## Co-Op Getting Ready For 10th Annual Meeting and Barbecue

The 10th annual meeting of the Southwest Texas Electric Co-Op will be held next Tuesday on the courthouse lawn and in the Memorial Building, according to announcement made by Don McCormick, Co-Op manager.

The annual meeting will be again, as it always has been, a highlight of the year's work, providing social and business contact for farm and ranch residents over a large area.

The barbecue pits and the tables on the courthouse lawn will provide the setting for the barbecue. There many hundreds of people will be served their plates and be given opportunity of visiting with each other. With the Co-Op reaching out into far areas, some will travel quite a distance to be present.

Because Co-Op service covers such a large area, and because new users are added each year, this meeting is one of the big gatherings of the year here at which a Schleicher old timer may meet someone he has never met before.

Following the barbecue there will be showing of two films in the Memorial Building, one an educational film and the other a comic. There will be a business meeting at which awards will be made to Co-Op employees who recently completed the Red Cross first aid course.

The nominating committee will present their recommendations for directors for the coming year: J. F. Runge, Joe E. Edens, W. W. Sheen, Frank Bond, E. L. Tankersley, R. A. Harrell and John Ochener. They selected these officers at their meeting July 9. Members of the nominating committee for 1955 are P. L. Phillips Jr., Ozona, Sam T. Logan, Sonora, and S. E. Jones Jr., Eldorado.

It is pointed out that there may also be nominations from the floor at the business session next Tuesday.

Co-Op Manager Don McCormick, in talking of the approaching meeting, stressed the importance of good attendance at the annual meeting. It is pointed out that the vote of the people elects the officers, and that the larger the number of voters the more representative of the total membership the list of officers will be.

### Co-Op Grows

The year-by-year expansion that takes place is indicated by this year's average growth. According to the Co-Op's page ad on page 3 of this issue, there were 1320 miles of line in 1954 as compared with 1373 miles in 1955. In 1954 there were 854 meters, and in 1955 the total is 882.

Some of the expansion which the Co-Op makes each year takes place within the semi-developed areas—serving farms and ranches which had not formerly connected. This is especially true to the north, south and east where Southwest Texas Electric Co-Op has built as far as it will go without touching areas served by other co-ops. Now new growth is mainly to the west, where lines are reaching in to serve new territory. While more and more connect each year, there is always room for growth within areas through which lines already pass, it is pointed out.

## Topliffe In Houston At Mother's Burial

Mrs. R. J. Topliffe Sr. of Marble Falls, mother of E. H. Topliffe of this city, died July 28 after an illness of about a year. She was 75 years of age.

Funeral services were held at the First Methodist Church in Marble Falls at 9:00 a.m. Saturday, and burial was made at 5:00 that afternoon at Forest Park cemetery in Houston.

She had lived most of her life in Houston, the couple moving to Marble Falls five years ago after Mr. Topliffe's retirement. She is survived by her husband and two sons, E. H. Topliffe of Eldorado, and Norman B. Topliffe of La Porte.

Attending the funeral from here were the E. H. Topliffe family, Mrs. Robert Milligan, Mr. and Mrs. Jack Ratliff, Mr. and Mrs. V. G. Sudduth and son Merle, and Henry Mittel Jr.

## Mrs. Minnie T. Wilson Is Buried Wednesday

Funeral services were held Wednesday morning at 9:30 at the Cox Funeral Chapel in San Angelo for Mrs. Minnie T. Wilson, 73.

Mrs. Wilson, the former Minnie Martin, a long time resident of Schleicher County, died at 12:15 a.m. Monday at the Shannon hospital where she had been a patient for 10 months.

Mrs. Wilson was an active member of the Methodist church. Survivors include her husband, W. F. Wilson of San Angelo, a brother, John A. Martin of Dryden; and two sisters, Mrs. D. W. Thornburg of Santa Fe, N. M., and Mrs. Effie Clancy of Los Angeles, California.

Pallbearers were Luke Robinson, C. M. Robinson, J. J. Sheen, James Sheen, Jim O'Harrow, W. S. McGregor, Pat Enochs, and Lewis Sheen.

## Frontier Council Meets At Camp Sol Mayer

The Girl Scout Frontier Council held a board meeting at Camp Sol Mayer last Sunday afternoon from 2:30 to 6. There were 14 members present from the following towns: San Angelo, Eldorado, Menard, Junction and Mason.

The group discussed plans for fall work for the Girl Scouts and voted to send four representatives to the Convention in San Francisco November 1 to 4. One of the major projects facing the council at the present time is the location of a site for an established Girl Scout Camp as Camp Sol Mayer is a Boy Scout Camp and will not be available to the Girl Scouts at all times.

The meeting was adjourned from 4 to 5 for a water show which was presented by the girls in camp. Local girls attending camp this week are Elaine Whitten and Kay Thomerson.

The next council meeting will be the Annual Frontier Council meeting in Eldorado in October.

Mr. and Mrs. L. V. Newport and Jean are on a trip to New Mexico.

## The Military

Mr. and Mrs. M. L. Potter have received word that their son, Major Nolan Potter, and his family are on a month vacation in Europe. Major Potter is stationed with the Air Force in England. He has been in England about 18 months and his family has been with him about 14 months. He will be stationed in England another 18 months before returning to the states. While vacationing, the family plans to visit in France, Spain, Italy, Austria, Germany, Switzerland, Holland and Belgium.

## Board Reclassifies Seven From Schleicher County

Local Board 110 at their meeting Tuesday reclassified seven men from Schleicher county. The men with their new classifications are:

Wm. F. Gunstead	V-A
Claude J. Stone	I-C Res.
Albert L. Stanford	I-C Res.
Jim H. Steward	I-A
Cecil R. Jeffrey	I-A
David M. Powell	I-A
Orville T. Conner	I-C Res.

## Annual Meet Coming Up At Junction August 11

The 19th annual three-day Hill Country Fair Association's Race Meet and Billy Sale will be held at Junction on Thursday, Friday and Saturday, August 11, 12, and 13. Six big horse races will be scheduled daily beginning each day at 2:30 p.m. with \$2700 in purses and entry fees added.

Claimed as the world's largest, the Billy Sale will be held on August 12, beginning at 9 a.m. and a doe and billy sale will be held on August 13, at 9 a.m. Classification will be conducted on Thursday, August 11. 100 top Angora bucks will be selected by the sifting committee to be offered at the auction Friday morning. A \$100 prize will be given to the owner of the top buck selected and a \$50 award will be given to the owner of the top doe selected at the sale.

A big street parade will mark the opening of the three-day event on Thursday morning, August 11, beginning at 10 a.m.

Citizens of Junction extend a cordial invitation to the people of this area and from all over Texas to come and spend the three days in their city for this annual event. A municipal swimming pool, plus the fine water in the Llano River, affords plenty of swimming for young and old alike, and a municipal golf course, fishing, etc., should appeal to those who would like to pass a few hours of relaxation. Dances will be held each night in the open air pavilion with "The Highlanders" of Fredericksburg furnishing the music on Thursday night, and Larry Nolan on Friday and Saturday nights.

## Eldorado Firemen To Furnish Program At Fire Convention

Members of the Eldorado Fire Department are hard at work this week practicing for the Hill Country Fireman's Association Convention which will be held in Sonora August 8 and 9.

The Eldorado Department has charge of the Monday afternoon program and plans to enter a float in the parade and enter into the different races which will be held on Tuesday.

All prizes for the races and winning floats in the parade will be awarded at the dance Tuesday night which will be held at the Sonora Wool and Mohair Co.

## Electric Co Ops Are In Twentieth Year

Electric co-ops throughout the United States are celebrating this year the 20th anniversary of the opening of REA, and the Southwest Texas Electric Co-Op is joining with other co-ops in observing of this nation-wide 20th birthday celebration. In these 20 years, figures show, the electrification of Texas farms and ranches has grown to such a point that whereas 20 years ago 3 percent had electricity, today about 90 percent are electrified.

The celebrations which are taking place this year on a nationwide scale look back to the date of May 11, 1935, when the program was established.

On that day REA and other government officials in Washington opened a year's anniversary observance of the beginning of the REA program.

During the year, ceremonies will be held by rural electric systems financed by REA, culminating on May 20, 1956—the anniversary of the passage by Congress of the Rural Electrification Act.

These celebrations will be occasions for recounting experiences in getting organizations going, loans approved, lines built, and consumers' premises connected—the end purpose of the whole of fort.

Mr. and Mrs. A. W. Keys attended church in San Angelo last Sunday and visited with his brother, A. L. Keys of Wall, who is in the Clinic Hospital.

## Post Script

Eldorado Success reporters, while gathering material for this paper, picked up quite a few items concerning operation of the Southwest Texas Electric Co-Op, which has scheduled its regular annual meeting for next Tuesday.

For one thing, we had not been aware that the subject of safety was so generally and widely stressed. It seems there is more danger to the men driving to and from their day's work than from the work itself which deals with electricity!

The men have been so thoroughly indoctrinated with the idea of safety that they have gone from September 1, 1954, to August 1, 1955, without an accident.

They are approaching the 50,000 safe-man-hour mark—when they reach it they will receive a special plaque as a reward.

Five of the men, Fred Butler, Jerome Mitchell and Joe Griffin of Eldorado and Doyle Easterwood and Monroe Allen of Ozona, attended a statewide safety meeting on the 28th and 29th at Galveston. They were taught new things about static electricity, and were especially cautioned about accidents when working with the lines and driving to and from work. They report an interesting and most informative meeting.

—ps—  
And then outages not connected with main line trouble are always of concern to the crew. There were 26 this year between January 1 and August 1, which seems to be a good record. Longest ones were in July when high water, of all things, delayed the crew getting to location.

It seems from May to September are outage time—mainly from the elements, such as lightning, etc. "Hope we never have trouble like the trouble caused by the flood at Ozona," says Manager McCormick. That was a time of real loss—many poles washed out or broken and other heavy damage done, especially in the Juno area. That happened in late June of last year, and it took until July 20 to get the last line in the Juno area energized!

Some outages are man made—vehicles which are too high pass under the lines and break them—and in other ways people are sometimes careless.

—ps—  
Each year the Success finds out who is the farthest member receiving service from the Southwest Texas Electric Co-Op. John Monroe's 1954 distance of 72 air miles from Eldorado still stands as the record breaker, according to figures in the Co-Op office.

—ps—  
Local folks got statewide recognition in Clumsum News, a publication put out at College Station and distributed to all electric co-ops in Texas, and on the exchange list on other statewide papers!

The reporter was Alvin Atkinson, covering Southwest Texas Electric Co-Op news—the cartoonist was Kaye Taylor, daughter of Mr. and Mrs. Clovis Taylor, who submitted a jail scene in which the convicted man was assured that he need not worry about having to be electrocuted, that the CoOp boys would dig him up and give him superficial resurrection, and have him back to life in two or three hours.

—ps—  
New late figures on the Southwest Texas Electric Co-Op's safety record—they have now worked 53,000 man hours without a lost time accident! Looks like they will get that special plaque mentioned elsewhere in this paper.

Mrs. Arthur Brooks of Alto visited from Wednesday to Sunday of last week with Mr. and Mrs. W. A. Brooks and family.

### Lloyd Irrigation Well Back In Production

#### ASC Committeemen Will Be Elected Here On August 19th

Schleicher County ASC Committeemen for 1956 will be elected August 19, 1955. The election will be by mail and will follow the same general procedure as for 1955.

The county election board, namely, the County agent, SCS technician, and FHA supervisor, selected the following farmers and ranchers to serve as the community election board: Robert Martin, A. J. Halbert and W. A. Schuller. The community election board in turn selected the following ten farmers or ranchers as candidates for the Schleicher County Community Committee:

Howard Derrick, Bob Faught, Marvin Logan, Wm. McWhorter, Henry Moore, Paul Page, Richard Preston, Robert Sykes, Jack Wade, L. L. (Bill) Watson.

Anyone wanting to place some other eligible candidate's name on the ballot may do so by submitting the name by petition signed by ten or more eligible voters to the chairman of the election board, W. A. Schuller not later than Aug. 10, 1955.

Five days before the date set for the return of the ballots by farmers a notice of the election and complete slate of nominees will be posted in the county ASC office, the county courthouse, and the postoffice.

Voting instructions and eligibility requirements for voting and holding office will be enclosed with the ballots and mailed to all known eligible voters not later than five days before time the ballots must be received at the county ASC office.

Ballots will be received until 5:00 p. m. Friday, August 19.

Any eligible voter not receiving a ballot may obtain one at the local ASC office during the voting period.

Mr. and Mrs. Milton Faught visited in Lampasas with Mr. and Mrs. Henry Machann Saturday night and in Killeen Sunday. Mrs. Paul Nixon accompanied them as far as Brady where she is visiting with her daughter.

From the Reynolds community yesterday came news that Leonard Lloyd's irrigation well was back in operation with more production than ever—after having been shut down for several weeks for expensive repairs.

About the middle of June Mr. Lloyd brought in a water well from a depth of 580 feet with production of about 300 gallons per minute. After several weeks' operation the pump impellers were ruined due to the presence of fine sand in the water.

Repair work included new pump and new engine, acidizing the water sand at the 400-ft. level and establishing pump operations from that level.

Yesterday noon the well was producing at a rate up to 575 gallons per minute—about twice its former volume.

The well is irrigating 42 acres of cotton.

At Clyde Keeney's farm near Eldorado work was proceeding again on the large earthen tank yesterday, following the arrival and installation of a large gate valve which will control the flow of water after the system is in operation. Mr. Keeney reports that he placed an order two weeks ago for a Peerless pump and a motor for his well, which produced a record of 827 gallons per minute on a 7-hour test July 14.

Parker Bros., who brought in a 200 GPM well on their section in Bailey Ranch, declare that they expect to rig up for pumping before winter.

#### LIONS CLUB

Road improvements and a better meeting place for the Boy Scouts were discussed at yesterday's Lions Club meeting. An invitation from the Fair at Junction for Eldorado to enter a float, was read by President, W. T. Whitten.

Jack Moore was the only guest.

#### PASTOR ON VACATION

Rev. James Spencer, pastor of the Presbyterian church, left Wednesday morning on a vacation trip to the Carolinas and many other points in the south and southeast. Edwin Jackson has charge of filling the pulpit with supply speakers during his absence.

## Trained Crew Handles Affairs of Southwest Texas Co - Op

Trained office personnel and construction workers compose the regular force on the payroll of the Southwest Texas Electric Co-Op. The men, some of them with Co-Op vehicles, report at the headquarters office regularly on assignment for their day's work. All will be on hand at the big Co-Op meeting next Tuesday.

Don McCormick, manager of the Southwest Texas Electric Co-Op nearly ten years, has been on the job to supervise the steady expansion of the business. He is an active member of the Eldorado Lions' Club and the American Legion, and is a faithful member of the First Baptist Church of this city. Before he became Co-Op manager he had years of ranching and business experience, and is well equipped to understand the problems of the ranching and farming families with whom he and his organization deal.

The office has two other regular employees. Jack Logan, employee of the Co-Op for seven years, is bookkeeper. He is a World War II veteran. The assistant bookkeeper is Louise Kuykendall, who joined the force in March 1953. She attended business school in Fort Worth and had some business experience there before joining the Co-Op force.

Nine men compose the construction and maintenance crew. Elton McGinnes, who has been with the Co-Op since April, 1954, was recently promoted from line foreman to line superintendent. Two others were also recently promoted.

J. C. Schooley to line foreman at Eldorado and Doyle Easterwood line foreman of the Ozona area.

McGinnes, a fireman and an active Methodist, owns his own home here. Schooley is also a fireman and home owner, and both he and McGinnes are World War II veterans.

Jerome Mitchell joined the maintenance crew in 1947 and L. L. Kinser started Co-Op work in 1949. Both men have families and live here.

Earl Hicks joined the Co-Op in 1947 and has been with the organization since that time with the exception of a period on other employment preceding 1951.

Alvin Atkinson started work in 1950. He has a family here, owns his own home, and is a fireman. Fred Butler has worked for the Co-Op since 1948.

Butler, McGinnes and Logan are the only three of the force who were born and reared in the county.

Joe Griffin, a veteran with a family, started work with the crew on July 1, 1952. Doyle Easterwood of Ozona is now line foreman in that area. He has been an employee since 1948 with the exception of a short time when he was on another job, and Monroe Allen, who also lives in Ozona, was also employed at two different times.

Officers and directors are: W. W. Sheen, Pres.; J. F. Runge, sec.; Joe Edens, Treas.; Frank Bond, vice pres.; Louis Gayer, Attorney; E. L. Tankersley, R. A. Harrell and John Childers.

### Important thought to keep in mind:

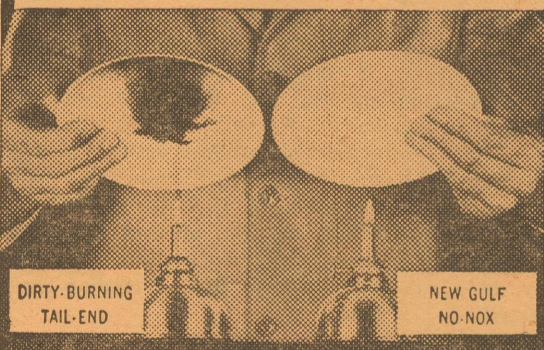

There's no need to worry about stalling in hot-weather traffic; no need to worry about balky hot-engine starting! Just fill up at your Gulf station with New Super-Refined Gulf NO-NOX—the gasoline that's made with evaporation control to prevent vapor-lock. And always protect your engine with New Gulfpride H.D. Select, the motor oil that controls carbon.

### New Gulf No-Nox Gasoline delivers not just the highest octane but

### full working octane

because it's super-refined to burn clean

See what a difference Gulf super-refining makes. Gulf takes out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new clean-burning Gulf NO-NOX.

NO GASOLINE, no matter how high the octane, will let your engine deliver full power performance—mile after mile—unless it burns clean.

That's why it pays to always use new NO-NOX. Gulf NO-NOX is the clean-burning fuel that gives you full working octane day in, day out. In addition, you get...

- more complete engine protection
- extra gas mileage in short-trip, stop-and-go driving
- freedom from vapor lock, engine stumbling and stalling
- no knock, no pre-ignition—even in today's high-compression engines

Now! For the ultimate in working octane performance, always use Gulf's super-refined gas-oil team... New Gulf NoNox Gasoline and **New Gulfpride H.D. Select Motor Oil**

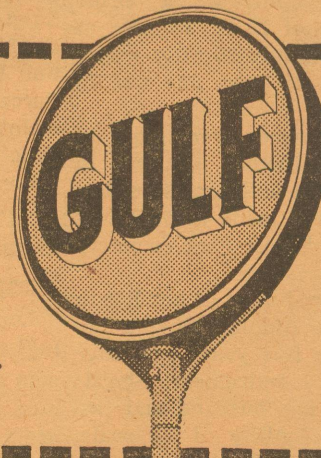

The only motor oil super-refined by the Alchlor Process for modern high-compression engines.

- Controls carbon
- Combats corrosive acids, rust and deposits

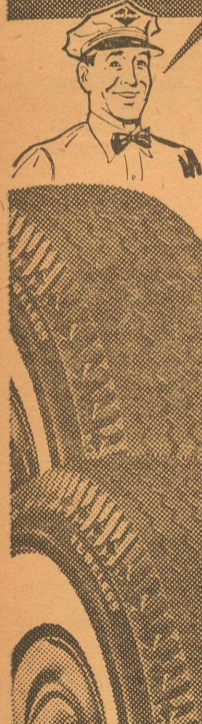

Assures lower oil consumption

Provides the toughest protective film ever developed in a motor oil

**CARD OF THANKS**

A sincere "thank you" for everything you have done to comfort and aid us in our sudden bereavement. Your kind expressions of love and sympathy through gifts of flowers, foods, cards, calls, donations in memory of our loved one, errands, caring for our little ones and in so many other ways shall remain in our hearts as a symbol of true friendship. When you are called upon to suffer such grief and sadness, may you also be blessed by loving friends who will extend to you the same unselfish loyalty.—The Family of R. C. (Cut) Edmiston. 1c

**FUNDAMENTALISTS TO OPEN REVIVAL ON AUGUST 7**

The Rev. H. B. Reynolds will preach at a revival at the Fundamental Baptist Church, beginning August 7. J. C. Walker of Hobbs will lead the song service and special music.

An added feature through the week of the revival will be women's Bible study, conducted by Mrs. Reynolds.

The pastor has closed out a revival out of town recently. He moved here during July.

**Cattle Prices Well Above 1954 Level**

Fort Worth.—Several people recently have inquired of us as to how prices for the month of August compare with a year ago. Going back to our files we find most cattle enjoy considerable advantage over a year ago.

The market at Fort Worth Monday on most cattle and calves was around steady despite the offering here being 1,500 above a year ago, and the run around the 12 major markets being about 30,000 cattle and calves above the previous Monday.

We can credit improved pasture and feed conditions for the strength of the market at Fort Worth at this time in the opinion of observers here.

A year ago a Fort Worth choice grainfed cattle were quoted \$20 to \$22; common, plain and medium kinds \$10 to \$18. Recent sales of choice cattle at \$21 to \$23.50, and common, plain and medium sorts from \$11 to \$18, show a little better prices for top cattle than a year ago.

1954: Fat cows \$9.00 to \$12.00; canners and cutters \$6.00 to \$9.00, a few under \$6.00. 1955: Fat cows \$10.50 to \$13.00; canners and cutters \$7.00 to \$10.50.

1954: Bulls \$8.00 to \$13.00.

1955: Bulls \$10.00 to \$14.00.

1954: Good and choice slaughter calves \$16.00 to \$19.00; common and medium \$9.00 to \$15.00; culls \$7.00 to \$9.00. 1955: Good and choice slaughter calves \$16.50 to \$19.00; common and medium \$12 to \$15.50; culls \$9.00 to \$11.00.

1954: Stocker steer calves, medium to choice \$15.00 to \$19.00; steer yearlings \$18.50 down; heifer calves and yearlings \$15.00 down; stocker cows \$8.50 to \$10.00. 1955: Medium, good and choice stocker steer calves \$16.00 to \$21.00; steer yearlings \$19.50 down; heifers \$16.00 down. Stocker cows \$8.00 to \$12.00.

Slaughter spring lambs were 50 cents to \$1 lower at Fort Worth Monday, and other classes of sheep and lambs ruled about steady. Top lambs scored \$19, and feeders sold at \$15.50 downward. Sheep and lambs were selling well above the 1954 levels.

Mrs. Emma O'Harrow of Plainview visited Monday with Mrs. Grace O'Harrow.

**FUNDAMENTAL PASTOR HOLDS OPEN HOUSE**

REV. H. B. REYNOLDS

The Rev. and Mrs. H. B. Reynolds held open house on the evening of July 26 at the parsonage. Present for the occasion were Mr. and Mrs. Joe T. Logan, Mr. and Mrs. Orland Harris, Mrs. Henry Mercer, Mrs. Arch Posey and daughter Linda, Mr. and Mrs. Jerome Mitchell, Mrs. Jack Griffin and daughter, Mrs. S. J. Boothe, Mrs. Oran Enochs, Mr. and Mrs. J. M. Logan and son Pete.

**Price-Cost Squeeze Problem of Tomorrow**

College Station. — Good farm and home managers are known for their ability to "stay ahead of the pack." In predicting the future, John G. McHaney, extension economist, says that changes place real profit premiums on outstanding family management.

World and national forces are today shaping the prices of tomorrow, next year and the next decade, and government programs may be tending to bring higher or lower prices, explains the specialist. "Knowledge and understanding of how these forces work and their ultimate effect upon agricultural production and prices are basic for making management plans."

Right now with the price-cost squeeze continuing to tighten on the farmer, management and more efficient production offer some relief. Prices paid for farm products continue to decline—about 5 percent lower now than a year ago—prices of production items needed by the farmer have declined only one percent. The incomes for consumers are now about four percent above those of last summer and food store sales are six per cent higher.

There is still time to put any idle land you may have to good use this year. It isn't too late to plant Guar—a crop which will really pay off in increased future production.

We now have the moisture to plant this crop and get it well started. Guar is a summer legume that does real well in droughty areas. In areas where it has been grown extensively, this crop has increased the following yields of cotton by as much as a third.

Guar is an inexpensive crop to plant. Seed can be secured locally at eight cents per pound. You need only five or six pounds per acre. You have to keep dividends. It not only adds plant foods to the soil but also increases its ability to take up moisture rapidly. It makes that raindrop go farther.

**COUNTRY WOMEN'S H. D. CLUB**

The Country Women's Home Demonstration club met July 27th in the home of Mrs. Aaron Steward for an organizational meeting.

Mrs. Joe Kreklow, the county home demonstration agent in charge, acted as chairman and the following officers were elected: president, Mrs. Aaron Steward; vice president, Mrs. Bethel Jeffrey; sec-treas., Mrs. Weldon Davis; reporter, Mrs. Thomas Baker; council delegate, Mrs. Hanson Nixon.

The present members are: Mrs. Weldon Davis, Mrs. Tom Alexander, Mrs. Lynn Alexander, Mrs. Aaron Steward, Mrs. Thomas Baker, Mrs. Sanders, Mrs. Bethel Jeffrey, Mrs. Farris Nixon, Mrs. Hanson Nixon, Mrs. L. Kent, Mrs. Ovid Wade, Mrs. Gene Edmiston, Mrs. W. A. Schuller.

The club agreed to meet every first and third Tuesday at 2:30 p.m., and the next meeting will be at the home of Mrs. Thomas Baker.

**ATTEND MEETING**

Mr. and Mrs. Jack Logan, Rev. and Mrs. H. B. Reynolds and Nena; Larry Wren; Lena, Elaine, Peggy, and Dale Cosgrove; Mrs. S. J. Mitchell, Voy J., Alton, and Maudie, attended a West Texas Fellowship meeting at the Fundamental Baptist church in Ballinger Tuesday. The next meeting will be held in Eldorado in September.

**GIRLS ARE HONORED**

Mrs. Bud Hall and Mrs. James Williams honored their daughters, Sandra and June, with a Coke party at the Williams home last Wednesday morning. The party was to celebrate the girls' 13th birthdays. The group played games, made pictures, and listened to records. The hostesses served cold drinks and cookies.

Rev. and Mrs. R. B. Cooper of Dallas visited friends here early this week.

John Miller has stubble mulched the crop of sudan on one of his fields. John let this crop get up to a good height and then using a stalk shredder leased from the Eldorado-Divide Soil Conservation District chooped it to a height of about ten inches. This will provide his soil with a green manure crop for enrichment and also help get that rainfall into the ground and hold it there.

The stands of Blue Panic grass on Clemens Sauer, Pete Parker, and Rex White farms is coming along fine. Clemens grazed his during May and June and took his stock off with his first rain. It has come back to a good growth since then. Pete just recently stocked his Blue Panic grass with his young Angus bulls.

**BAPTIST CIRCLES**

Circle No. 2 of the First Baptist W. M. U. met Monday at the church with Mrs. E. H. Dannheim in charge. Mrs. A. J. Stevens gave the lesson. There were seven members present.

Circle No. 3 met with Mrs. J. B. Montgomery with 5 members and two visitors present. Mrs. W. N. Ramsay brought a review of two chapters of the book "Candle by Night."

Circle No. 4 met in the home of Mrs. Weldon Davis. Mrs. J. C. Hancock reviewed the first two chapters of the book "Candle by Night." Refreshments were served to eight members.

**Rudd Demonstration Club Meets Friday**

Mrs. A. B. Thomerson was hostess for the first meeting of the Rudd Home Demonstration Club at her home 13 miles out of Christoval on the Toenail Trail Highway, last Friday afternoon. In this community distances are great and at 3 o'clock in the afternoon it's hot but despite these conditions 12 interested women were on time and ready to organize a club.

Mrs. A. B. Thomerson was elected president; Mrs. Bobbie Sykes, vice-president; Mrs. Jim Martin, secretary-treasurer; Mrs. V. L. Butts, reporter; and Mrs. Carroll White, council representative. In addition to the officers listed the following were present: Mrs. Curtis Short, Mrs. Jim O'Harrow, Mrs. Ernest Nimitz, Mrs. Pat Martin, Mrs. Vernon Humphreys, Mrs. Otto Williams, Mrs. Forrest Runge, Miss Mae Runge, and the interested children of Mrs. Thomerson.

The club elected to meet on each second and fourth Monday. Mrs. Vida Kreklow, home demonstration agent, will meet with the club on the fourth Monday and the place of meeting on each date will be announced later.

Mr. and Mrs. Jim Simpson of San Angelo spent the week end with Mrs. J. F. Jeffrey.

**Mrs. Kreklow Gives Recipe For Sub Gum**

Foods and nutrition is one of the two demonstrations, or courses of study, that will be carried by home demonstration clubs in the county for the remaining part of 1955 and all of 1956. The other demonstration will be living room improvement, which is a part of general home improvement.

Two of the already organized clubs have been given method demonstrations on the preparation of a meat dish suitable for lunch or supper. Mrs. Vida Kreklow, County H. D. agent, prepared Chinese pork sub gum, an American version of the Chinese dish, and as an accompaniment rice plaff for one Eldorado club and for the Rudd club. The recipes for both are given here.

**Chinese Pork or Sub Gum**

- 1 lb lean pork, cut in one-third inch cubes
- 2 tablespoons finely chopped onion
- 1 clove garlic
- 1 teaspoon salt
- ¼ teaspoon black pepper
- 1 c water with 1 chicken bullion cube added
- 1 medium sized green pepper, diced
- 1 cup celery, finely diced
- 2 tablespoon corn starch
- 2 teaspoon soy sauce
- ¼ cup cold water
- ¼ teaspoon mono sodium glutamate or MSG.

Brown meat, add onion, garlic, cut finely or crushed, salt and pepper. Cook over moderate flame, stirring constantly. Add the water with bullion cubes, cover and cook over low heat 20 minutes. Add MSG. There are several trade brands of this and it can be bought at any grocery store. Add peppers and celery and cook over low heat for 5 minutes. Blend corn starch, soy sauce and water and add to meat mixture. Cook few more minutes until liquid thickens. Serve hot. Serve hot with boiled rice.

**Greek Pliaff**

- Add 3 tablespoons butter, 2 teaspoons lemon juice, ½ teasp. salt, 1 bay leaf to 2¼ c chicken consommé or water to which has been added 2 chicken bullion cubes. Bring to boil. Add 1 cup uncooked long grain rice such as Uncle Bens. Stir and cover tightly. Cook about 25-30 minutes or until liquid is absorbed. Remove bay leaf, add generous dash white pepper. Serve hot.

These two dishes offer a little variety to the usual meat and potato fare and don't let the names bother you. As one woman said, "They taste better than they sound."

**Personal News Items**

Mrs. Richard Cheatham visited in Seminole from Sunday to Tuesday with Mr. and Mrs. R. B. Glascock and children. Teresa Glascock came home with her grandmother for a visit.

Mr. and Mrs. Fred Gunstead went to Van Horn Friday and on Saturday brought home their daughter Mrs. Wm. Sauer and her son Paul for a week's visit. They will return home this weekend, after visiting the Gunsteads, the Otto Sauers and other Schleicher relatives.

The Nixon Sunday school class of the First Baptist Church met Tuesday morning at the church. Mrs. Allen Kuykendall brought the devotional. Mrs. Myrtle Williams served cake and coffee.

Mr. and Mrs. Kenneth Doyle and children are spending the week with her sister, Mrs. Oles McMillan, at Ft. Worth. Mrs. McMillan had surgery last week.

**NEW LIBRARY BOOKS**

### First Baptist News Calendar For The Week

Monday, August 1. The Deacons met at 7:30 at the church for their monthly business meeting, with Bro. Hancock, pastor, in charge. Several matters of importance were discussed by the Deacons.

Tuesday, August 2. Bro. Morris Isabel, Training Union director, was in charge of the monthly Training Union Planning meeting. A covered dish supper was enjoyed by all, after which plans were made by those present for the improvement of our Training Union. Bro. Isabel extends a very hearty invitation to all church members and visitors to come and enjoy the blessings awaiting you at our Training Union on Sunday evenings at 7:00 o'clock.

Wednesday, August 3. Members of the church met in regular conference at the prayer meeting hour, 8:00 p.m. Following the business meeting, members of the choir, under direction of Lavelle Meckel, met for choir practice.

Thursday, August 4. Young People's Night, at 7:00 p.m.

Friday, August 5. An Intermediate Training Union Social is to be enjoyed at the home of Joe Ray Stanford, 12 miles out on the Big Lake Highway. Members of the Intermediate department will meet at the church at 6:30 p.m. Intermediates, this is for you!

Sunday, August 7. Following Sunday School at 9:45 the pastor will bring a message at the 10:50 Morning Worship hour on the subject, "Evangelism and the Church" and at 7:00 p.m. Training Union will be enjoyed by all. Evening worship service follows, and Youth Fellowship at 9:00 p.m.

Monday, August 8. This is the week of our Young People's camp at Lake Brownwood. Several have already planned to go, and there is hope that many more will decide to go. Those leaving will meet at the church at 9:00 a.m. Any Intermediates and Young People between the ages of 13-21 are urged to go. A good time is in store for the entire week. The camp will close August 13th. Please contact the Associate if you plan to go.

Our pastor returned last weekend from Paisano General Encampment, and reported a wonderful week. Many of the members have been there for the entire week and most of them returned last Monday to Eldorado.

Special recognition is to be made to four of our boys who are members of the Order of Royal Ambassadors, an organization for Junior and Intermediate age boys. They are B. A. Whitten, David Kuykendall, James Salee, and Roy Lynn Salee. These boys were recognized as Page in the Royal Ambassadors, at the Concho Valley Royal Ambassador Conclave in San Angelo. This is an important step

in the lives of these boys, and already they are making plans to advance to the next step in the Order, the rank of Squire. Along with these four boys, their counselor, the Associate Pastor, extends an invitation to boys between the ages of 9-16 to meet each Monday evening at 5:00 for their weekly meeting.

Last Saturday night fourteen of our Young People attended the monthly Youth Rally for the Concho Valley Association, held at Hillcrest Baptist Church in San Angelo. Once again, Eldorado First Baptist brought back the Efficiency Banner for having the most young people there, considering the distance traveled. A film was enjoyed by all, and a fellowship service with refreshments was also a highlight of the evening. This is a monthly affair and all the young people are urged and invited to take advantage of this opportunity.

Only one more week until our Summer Revival! One week from Sunday is the opening day, with dates for the services from August 14-21. Services will be held each morning at 10:00 and each evening at 8:00, with the Rev. Edgar Jones from Throckmorton as evangelist. Our pastor extends a very personal invitation to the residents of Eldorado to come during that week and worship with us in the services, as the Gospel of Christ is preached to hungry hearts! This Revival can be the answer to your problems! Come and enjoy the brilliant piano playing of Allan Cox from the University of Corpus Christi, and the song service with the Associate leading.

M. J. Cunningham and Mr. and Mrs. M. J. Cunningham Sr. of Dallas visited Sunday in the W. C. Doyle home. M. J. had charge of church services at the Westside Church of Christ Sunday. They returned home Sunday afternoon accompanied by Mrs. M. J. Cunningham who has been visiting with her parents, Mr. and Mrs. Doyle, for the past ten days.

Mrs. Lucille Jones of Waco spent the weekend with Mr. and Mrs. W. G. Godwin. Her daughters, Mary Lee and Jimmie Lou, who have been visiting in the Godwin home for the past two weeks accompanied her home.

Mr. and Mrs. Odis Harris spent the weekend in Lampasas with Mr. and Mrs. Junior Brawley.

Mr. and Mrs. Claude Doyle and children, Mrs. Will Doyle and Mrs. V. A. Porter of Lampasas left Monday for Glendale, Georgia, where they will visit with relatives.

Mrs. G. C. Joiner of Austin visited last Friday and Saturday with friends in Eldorado. Mrs. Joiner owned and operated the Eldorado News Stand before moving to Austin.

A. D. Wright of Kingsville is visiting Mr. and Mrs. A. T. Wright. Kit Doose of San Angelo is spending the week with Mr. and Mrs. Wright.

**News From Our Neighbors**

**City Park Gets Face Lifting**

Last Tuesday about one hundred men from Mertzon and surrounding country armed with hoes, axes, rakes, power saws, pickups and trucks and a determination to see the job well done arrived at the park and started to work.

Work started on the east side and south side, in the middle and all around. Some cut brush, others stacked it on pickups and trucks, and carted it to the southeast corner where it was stacked and will be burned. The old dead trees that have marred the beauty of the park these many years were cut down and stacked and will be sawed up in fireplace wood. —Mertzon Star.

**Court House Steel Arrives**

Structural steel arrived this week for the new Court House. It had been ordered for delivery two months ago.

The shipment of 121,000 pounds of fabricated steel columns was brought from Dallas into Bronte over the Santa Fe and unloaded Wednesday.

A large crane and other equipment went to work Thursday erecting the steel and bolting it in place. It will require ten days or more after which bricklayers will come on the job. —Robert Lee Observer.

**Jaycees Sponsoring Beard Contest**

To stimulate interest in and to help advertise the annual Fisher County Fair & Rodeo which will be August 25-27, the Jaycees decided at Tuesday's meeting to sponsor a beard growing contest.

The man growing the most attractive beard will be awarded a prize. —Roby Star-Record.

**Schools Get Barrack Building**

The Mason Independent School District has been donated a large two-story sixty-man barrack in San Antonio through the Texas Surplus Property Agency.

The board of trustees plans to dismantle the building and use the lumber in building dressing rooms, enlarging the bus maintenance shop, improving the agriculture shop, and in other improvement programs.

Plans by the board are to employ about two carpenters and a number of laborers to tear down the building. Mason County News.

**To Celebrate Bridge Opening**

A typical "biggest" Texas celebration is being planned on the first day of crossing the new Pecos River bridge, according to J. L. Dodson, Jr., president of the Travel US 90 Highway Association at an executive committee meeting of the association in Del Rio Sunday. The State Highway Department, resident engineer Mac Hodges, and Dean Word Construction Co., of New Braunfels, believe the new bridge will be open for traffic by Monday, August 1. —San-derson Times.

**Burned By High Voltage Arc**

Invisible death snapped out from a sagging 66,000 volt electric line on the B. B. Ingram ranch Saturday morning, killed a valuable saddle horse but missed by a matter of a fraction of an inch bringing instant death to a Mexican ranch hand.

Antonio Capatillo, Mexican national, was critically burned over more than half of his body from the searing flash of an electric arc which jumped from the high voltage wire to his lathered saddle horse when the horse and rider got too close to the wire, dangling from the high line poles as the result of a broken crossarm. —Ozona Stockman.

**Given Death Sentence**

For the second time since April, 1954, Leonard L. Bingham has received the death sentence for the murder in March 1954 in Sonora of Mrs. Jo Ethel Lambert.

In both instances the sentence was the first death penalty brought in the county where his trial was heard. A Kimble County jury recommended the death penalty in April of 1954 for the first time in the history of that county and a similar sentence in Fort Stockton July 22 established the same precedent in Pecos County. —Devil's River News, Sonora.

**Dial Time Nears**

Just a little over three weeks and the tone of the dial will replace the famed "voice with a smile" asking "number please." Yes, in less than a month, McCamey will join the thousands of other cities who have dial telephone systems, the most modern telephone service available.

At 1:01 a.m. on Sunday, August 21st, all the work will be completed and McCamey will have the long awaited dial telephone system in operation. —McCamey News.

Mr. and Mrs. Bill Williams of San Angelo spent the weekend with Mr. and Mrs. George Williams.

**GUESTS OF RUNGES**

Miss Anita Runge, representative of Talon Educational Service, of New York, is visiting her parents, Mr. and Mrs. Forrest Runge. Another guest in the Runge home is Mrs. Runge's sister, Mrs. Henry Harrison of Menard, who is convalescing following surgery.

**Gift Shop To Open**

Mrs. Jack Elder assisted by Mrs. Truett Stanford will open a Gift Shop in Eldorado about September first. Mrs. Elder owned and operated a gift shop here for two years closing this shop due to other business interests.

This new shop will feature custom made gifts and other types of gifts ordinarily found in gift shops. The opening date and location will be announced at a later date.

**Reynolds Alexander Demonstration Club**

The Reynolds-Alexander Home Demonstration Club met July 27 in the home of Mrs. H. A. Belk with 10 members and Schleicher Co. Home Demonstration Agent, Mrs. Vida Kreklow, present.

The group had a discussion on projects for the coming year and elected the following officers: Mrs. M. L. Potter, president; Mrs. J. Tom Williams, vice-president; Mrs. Odis Deal, secretary-treasurer; Mrs. Jack Wade, council representative; and Mrs. Milton Faught, reporter.

This club decided to meet each second and fourth Tuesday with the next meeting to be August 9 in the home of Mrs. J. Tom Williams.

Mr. and Mrs. Willie Isaacs of Austin visited with Mr. and Mrs. Will Isaacs one night last week on their way to Colorado. Kenneth Isaacs accompanied them on the trip.

**S. E. Joneses Return From Attending Funerals**

Mr. and Mrs. S. E. Jones Jr. and children have returned from Sonora where they have been most of the time since the death of her uncle, Jap Holman, July 16. Mr. Holman died in the Sonora hospital following a heart attack.

Local friends and relatives attending the funeral were Mr. and Mrs. Sam Jones, Mr. and Mrs. John Williams, Mr. and Mrs. Joe Ed Hill, Mr. and Mrs. Wilson Page, John I. King and Bill Ellis.

Mr. and Mrs. A. R. Parker, Billy and Frances and Mrs. Lizzie McAngus attended church services at Camp Allison Sunday.

Mr. and Mrs. T. W. Logan of Sonora spent the weekend here with relatives.

**McCLATCHY REUNION**

The 25th reunion of the McClatchy family was held Sunday, July 31, at Coleman, with 65 present.

Those present were: Mrs. W. H. McClatchy, Eldorado; Mr. and Mrs. C. V. McClatchy, Tommy and Mary Beth; Mr. and Mrs. D. A. McClatchy of Midland; Mr. and Mrs. Billy McClatchy and two children of Snyder; J. A. McClatchy, Coleman; Mrs. A. E. *Because Buick sales are soaring past all records—*

**We're declaring a profit-sharing bonus for you**

**This Big Buick SPECIAL**  
2-Door, 6-Passenger Sedan, Model 48 (illustrated)  
delivers locally for less than some models of the smaller cars.  
And the price drops a lot lower with the whopping big allowance we'll make on your present car!

**T**HIS we've never seen before—a sales year that's shattering every record in the Buick book—a soaring success far greater than the one that moved Buick so solidly into the Big 3 of America's best sellers.

So we're going to share profits with you—by stretching our regular big trade-in allowances to practically our break-even point.

That means you can now buy the most wanted Buick ever built—for less than ever before.

That means you can have Buick

style distinction and prestige—Buick room and comfort—Buick size and solidity—for plenty dollars less on the profit-sharing deals we're making now.

And that means you can have, at a terrific buy, the hottest-action Buick in history—with walloping V8 power raised to new highs, and with the spectacular performance of Variable Pitch Dynaflo\*—world's first and only transmission using the switch-pitch principle of the modern plane's propeller.

Come in today—tomorrow, for

sure—and see for yourself that you can now make the biggest buy of the year on the car that's far and away the thrill of the year.

\*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

*Thrill of the year is Buick—*

**Biggest-selling Buick in History!**
