## Homecoming Festivities Carried Out As Planned

Hundreds of Eldorado Exes thronged the streets of Eldorado, danced at the Memorial Building, gathered for a program, and reminisced with old friends at the Sixth annual Homecoming of Eldorado Exes Saturday.

A shower of rain, to which no one objected, fell preceding and during the assembling of the parade, but the show went on as scheduled.

The Homecoming was well advertised and drew visitors from half a continent away.

### Program In Auditorium

Burneell Doyle was crowned queen and Peyton Cain was main speaker at the Saturday morning program in the school auditorium. The program followed the registration at which Mrs. Leslie Baker had charge, assisted by several others.

Rev. J. C. Hancock opened the program with the invocation, followed by the audience singing the first verse of America. Edward Meador then welcomed all to this Sixth Homecoming.

Dave Williamson, now of Lamarque, spoke to the group. He was coach here from 1928 to 1935 and superintendent from 1937 to 1942, at which time he entered service.

Peyton Cain, now of Alpine, was introduced by Ed Meador, as main speaker of the morning. He discussed his experiences as a teacher from the time he came to Schleicher county in 1924, and the many years following which he spent in the teaching and administrative fields.

He pointed out that he had been met at the beginning by friendly people here, and stated that the county then still had a number of small schools, and athletics were a community affair.

### Awards Given

Awards for the morning were then presented by Ed Meador. Catherine Calcote Gillette of Oregon was ex-student who traveled farthest to attend, over 2200 miles. The ex-teacher traveling farthest was Mrs. Will Cozens of Fort Worth, who was Bula Salter when she taught here. The oldest ex with the youngest child was Don McCormick.

### Candidates for Queen

Candidates for the Queen's race, which was sponsored by the Junior Woman's club, were then introduced: Dale West, Jimmie Dell Williams, Herma Whitten, Tomazine Jones, Frances Parker, Gay.

## More Details Released by Sinclair On Gas Products Plant For Huldale

Direct to the Eldorado Success from the Public Relations department of Sinclair Oil & Gas Co., in Tulsa, comes the following news release this week giving further verification and details of the modern gas products plant which Sinclair will build in the Huldale field, some seven miles north of Eldorado:

"Sinclair Oil & Gas Company has forwarded to contractors plans and specifications for the construction of a modern Gas Products Plant and Field Gathering System to utilize the oil-well gas production in the Huldale Field of Schleicher County, Texas.

"Initially, the plant will have compressor capacity to gather and compress 12 million cubic feet of gas per day, with processing equipment designed for 20 million cubic feet of gas per day. It is planned to add additional compressor capacity as needed to the end that all the oil-well gas production in the Huldale Field and other fields in the vicinity will be utilized.

"It is estimated that the plant will recover 48,000 gallons per day of products consisting of Natural Gasoline, Butane, and Propane. Facilities will be provided for the sale and delivery of these products to distant points by tank car via spur on Santa Fe Railway and for local consumption by tank trucks. Although no market is readily available for the residue gas from the plant, it is anticipated that such market will be available by the time the plant commences operations.

"An investigation is presently under way by an Engineering Committee of Field Operators to determine the feasibility of injecting gas into the producing or other reservoir within the field.

"The necessary plant site has been purchased. Construction will start within 90 days and it is estimated that the Plant will be in operation on or about March 31, 1956. The operating personnel will consist of 20 employees.

## Keeney Well Produces Water at the Rate of 827 Gallons Per Minute

The new water well on Clyde Keeney's farm attracted visitors from all over Schleicher County last Thursday afternoon when it was test-pumped for seven hours and produced water far beyond the expectation of its owners.

On a test—from 11:30 to 6:30—the pump was operated at its maximum capacity and delivered water at the rate of over 800 gallons per minute.

There was no slackening in the flow during all this time and Mr. Keeney declared, "It might do 1,000 gallons per minute if we had a bigger pump."

Visitors were coming and going at the well all afternoon and many declared that water in this quantity would mean a new era for Schleicher County, and that many wells would be dug in the next 12 months.

Here is some of the data on Mr. Keeney's well:

Well was dug to a depth of 401 feet. Pump was set at depth of

397 feet and well pumped at rate of 305 gallons per minute without acid. Then was treated with 2,000 gallons of acid and a load of water on top for pressure, and allowed to stand overnight Wednesday, July 13. Testing resumed Thursday with results as listed above.

Mr. Keeney reports that he has spent about \$3,000 on the well up to this point. To equip the well with a heavy duty pump and motor will call for an expenditure of \$12,000 more, he estimates.

Test pumping was done by the Water Well Testing Service Company from San Antonio.

After closing down Thursday night their equipment was moved to the Bailey Ranch community where a test was to be made on a well for Parker Bros.

Parker's well—also 400 feet deep—was treated with 3,000 gallons acid over the weekend and allowed to stand.

Heavy rains in the meantime have made roads impassable and test pumping has been delayed.

## To Leave Sunday For Philmont Trek

Ernest K. Nimitz, son of Mr. and Mrs. E. H. Nimitz of Schleicher County, is one of thirty Explorer Scouts from Concho Valley Council who will leave this Sunday, July 24, for 13 days of camping and hiking at Philmont Scout Ranch near Cimarron, New Mexico.

The 30 were overnight guests at Goodfellow AFB at San Angelo June 26th for final briefing on the trip. They will meet again this Sunday for organization into crews. Each crew consists of nine Explorers, one Senior Crew Leader, and one adult leader.

Ernest K. is just past 14, which is the minimum age for going to Philmont, and will enter Eldorado High school this fall as a Freshman. He has completed three years' membership in Eldorado's Troop 18 which is sponsored by the Lions, with First Class rank, and lacks one merit badge for Star rank. He has Reading, Music, Gardening, Sheep Farming, and Stamp Collecting merit badges, and has worked off most requirements for Cooking and Camping.

During the summer of 1953 he attended the Third National Jamboree of the Boy Scouts of America in California. Besides Scouting, Ernest K. is in 4-H work, and is now in his second year of a three-year Sears Foundation project.

The young Texans are scheduled to take the new Philmont Expedition. Exploring with back pack, they will move through this "land of the mountain men" in 13 days.

Following the first day of check-in and "shake down," they will be taken to Ponil Base Camp, at the north end, where they spend some time getting trail know-how (cooking, axmanship, packing), and taking part in field sports.

The group then heads through the lofty camps and along the winding trails of the vast Philmont back country: Pueblano Trail Camp, Dean and Harlan Trail Camps, and Cimarroncito (field sports, forestry and geology here), Black Mountain (sluice for gold here), Apache Pass, Rayado Base Camp (mountain trout fishing), then through Crater Lake Base Camp before return to Philmont headquarters.

Mountain trails are a challenge for the Explorers to overcome obstacles and solve problems on their own. Advanced Scoutcraft skills such as survival and orienteering test courage, patience, and a will to succeed. They will have opportunity to earn several of the

ERNEST K. NIMITZ

Philmont badge segments—Naturalist, Woodsman, Camper—besides getting a custom-made course in trail craft and mountain camping. All who attend are given the distinctive "PS" patch to wear on their uniforms.

Philmont's 127,000 acres are spread out among the mountains and mesas of northern New Mexico and are a gift from Waite Phillips, "donated and dedicated to the Boy Scouts of America for the purpose of perpetuating faith, self-reliance, integrity, and freedom, principles used to build this great country by the American Pioneer."

To make this possible, and to bring the costs down within the reach of the average young man, Mr. Phillips also gave the Philmont Building in Tulsa, Oklahoma. The income from the rental of this building is used in subsidize the Philmont program, making it possible to lower the cost. Maintained by the National Council of the Boy Scouts of America, it is the largest Scout camp in the world.

The facilities of Philmont have long been in use by Explorer Scouts and their leaders from all parts of the nation, for treks. In more recent years Scouters and their families have attended summer conferences, at which the men take training courses and their families make use of the recreational facilities.

Explorer Scouting in Eldorado was last represented at Philmont in the summer of 1952, when Bill Holcomb and Wilson Humphrey attended the Lucien Maxwell Trek.

### AT F. F. A. CONVENTION

Oliver Burk and son, Danny, accompanied Jimmy Whitten and Billy Williams to Houston where they are attending the State FFA convention. Jimmy is the local delegate and Billy is alternate. The convention started yesterday July 20, and will end tomorrow.

### PARKER WATER WELL PRODUCES 200 G.P.M.

Latest report this (Thursday) morning from the Parker Bros. water well in Bailey Ranch community, is that the well settled down to a pumping rate of 200 gallons per minute after being tested throughout Wednesday afternoon.

## Mrs. Kreklow Working On Organization Of Ten H. D. Clubs

Plans for organizing additional Home Demonstration clubs over the county have gotten under way and by the end of next week approximately ten clubs will have been completed.

Those interested are asked to note the dates and places of meetings and attend. Some are organizational meetings and some are second meetings.

The Eldorado 4-H club will meet at the Memorial Building at 9:00 a.m. on July 25. The reporter's story in another article will explain more about this.

Eldorado's Young Homemakers will meet to organize and make plans in the club room of the Memorial building on August 4 at 1:30.

Bailey Ranch women are invited to the home of Mrs. Truett Stanford, July 26, at 3:45 for a first meeting.

Mrs. H. A. Belk has asked all women of the Reynolds community and her neighborhood to meet with her for an organizational meeting on Wednesday afternoon at 3:00, July 27.

What was called the Country Women's Club where Home Demonstration work was done in the county before has been invited by Mrs. Aaron Steward to meet with her at 9:30 a.m. on Wednesday, July 27, for a first meeting.

The Reynolds 4-H Club met with Mrs. Victor Sauer on Wednesday, July 20. A full report has not been received but officers' lists will be reported soon.

### First, Second Graders, Get Second Shots

Dr. W. H. Lindsey, assisted by Mrs. Pete McBurnett, Mrs. L. L. Kinser, Mrs. D. C. Royster, Mrs. Lenard Miller and Miss Jane Mund, administered second Salk polio vaccine shots to 110 first and second grade children last Saturday at the school house.

These children were among the 140 who received the first shots April 18.

Mrs. Joe Kreklow, County Home Demonstration agent, is attending a conference of Home Demonstration agents in Bandera on Thursday, Friday and Saturday. Agents of District 7, made up of 20 surrounding counties, had their specialists and administrators in attendance.

## County Drenched In Rain

Heavy rains, measuring a total of over seven inches in some places, fell over the entire county during a several-day period.

Heaviest rainfall reported was at the A. R. Parker ranch, which had 7.50. Eldorado had over six inches in four or five rains.

Creeks and draws over the county were over their banks and some inconvenience was occasioned by flooded highways. Cooler weather accompanied and followed the rains, bringing relief from the oppressive heat.

Some rain figures follow:

## Cave Comes to Light When Lake Fills After Rain

Photo By Carr

Onlookers are shown Monday as they watch water pour into an underground cave under the new Mertzton highway at the west edge of Eldorado.

First noticed Monday afternoon as a small hole at the edge of the paving in the center of the lake which the highway crosses, the cave-in by late afternoon had widened to serious proportions, and

detour signs re-routing traffic had been set up.

The cave has long been a center of interest to Eldoradoans, who for many years had watched the whirling eddies carry away water from the lake in time of rain, and looked down into the hole and speculated on its depth and direction in time of drought.

When the new Mertzton highway

was surveyed out, the route was laid through the lake over the cave and the road built up to divide the water.

Highway men yesterday were working out a system of piping from the lake to the cave and rebuilding the road over it.

The lake region had recently been sprayed to help eliminate breeding places of mosquitoes.

**Plane Crashes At Airport**

Excitement ran high here Saturday morning when an Air Force officer was seriously injured in a forced landing at the Kimble County Airport about 9:45 o'clock.

"On a direct connection with San Antonio, we received a message that he was coming in, and he did, right then," Robert Metcalf, CAA chief, said.

Injured Lt. Max O. Williams of Denver, Colo., was brought to the Wieman Clinic for treatment. — Junction Eagle.

**Host To Boys Ranch**

Citizens of Boys Ranch of West Texas, located at Tankersley, Texas, will encamp in Rooney Park over Friday night. About 25 to 35 boys are expected to arrive by 4:00 o'clock Friday afternoon. Upon arrival the boys will be treated to a free swim in Comanche Springs pool with Scouts from troop 54 joining the citizens. — Ft. Stockton Pioneer.

**WTU To Enlarge System**

Preparatory work will begin soon on the local distribution system of the West Texas Utilities Co. toward a change-over to an enlarged power distribution system which will, in effect, mean a doubling of the capacity of the system to serve the power needs of Ozona.

This was the announcement made this week by T. J. Bailey, local manager of the company. — Ozona Stockman.

**To Visit Sutton County**

Kemal Akoz and Nurettin Utkanlar, Turkish veterinarians who are working for the Turkish government on a program of sheep and goat improvement, will be in Sonora July 17 through 22.

They will arrive in Sonora July 17 and will spend three days observing Sutton County sheep and goat activities with emphasis on the marketing program of the Sonora Wool and Mohair Company, working with E. B. Keng and the Soil Conservation Service work unit studying conservation and range improvement programs, and visiting typical ranches. — Devil's River News.

**Brochures Ordered**

The Senior Chamber of Commerce is ordering 10,000 brochures in color on Mason and Mason county to fill mail requests for information on the city and county, and to distribute to transients who frequently ask for pamphlets about this area. Also, the State Highway Department has asked for some brochures about Mason County to hand out to travelers. — Mason County News.

**New Church Dedicated**

**Psalms 23 In Reverse**

The Whiskey Slave can say:  
1. King Alcohol is my shepherd. I shall always want.  
2. He maketh me to lie down in the gutter; he leadeth me beside the troubled waters.  
3. He destroyeth my soul; he leadeth me in the paths of wickedness for its effects sake.  
4. Yet, though I walk thru the valley of poverty, and have the delirium tremens, I will cling to all evil: for thou art with me, thy sting and thy bite they torment me.  
5. Thou preparest an empty table before me in the presence of my family, thou anointest my head with wickedness; my cup of wrath runneth over.  
6. Surely, destruction and misery shall follow me all the day of my life, and I will dwell in the house of the devil forever, unless I repent.

**Plentiful Foods Listed For Month of August**

COLLEGE STATION — Food shoppers should find the August plentiful list to their liking. Broilers and fryers share the spotlight with canned grapefruit sections, says Mae Belle Smith, extension specialist in consumer education.

Because crop prospects now indicate a near record supply, grapes have been added to the list.

Supplies of rice, Irish potatoes, watermelons, fresh and processed lemons and limes, says the specialist, are much larger than for last summer. Too, other than the spotlighted meats, beef and frozen halibut are the only ones carried on the August list.

Milk and other dairy foods such as American cheddar and cottage cheeses continue in heavy supply — about equal to the peak production in June.

Stocks of lard, vegetable fats and oils remain heavy and in some areas the summer vegetables will be in peak supply.

Miss Smith explains that the USDA's monthly listing of plentiful foods is based on a survey of supplies in the major trade territories of this section of the nation. The southwest food distribution division, U. S. Department of Agriculture makes the survey for the Southwestern states.

Mr. and Mrs. Bud Russell and children of Ozona spent the weekend with Mrs. Ora Davis.

Mr. and Mrs. Albert Ray Thigpen and children are spending the week at Hondo.

Mr. and Mrs. Sid Rogge and children of Sonora spent last week with Mr. and Mrs. E. R. Bryant. Mr. and Mrs. Shelly Lowe of Sonora joined them Saturday and attended Homecoming activities.

**Calcium Supplement Needed If Cattle Ration Contains No Legumes**

COLLEGE STATION — If no legumes are included in a fattening ration for cattle, there may be a deficiency of calcium in the feed. This element is needed, according to U. D. Thompson, extension animal husbandman, because it contributes to the animal's bone development.

It is most important in rations for young animals.

Calcium may be supplied in many forms, such as pulverized limestone, oystershell, or calcium carbonate. One ounce of calcium in the daily ration in any of these forms should make up for any calcium deficiency due to the absence of legumes, Thompson suggests.

Another valuable calcium supplement mentioned by the specialist is steamed bonemeal. This contains both calcium and phosphorus, and it can be fed free choice in a box next to the salt-box, with some covering to protect it from the weather.

L. L. Kinser and Kathey spent the weekend in Cleburne.

Mr. and Mrs. E. R. Bryant plan to spend next weekend in Harlington with Mr. and Mrs. Earl Bryant.

Mr. and Mrs. L. E. McCalla spent the weekend in McCamey with Mr. and Mrs. Max Wheeler and family. They returned by Rankin where they visited the Marshall Davis family and attended church Sunday.

Mrs. Harold Pryor and children have returned to their home at McGregor after a week's visit with her sister, Mrs. R. L. Wilson, and family.

**Important thought to keep in mind:**

There are times when it can be awfully embarrassing to stall. There's no need to worry about stalling in hot-weather traffic; no need to worry about balky hot-engine starting! Just fill up at your Gulf station with New Super-Refined Gulf NO-NOX—the gasoline that's made with evaporation control to prevent vapor-lock. And always protect your engine with New Gulfpride H.D. Select, the motor oil that controls carbon.

**New Gulf No-Nox Gasoline** delivers not just the highest octane but

**full working octane**

because it's super-refined to burn clean

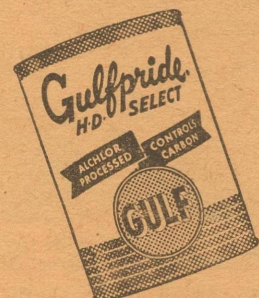

See what a difference Gulf super-refining makes. Gulf takes out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new clean-burning Gulf NO-NOX.

NO GASOLINE, no matter how high the octane, will let your engine deliver full power performance—mile after mile—unless it burns clean. That's why it pays to always use new NO-NOX. Gulf NO-NOX is the clean-burning fuel that gives you full working octane day in, day out. In addition, you get...

- more complete engine protection
- extra gas mileage in short-trip, stop-and-go driving
- freedom from vapor-lock and engine stalling
- no knock, no pre-ignition—even in today's high-compression engines

Now! For the ultimate in working octane performance, always use Gulf's super-refined gas-oil team... New Gulf No-Nox Gasoline and **New Gulfpride H.D. Select Motor Oil**

- The only motor oil super-refined by the Alchlor Process for modern high-compression engines.
- Controls carbon
- Combats corrosive acids, rust and deposits

### Rest Pastures After Rain County Agent Says

Now is the time to pamper the range and think about growing that feed on the ground. The recent rains have shown that there is some life left. The draws and rock hill sites are greening up, but will require light use, deferment, etc. to regain their former vigor and to produce a good seed crop.

Without proper care of the present grass cover, the bare areas will be much slower in coming back, and run-off water will continue to be high, with forage production low.

Since many ranches are carrying reduced numbers of livestock producers should be able to defer one-fourth of their grazing lands without damaging the remainder. This way many pastures can gain full advantage of recent soaking rains.

Pastures with most native grasses and vegetable cover will make the most recovery in a shorter period of time and should be deferred first. Poorer pastures can be rested later since they may require several years to recover.

Defer for three to six months, or until frost. If the grazing is needed sooner, wait at least until the growing grasses mature and drop a seed crop. Deferring promotes seed and plant reproduction in addition to increasing the vigor of existing plants.

Moderately graze the pasture during the winter. This method provides some forage for livestock and helps distribute plant seed.

In some instances reseeding may be warranted but deferment more often does the job cheaper. If as much as 15 per cent of the "key" grasses are left, rest rather than reseed.

## Homecoming

(Continued From 1st. Page)

nelle Belk, Trudy Gaynor, Jean Kuykendall, Jane Mund, Mae Runge, Donna McCormick, Polly Henry, Ann Ballew, Jerry Oglesby, Monetta Bradshaw, Ann Alexander, Willa Higgins, Burnelle Doyle, Colleen Hicks, and Margaret Nixon. Two candidates, Nancy Jo Elder and Suzy Linthicum Walker, were absent.

Miss Doyle was crowned by Mrs. Gus Love, general chairman of arrangements for Homecoming. The audience numbered 321.

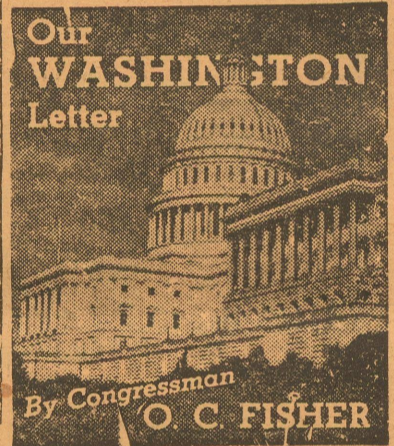

### Parade Prizes

Following the parade Saturday afternoon prizes were awarded to the following floats: first prize to the Mias Amigas float, second to the Girl Scout float, third to the class of 1930 and the comical prize to the sheriff's posse, presented by Mrs. Dan McWhorter and Mrs. Jack Elder.

Mrs. Love announces that the class of 1930 will be in charge of the 1956 homecoming. Members of this class living in Schleicher county include: Mrs. Elizabeth Ballew, Mrs. Lois Etheredge, Mrs. Ethel Etheredge, Mrs. Charlie Sudduth, Mrs. Ralph McMillan, Mrs. E. H. Sweatt Sr., Jack Elder, Morris Whitten and Oran Enochs.

### Dance At Night

The climax to the homecoming activities was a dance Saturday night at the Memorial Building from 8:30 to 12:30. The dance was moved inside because of the weather. Music was furnished by the Top Hatters of Del Rio. The homecoming chairman, Mrs. Gus Love, announces that about ninety tickets were sold in addition to the free passes given to ex-students who registered at the school building Saturday morning.

The House will this week tackle the clean-up job, looking for an early recess. A major social security bill is on the agenda. It contains some desirable improvements in the existing law and goes further to force a lot of people under social security, many of whom do not want it. For example, it forces lawyers, dentists and certain other professions into the program.

Last year the Republican Congress expanded social security. This year the Democrats want to expand it even more—each party vying for political advantage. What must be kept in mind, however, is the reserve fund, the soundness from an actuarial standpoint, of the increased costs. By reducing age for retirements and other features, the cost must, of course, go up. Then the question arises as to the adequacy of the social security tax to meet future costs.

A Federal Highway bill is set for debate. The problem of how to finance it is the issue. Some proposals for taxing are fantastic. Even though we all like good roads we can bite off just so much and be able to chew it.

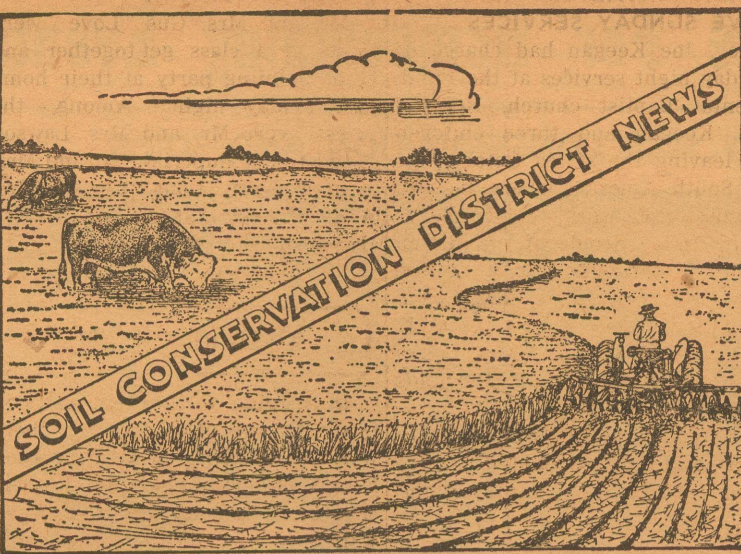

A major housing bill is held up in the House Rules committee, and may not reach the floor due to the inclusion in the measure of a large expanding public housing feature which would eventually cost the taxpayers \$2½ billion. The committee which wrote the bill went contrary to the will of the House, as often expressed on this issue.

Eldon Calk spent Monday and Tuesday attending a show of merchandise at Midland.

Mr. and Mrs. Raymond Alsop of San Antonio spent the weekend with Mrs. A. E. Kent.

The rains we had the past week end have really made the cotton and grain sorghum crops jump. This rain, following the June 29th rain, which gave local farmers their first good planting rain of the season was fairly general and slowing.

Eldorado received 5.23 inches according to the courthouse gauge. The southeast corner of the county which has been the driest of any area received 1.26 inches over the weekend and a total of 3 inches for the past three weeks.

The manner in which these rains came was very fine. In the Eldorado vicinity it was several days in falling. Even though the rains were slow in intensity considerable amounts were lost from both rangeland and cropland. It was most fortunate that the rain of June 29th had given the vegetation on rangeland a chance to cover part of the soil.

Not all of the farmers and ranchers were prepared to hold their share of the rains. Most of the draws rose very rapidly. Many of the roads and ditches were overflowing from water from adjoining cultivated lands. It is granted that it is difficult to keep good cover on range during drought. It is also hard to keep cropland soil in condition to get water to penetrate deeply and rapidly. The rains the past few years simply haven't been

Ft. Worth.—The smallest Monday offerings of cattle and sheep since early in the year appeared at Fort Worth this week, with less than 40% of the normal numbers of cattle and calves on hand. The reason was some good showers and good rain in many parts of the territory.

The situation enabled salesmen to press for and get better prices on all cattle and sheep.

Cows, slaughter calves and most stockers were 50 cents higher and many calves tacked on 50 cents to \$1 per hundred advances. Fat cattle also sold better, and two loads of steers topped at \$23.25, the best price in about 90 days here for the class. Bulls were stronger.

Comparative prices showed: Slaughter steers and yearlings \$10-23.25; slaughter cows \$6.50-12.50; bulls \$10-14.50; slaughter calves \$9-19; stocker steer calves \$15-20.50; stocker steer yearlings \$14-19.50; replacement cows \$12 down.

Slaughter spring lambs were 50 cents to \$1 higher at Fort Worth, and more lenient sorting considered some medium and lower grades were \$2 above the low close of last week. Choice lambs sold readily at \$17 to \$18, with a top load from Sanderson weighing 84 pounds at \$20 per hundred. Feeders sold around \$13.50 down. Old crop yearling lambs drew \$8 to \$14. Old ewes \$4 to \$5, some breeders \$5 to \$9 and younger ewes quoted well above that. Old bucks \$3 to \$4. Old wethers \$7 to \$10.50.

## PONY LEAGUERS BEAT BIG LAKE IN CLOSE GAME

Eldorado Pony League, with the big bat of R. L. Spears, defeated Big Lake Pony League 14-12 in a slugfest in Big Lake Friday night.

Spears hitting 4 for 5 drove in four runs. Although Eldorado made five errors the play was much improved over their last outing, committing only five errors on their trip. The Eldorado team started in the first inning scoring 1 run and failing to score in only 3 innings and on 14 hits collected their 14 runs. Big Lake got 12 hits off the pitching of Garza and Spears, but the Eldorado pitchers struck out 12 Big Lake batters, Garza getting 7 in 3 innings and Spears 5 in 5 innings.

The game scheduled with Ozona for Tuesday night was postponed because of wet ground. The next home game will be Friday night and then Eldorado will be host to Big Lake next Tuesday night.

Austin. — Second-round polio shots for Texas first and second graders were to begin this week.

Enough Salk vaccine for 299,700 inoculations arrived in Austin last Wednesday and was put in the State Health Department's refrigerated vaults. Local officials began arriving at once to pick up their portions. Only those who stated they were prepared to use the vaccine were given allotments, said Dr. Henry Holle, head of the department.

Eli Lilly Company of Indianapolis, the same company which supplied the shots given Texas school children in April, sent the shipment. Preparation was reportedly under the rigid new safety standards which went into effect May 26. Half a million Texas school children received first shots last spring. Summer vacation absences are expected to cut the figure on the second round. Polio cases over the state had risen to 618, the Health Department reported last Thursday.

### Giles Trial Drags On

Testimony in the Bascom Giles trial dragged so monotonously at one point last week it became necessary for the judge to caution jurors against dozing. In its third week, the trial appeared headed for a fourth unless the defense should cut short presentation of its side of the case.

Only one indictment is involved. It charges Giles with theft and abetting theft of \$6,800 in a Kinney County land deal under the veterans land program. Testimony has nevertheless touched on many other aspects of the program and its transactions.

One witness testified he heard Giles was to get a \$75,000 cut in the \$358,000 Kinney County deal. Another testified he heard Giles say in a telephone conversation he would take \$15,000 as his share in a transaction in Dimmit County.

Giles originated the \$100,000,000 program and until Jan. 1 administered it as chairman of a three-member board that included also the governor and attorney general.

Names of the other two officials have come in for frequent mention in examination of witnesses, particularly in cross examination by the defense.

At one point, defense counsel charged a witness had made a deal with the attorney general to smear Giles. The witness denied it.

### Shivers Shuns Conservatives

Gov. Allan Shivers declined to participate in a meeting of conservative Democrats last week in Dallas.

Vacationing in Woodville, Shivers released through his Austin office the text of a telegram to Fort Worth attorney Hamilton Rogers, chairman of the gathering.

Declaring himself opposed to "splinter political parties," Shivers asked the group to work with him to strengthen the Democratic party.

Rogers denied any splinter party plans. He also denied the meeting had anything to do with recent criticism of the governor for his moves toward replacing Wright Morrow of Houston, Democratic national committeeman, with someone acceptable to national party leaders.

Purpose of the Dallas meeting, said its leaders, was to "solidify conservative thinking." One result was a sweeping denunciation of desegregation plans for the University of Texas and El Paso public schools.

### Parr Tax Trial Postponed

Date of the Austin trial of George Parr on an income tax evasion charge was changed last week from July 16 to Sept. 6.

Postponement was because one of Parr's attorneys was busy with another case.

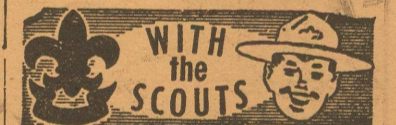

Parr had petitioned the Fifth Circuit Court of Appeals at New Orleans for a dismissal, contending that the trial should be held in Laredo instead of Austin. The appeal was denied.

### LIONS CLUB

Palmer West gave a talk on safety at yesterday's Lions club meeting. He is chairman of Safety for the new club year.

Rosters, which were printed recently, were given out. These list all members, and their committee assignments.

President W. T. Whitten reported on the cabinet meeting which he and Gus Love had attended last weekend in Kerrville. They also saw the Lions' crippled children's camp there.

The Boy Scouts made \$22 on sale of cold drinks during Homecoming, state leaders, who are proud of this successful Scout venture.

# Roaches Round Out 50 Years As Residents of This County

Fifty years in Schleicher County is the record established by Mr. and Mrs. A. J. Roach; they bought their Schleicher County ranch in June, 1905, and had completed moving to the county by September of that year, Mrs. Roach driving one of the two teams which brought their goods to their new home.

Now 84, retired from ranch and business, Mr. Roach, with his wife came here from Lampasas County at Lometa and he and his two brothers bought the old McCowan place from Campbell, Silliman and Evans. Mrs. Roach, the former Mattie Cloud of Gatesville, traces her family back to Wm. Penn's colony in 1681—Mr. Roach was an Irish immigrant who came to this county as a child.

Living conditions in early Schleicher County called for ingenuity, ruggedness, and vision. The Roaches helped build a school to educate their children and they and several other families pooled their resources to supplement public school money and thus provide nine months of schooling. The children went to school by buggy or on horseback, carrying their lunch and drinking water with them.

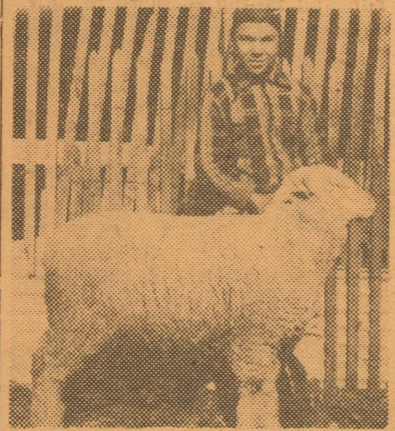

Visiting mission priests and ministers provided the spiritual needs of the family and community, and lots of neighborhood gatherings, including community dinners, took care of their social requirements.

A center of county life then, as now, was Eldorado, reached by "cowpath" on those rare occasions when the Roaches came to town. There was no highway—only paths leading through the pastures.

When the new Merton highway passing their ranch was completed last year, it occasioned some rejoicing on the part of the family, though there had been an all-weather caliche road there for some time.

Big events to the family were the trips to Eldorado with the children to enter them in the spelling bees and reading contests held for all the schools in the county. High lights, too, in the Roach family calendar, were visits from Uncle Mat, who cut hair for all of them every time he came by.

Though the family moved to Eldorado later, their town activities were then merely added to the interests of the ranch which they still own and which Jim Tom works. The couple have two other children, Eldred of Ozona and Mrs. T. J. Bailey of Ozona; death claimed three others.

A 1930 PRIZE WINNER

The picture shows Jim Tom and his prize winning sheep at the county's first 4-H show in 1930. L. E. Sumner was county agent and the local bank gave the prizes.

(The Roaches subscribed to the Eldorado Success when it was founded in 1906, and have subscribed continuously since that time. There may be other charter subscribers here — the publisher would like to have their names.)

### GAME RAINED OUT

Due to the heavy rains, the polo game scheduled here with San Angelo was called off. The local club will play Miles, at Miles for their next game, and there will probably be a new date set for the game with San Angelo.

Mrs. L. O. Tomlinson of San Angelo spent the weekend with Mr. and Mrs. Thomas Baker, her parents.

Mr. and Mrs. Alvin Houdek and children of San Angelo visited Sunday in the home of Mr. and Mrs. E. W. Mund.

Oliver Burk, local Vocational Agriculture teacher, finished work on his master's degree last week at A&M.

### FUNDAMENTAL BAPTISTS HAVE SUNDAY SERVICES

Rev. Joe Keegan had charge of Sunday night services at the Fundamental Baptist church. He and Mrs. Keegan and three children are leaving the states October 1st for South America where he will do missionary work.

The young people of the church had a watermelon party at the home of Mr. and Mrs. Jack Logan Tuesday night. There were 27 young people, Mr. and Mrs. Logan and Rev. and Mrs. H. B. Reynolds present for the party.

The young people will attend a meeting at Temple Baptist Church in San Angelo next Friday night.

### ATTENDS FUNERAL

Eldred Roach attended funeral services for L. H. Lagging in Ozona Wednesday afternoon. Mr. Lagging, brother-in-law of Mr. Roach, died Sunday night. Funeral services were held Wednesday at 3:30 in the Baptist Church at Ozona with graveside rites by the Ozona Masonic Lodge. Burial was in Cedar Hill Cemetery.

## Heart Attack Claims Life of Cut Edmiston

Ray Charles (Cut) Edmiston, age nearly 47, was found dead yesterday in his bed while he and his family were visiting at the Mary Ann Johnston and Bertha Wilson home. Mrs. Edmiston found the body at 2:30 Wednesday morning, evidence showing that he had been dead about an hour. Death was attributed to a heart attack, according to results of an autopsy performed Wednesday.

Funeral services are set for this afternoon, Thursday, at 4:00, at the West Side Church of Christ, conducted by Travis Williamson of San Angelo, and interment will be made in the Eldorado Cemetery.

Pallbearers will be nephews: Lawson Edmiston, Imperial; Orvai, Delbert and W. F. Edmiston, Eldorado; E. W. Williamson, Odessa; Clete Pope, Andrews; Frank Edmiston, Odessa; Jack Halbert Jr., Eldorado.

Edmiston was born August 27, 1908, in Schleicher County, to Mr. and Mrs. W. F. Edmiston. He was reared here, and received his education in the rural schools of the county and in Eldorado.

For a number of years he ranched in this county. He was county commissioner six years, was employed by the AAA as local manager about seven years, and during the past few years has been employed by Halliburton Oil and Cement Co., in Odessa, Big Lake and Rankin. When he lived here he was a member of the fire department and of the Lions' Club. He also was a Mason, a member of the Suez Temple at San Angelo, and of the Permian Basin Shrine Clubs.

He is survived by his wife, the former Mary Cloud, five brothers, W. A., L. G., E. N., F. A., and Jack Edmiston, a sister, Mrs. George McLaughlin; five children, Mrs. R. L. Bridgeman of Eldorado, Billy Phil and Ray Charles Jr. of Big Lake, Mackie of Big Spring, and Babs, age three. Surviving also are four grandchildren, Jeddy Bridgeman, and Michael, Charles, and Mackie Edmiston Jr.

He had been a member of the Church of Christ, joining in Fort McKavett in his boyhood.

### VISIT IN WATSON HOME

Guests in the home of Mr. and Mrs. Fred Watson over the past week included Mr. and Mrs. Floyd Spurgers and three boys of Silver, Mr. and Mrs. Willie Watson and Sandra and Miss Annie Watson of Luling, and Mr. and Mrs. E. D. Otis of Kilgore.

Mr. and Mrs. Fred Watson, Miss Annie Watson and the Floyd Spurgers family spent Saturday night at Uvalde State Park and attended the Watson family reunion at Luling Sunday.

### TUESDAY BRIDGE

Mrs. Carroll Sproul entertained the Tuesday Bridge Club at the home of her mother, Mrs. Dick Bearce, Tuesday afternoon. Mrs. Dwight Wiedenmann won high and Mrs. Patton Enochs won bingo. Ice cream and cake was served to two tables of guests.

Dr. and Mrs. Jack Mowrey drove to Dallas last week where they met his mother, Mrs. Tina K. Mowrey, of Knoxville, Iowa, who returned home with them for a visit. They visited with Mrs. Mowrey's parents, Mr. and Mrs. W. C. Blevins, while in Dallas.

### LOVES ENTERTAIN

Mr. and Mrs. Gus Love were hosts at a class get-together and float building party at their home last Friday night. Among the guests were Mr. and Mrs. Lawson Edmiston of Imperial, Mr. and Mrs. Jimmy West, Doug Yates, Mrs. Auta Mae Bradshaw, and Newell Hayes of El Paso.

### Methodist Notes

In keeping with recent decision made by the official board, there will be showing of a film each fourth Sunday night. Church goers are urged to remember that there will be a good picture shown next Sunday night, at the regular church hour 8:00.

Workers' council is scheduled for Sunday morning from 9:30 to 10:30.

Rev. and Mrs. M. C. Stearns spent from Wednesday to Wednesday in San Antonio.

There will be an organizational meeting of the Methodist Youth Fellowship Sunday evening at 7:00. All who are in this age group are urged to be present.

Howard Parker of Texas Tech, Lubbock, was a visitor in the home of his mother, Mrs. Mabel Parker, during the Homecoming weekend.

Weekend guests in the home of Mrs. D. E. DeLong included: Mrs. Howard Renken of Columbus, Ohio; Paul B. Hinyard of Corpus Christi, Mrs. Stephen Perner and June of Ozona, Mr. and Mrs. Ralph Fowler of Corpus Christi; Newell Hayes of El Paso; and Ed DeLong of San Angelo.

### ★ The Military ★

Mrs. Jerry Thompson called her parents, Mr. and Mrs. Ray Alexander, over the weekend, to tell them that Jerry is improving. Jerry has been ill with pneumonia for four weeks. He expects to remain in the hospital two or three weeks more. His address is:

Cpl. Jerry L. Thompson

CAMP RUCKER, Ala.—First Lt. William W. Spurlock, son of Mr. William W. Spurlock, Italy, Texas, recently received his wings of an Army aviator when he graduated from the aviation tactics school given by the Army Aviation center, Camp Rucker, Ala.

The course, which is 12 weeks long, covers the intricate techniques and maneuvers required of an Army aviator and is designed as the follow through of the 17 week primary flight course offered at Gary Air Force Base, San Marcos, Texas, for Army flight students.

Lieutenant Spurlock is married to the former Dorothy Jean Neill of Eldorado, Texas.

1st Lt. and Mrs. Wm. W. Spurlock and daughter Rebecca visited in the home of Mr. and Mrs. J. L. Neill last week. Mrs. Spurlock is the former Dorothy Jean Neill. Lt. Spurlock completed his Pilot Training at Camp Rucker, Ala., July 2nd, and will return to Fort Campbell, Kentucky, where they will remain until their departure with his Air-borne Infantry Regiment for a three-year tour of duty in Germany.

Mr. and Mrs. J. W. Wingfield and Robert of Houston visited Saturday night in the home of her sister, Mrs. William Jarrett and family.

### New Babies

A son, weighing 6 pounds 7½ ounces was born on Saturday the 16th, in San Angelo to Mr. and Mrs. Paris Burnham. The boy, who has been named Ervin Leigh, has four grandparents, Mr. and Mrs. M. E. Leeman of Winters and Mr. and Mrs. L. D. Burnham of San Saba. The young father is manager of Cameron's, and the couple have been making their home here several months. Mrs. Leeman has been staying with her daughter part of the time since the baby's birth.

Rev. and Mrs. Doyle Morton of Bishop have a new daughter, Marydel, born Friday morning at 11:00 in a hospital at Corpus Christi. She weighed 7½ pounds at birth. The Mortons have an older daughter Carolyn, age two. The family were residents of Eldorado three years, moving to Bishop in the latter part of May when Rev. Morton was assigned to the Bishop Methodist Church at annual conference. Marynel was born in Spohn hospital, Corpus Christi.

Mr. and Mrs. A. G. McCormack are the parents of a 9 pound baby boy born at 10:15 Tuesday morning, July 19. Grandparents are Mr. and Mrs. Leslie Baker of Eldorado and Mr. and Mrs. John McCormack of Bonham. Greatgrandmothers are Mrs. Bertha Shugart of Irving and Mrs. W. E. Baker of Eldorado.

## 4-H's Eliminate "Accident Havens"

How many hazards can you find?\*

SAFETY, a crop to be harvested on every farm and in every home, is receiving special attention from more than one-half million 4-H Club members taking part in the 1955 National 4-H Safety Program.

As a part of their 4-H Club work, members in all 48 states are correcting hazards such as those seen in the above drawing. They are attempting to reduce the Nation's annual farm toll of 14,500 lives, 1,250,000 injuries, and an economic loss of about a billion dollars.

4-H'ers, working as individuals or in groups through their local clubs, conduct surveys to locate hazards, then correct the unsafe conditions. They give demonstrations on hundreds of topics pertaining to farm, home and highway safety. Members present talks before group meetings and over radio and television; put displays in store windows; and build booths at fairs.

To assist the Cooperative Extension Service in conducting the 4-H Safety Program, General Motors has just published a new "4-H Safety Handbook for Local Leaders," which provides how-to-do-it ideas for carrying out successful safety programs. Copies of the manual will be distributed to volunteer 4-H leaders through County Extension Offices.

In addition, GM provides incentives in the National 4-H Safety Awards program which is arranged by the National Committee on Boys and Girls Club Work. Medals are made available to four county winners; an all-expense trip to the National 4-H Club Congress in Chicago is given to the state winner; and \$300 college scholarships are presented to eight national winners.

\*In the drawing, there are more than 45 accident hazards or unsafe practices shown. Don't let them occur on your farm or in your home.

**WOOL PRODUCERS TO VOTE ON WOOL, LAMB PROGRAM**

Jack Wade, chairman of the Schleicher County Agricultural Stabilization and Conservation committee, reminds all Schleicher County wool growers of the opportunity to vote in a referendum to decide whether or not deductions will be made from wool payments to provide a means of financing the wool marketing program.

In the referendum wool growers will have the opportunity to vote for or against putting into effect an agreement recently made between the secretary of agriculture and the American Sheep Producers Council under Section 708 of the National Wool Act of 1954.

The agreement provides for deductions from wool incentive and lamb and yearling sheep (pulled wool compensating) payments made to producers under the National Wool Act of 1954. These deductions will provide for advertising, and other promotional activities to enlarge and improve the market for wool and lambs. Before the agreement can be put into effect, producers owning at least two-thirds of the sheep and lambs represented by those voting in the referendum must vote their approval.

Producers who have owned sheep, 6 months of age or older, for at least 30 days since January 1, 1955, will be eligible to vote. Volume of production will be based on the number of sheep six months of age or older owned for at least 30 days since January 1, 1955 date. The number of sheep will be noted on the ballot.

If the referendum is approved, deduction from payments of the

1955 incentive program to be made the summer of 1956 will be one cent per pound from wool payments and at the rate of 5 cents per one hundred pounds livestock from lamb and yearling payments.

The Schleicher County ASC office has mailed ballots to all the known wool producers in the county and Chairman Wade assures any producer who does not receive a ballot that he can get one by writing to or calling at the ASC County office.

Chairman Wade said all ballots must be returned to the ASC office not later than August 19.

Since the results of the referendum will be based on the number of sheep represented by the growers, the outcome of the referendum will not be available until about September 1.

Bob Williams visited over the weekend with Mr. and Mrs. Marvin McAngus and other relatives. He was en route to North Carolina.

Mr. and Mrs. Howard Derrick and family spent the weekend in Ft. Worth. They returned home Monday. Little Linda Derrick has been ill and was in a San Angelo hospital from Thursday to Saturday.

Mr. and Mrs. John McWhorter and children of Dallas spent the week end with John's mother Mrs. W. L. McWhorter and attended Homecoming. Linda remained for a longer visit with her grandmother.

Mr. and Mrs. Ray Lindsey and three children of Goldthwaite spent the weekend with Mr. and Mrs. Will Doyle and attended Homecoming activities.

Mrs. Henry Hollowell of McCamey spent the weekend with her grandmother, Mrs. A. H. Green. Mrs. Hollowell is the former Jimmie Mae Patton. Her husband, a Boy Scout counselor, spent the weekend at Scout camp at Merzon.

Mr. and Mrs. R. L. Thurman returned home last Tuesday from a 10-day vacation trip on which they visited in Texas, Arkansas, Missouri Oklahoma and New Mexico.

Mr. and Mrs. J. O. Willoughby returned home Monday from Mexico City where they took their niece, Ann Cole, who will attend school there for the next six weeks.

Mr. and Mrs. Dick Preston and children and Mrs. Carl Preston drove to Kerrville Monday to take Patrick Preston to Mt. Wesley Camp. Patrick will return home next Saturday.

Mrs. O. C. James and Newlin and Myrl Dean Harter of Big Spring visited Monday with Mr. and Mrs. E. E. Newlin.

Junior McLaughlin returned to San Angelo Sunday after spending the homecoming weekend with his parents, Mr. and Mrs. C. C. McLaughlin.

Mr. and Mrs. Bill Grant and children of Brownfield spent the weekend with Mr. and Mrs. W. F. Parrent and other relatives. Gayle Woodward accompanied them home for a visit.

Perry Johnson left July 8 for California to visit his brothers, sisters and other relatives in a number of California cities and villages.

Mr. and Mrs. Roy Martin and Nancy of Sealey spent the weekend with Mr. and Mrs. C. L. Martin. They left Sunday on a trip to Little Rock, Arkansas.

Mrs. V. G. Tisdale returned home Monday from Junction where she visited a week with Mrs. Lottie Bolt. She reports rain at Junction while she was there.

Quarter-mile lengths of welded steel rail curve around a foothill like wire cable.

**Not a "clickety-clack" in a carload**

*It's Santa Fe's new continuous welded rail...*

*Fewer joints mean a smoother ride for you*

An occasional little click—that's all you'll hear of the old "clickety-clack" as you glide over stretches of new continuous welded rail on the Santa Fe.

And these stretches will be growing longer and more frequent on Santa Fe. For we're laying more all the time—103 miles of it this year.

In fact, we're using a new electric welding process (for the first time by an American railroad) to help bring Santa Fe's new smoother ride to more people, more goods.

But that's only part of the story. Just as a railroad is no better than its track, track itself is no better than what's underneath it—the roadbed, the ties, the ballast. So we've been busy

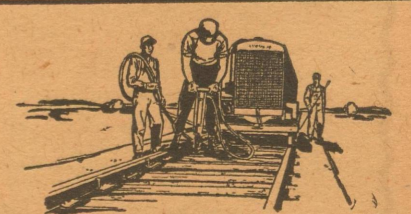

with new improvements here, too.

For instance, our own specially-devised ballast "dry cleaner." This unique machine cleans our ballast, keeps it more resilient so the track lies flat and even.

And today we're replacing old ties with longer and stronger new ones—specially treated to stay strong and sturdy for 30 years and more.

Day after day, something new is being done to make "America's New Railroad" even newer and better. Santa Fe is spending many millions of earned dollars every year for new roadway and new equipment. And not one penny comes from the taxes you pay.

SANTA FE SYSTEM LINES

**What about expansion in these quarter-mile rails?**

Near Newton, Kansas, where yearly temperatures vary from 20° below to 114° above, we laid a 5-mile experimental stretch of welded rail. Here we found that anchoring the rail to every other tie restricted expansion to the area between anchors. Thus, overall expansion was reduced to the merest fraction of an inch between rail ends. In other words, expansion is no problem whatsoever.

## Formal Meetings, Reminiscences Highlight Mias Amigas Meeting

Reunion time for the Mias Amigas Club on Thursday, July 14, brought back memories of the first meeting on June 25, 1931, at the home of the late Mr. and Mrs. C. C. Doty, parents of Mrs. Bill Ann Doty Perner. Sixteen members were present for the organization and nine of the charter members were present for this year's meeting: Mrs. Lula Mae Evans Smith, San Angelo; Mrs. Evelyn Hinyard Renken, Columbus, Ohio; Mrs. Bill Ann Doty Perner, Ozona; Mrs. Mary Ellen Tisdale Hughes, Mertzon; Mrs. Mattie Whitten Royster, Mrs. Olga Benton Meador, Mrs. Lummie Pelt Whitten, Mrs. Josephine Murchison Hill and Mrs. Ida Conner Neill of Eldorado.

The club is composed of men and women who graduated or were eligible for graduation from Eldorado High School between the years 1907 and 1919.

Projects sponsored by the club since its beginning are: A Memorial Fountain was built on the Courthouse lawn supporting the old school bell.

During World War II support was given to USO, the Red Cross, and memorial books were given to Eldorado Public Library for seven Schleicher County boys who gave their lives for their country.

Tile floor covering was placed in the powder room in the Memorial Building.

A marker in memory of Miss Gladys Patton was placed in San Jose Cemetery at San Antonio, Texas.

\$50.00 was donated to Schleicher County library for children's books and memorial books were placed in the library for four Mias Amigas Club members.

### Bell Opens Season

Official bell ringer, E. H. Sweatt, was on hand promptly at 9:00 a.m. and as the peal of the bell sounded on the air, members began to arrive at the Memorial Building where all meetings were held. Decorations in the club room featured a beautiful floral Memorial centerpiece. Routine business was transacted at Thursday morning's business session called by the president, Miss Ruth Baker.

At 12:30 a bountiful luncheon of fried chicken and accompanying good food was served in the Banquet Hall. The Silver Anniversary motif was carried out in decorations by Josephine Hill and her committee. The floral decorations included a centerpiece of gladiolas topped by a silver "25." Tables for four featured silver decorations on place cards and napkins and bud vases held gladiolas. Ida

Neill was in charge of the "This I Remember" program which followed the luncheon.

The group reassembled at 7:30 for a sandwich supper and informal program highlighted by an old fashioned spelling match.

### Coffee Closes Meet

The out of town members served a beautifully appointed coffee at 9:00 a.m. on Friday after which pictures were taken and the final business session held.

The nominating committee composed of Ruby D. Fowler, Pearl B. Nixon and Marie D. Perner submitted the following list of names as officers for the club for the ensuing year:

President, Josephine M. Hill;  
1st Vice-president, Ida C. Neill;  
2nd Vice-president, Olga B. Meador;

3rd Vice-president, Bertha H. Oglesby;

Secretary-treasurer, Ruth Baker; Historian, Nan Montgomery; Publicity, Agnes W. Womack.

This report was accepted by acclamation. Those attending this meeting included the afore mentioned members and the following: Mr. and Mrs. Henry Todd, Abilene; Mr. and Mrs. J. A. Nixon, Ft. Worth; Mrs. Will Cozzens, Ft. Worth; Mr. and Mrs. Ralph Fowler, Corpus Christi; Mrs. Alma H. Robertson, Shawnee, Oklahoma; Andy Thompson, Lampasas; W. T. Whitten, D. C. Royster, Mr. and Mrs. L. M. Hoover, J. L. Neill, Mrs. Coralie W. Mebane, W. F. Meador, C. L. Meador Jr., and J. E. Hill, all of Eldorado.

Others who attended were: Mrs. Mattie Cozzens, Mrs. Lawrence Steen, Mrs. S. D. Harper, Mrs. D. E. DeLong, Mrs. E. H. Sweatt, Miss John Alexander, Mrs. O. E. Conner, Mrs. R. A. Evans, Sam Oglesby, Mrs. J. E. Tisdale, Mrs. J. D. Ramsey, Mr. and Mrs. Seth Ramsey, Miss Chris Enochs, Miss Suzanne Evans, Mrs. Sam Jones, and Mrs. Jim Williams.

The Mias Amigas float in Saturday's Homecoming parade winning first place was another highlight of the 25th meeting.

### McCRAVEYS ENTERTAIN WITH BARBECUE SUPPER

Mr. and Mrs. Bill McCravey were hosts at a barbecue supper at their home last Friday night. Guests were members of the class of 1942 of which Mrs. McCravey was a member. Due to the rain the supper was served in the garage instead of the yard. Included in the group were Mr. and Mrs. Jack Halbert Jr. and children, Mr. and Mrs. Sid Rogge and children of Sonora, Janice Baker Ratliff of San Angelo, Earl Jeffrey of Dallas, Mr. and Mrs. Elmer Peters and Kay, Mr. and Mrs. Bill Oglesby and boys, and Mr. and Mrs. McCravey and children.

### TO ATTEND CONVENTION AT CLEVELAND

The Rev. James L. Spencer will leave Monday for Laredo and on Tuesday he will go by plane to the 23rd International Sunday Convention which is being held in Cleveland, Ohio, July 27 through August 1st. Rev. Spencer will represent the Mid-Texas Presbytery as well as the local church and report to both in September.

Mrs. Loyce Lackey and girls of San Angelo visited Monday with Mrs. Hattie Blaylock.

Mrs. Will Cozzens of Fort Worth was a weekend guest in the home of Mr. and Mrs. L. M. Hoover. Mrs. Cozzens taught school here in 1905.

## GIRLS' 4-H CLUB MEETS TUESDAY, ELECTS OFFICERS

Keeping thimbles on the correct finger caused grave problems for the girls of the Eldorado 4-H club who had their first meeting Tuesday morning at the courthouse.

The girls plan to work on home managing for their first project. Cooking, sewing, and arts and crafts are some of the activities the girls are planning.

The original group of ten girls will grow when others come home from camps or vacations. The present members are Jimmie Dell Williams, Myrta Ann Toppliffe, Mary Jo Parker, Genelle McCalla, Lynda McGinnes, Judy Hext, Linda Jones, Judy McGregor, Dale West, and Martha Toppliffe. Any other girls who are interested are urged to join the club.

Mrs. Joe Kreklow, the county Home Demonstration agent, in charge of the club, acted as chairman pro-tem until Jimmie Dell Williams was elected president. Other officers elected were Dale West, vice-president; Linda Jones, secretary-treasurer, and Mary Jo Parker, reporter.

The next meeting will be at the Memorial Building, Monday July 25, at 9:00 a.m. The girls will work with copper tooling and will bake cookies. Mrs. Irene Teele will give a demonstration on the tooling.

This meeting will be held jointly with the Girl Scouts. —Mary Jo Parker, reporter.

Weekend guests in the home of Mr. and Mrs. B. E. Moore were Mr. and Mrs. Cecil Moore and Patricia and Mr. and Mrs. Joe H. Moore of San Antonio and Miss Betty Pfluger of San Angelo.

Rev. and Mrs. Clarence Smith and son of Kermit visited last Thursday with Mr. and Mrs. J. M. Logan.

Mrs. Joe Clevenger arrived Tuesday from California for a visit with her parents Mr. and Mrs. L. T. Wilson.

Mr. and Mrs. J. A. Nixon of Ft. Worth were here for Homecoming and for a visit with Mrs. Nixon's sister Mrs. Mattie Cozzens. Mrs. Nixon left Sunday for Ozona to visit the T. J. Bailey family.

## PRESBYTERIAN MEN ENJOY FISH FRY

About 30 men of the Presbyterian Men's club and their guests were present at the church Monday night for a fish fry. Joe Edens had charge of the cooking. Pete Ringle had previously been on a fishing trip to the Texas coast, and brought back the supply of fresh fish. Eldon Calk is president of the club.

Durward Rutland, son of Mrs. Irene Rutland, will receive his BA from Howard Payne College at Brownwood on July 29 at 8:00. He will then move to Llano where he has been serving the church weekends during the past year.

Mr. and Mrs. E. K. Bauer and Helen, Karl and Benjie spent from Friday afternoon to Sunday evening in San Antonio where they did a weekend of sight-seeing.

Mr. and Mrs. Robert Sproul were in San Angelo Sunday visiting their daughter Mrs. C. P. Hunnicutt and family. Other visitors in the home were the Sprouls' daughter Betty, Mrs. James Guthrie and children and a friend Mrs. E. Morris of Temple who had arrived in San Angelo Saturday.

Mr. and Mrs. George Powell of Sonora visited Sunday with Mr. and Mrs. John West.

Mr. and Mrs. Boots Corbell and children of Midland spent the weekend with Mrs. John Luedecke and other relatives.

Mr. and Mrs. Robert Milligan returned home last weekend from Coleman where they have been at the bed side of Mr. Milligan's sister.

Guests of Mr. and Mrs. Bernard Carr and Mr. and Mrs. Jess Thompson during the Homecoming weekend were Mr. and Mrs. Buster Gunn of Pearsall. The Carrs also had as guests Saturday Mr. and Mrs. Lake Tankersley of Mertzon.

Joe Wagley has returned from Austin where he attended an insurance seminar.

Mr. and Mrs. Ed Thorpe of Dell City visited in the home of Mrs. Lydia Thorpe one day last week.

Mrs. Jud Brannan and Mr. and Mrs. Clyde Evans and two girls of San Angelo made a trip to Carlsbad Caverns during the weekend. They left Eldorado Saturday and returned Monday.

Mr. and Mrs. Gerald Hartgraves spent the weekend at Marineal with his parents, Mr. and Mrs. B. F. Hartgraves.

Mr. and Mrs. Marshall Lloyd and two girls of San Angelo spent the weekend with Mr. and Mrs. John Mayo.

Tom Enochs of Midland and Holvey Enochs of San Angelo spent the weekend with Mr. and Mrs. J. A. Enochs and other relatives.

Sammie Lee Stewartson of Fort Stockton is visiting her sister, Mrs. E. W. Mund, and family.

Mr. and Mrs. Edward Gibson of Seminole are spending the week here with Mr. and Mrs. W. S. Carrell and Mr. and Mrs. Vernon Gibson.

Mr. and Mrs. Smokey Swift of Crane spent the weekend here and attended Homecoming activities.

Mr. and Mrs. Sonny Stanford and Fay Marie of Hobbs, New Mexico, spent the weekend with relatives.

Mr. and Mrs. F. L. Powers and children of Abilene spent the weekend with Mr. and Mrs. W. C. Doyle and Mr. and Mrs. Lum Davis.
