the new route, according to the preliminary survey, will be approximately 80 miles, according to engineers, Judge McCaughy said.

Mr. Mars, in his letter, said "we hope to be able to deliver to you the right-of-way information by late summer."—Alpine Avalanche.

Little Rain At Arden

Arthur Davis was over from the Arden community Tuesday. Mr. Davis was after supplies for shearing. He says they have had very little rain and were still feeding, but over in the Christoval country they had had about three inches of rain and he planned to quit feeding. He marked a 76 per cent lamb crop.—Mertzon Weekly Star.

Sanderson Enlarges Post Office Facilities

Installation of new boxes and enlarging the lobby has added

greatly to the appearance of the interior of the Sanderson post office as well as increased the facilities offered to patrons of the institution. The number of boxes now available almost doubles what was in the old setup of equipment. Many patrons were having to "double" on box service before the new addition was made.

The new arrangement of fixtures allows much more lobby space and adds greatly to the appearance of the establishment.—Sanderson Times.

White Way For Sterling City

A total of 21 floodlights for night lighting are to be put up in Sterling City by the West Texas Utilities Company here right away. Arrangements with the County and the Lions Club committee have been worked out and the lights will go up and down the highway street from the Baptist church to the Methodist church. The lights will be on the south side of the street.

Two of the powerful floodlights will be put by the school, four on the courthouse square, one at the hospital, one at the Church of Christ and one at the Presbyterian church. The remainder will be up and down the highway street.

Such placings have been worked out with the commissioners court, said Seth Bailey, chairman of the Lions club committee for the project.—Sterling City News Record.

Union Services

Union Church services will be held in the First Methodist church Sunday evening at 7:30 o'clock. The Men's Bible class will again lead in the singing.

The services are held the first Sunday night of each month, and are sponsored by the six cooperating churches, Baptist, Christian, Episcopal, Menard Chapel, Methodist and Presbyterian.

The general public is cordially invited to attend.—Menard News.

Bateses To Move

Ralph Bates of Eldorado has purchased the Hotel Barber shop from Mrs. Hattie Phillips, according to an announcement made Thursday morning. He will open the shop for business this weekend.

Bates, who has been in the business for the past 30 years, is married and has six children, two of whom are married and reside in Hoquiam, Washington.

Mrs. Bates and the couple's four other children, Billy Ralph, Betty Louise, Carol Sue and Tommy Dale, will move here as soon as school is dismissed for the summer at Eldorado.—Menard News.

Drive-In For Mason

Construction of a drive-in movie on the Fredericksburg Road will start next week under the ownership of R. L. Whitehead, Ossie Chew and B. F. Grimsley. The project, which will be located on the property formerly owned by Dr. Jim Wyatt a short distance beyond the Fairgrounds, is expected to be completed by July 1.

The drive-in property includes seven and a quarter acres, and is well situated for the outdoor theatre.—Mason County News.

Gas For Junction?

A committee composed of the City Council and three other residents are to make a survey of the natural gas service in other towns of similar size and conditions.

The committee was appointed by Mayor W. P. Hendrix at the closing of the special session held by the City Council in the City Hall Tuesday evening to consider the feasibility of natural gas for Junction.

About 60 citizens heard the request made to the Council by Max Triplett of Hillsboro for a franchise for natural gas. No action was promised by the Council until the committee reports.—Junction Eagle.

P O Moves

Many McCamey citizens were thoroughly surprised Wednesday morning when they made their regular jaunt to the post office—it was gone!

The move into the new quarters was made on the shortest of notices and just a few late callers to the post office on Tuesday knew of the move.

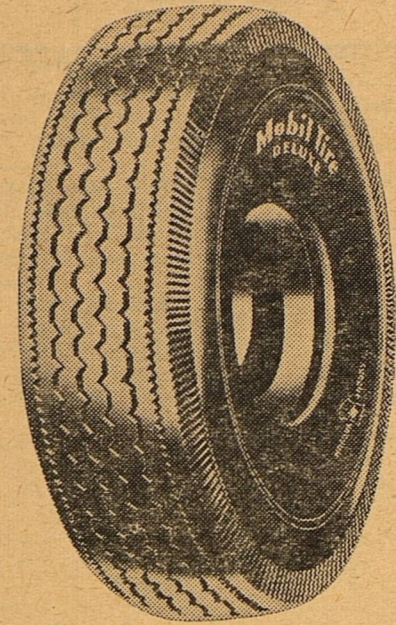

Orders to make the move were received Tuesday shortly after lunch, and when opening time of Wednesday rolled around, business was in operation in the new quarters on Burleson Avenue, across from the Halimicek Building.—McCamey News.

Out On Bond

Warren Cargile, 50-year-old Big Lake oilfield worker, who is charged with the murder of Vernon Miller, 29, also an oilfield worker, was released on a \$2,500 bond at a hearing Wednesday morning before Justice of the Peace F. J. Cartwright.

Miller died in a San Angelo hospital at 6:05 Tuesday morning of wounds sustained about one o'clock the same morning. He was shot through the left breast while on the porch of the house at 107 Mississippi Ave. which was occupied by Cargile, Miller and Miller's brother, Gene, it was reported by Sheriff A. W. Billingsly. Cargile is Gene Miller's father-in-law. The sheriff stated that the shooting followed two altercations earlier in the night in which Cargile and the brothers were involved.—Big Lake Wildcat.

PreSchoolers Enroll For Next Year's Term

Next year's first graders in the Eldorado schools were enrolled Friday at the school and were guests of the first grade sections of Mrs. Newport and Mrs. Thompson at lunch and at rest and activity periods. Wyndell Hall, grade school principal, reported that 34 preschool children had been enrolled up to Tuesday morning, besides about a dozen Latin children who enrolled Monday of last week.

Parents of the children met in the school cafeteria during the day and were served refreshments by Miss Barton and the home ec girls. Mr. Hall outlined some of the problems of the school and of the beginning child. Mr. Holcomb, school superintendent, also spoke. Registration was conducted by the two first grade teachers.

Mr. Hall emphasized that if any beginning children or first year children were missed in last week's preregistration, they should be enrolled by May 14. This will save time in the fall and enable the school to make a better estimate of books and supplies that will be needed next year.

The following will start school in the first grade this September:

Larry Vance Wilson, son of Mr. and Mrs. Clarence Wilson.

Raymond Mack Smith, son of Mr. and Mrs. James Edwin Smith.

John Allen Lowe, son of Mr. and Mrs. Gilbert Lowe.

Illene Bracken, daughter of Mr. and Mrs. James Bracken.

Karl Bauer, son of Mr. and Mrs. E. K. Bauer.

Jerry Madick Edmiston, son of Mr. and Mrs. Delbert Edmiston.

Jimmy Wayne Taylor, son of Mrs. Jimmy Lou Taylor.

Gary King Donaldson, son of Mr. and Mrs. E. G. Donaldson.

Larry Edward Donaldson, son of Mr. and Mrs. E. G. Donaldson.

Wyndell Dale Hall, son of Mr. and Mrs. Wyndell Hall.

Lynn Edward Meador, son of Mr. and Mrs. Edward Meador.

Pamela Jones, daughter of Mr. and Mrs. S. E. Jones Jr.

Stanley Calcote, son of Mr. and Mrs. Buster Calcote.

Janice Lee Bridgeman, daughter of Mr. and Mrs. W. L. Bridgeman.

Barbara Lynn Johnson, daughter of Mr. and Mrs. Lloyd Johnson.

Larry Blair, son of Mr. and Mrs. Frank D. Blair.

Ronald Joe Griffin, son of Mr. and Mrs. Joe Griffin.

Ruth Ann Thigpen, daughter of Mr. and Mrs. Houston Thigpen.

Gordon McDonald, son of Mr. and Mrs. Gordon W. McDonald.

Darl Henry Roach, son of Mr. and Mrs. Jim T. Roach.

Kenneth Dale Henderson, son of Mr. and Mrs. Clifton Henderson.

William Wheeler Jarrett III, son of Mr. and Mrs. William W. Jarrett.

Dolores Allen, daughter of Mr. and Mrs. Monroe H. Allen.

Ronnie O'Harrow, son of Mr. and Mrs. John S. O'Harrow.

James McDonald Jr., son of Mr. and Mrs. James McDonald Sr.

Joan Dell Griffin, daughter of Mr. and Mrs. Jack Griffin.

Rebecca Jean Gillespie, daughter of Mr. and Mrs. N. Doyle Gillespie.

Mary Annette Carroll, daughter of Mr. and Mrs. Jimmy Lee Carroll.

Molly Phillips, daughter of Mr. and Mrs. Paul Phillips.

Marvin D. McAngus Jr., son of Mr. and Mrs. Marvin McAngus.

Rex Hollis McCormick, son of Mr. and Mrs. Hollis McCormick.

Johnny Stigler, son of Mr. and Mrs. John Stigler.

Eileen Elaine Kent, daughter of Mr. and Mrs. Victor L. Kent.

Orville Hal Luedecke Jr., son of Mr. and Mrs. O. H. Luedecke.

CIRCLE 1 MEETS

Circle 1 of the First Baptist WMU met at the home of Mrs. John Stigler, with Mrs. Stigler, Mrs. Lavell Meckel, Mrs. F. B. Calcote and Mrs. L. M. Hoover presenting the lesson on labor unions. During the business session it was voted to give \$5 each to hospitals and an orphan attending Howard Payne. A salad plate was served to 14. The next meeting will be with Mrs. Fred Watson.

SENIOR TRIP PLANNED

The Senior Class will leave Saturday morning, May 17, at 6:00 a.m. on their Senior trip. They will eat lunch in San Antonio, and stay in that city two hours, then at 2:00 will go to Austin, where they will spend the night at the Driscoll Hotel. On Sunday morning they will leave for Galveston, where they will stay at the Buckaneer Hotel Sunday, Sunday night, Monday and Monday night, returning home some time Tuesday.

Sponsors will be: Claude Alexander, driver of the bus, Mrs. Alexander, Mrs. E. W. Craig, Mrs. Arch Edmiston, Mrs. Sam Gausemeier, Mrs. Odis Harris, and Mrs. Cramer Sofge. A total of 34 plan to attend.

MARGO MITTEL ENTERTAINS

Margo Mittel, daughter of Mr. and Mrs. Archie Mittel, entertained her classmates in Mrs. Price's fifth grade with a party at the Corral Friday night. Games were played and refreshments of punch, cookies and sandwiches were served to 24, including an out-of-town guest, Sandra Holcomb of El Paso.

Mr. and Mrs. Grover Lee Johnson of Big Lake spent Saturday night and Sunday here with home folks.

Attending a picnic in Christoval Sunday were Mr. and Mrs. Robert Sproul, their granddaughter Rhonda Sproul, Mr. and Mrs. L. D. Mund and children and Mr. and Mrs. N. G. Hodges of Eldorado, and Mr. and Mrs. Don Farrington, Mr. and Mrs. C. P. Huncutt and baby, Mr. and Mrs. D. L. Babb and Mrs. Marie Adams, of San Angelo.

Delma Logan and Joyce Kuhns of San Angelo visited Sunday in the Marvin Logan home.

Iretta Faye Mace and a friend, Janelle Thompson, of Plainview, students at Texas Tech, Lubbock, were weekend visitors in Eldorado. Iretta Faye expects to attend summer school.

Mrs. Jess Koy and Mrs. D. E. DeLong went to Ozona Monday for a several-day visit with the Koy's daughters.

PRESBYTERIAN NEWS

The 11:00 o'clock service on Sunday morning at the Presbyterian church will center around Mother's Day, with music and sermon on that theme.

On Wednesday night, a church fellowship dinner was served in the basement of the church to the members, this event being held in recognition of Christian Family Week.

A visitor in the manse will be Rev. and Mrs. Charles Bruce's son, Carl, a Senior at Shreiner, who will be here for Mother's Day. He will graduate on the 27th, and plans to spend the summer here, then enroll at Louisiana State University at Baton Rouge in the fall.

METHODIST WSCS

The circles of the Methodist WSCS met in joint session Monday for installation of officers for the new year. Rev. Shilling was installing officer. Twenty-one attended this meeting. Refreshments were served by Circle 1.

Mrs. Frank Meador is new president of WSCS.

Shearing is under way at the ranch of Mrs. Ed Finnegan.

Mr. and Mrs. Ralph Fowler and Mrs. D. E. DeLong went to Abilene Sunday to visit a relative, and also Yuri Nou at McMurry College, but found neither at home.

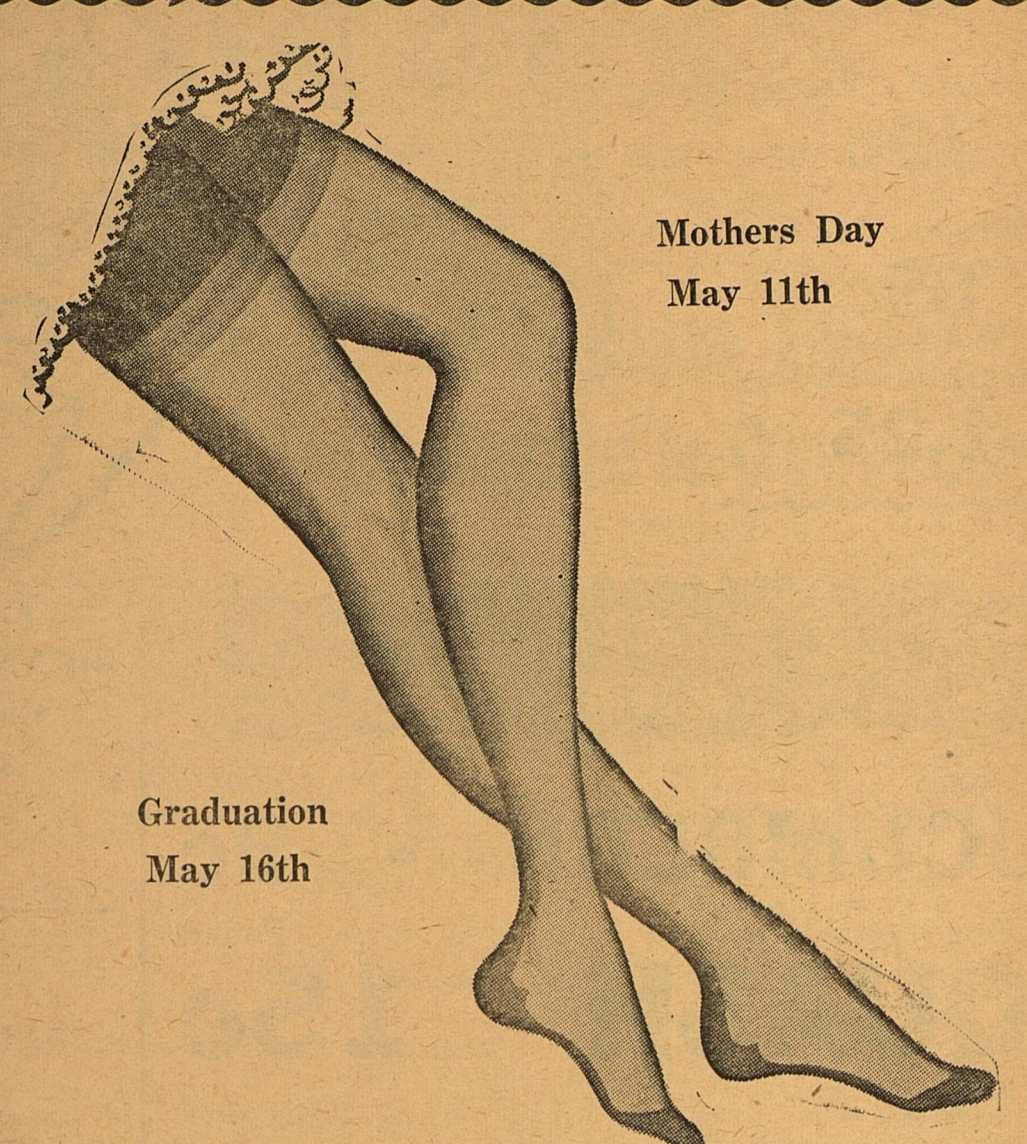

Mr. and Mrs. O. V. Doty and children were Coleman visitors Saturday, and that night they went to Brownwood to attend the Louisiana Hayride. They spent Sunday in Ballinger with the J. B. Turners, former Eldorado residents, whose son Cloyce had just received his discharge from the Navy and was at home to stay. The Dotys were accompanied by Glynita Griffith.

Edward Gordon Robinson accompanied Mr. and Mrs. Will Doyle and Mrs. L. R. Damron to Ballinger Sunday after a week's visit with relatives here.

Here for a month's visit in the Ray Hudgens home are Mrs. Hudgens' mother, Mrs. R. H. Anderson, and sister, Ann Anderson, both of Taber, Alberta, Canada. They arrived in Eldorado Saturday.

Mr. and Mrs. Howard Derrick drove to El Paso to visit relatives and to bring home their son Gary, who had been visiting there the previous week. They returned home Monday.

Driving through by car, the P. F. Cases are in Maryland where they are visiting their daughter Helen, Mrs. Brigham, who is working there while her husband is in the Navy.

ALWAYS BE CAREFUL DRIVING

It makes each drop of gas say uncle

ACCORDING to combustion experts, there's as much energy locked in a drop of gasoline as there is in a drop of nitroglycerine.

But the problem is to put that energy to work.

So Buick engineers aren't content just to mix that drop with air and touch it off. They've designed an engine that brings it catapulting into a cylinder head where it strikes a turbo-top piston—gets whipped into a churning, swirling ball of tight-packed energy.

Then it's fired. And when that happens, a drop of gasoline certainly lets loose power.

This isn't something that happens in a "car of the future."

It happens in a Buick Fireball 8 Engine today. It's a high-compression engine. It's a valve-in-head engine. But it's also a Fireball in performance as well as name.

And it puts extra power under the hood—and extra miles in the fuel back in the gas tank.

Now, power is great, but what goes with it?

Mister, that's something you ought to find out—and soon.

What goes with it is an automobile as sweet-handling, eager and willing as anything that ever made your pulse leap to a faster beat.

It's a car that seems to know what you

want it to do—true and sure in its course on a straightaway—beautifully balanced on curves.

It's a car with Dynaflo Drive* to feed power with infinite smoothness—and a road-hugging levelness of ride that took a million in cold cash to perfect.

And it is, with all this, a very tidy bargain. Why not price it, drive it, know it for yourself? We'll be glad to arrange a demonstration.

Equipment, accessories, trim and models are subject to change without notice. Wheel Crests standard on Roadmaster, optional at extra cost on other Series. *Standard on Roadmaster, optional at extra cost on other Series.

SEVENTH GRADE PICNIC

Mr. and Mrs. Wallace Price were chaperons from the school and the room mothers were hostesses at a picnic at Ft. McKavett for the seventh grade Saturday. The two seventh grades attended this outing, which was held on the Stockton ranch. The young people spent their day swimming, boating and picnicking, returning to Eldorado during the afternoon. A number of parents accompanied the group in addition to those mentioned above.
