62ND YEAR

ELDORADO — SCHLEICHER COUNTY — TEXAS

THURSDAY, JUNE 6, 1963

NUMBER 22

## Work To Start On San Angelo Highway

With the close of school and the onset of summer, the major development ahead for Eldorado will be the rebuilding and paving of North Divide street, the San Angelo, especially the several blocks of the highway that lie north of the main highway intersection within the city limits.

The contractor, T. M. Jr. and Don Brown of Clyde, were awarded the contract recently for the initial 8½ miles of new San Angelo highway, from Murchison Avenue in Eldorado, on north.

The Divide street highway between Sam Whitten's Gulf station and Andy Nixon's building, the former Fambrough building, is to be closed to traffic while the rebuilding is going on. Through traffic will be routed from Andy Nixon's along East street to the Sofge Motel on the Menard highway. Other traffic is to be routed west along North street to the Mertzson road.

Presumably the rebuilding of the highway through northern Eldorado will be done as were several blocks of the Sonora highway about four years ago. The contractor's men and equipment will scoop out the old roadbed to a depth of three or four feet, and put in new, wider base. Workmen have been busy recently lowering utility and sewer lines along the route.

The project also calls for widening the highway roadbed and installing new curbs and gutters. Final operation will be the new paving and seal coating.

All this is expected to take until about the first of October to complete.

Several businesses along the highway that depend on transient trade to any extent will be affected during these months the highway is closed to through traffic. Several have stated that they will try to carry on business as near normal as possible.

## SPENCER RECEIVES APPOINTMENT

Joe Ed Spencer, member of the business administration faculty of Sul Ross College, has been appointed to serve as acting Dean of Men during the absence of Ray C. Van Cleef who has been granted leave of absence to complete his Doctor's degree.

## HAS SUMMER JOB ON INDIAN RESERVATION

Miss Sarah Kate Meador has taken a summer job on the Navaho Indian Reservation in northwestern New Mexico, and will start her duties there Saturday.

The reservation is located near Fort Defiance and Miss Meador will be one of the student volunteer workers. She will teach and do other work with the Indians, and will be on the job until August 9th.

Miss Meador is the daughter of Mr. and Mrs. T. C. Meador and is a student at North Texas State University at Denton, where she will be a Senior this coming year.

## Rites At San Angelo For Mrs. Southwick

Funeral services were held Tuesday morning at 10:00 in Johnson's Funeral Chae in San Angelo for Mrs. Bertha Southwick, 69, former Eldorado resident. Mrs. Southwick died in St. Johns hospital at 5:10 p.m. Sunday.

She was born Bertha Sparks and on July 21, 1910, she married Rumsy H. Damron at Purdon, in Navarro county, Texas. He died in the summer of 1958 and his widow subsequently married V. A. Southwick, who survives her.

Other survivors include a daughter, Mrs. Fred McElroy of San Angelo; 2 brothers, W. A. Sparks of Dallas and O. E. Sparks of Eldorado; two sisters, Mrs. Flossie Henson of Vivian, La., and Mrs. J. W. Borders of Whitharral.

Another daughter, Hazel, died at the age of 2 in 1915.

Mrs. Southwick was interred in Lawnhaven Memorial Gardens in San Angelo.

Mr. and Mrs. Southwick had formerly operated the Eldorado Ice House before moving from here about a year and half ago.

## Commissioners Take Bids For Road Job

In a special meeting May 27, the Schleicher County Commissioners Court received bids for repair of the Huldale road, and accepted the low bid of \$4,546 from Sonora Pavers.

Strain Bros., Inc., submitted the only other bid, of \$6,850.

At the same meeting, the Court employed Norman Courage to repair the acoustics in the Lions club room of the Memorial Building for \$399, said amount to include labor and materials. That job is nearing completion this week.

## News of the Sick

Cissy Gault, 13-year-old daughter of Mr. and Mrs. Joe Gault, came home Monday from the Clinic-Hospital where she had dental surgery.

Little Brenda Smith, 6-year-old daughter of Mr. and Mrs. Jim Smith, fell from a swing while playing in the yard at the home of Mrs. M. H. Woodward Tuesday afternoon, and broke her arm. Mrs. Woodward was keeping the three young Smith children while their mother was at the Sonora hospital with her son, Joe. She rushed the child to the Eldorado Clinic where the arm was put in a cast.

Joe Smith, son of Mr. and Mrs. Jim Smith, underwent an appendectomy at the Sonora hospital Tuesday morning.

Mrs. Johnny Hawkins entered Shannon hospital in San Angelo yesterday afternoon and will undergo surgery Friday morning. She is in room 429.

Mrs. B. K. Cheek was resting nicely Wednesday at the Sonora hospital where she has been confined since breaking her hip some time ago.

## TO RECEIVE NURSE'S CAP

Verna Ann Lux has completed nine months of a three year program at the Shannon West Texas Memorial Hospital School of Nursing in San Angelo. As recognition of her full acceptance into the school, she will receive the school cap at a Candlelighting Ceremony to be held in the San Angelo College Auditorium, June 7, 1963.

She is the daughter of Mr. and Mrs. W. V. Lux and was a 1962 graduate of Eldorado High school.

## Lions Club To Honor Firemen Next Week

Presiding at the meeting yesterday of the Lions club, W. R. Bearce reminded all present that the club will stage a ladies on Friday night, June 14, in honor of the fire department, and there will be no club meeting this coming Wednesday, June 12.

For the program at the meeting yesterday, P. S. Dudley showed slides of a recent trip to California and Alaska.

Guests were E. R. Sullivan of Abilene, Sam C. Johnson of Dallas, Tom Davis of Sonora, and Mike Hale and Mark Calk of Eldorado.

## Barbara Ann Fry Plans Wedding In August

BARBARA FRY

Mr. and Mrs. Owen Fry of Eldorado announce the engagement and approaching marriage of their daughter, Barbara Ann, to Mr. Jimmy Dean Bryant of Gainesville.

The bride-elect was a 1962 graduate of Eldorado High school, and is currently a sophomore at Mary Hardin-Baylor College at Belton. Here she is an active Home Economics major, a member of Psi Theta, and the Daughter's Club.

Mr. Bryant is the son of Mrs. R. C. Kendrick and the late Mr. Lige Bryant of Gainesville. He is a graduate of Gainesville High School and is currently stationed at Fort Hood. Later he plans to attend North Texas and major in mathematics.

A wedding for August 3 is planned. After the wedding, the couple will reside in Belton where the bride will continue as a student at Mary Hardin-Baylor.

## Post Script

The next best thing to watching a big circus unload and set up is to watch a rotary rig move and set up on a new location. Over the past week end Delta moved two rotaries to their new locations on the T. K. Jones ranch.

One location is east of the Mertzson highway and the other on the west side—not more than a mile apart. The whole area was crawling with winch trucks, bull-dozers, water well rigs and welders, both from Eldorado and Ozona. Both derricks were up by Sunday night.

It's interesting to watch, only you have to be careful where you park your car so as not to get in the way.

—ps—

Who all is from Harper? Apparently there are more than a few here in Eldorado and Schleicher county. The McDonald family, for one, comes from there—and includes a big relationship.

Herbert Graf is another. He placed in our hands this week a 4-page program which announces the Harper Centennial Celebration which is scheduled for Saturday and Sunday, June 8 and 9, which will undoubtedly draw a large delegation from here.

According to printed program a big Centennial parade is scheduled for 3:00 p.m. Saturday; a big barbecue will be held about 4:00; dignitaries, notables and pioneers will be recognized at 7:00 p.m., to be followed by a pageant and centennial ball.

After resting up Sunday morning, visitors will find the cooks starting at 11:00 to serve the big noonday barbecue meal which will continue until everyone is filled up. Memorial services are scheduled at all six churches.

Sunday afternoon events will include a pioneer style show, beard growers contest and fiddlers contest featuring old-time stringed music.

The official program is still here on our desk if any of you former Harperites wish to see it.

—ps—

With our subscribers: Mrs. Susan Steele is receiving her Success for the summer at box 1208, Waco, Texas.

Also on the local school faculty, James Storrs is at 201 Catalina Drive in Waco, for the summer.

Mr. and Mrs. Sherwood Barker's new address is 207 Johnson street, Cuero, Texas.

Mrs. R. D. Spigarelli reports a move from Pittsburg, Kansas, to 3116 Sandra Drive, Shreveport, La. Gayle Woodward is a new subscriber at 119 So. David in San Angelo.

—ps—

What's the difference between a new house that is "completely furnished" and one that is "completely finished"?

An awful lot. We got those words mixed up in an ad last week and promptly got called on the carpet by Wm. Cameron & Co. The ad appears again this week on an inside page with the correct wording.

—ps—

Not since the World War II period has there been such public concern over sugar as recently, when several price hikes have taken place. No food stores are advertising sugar now and many housewives seem to be taking the attitude of buying only the sugar that is absolutely needed.

One store hiked the price for a 10-lb. bag to \$1.49 a while back, and last week it was up to \$1.69, which seems to be the prevailing price. A 5-lb. bag costs 85c or 89c, which would have bought a 10-lb. bag not too long ago.

"It's the wholesalers," the grocers claim.

Government officials have stated that supplies should become plentiful again soon, so that sugar prices will go back down, but it remains to be seen.

One thing is certain; if the price remains high, homemakers will not be inclined to do as much preserving and canning this year as other years.

All this brings to mind the wartime era of 20-odd years ago when sugar was the first thing put on the ration list and the last thing taken off. Older homemakers who kept house then and cooked, may well dust off their old wartime recipes for sugarless cakes and other desserts, and go back to putting honey in coffee.

We suppose that stores would be selling more saccharin and

## Little League Program Kicks Off Tonight With Double-Header

### OIL NEWS

A portable rotary rig moved in yesterday on Texaco No. 2 Jackson test, located just north of their 22-barrel producer. Location is 660 feet from the south and east lines of 48-LL-TC RR, about three miles northwest of Eldorado. Contract depth is 1100 feet.

Allen Drilling Co. of Odessa has the contract and drill with air until they hit water.

O. C. Proffitt, contractor for the Enochs & Gouras No. 1 Dyer well about five miles northwest of Eldorado, continued to drill this week on this shallow oil prospector. He was drilling below 760 feet yesterday morning.

Delta's two rotaries were moved on to the two T. K. Jones locations last week and drilling operations are now under way.

East of the Mertzson highway on Sec. 36 is the Delta Drilling and Pauley Petroleum Co. No. 1 Delhi Jones. West of the highway is the other prospector which is designated as Delta Drilling and Pauley Petroleum No. 1-A Jones. The two tests are about a mile apart and both are probably drilling below 200 feet by now. Gas from the Whitten discovery well is being used for fuel for the engines.

Fourteen flat cars are spotted on the Santa Fe sidetracks here loaded with 12-inch pipe for Northern Natural's 35-mile pipeline. About 14 more cars are scheduled to arrive at Eldorado and a similar amount will be shipped to Sonora.

R. H. Fulton of Lubbock has contract for the 35-mile construction job. They had a crew at Eldorado yesterday unloading the first 14 cars.

## Lynn Meador To Leave For Boy's State, Austin

Lynn Meador, 17-year-old son of Mr. and Mrs. Edward F. Meador, will leave this week end for Austin to attend Boys' State to be held June 9 through 15 at the University of Texas. Meador was selected by The Bev McCormick Post of The American Legion as local representative to the state gathering, which is sponsored by the American Legion of Texas.

Delegates are chosen by Legion posts over the state on the basis of leadership, 50%; character and integrity, 25%; and scholarship, 25%.

In attending Boys' State, Meador will be one of approximately 450 future citizens who will be learning the fundamentals of citizenship by doing.

Lynn will be a Senior this coming year in Eldorado High school and will serve as president of the Student Council.

## LOCAL BOYS TO TRAIN AT SAN DIEGO

Joe L. Lowe, son of Mr. and Mrs. Gilbert Lowe, and James P. Morris, son of Mr. Charlie Morris and the late Mrs. Morris, were among the 13 West Texas high school students who left Sunday for 80 days employment with the U. S. Navy at San Diego, Calif.

The youths were to fly to San Diego where they will receive recruit training at the Naval Reserve Training Center. When they return they will serve with the Naval Reserve at San Angelo.

other artificial sweeteners. The Home Demonstration agent has a few ideas along these lines in her column this week, elsewhere in this Success issue.

—ps—

One of these days Eldorado streets are apt to begin looking like a mad house.

When the road construction crews start tearing up the main drag and routing traffic around by Doe Sofge's, travelers will meet pipeline truckers hauling material from the Santa Fe yards.

Four drilling operations going on close to town is adding to the traffic, and now out on T. K. Jones ranch we find the Big Bend Flying Service has set up a camp—a bunch of trucks, tanks, living quarters and an airplane. Understand they are spraying mesquite for nearby ranchers.

The Little League baseball season gets under way here tonight with a double header when the White Sox and Tigers cross bats at Legion Field at 6:00 o'clock. The Red Sox and Christoval Cougars will slug it out in a second game starting at 8:00.

Some of last year's sluggers will be missing from the line-up; those boys reaching the age of 13 pass out of Little League activities and younger boys move up to take their places.

The league here is made up of four teams—three from Eldorado and one from Christoval. Fans will have an opportunity to see all four of them in action tonight.

Tomorrow (Friday) night will see another double-header, with the Red Sox competing against the White Sox at 6:00 o'clock, and the Tigers playing Christoval at 8:00.

Games are scheduled throughout the season on Monday and Tuesday nights, and Thursday and Friday nights. The complete schedule is as follows:

### First Half

June 6.....	White Sox—Tigers
June 6.....	Christoval—White Sox
June 7.....	Red Sox—White Sox
June 7.....	Tigers—Christoval
June 10.....	Christoval—White Sox
June 11.....	Red Sox—Tigers
June 13.....	Tigers—White Sox
June 14.....	Red Sox—Christoval
June 17.....	White Sox—Red Sox
June 18.....	Christoval—Tigers
June 20.....	White Sox—Christoval
June 21.....	Tigers—Red Sox
June 22.....	All Star Game (teams 1 & 4 play 2 & 3)

### Second Half

June 24.....	Red Sox—Christoval
June 25.....	White Sox—Tigers
June 27.....	Red Sox—White Sox
June 28.....	Christoval—Tigers
July 1.....	Tigers—Red Sox
July 2.....	White Sox—Christoval
July 5.....	Christoval—Red Sox
July 5.....	Tigers—White Sox
July 8.....	White Sox—Red Sox
July 9.....	Tigers—Christoval
July 11.....	Red Sox—Tigers
July 12.....	Christoval—White Sox
July 15-16-18.....	Play Off between winner of first half and winner of second half (2 of 3)

First team listed on schedule is home team. Game time: 8:00

Visitors warm up at 7:30-7:40; home team, 7:40 to 7:50.

There will be three double headers:

June 6	White Sox—Tigers
8:00	Christoval—Red Sox
June 7	Red Sox—White Sox
8:00	Tigers—Christoval

July 5	Christoval—Red Sox
8:00	Tigers—White Sox

In case the same team wins both halves of season, there will be no play-off.

## 14 New Vehicles For Month Of May

During May, the following new vehicles were registered in the sheriff's office:

Robert L. Anderson, '63 Ford ½ ton pickup;  
Sinclair Oil & Gas Co., Eldorado, '63 Ford 4-door;  
Leslie L. Baker, '63 Chevrolet 4-door;  
Curtis Stockton, '63 Chevrolet pickup;  
B. F. Blaylock, '63 Chev. ½ ton pickup;  
Haley Transports, Inc., two '63 Mack truck tractors;  
J. L. Neill, '63 Ford sedan pickup;  
Gerald Hartgraves, '63 Chevrolet pickup;  
Sinclair Oil & Gas Co., Tulsa, Okla., '63 Ford 4-door sedan;  
Donald Robinson, '63 Ford 4-door;  
Lewin E. Skains & Sons, Sonora, '63 Ford pickup;  
Luke Robinson, San Angelo, '63 Chev. pickup;  
Southwest Texas Electric Co-Op, '63 Chev. flat.

## BACK FROM IRAN

Kenneth Doyle, who has been employed with the Santa Fe Drilling Co., on their operations in Iran in Persia for the past two years, arrived home from overseas last week.

He will spend a month's vacation here, after which he will be re-assigned.

## Bracero Program Defeat Deployed by Fisher

By O. C. FISHER

The Bracero Program, which has allowed 1.7 million Mexican farm hands to enter the U. S. under contract during the last five years, is due to end this year. The proposed extension of the 12-year-old program was defeated in the House last week by a 174-to-158 roll call vote.

While this action will not affect southwest Texas because the Secretary of Labor decided three years ago to discontinue the program in our area, it will create serious labor problems for many farmers, particularly in California, New Mexico and Arizona, where extreme labor shortages exist in the vegetable and fruit fields. All told, about a quarter of a million braceros are now being used in the lower Rio Grande valley, the Pecos-El Paso area, and in the other states.

Opposition to continuing the bracero program was spearheaded by CIO-AFL, whose farm union has big plans for unionizing all agricultural labor, and contends contracting of Mexican workers tends to interfere with the organizing drive. This group was aided

by many uninformed and misinformed do-gooders, all of whom joined in a massive parade of ignorance about labor shortage problems in the affected areas.

Hank Brown, president of the Texas AFL-CIO, wrote each member of the Texas delegation, urging us to vote against extending the law. He contended that if the law is continued it would deprive "thousands of unemployed American citizens" along the border of job opportunities.

I answered Mr. Brown by inviting him to send me a list of the names and addresses of the unemployed people in my district who are able and willing to work on ranches and farms at prevailing wages. I told him that if he would do that, I could then send that list to the many people who write me about local labor shortages. Needless to say, Mr. Brown did not bother to answer my request.

The simple fact is, that there is now and has been for years an extreme shortage of farm workers in the southwest. A sensible, workable bracero program is badly

needed, if it could be administered by an agency that would in good faith recognize the problem and try to do something about it on a practical basis. No one wants labor imported into areas where there is an adequate number of domestic workers to meet the demands. In fact, the law prohibits that being done.

The impact this action may have in Mexico remains to be seen. On the one hand, the Administration is plugging for an Alliance for Progress, costing hundreds of millions of dollars, but seems to take a dim view of providing this means of helping our neighbor to the south, without any cost to the American taxpayers.

Since the Labor Department has built up a bureaucracy for the enforcement of the bracero law, it will be interesting to see how many of the some 1,000 who have been hired to run the program will now be fired. I am requesting the Secretary of Labor to inform me what he plans to do with this surplus of manpower in his Department when the bracero program ends this year.

# GOSPEL MEETING

Church of Christ

JUNE 10-16th

EACH EVENING AT 8:00

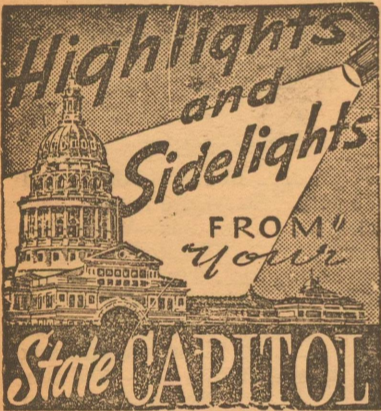

CONDUCTED BY

REUBEN STANLEY

OF SAN ANGELO

EVERYONE WELCOME

Dinner will be served at noon on Sunday the 16th at the Memorial Building.

Austin.—Rumors concerning a special session continue to bounce around the Capitol.

Most persistent rumor is that Gov. John B. Connally will "line-item" veto the appropriations bill, which he contends "short-changes" higher education . . . then call a special session in the fall.

In a "line-item" veto he would strike out items he considers unnecessary. Then try to convince Legislators that the money should go to higher education instead.

Some lawmakers think they will be called back in September. Others pick October. Those who predict a fall session believe they again will have to tackle the subject of congressional redistricting. They didn't agree to a solution in the regular session.

**Speaker Satisfied**

House Speaker Byron Tunnell of Tyler thinks a summer session is possible.

Tunnell said he is making no vacation plans until he is certain he is certain he won't be called on to preside over the House in late June or July.

But the speaker stated he was well satisfied with the budget passed by the Legislature. He said, "They apparently did what they thought was right, and I for one will stand behind them."

"The 58th Legislature met its challenge and did its work," Tunnell said proudly.

There were many times during the 58th session when the speaker and the House seemed at odds. But when the session ended most House members agreed that Tunnell had been a good referee.

"I have never asked anything but the right to take my position and give another man the same right," Tunnell stated when the bustle of the 58th dissolved into post-session silence.

"That is what I really like about

the House: There is such a mixture of philosophies, ranging from liberals like Bob Eckhardt to mine. Somewhere in between may be where the answer lies."

**Instant Railroad Commissioner**

Many nice things have been said about Jim C. Langdon since Governor Connally appointed him to the Railroad Commission to replace Bill Murray. One thing for sure, he adapts to changes easily.

In two short hours, Langdon resigned as chief justice of the El Paso Court of Civil Appeals; withdrew from the race for the State Supreme Court place which Judge Frank Culver of Fort Worth is expected to leave; was sworn in as Railroad Commissioner; announced as a candidate for re-election in 1964; and went right to work.

Then he and Commissioner Ben Ramsey made the announcement the oil and gas industry was waiting for—a 28% allowable for June.

**Governors' Choice**

Langdon's appointment was the third he has received during three administrations.

Gov. Allan Shivers appointed him 112th District Judge in 1954. He was elected to that bench twice. Then Gov. Price Daniel appointed him Chief Justice of the El Paso Court in 1959. This post he resigned to accept Governor Connally's appointment.

**Bills Versus Laws**

A quick tabulation of the results of five months of labor by the 181 members of the 58th Legislature reveals that only about 31% of the bills passed both House and Senate, to become laws.

A total of 1,723 bills were introduced. Of these, 543 were passed into law. Most of the weeding-out was done by committees. They reported as favorable only 786 bills as compared with 906 in 1961.

**Supreme Court Backs Commission**

State Supreme Court upheld the Railroad Commission's right to authorize an operator in a particular oil field to conduct a survey of another operator's well to determine if it were illegally slanted.

Case at bar was L&G Oil Co. (headed by H. G. Lewis Jr. of Kilgore) versus the Railroad Commission et al.

L&G charged that a Railroad Commission order permitting Tidewater Oil Company to authorize Sperry-Sun Surveying Company to run a slant-hole survey on an L&G well in the East Texas field

was illegal. The 126th District Court in Austin had supported the Railroad Commission's order.

But while the Supreme Court affirmed the right to give the order, it said it was improperly worded and sent the case back to the trial court.

Two members of the high court, however—Associate Justices Mead F. Griffin and Joe Greenhill—disagreed with their colleagues.

"To allow a citizen or corporation—a potential foe in litigation—to go upon and take notice of another's property without even so much as an opportunity to be heard, is a clear violation of the due process clause of the Texas and Federal constitutions," they stated.

**Date Mix-Up**

On or about August 1, Secretary of State Crawford Martin has to start publishing proposed amendments to the constitution that will be up for a vote in a special election on Saturday, November 9.

Martin checked out the first three amendments scheduled for the ballot: One to decide whether to abolish the poll tax; one asking whether to extend the Veterans' Land Program and increase bonds; and one asking voters whether the state should increase from \$54 million to \$60 million state funds that can be spent each year on federal-state assistance for old folks, children, the blind and disabled.

Then he came to a fourth—a proposed amendment to authorize a retirement and benefit program for Jefferson County drainage district employees. One clause referred to a November 9, 1963, election. Another set the election for November, 1964.

Martin couldn't decide which date was right, so he referred the matter to Attorney General Waggoner Carr.

**Former Speaker Lands Job**

James A. Turman of Gober, former speaker of the House who ran for lieutenant-governor in 1962 and was defeated by Preston Smith of Lubbock, was around Austin for a long time after his term as speaker ended on January 7.

Many political potentates predicted he would be named Secretary of State—he wasn't. Then they said he would head Governor Connally's proposed Commission on Excellence in Higher Education, but that bill didn't pass.

Turman came out fine in the long run. Last week, he joined the U. S. Office of Education in Washington, D. C., as a Special Consultant Expert to the Commissioner of Education.

Turman once was assistant to the president of Texas Woman's University in Denton.

**Stocks Sales Granted**

State Securities Commissioner William M. King announced a sharp rise in the number of companies registering stocks with his board in April.

Sixty-three companies—21 Texas firms included—were granted permits to issue \$22,634,384 worth of securities in the state.

**Highway Contracts Record Set**

A \$5,200,000 contract for construction of a 12-mile stretch of

Interstate Highway 20 in Kaufman county broke all records for the State Highway Department.

Contract was one of 64, representing \$33 million worth of road improvements, let by the State Highway Commission on May 27.

**Unemployment Down**

Economic pictures drawn by state agencies this week began to look like "Texas Brags."

Texas Employment Commission also had a glowing report. It announced that the number of job-seekers dropped from 191,000 in March to 171,500 in April. Number of employed was 3,543,100—56,100 more than March figure.

**JUNE BRIDE-ELECTS HONORED**

Mrs. Edwin Jackson entertained Saturday morning with a breakfast honoring the June bride-elects of Eldorado. Those honored were Miss Margo Mittel, bride-elect of William H. Harrison Jr. of Columbus; Miss Judy McGregor, bride-elect of Robert Maier of Houston; Miss Elaine Whitten, bride-elect of J. D. Burkes of San Angelo; and Miss Nancy Jo Jackson, bride-elect of Joe Ray Stanford of Eldorado. Miss Jackson is a niece of Mrs. Jackson.

Early summer flowers were used on the quartet tables and through the party rooms. The hostess presented each honoree with a cook book and a kitchen apron.

**Former Eldoradoan's House Is Flooded**

Mr. and Mrs. Glenn Biggs' beautiful new home in Abilene was flooded during the heavy downpours there last Thursday morning and night.

The house is situated in a new addition between River Oaks and Eden Creek in Abilene, and the drainage system was not adequate to take care of the sudden heavy rains. Water came up several feet in their home, and several others around it.

Mr. and Mrs. Ben Biggs, Glenn's parents, had been to Denton to visit Mrs. Biggs' brother-in-law and sister, Mr. and Mrs. Dewey Burger and to meet Mrs. Biggs' brothers, Clarence and Louis Stucker from California, one of whom (Louis) they had not seen in 12 years.

The Stucker men are moving back from California; Clarence and his family moving to Missouri and Louis to Denton.

After spending several days in Denton, Mr. and Mrs. Biggs came back by Abilene and found the Glenn Biggs family cleaning out the mud from their house after the flood. They helped them for two days, then came on to San Angelo and visited their son-in-law and daughter, Mr. and Mrs. Bob McElroy.

They reported that Mrs. Glenn Biggs planned to take the children and visit her parents in Memphis, Tennessee, while the carpets are being cleaned and the house made livable again.

**Miss Jackson Honored With A Coffee**

Miss Nancy Jo Jackson, bride-elect of Joe Ray Stanford, was honored Monday morning, June 3, with a coffee by Mrs. Arch Mittel and her daughter, Miss Margo Mittel, at the Mittel ranch home.

The table was laid with a green linen cloth. Coffee was served from a brass coffee service with brass accessories. Guests were high school and college friends of the honoree.

The couple will be married June 7th at the home of the bride's parents, Mr. and Mrs. J. T. Jackson, Jr.

**Miss Mittel Honored In San Angelo**

Miss Margo Mittel, bride-elect of William H. Harrison, Jr., of Columbus, was honored last Saturday, June 1, when Mrs. John Donham and her daughter, Miss Judy Donham of San Angelo and Mrs. Jim O'Harrow of Christoval entertained with a luncheon in the Petite Lounge of the San Angelo Country Club.

The guests included 18 friends of the honoree from San Angelo, Eldorado, Sonora, and one guest, Mrs. Hoyt Smith, from Iraan.

Mrs. Norton Cheek of San Antonio visited her mother-in-law, Mrs. B. K. Cheek, at the Sonora hospital and Mrs. Sadie Davidson en route to Texas Tech at Lubbock where she will do some post-graduate work this summer. Mrs. Cheek is a counselor in the public school system in San Antonio.

Mrs. Glenn Parker and Robert left Saturday for Houston to visit in the home of her parents, Mr. and Mrs. W. T. Huber. Mrs. Parker returned home early this week while Robert remained with his grandparents for an extended summer visit.

**Miss Ruth Williams Bride Of Mr. Reed In Church Of Christ Ceremony June 1**

MRS. MARVIN WAYNE REED

Following their wedding Saturday, June 1, Mr. and Mrs. Marvin Wayne Reed will live in Denton after a wedding trip to points of interest in North Texas.

The bride is the former Miss Ruth Williams, daughter of Mr. and Mrs. Cecil A. Williams of the Reynolds community. Parents of the bridegroom are Mr. and Mrs. Walter T. Reed of Dallas.

Duane Ramsey, minister, officiated during the ceremony held at the Eldorado Church of Christ.

The bride, given in marriage by her father, wore a street-length dress of hand-woven Guatemalan wedding cloth. The dress had a molded bodice and a portrait neckline to feature a short jacket with bell sleeves. The semislim bell-shaped skirt, accented by pleats was woven with threads of gold intermingled with the white. The veil of silk illusion was held by a satin coil. She carried a cascade arrangement of gardenias and feathered carnations.

Honor attendants were Miss Fay Williams of San Angelo, sister of the bride and maid of honor, and Dr. Larry D. Reed of Dallas, brother of the groom and best man. Miss Janet Ruth Davis of Lawn was the bridesmaid, and Billy Williams of Eldorado was the groomsman. Bobby Williams of Eldorado and Roy Williams of Snyder were ushers.

A graduate of Eldorado High School, the bride is a senior student at North Texas State University in Denton. She has attended Texas Woman's University College of Nursing. She is a member of Theta Sigma Phi.

Mr. Reed was graduated from Justin F. Kimball High school in Dallas. He is a junior pre-med student at North Texas State.

Hostesses for the wedding reception in the Eldorado Memorial Building were Mrs. W. J. Davis of Lawn, sister of the bride, and Mrs. Larry Reed of Dallas, sister-in-law of the bridegroom. Mrs. Roy Williams of Snyder, sister-in-law of the bride, registered guests.

The reception table featured the bride's chosen colors of yellow and green. Centering the table was a tiered cake made by the bride's mother. Gold appointments completed the decor.

Parties for the bride included a gift tea given by the women of the Church of Christ. At the tea the table was decorated with wedding bells and a net tablecloth looped with sprays of flowers in the bride's colors.

Serving at the tea were Mrs. Glenn Mathews and Miss Gayle Woodward of Eldorado. Fay Williams, sister of the bride, registered guests.

**From Out Of Town**

Out of town guests attending the Reed-Williams wedding were:

Mr. and Mrs. Owen Brock of Fort Worth; Pvt. Robert Williams of Ft. Sam Houston; Mr. and Mrs. Garland Williams, Gary, Don and Kathy of Amarillo;

Mr. and Mrs. Harold Williams, Ronnie, Douglas and Mary Kathryn of Amarillo; Mr. and Mrs. Bill Unger and sons, Steve and Mark, of Big Spring;

Mr. and Mrs. Roy D. Williams of Snyder; Miss Fay Williams of San Angelo; Mrs. W. J. Davis, Janet Ruth and Rayburn of Lawn; Mr. and Mrs. Walter Reed of Dallas; Dr. and Mrs. Larry Reed of Dallas; Mrs. L. J. Reader and Jane of San Angelo;

Mr. and Mrs. Duane Ramsey of San Angelo.

Mrs. W. J. Davis and children spent a few days with her parents, Mr. and Mrs. Cecil Williams.

Robert Williams and Mrs. Owen Brock spent the week end with their mother, Mrs. J. Tom Williams.

Mr. and Mrs. Harold Williams and family, Mr. and Mrs. Bill Unger and family, spent the week end visiting Mrs. J. Tom Williams and the Cecil Williams families.

**FIRST BAPTIST CHURCH CIRCLES HOLD MEETINGS**

The WMU of the First Baptist church met in circles this week, the Van Dusen, Kuykendall and Montgomery circles meeting Monday and the Barnett circle Tuesday.

The Montgomery and Van Dusen circles presented the circle program from Royal Service Magazine on "What Is Royal Service?"

Mrs. Kenneth Vaughan taught the remaining chapters of the mission study book, "World Awareness" by Sadie T. Crowley to the Kuykendall circle on Monday afternoon and to the Barnett circle on Tuesday afternoon.

Refreshments were served by the hostesses, Mrs. W. O. Alexander, for the Van Dusen circle, to the nine members present, Mrs. Jack Griffin to the Montgomery circle with seven members attending, Mrs. Fred Watson to the Kuykendall circle with six women present, Mrs. Bob Rowe to the Barnett circle, with four members and a guest, Mrs. T. P. Robinson. This circle met at the church.

Pat Preston visited here recently with his parents, Mr. and Mrs. R. E. Preston, and returned Sunday to Denton for the term of summer school at North Texas State U.

**Miss Hext Is Sweetheart Of Area II F.F.A.**

DEANNE HEXT

Miss Deanne Hext, daughter of Mr. and Mrs. Granvil Hext, and a Senior in Eldorado High school, was elected Area II Future Farmers of America Sweetheart at the close of the area's annual convention held in Snyder last Friday and Saturday.

Miss Sharon Shipley of Odessa, the reigning State FFA Sweetheart, crowned Miss Hext and presented her with a plaque. Connie Robinson of Snyder was runner-up. Six girls representing Post, Roby, Midland, Van Horn, Snyder and Eldorado, competed, having first been named sweethearts of the respective local FFA chapters, and then winning in district competition. Danny Burk was her escort.

Miss Hext will represent Area II in the state contest which will be held during the state FFA convention in Lubbock on July 17-19.

Schools from 44 counties were represented at the Area II convention during which area officers were elected with F. E. Busby of Divide elected area president.

Danny Burk was named as area candidate for a star farmer award and Walter Powell was area crops winner. Leonard Kent is an American Farmer Degree candidate and an Area II officer.

Mrs. Granvil Hext and Miss Jane Sanders attended the convention as guests.

Mr. and Mrs. Joe Bailey Montgomery and daughters, Nancy Kay and Jo Beth of Boerne, visited their mother and grandmother last week with the girls staying over for two weeks more and attending Vacation Bible School at the Presbyterian church and taking swimming lessons. Mr. and Mrs. Billy Edmiston and their three boys joined them here for the weekend.

**In Those Days**

Compiled From Success Files

**ONE YEAR AGO**

June 7, 1962—In the run-off Democratic Primary, Gene McCalla defeated Grat Edmiston for Precinct 2 commissioner. On the state level, John Connally defeated liberal Don Yarborough by a narrow margin, in governor's race. Schleicher county went for Yarborough.

Mr. and Mrs. John West were to be honored on their Golden Wedding at an Open House at the Memorial Building.

A daughter was born to Mr. and Mrs. Larry Rittenhouse.

At district FFA meeting in San Angelo, Leonard Kent was elected first vice president of Area II.

**FIVE YEARS AGO**

June 5, 1958—The Chavira murder trial was completed and the defendant was found guilty and sentenced to life imprisonment.

Russell Heaner was appointed for his third year as pastor of the First Methodist church.

Open house was set Friday at the Permian Basin compressor plant in the Reynolds area.

The Bill Lester family were staying at the Steen ranch while their house was being remodeled.

Returning from a vacation trip to Abilene, Sterling City, and Tennyson were the Albert McGinnis family.

Tommy Green enrolled for summer school at A&M.

Blake's Electric moved to new location north of the Fambrough Chevrolet Co.

The engagement of Susan Ruth Carroll and Robert Martin was announced.

Allan Corbell was honored with a party on his seventh birthday.

**12 YEARS AGO**

June 7, 1951—Standard of Texas established an office in Eldorado in the Hext Foods building. A. L. Hayner, geologist, and P. I. Youngkin, petroleum engineer, were assigned to the office by the company.

A revival was under way at the First Baptist church with Joe Smith preaching and Joe Bissitt song leader. Both young men were from Howard Payne college and Clifford Nelson was church pastor.

O. E. Deal purchased Hoover Drug store.

Howard Mittel completed training at Connally Field, Waco, and was transferred to new military duty in Georgia.

The Frank Prochaska family were on a vacation trip to Arkansas.

The C. A. Reynoldses were moving to Brady after he served as school superintendent here. They were honored with a going away party and given a gift by the Church of Christ.

The J. B. Swains moved back to Eldorado from Sheffield.

Work was under way on an addition to the Manse of the Presbyterian church.

Jack Ratliff announced in an ad that his store, Jack's Furniture, was now handling Sherwin-Williams paints.

**35 YEARS AGO**

June 8, 1928—Lelah Belle Davis announces that she will teach a summer school if she can get as many as 20 students.

Jack Wish is planning to return to Eldorado to conduct another auction. He conducted one at Bush Motor Co. about six months ago, and will auction jewelry at the Corner Confectionary.

C. C. Doty has announced for Justice of the Peace.

Jim O'Harrow reports the sale of 1,000 head of sheep to Pat Jackson at \$7 a head.

S. E. McKnight, owner of the Hotel Eldo, has let the contract to Archer Bros. for the erection of three masonry business houses to the south of the hotel. The three buildings will cost Mr. McKnight about \$15,000 and will face South Main street.

A daughter was born June 4 to Mr. and Mrs. R. B. Harris.

Mrs. L. D. Hardt and children are visiting her parents in Mason county while Rev. Hardt is with the Boy Scouts in camp on the San Saba river.

A. T. Wright and son Taylor went to Abilene last Friday to get Agnes, who has been attending McMurry college.

J. H. Boggs of San Angelo has announced for Land Commissioner after serving as representative from the 91st district.

**Smoking Discussed By Health Dept.**

It all started with Sir Walter Raleigh and a Y-shaped pipe.

The pipe was a gift to Raleigh from Sir Francis Drake—a souvenir from the West Indies, where natives put the pipe prongs in their nostrils and inhaled the smoke of a smoldering substance they called "tobacco."

Raleigh apparently set the style of his day, for when he took up smoking the practice soon became fashionable.

All this happened nearly 400 years ago—in 1586. Since then smoking has become perhaps the most deeply ingrained habit of humanity.

Today in the United States alone, more than half the men and a fourth of the women smoke cigarettes daily, and additional millions smoke pipes and cigars. And the habit is winning more and more young recruits each day.

Teen-aged youngsters in increasing numbers are succumbing to the blandishments of national advertisers who depict smokers as virile men or beautiful girls, or to the pull of "belonging" to a sophisticated group whose smoking members frown on non-smokers.

Studies by the U. S. National Institutes of Health, the British Ministry of Health, and other scientific organizations of equal prominence, purport to show a strong statistical relationship between smoking and higher death rates from heart diseases, lung cancer and other pulmonary diseases.

The position is attracting support from many organizations — among them the Texas Medical Association, the American Cancer and Heart Association, the American Public Health Association, the U. S. Public Health Service and departments of health in most states.

Some researchers are so firmly convinced if the connection between cigarette smoking and higher death rates that they would support a ban on cigarettes for public sale if introduced as a new product on today's market.

A fewer number of capable researchers are unimpressed by the statistical studies, claim they are inconclusive and actually contradictory. But they are finding it increasingly difficult to defend their stand in the face of ominous facts and evidence which continue to build up.

The late Dr. William Mayo used to say cigarettes, cigars and pipes were mere "adult pacifiers," something for idle hands to play with. If true, breaking the smoking habit probably isn't as hard as it has been represented.

Should you, personally, make the effort? That's your decision, just as the decision for or against beginning to smoke must be made by teenagers themselves. —Texas State Department of Health.

OF BOARD OF EQUALIZATION MEETING  
SCHLEICHER COUNTY INDEPENDENT  
SCHOOL DISTRICT

In obedience to an order of the Board of Equalization regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place in the City of Eldorado, Schleicher County, Texas at 9 o'clock A. M., beginning on the 21st day of June, 1963, and from day to day thereafter, for the purpose of determining, fixing and equalizing the value of any and all taxable property situated in said Schleicher County Independent School District, until such values have finally been determined for taxable purposes for the year 1963, and any and all persons interested, or having business with said Board, are here notified to be present.

Done by Order of the Board of Equalization of Schleicher County Independent School District, Schleicher County, Texas, at Eldorado, Texas, the 31st day of May, A. D., 1963.

W. C. LESTER, Secretary  
Schleicher County Independent School District.

**McWHORTERS BACK FROM EXTENDED TRIP**

Mr. and Mrs. Dan McWhorter and two boys returned home last Friday after a 15-day vacation trip which took them through 12 states, Canada and Washington, D. C.

At Pittsburg, Pa., they visited with Mr. and Mrs. A. D. Patton who joined them on their trip into Canada. At Niagara Falls, N. Y., they visited with Mr. and Mrs. Ernie Bauer who were formerly in the jewelry business in Eldorado. The Bauers asked to be remembered to their Eldorado friends. Mr. Bauer is now employed as an electrical engineer for Union Carbide in Niagara Falls and Mrs. Bauer is a legal secretary for a law firm.

**CHILD SWALLOWS PIN**

Little Janice Mikeska, 5-year-old daughter of Mr. and Mrs. Wayne Mikeska, swallowed a pin while playing at the First Baptist church Tuesday afternoon. It was described as being a long corsage pin with a large head. She evidently brought the pin with her from her home as she had been in the nursery only a few minutes when it happened.

Mrs. Mikeska and Mrs. Charley Warnock rushed her to the local clinic where the doctor took an x-ray which showed the pin lodged in the child's chest. She was taken to the Shannon hospital in San Angelo where the pin was removed under sedation.

After spending Tuesday night in the hospital with her little daughter, Mrs. Mikeska brought her home Wednesday afternoon.

**40TH ANNIVERSARY OF BIG LAKE DISCOVERY WELL**

A joint statement commemorating the 40th anniversary of Reagan County's discovery well, Santa Rita No. 1, which blew in on May 28, 1923, has been issued by Reagan County Judge S. E. Stout, Jr., Big Lake Mayor Raphael L. Duesing and Big Lake Chamber of Commerce President Gordon F. Thrall. Their statement follows:

"Reagan County and Big Lake can be justly proud of our Santa Rita No. 1, located 13 miles west of Big Lake, which ushered in West Texas as the most prolific oil and gas producing region in the world and which started the University of Texas on the road to becoming probably one of the wealthiest schools in the world with a permanent fund of almost \$400 million.

"As a fitting memorial to this great discovery, Bob Feather, assistant area superintendent of the Marathon Oil Co., has promised that a walking beam rig of the same vintage and kind as that of the original Santa Rita No. 1 rig, now located on the University of Texas campus, will be presented to Big Lake and Reagan county just as soon as such rig is available from the Texon Field. It will be placed in Big Lake's park area in the north part of the city." — Big Lake Wildcat.

**\$75,000 PROJECT AT MASON**

Ground breaking ceremonies will be held Sunday at 2:00 p.m. for the Highlands Nursing Home, and construction will begin Monday.

Karnes Construction Co., of Ft. Worth will build the project which will cost more than \$75,000 when construction has been completed. Construction will be pink brick veneer.

George Fox and Thomas Terry, owners, expect construction to be completed in about 60 days. The structure will be a 30-bed project employing about 14 persons. — Mason County News.

**NEW COURTHOUSE AND JAIL TO BE BUILT AT VAN HORN**

In a special meeting with architects last Monday, the Culberson County Commissioners agreed to build an entirely new Courthouse and Jail.

Conferring with Peter York and Homer Pace, architects from two different Midland firms, Commissioners studied and compared cost estimates of a new building vs remodeling the old one, dismantling of the old building and obtaining a new site, or using the present land and renting office space during construction; or simply enough major repairs to get by on for a while longer.

According to the architects, a new courthouse and jail can be built for \$120,000 to \$125,000. — Van Horn Advocate.

Mr. and Mrs. Charles McLaughlin, Jr., and daughter Pam were recent visitors of his parents, Mr. and Mrs. C. C. McLaughlin. They returned to their home in San Marcos Sunday where the couple will complete their college work and both will graduate in August. Charles has signed a contract to teach in the Northeast Independent School District in San Antonio next year and the couple are making plans to move to San Antonio immediately after graduation. Mrs. McLaughlin, who will receive a B. A. in speech, plans to do substitute work in the same district. Charles will be teaching the 6th grade.

**Home Demonstration Agent's Column**  
By MRS. VIDA KREKLOW

From time to time I have quoted members of the American Bankers Association and again I feel that this statement on borrowing money is worth your time. It seems that these astute men of the financial world recognize our human "frailties" and know that something about summer and vacation time causes us to spend more than we are able to and they extend these directions with the best of intentions:

**How To Borrow Wisely**

Benjamin Franklin once said, "He that goes a borrowing goes a sorrowing." But that was back in colonial America. Then good-money management meant "Doin' without!"

Today, times have changed; we live in an age of credit buying. Our economy is being broadened on a mass production and mass consumption basis. According to the American Bankers Association, 80 per cent of all adult Americans now use consumer credit in some form. And they spend close to \$50 billion a year!

All this is good if wisely handled, say the bankers. Credit buying permits men and women householders to get things they need when they need them. Moreover, it can tide you over in an emergency, raise your standard of living and even see you off on a trip to Europe that might otherwise take several years to save for. But take care! There are pitfalls. So here to help you are four tips from the bankers on how to borrow money wisely.

1. Shop! Compare interest charges from several loan sources. Read your sales contract carefully. If in doubt, talk things over with your local banker. He can advise you.
2. Figure out the total cost of your loan. Don't just find out how-much-per-month your payments will be.
3. Make your down-payment as

large as you can. Then pay off the balance as quickly as possible. It will reduce your total interest charges. And your monthly payments will be smaller.

4. Don't take on more debt than you can afford. It will only take all the fun out of life. Your banker can pin-point your credit position for you and suggest just how much total debt you can afford.

If we all live long enough, we will some day reach the time when we will be old. Many who have been favored by the greatest gift of all—life—are interested in making all their days as pleasant and rewarding as possible. The most important item in the daily life of the "senior citizen" is food. Read further to find out what the experts say about this vital question.

**New Tricks For Older Folks**

Elderly people who live alone all too often neglect to eat regularly. They don't enjoy cooking for one. Ane sometimes they aren't really hungry.

Yet eating regular meals is a habit far too important to lose.

Food specialists in the U. S. Department of Agriculture point out that good health depends upon good eating. Three regular meals a day are customary. But, four or five meals will do just as well — provided the food adds up to a good diet.

Older folks who find eating dull and uninteresting should make a conscious effort to eat regularly and well. Nutritionists in USDA's Agricultural Research Service suggest these tricks to coax an appetite:

Take a walk whenever the day is nice. If you must stay indoors, do odd jobs that require light exercise.

Make your meals interesting. Try new foods and seasonings. Pep up your food with herbs and spices. (As people grow older, senses of taste and smell become less keen, so a little more flavoring is often needed.)

Include bright-colored foods for special eye appeal; something crisp, like lettuce or a pickle, to contrast with the softer foods; and something flavorful to contrast with foods that are mild-flavored.

Then take time to eat your meals. Sit down at a table or serve the meal on a tray that has a pretty place mat. A leisurely meal in an attractive setting can make eating a pleasure for anyone.

Further tips and menu suggestions are included in "Food Guide For Older Folks" (HG-17). You may obtain this bulletin free from the Office of Information, U. S. Department of Agriculture, Washington 25, D. C. Send a postcard with your name and address, and the title and number of the bulletin.

\*\*\*

It's plum and apricot time, and sugar is up. If the lack of time, the high price of sugar or unexpected company keeps you from making the preserves you intended to make, just freeze the fruit and wait until things straighten out.

Fruit may be frozen without sugar. It is true that most fruits have better color, flavor and texture when frozen in a sugar syrup, but they can be kept perfectly well without sugar.

Plums need to be washed, drained and placed in containers and the easy freezing job is done. Next fall make the jelly, preserves and other cooked fruit dishes from the frozen fruit.

Apricots turn dark when exposed to air if any cut places are present. Ascorbic acid or other anti-browning agents should be used when freezing light colored fruits without sugar.

Dissolve the acid in cold water and sprinkle over the fruit before packaging.

If, however, the idea of the frozen unsweetened fruit doesn't appeal to you and expensive sugar doesn't either, you may consider using either honey or white corn syrup.

Use 1 1/3 cups corn syrup for each 3 1/2 pounds of fruit. Use anti-browning agent with syrup; as if sugar were being used.

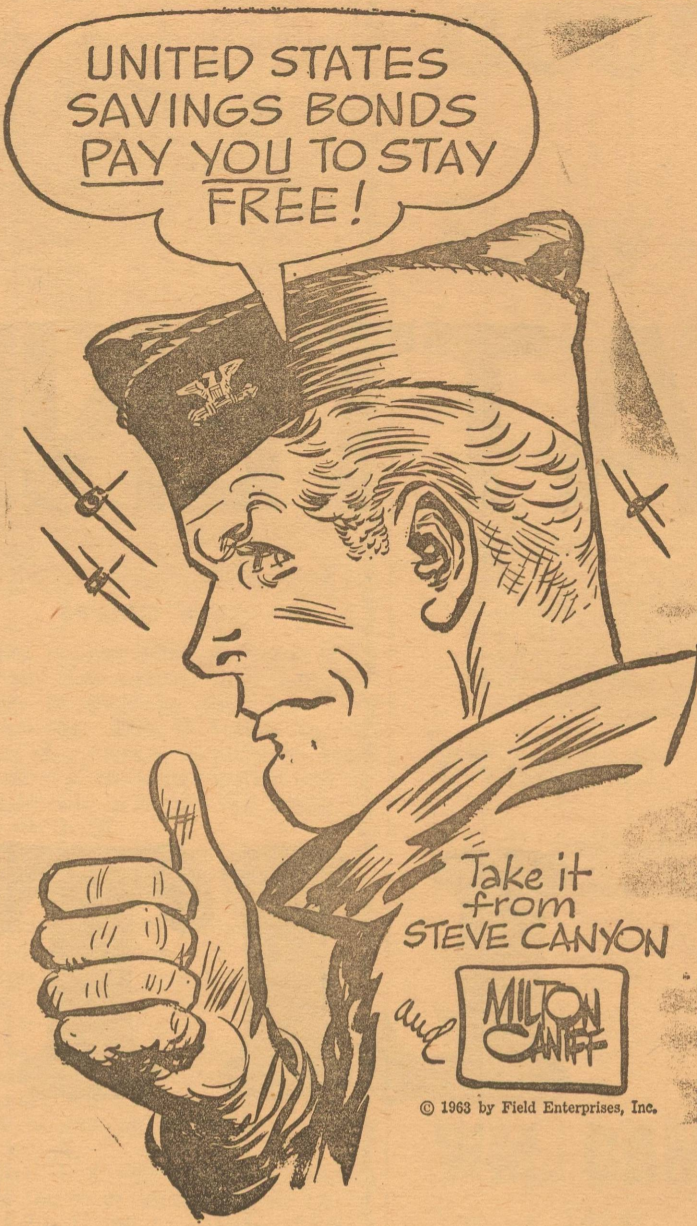

It seems that the thinking is that sugar prices may stay high for some time.

There are two cups of sugar to a pound and 16 tablespoons per cup. Three teaspoons equal one tablespoon and this all figures up to say that at present prices sugar is 213 of one cent per teaspoon. So—if you use 3 teaspoons in a glass of tea or a cup of coffee, it cost 2 cents.

Maybe you had better get the tea syrup recipe out; it will help save on the syrup used.

Milton Caniff

Joe Gault is in the process of buying the Walter E. Turnbow house in northwestern Eldorado. The Gault family will move to it as soon as the Turnbows complete the house they are building in Christoval and move there.

Mr. and Mrs. Lum Burk are on a vacation trip this week and are visiting the Jody Whitten family at Houston.

R. L. Stanley has moved here with the Highway Department and has rented the Halbert house.

Carl Parker, son of Mr. and Mrs. Earl Parker, is home for the summer from North Texas State University at Denton. He started work Monday on a summer job at the Northern Natural Gas Company compressor plant in Reynolds.

Mr. and Mrs. Bob Evans, Jr., had as their guest the past week end their little granddaughter, Heather Dianne McGee of San Angelo. Her parents are Mr. and Mrs. John Alan McGee, son-in-law & daughter of Mr. and Mrs. Evans.

Mrs. J. B. Montgomery spent Tuesday in San Angelo where she visited her brother-in-law, A. W. Hedlund, who is much improved and home from the hospital after suffering a severe heart attack, and her sister, Mrs. Hedlund.

Mrs. Bonnie Bridgeman of Midland was a week end guest of Mrs. F. M. Bradley. She also visited other friends.

**RAY BOYER CUTS HAND ON POWER MOWER**

Ray Boyer suffered a severe cut on his left hand while working on a power mower at the back of his shop Wednesday morning. Two tendons leading to the thumb were severed.

He was taken to the Eldorado Clinic and his hand placed in a cast which he will wear for the next two weeks. It is hoped that he has not lost the use of his thumb.

**FORMER RESIDENTS VISIT**

Mr. and Mrs. Lee Jennings and family of Abilene visited the Earl Yates family last week end. They are employees of Halliburton and former residents of Eldorado, having lived on the Clyde Benson place east of town for about three years before moving to Abilene about five years ago.

They were on vacation and stopped in Eldorado for the week end, on their way to the Big Bend country.

**BIBLE SCHOOL IS ON**

Vacation Bible School is being held this week at the Latin-American mission for the Latin and Negro children. They have an enrollment of around 150 with about 44 intermediates attending at night. Ten workers from the First Baptist church are assisting in the school.

Refreshments are being served each day and night by the women of the Woman's Missionary Union of the First Church.

Rev. and Mrs. Kenneth Vaughan and family plan to leave next Monday for a 10-day vacation trip. They will visit Rev. Vaughan's father, G. A. Vaughan, at Jothtown, and relatives in San Antonio.

Mrs. Sam McGinnes is spending this week in Christoval at the Rawls Bath House, and taking the mineral baths.

Mr. and Mrs. Arch Mittel and Margo were in Snyder last Sunday to attend the wedding of Miss Beth Sims to Mr. Douglas Brunson, and Margo was a member of the house party. Mrs. Brunson was a class mate of Margo's at Baylor.

Mr. and Mrs. Sherwood Barker and Jamie Lyn returned to their home in Cuero after a visit with the Ballews and Mrs. F. M. Bradley. They were accompanied by Jo Helen Lively, who is to spend a week with them. Mrs. Barker was honoree at a chicken barbecue prepared by Mr. Barker on Saturday, her birthday. Other guests were the Bob Bradleys, the Frank Bradleys, and Mrs. B. O. Bridgeman.

Miss Pamela Calk went to Houston last week end to enroll for a course in a modeling and charm school this summer. Mrs. Eldon Calk accompanied her daughter to Houston.

Mr. and Mrs. Kenneth Doyle visited Mrs. Doyle's mother, Mrs. Lee Slone in Brady last Sunday

**COUNTY AGENT'S COLUMN**

by *Tiny Godwin*

Schleicher County Agricultural Agent

William Edmiston had the yearling champion fleece and Ricky Jones the champion aged fleece at the local 4-H wool show May 29th. Results were as follows:

**Yearling Fleeces:**

1. William Edmiston
2. William Edmiston
3. William Edmiston
4. Sue Edmiston
5. William Edmiston.

**Aged Fleeces:**

1. Ricky Jones
2. Phil McCormick
3. Sue Edmiston
4. Phil Edmiston
5. Ricky Jones.

Best group of four fleeces was won by William Edmiston.

At the area show May 30th William Edmiston showed the champion yearling fleece. Other placings were William Edmiston 3rd, Sue Edmiston 8th, William Edmiston 9th and 10th.

In the aged fleeces Ricky Jones 3rd, Phil McCormick 7th, Sue Edmiston 8th, Phil McCormick 10th.

All fleeces placed in the area show with Schleicher, Menard, Gillespie and Kimble counties competing.

The long severe winter hasn't affected the crop of spring seed catalogs.

This will be the 14th consecutive year that the Schleicher county 4-H club will be represented at the state 4-H Round-Up in grass identification and 7 of those years a range team has won district and placed in the state.

Boys leaving Tuesday for the Round-Up June 4-6 for state competition in grass identification were George Draper, David Whitten, Scott McGregor and Mike Cravey.

The range team members are: Ricky Jines, Mike Sudduth, Henry Roach and Corky Hodges.

Over 2,000 4-H club boys and girls from 12 Extension districts will compete in 29 different contests. The latest in technical information will be given these youths and a wealth of enter-

tainments. Your Southwest Texas Electric Co-Op will sponsor these teams.

The landowner who wants to control mesquite and brush is "between a rock and a hard place." Regular loans don't meet the need. And unless some action is taken to solve the brush financing problem, brush is going to "choke the Southwest down."

Take the brush problem in our own county: 690,000 acres infested with mesquite as compared to 240,000 acres in 1940, an increase of nearly three times the brush in 1960 as in 1940. Brush and especially mesquite costs Schleicher county ranchers 1 1/4 million dollars annually. It is going to take approximately \$10 an acre, control and eradication over a period of years.

Landowners must look at this problem realistically and promote and demand a sensible brush control financing plan.

A five-year plan would look like this:

- 1st year, 5% of principal plus int.
- 2nd year 10% "
- 3rd year 15% "
- 4th year 35% "
- 5th year 35% "

Such a plan gears repayment to the time when increased income would accrue. The above plan may need to be changed or modified but the basic reasoning is correct.

This is a job that lending institutions will eventually have to do. A conservation financing plan for brush control.

In the Southwest is a billion dollar financial need that is only a matter of time, with incomes shrinking from the hazard, until the job of conservation financing plan for brush control will have to be made possible.

The small amount of money

**ELDORADO LODGE**

No. 890 — A. F. & A. M. Stated meeting 2nd Thursday in each month, at 7:00 p. m. from Oct. 1 to April 1, and at 8:00 from April 1 to October 1. Visiting brethren welcome.

made possible by the ASC and Great Plains Conservation Program on a matching basis has not kept the brush control problem in check in this county. However, some counties are organizing and spraying together, making the money go as far as possible.

Irrigation borders may now be controlled efficiently, and inexpensively with Karmex DL with a surfactant used as a spray.

The toxicity of Karmex DL was greatly increased by one or more pounds of surfactant mixture added to one pound of diuron, the base of the spray. Using this system, weeds are killed and residual action lasts about 8 weeks. Cotton and grain sorghum are not affected.

Use your tractor mounted sprayer, and 25 gallons of spray per acre at 30 pounds of pressure.

Don't be contented with your lot until it is a lot more.

**Mrs Hartgraves Installed O.E.S. Worthy Matron**

Mrs. Edith Hartgraves was installed Worthy Matron of the Eldorado Chapter No. 140, Order of the Eastern Star, in open installation held Monday evening in the Masonic Hall. Palmer West was installed Worthy Patron.

Other officers who will serve through the 1963-64 year are:

Margaret Rountree, associate matron; Larry Rittenhouse, associate patron; Callie Wagley, secretary; Charlene Edmiston, treasurer; Penelope Phillips, conductress; Charlienne Rittenhouse, associate conductress; Nan Montgomery, chaplain; Blanche West, marshal; Jesse Spencer, organist; Lois Wilson, Adah; Mary Sofge, Ruth; Sybil Blair, Esther; Bobbie Henderson, Martha; Rose Brannan, Electa; Charlene Gunstead, warder; and Fred Watson, sentinel.

Gerald C. Allen, past Grand Patron of the Grand Chapter of Texas, was installing officer, and Ione Allen was installing marshal. She is grand representative of Saskatchewan to Texas. Other installing officers included Ollie Kay Hogue, chaplain; Louvinia K. Reece, organist; and Mabel Parker, secretary pro tem.

The evening was concluded with serving of refreshments, and a social hour.

Mr. and Mrs. M. G. McCarley and two granddaughters, Robbie McCarley and Cynthia Thompson of Andrews visited Mrs McCarley's sister, Mrs. Allan Kuykendall and Louise and David, last Thursday and Friday.

Mrs. Granvil Hext and daughter, Deanne, and Miss Ginger Newby visited in Brady, Ballinger and Mason this week.

Mr. and Mrs. Ben Hext were in La Marque last week where they attended the graduation of their grandson, Gary Hext, on Friday night. They returned home Sunday night.

**Vacations go smoother in a Chevrolet Corvair**

Bring on those mountains! They're not so high and mighty when you've got Corvair's gummy six and rear-engine traction working on them.

You scurry up the meanest grades. You move with sure-footed agility on wet pavement, muddy lanes, gravel and other would-be miseries.

And with most of Corvair's weight on the rear wheels, you have easy steering, too. Fact is, the handling's so light and responsive we don't even offer power steering for the car.

And there's more to feel good about. No problems with your radiator boiling

over or going dry, because there's no radiator. Corvair's engine is air cooled. No concern about brake adjustments, either, because the brakes adjust themselves. Nothing much to think about at all except the good time you're having.

Like to do that in a sporty bucket-seated Monza Club Coupe or Convertible? Like to spring into summer with a 4-speed stick shift\* and Spyder package\* with its 150-hp Turbocharged engine? Your dealer's got just the Corvair and the Trade 'N' Travel deal on it to put you in a holiday mood.
