## COUNTY LIVESTOCK SHOW NEW DATE FEBRUARY 5th

The Schleicher County Livestock Show, scheduled to have been held last Saturday, was postponed because of the rains, and Saturday, February 5, has been tentatively set as the new date.

Postponement of the show was necessary because of the mud,

which made it difficult for the boys to get their show animals in and ready for exhibition.

As far as is known at this time, the show will be carried out as originally planned, with the same list of show classes and the same judges.

## CAR INSPECTION CERTIFICATES GO SLOW IN COUNTY

With 1661 vehicles registered in Schleicher County, only 205 have the new 1955 Safety Inspection sticker on their windshield, with the April 15 deadline less than three months away.

These figures were revealed last weekend when Capt. R. M. Hammett of the Dept. of Public Safety made a visit to Eldorado to check on the progress of the inspection program.

According to him the situation in Schleicher County is similar to that of most of the state—over 75 percent of the cars on the road are operating with the '53 sticker. This sticker was good in the fall of '53 and all through 1954 and up to April 15, 1955. (There were no '54 stickers put out.)

The situation then, is this: you are perfectly within your rights to operate your car with your present '53 sticker up to midnight April 14. But if some 1200 drivers in Schleicher do this, there will be such a jam at the inspection stations that the majority will find themselves without new stickers when morning dawns on April 15, when the Highway patrol will start enforcing the inspection law. Those found on the highway without them will be subject to a maximum fine of \$200.00.

There are three inspection stations in Eldorado: Tisdale's, Humphrey's and Parker's—and owners are urged to have the inspection made now in order to avoid the deadline rush. The cost of inspection continues to be \$1.00—plus the cost of any extra repairs needed.

Mrs. J. B. Swain and Mrs. Howard Faull of Eldorado and Mrs. Chester Winans of Christoval left Tuesday afternoon to be with Mrs. Leo Ivy, of Sheffield, who had major surgery in Iraan Wednesday.

Guests of Mr. and Mrs. Van O'Harrow Sunday afternoon were their daughter Mrs. A. E. Wooten and her family of San Angelo.

## Three Inscribed Rocks Found by Dan McWhorter Create Interest In Mound Builders

Three rocks which Dan and Rita McWhorter have found has added interest to Schleicher County's Mounds—which are heaps of smooth rocks found mainly in the hilly sections of the county.

There are literally hundreds, and probably thousands, of these mounds on ranches in hilly areas—to mention a few, they are found on John I. King, Sam Jones, Edw. Jackson, Otto Williams, Whitten, Enochs, Tom Jones and Jimmie West land.

Some mounds are small, and some are six feet high. Some rocks are just pebbles, and some are as big as a man's two fists.

Some of the rock mounds are bare of vegetation, while others are covered with grass and even trees. They are scattered over a wide area—there are many of them on Meckel's place in Sutton County and other more distant ranches. Strangely, there are few, if any, on the Divide.

Schleicherites' interest in this subject is not new. The mounds, obviously man-made, have been the center of interest ever since the county was founded, and before.

Boys, often with the help of others in the family, have been digging in these mounds for years, and there have been many conjectures concerning the living habits of the people who built them.

So far, with the exception of the McWhorters' find, little of value has been dug up.

**They Find Inscribed Rocks**  
The three rocks have one thing in common—they were hewn out in such a way as to provide a base on which to stand. The remaining surfaces are polished and the carving is about a sixteenth of an inch deep. There are little marks of a polishing utensil on some of the smooth surfaces. Rita found two of the rocks in mounds on Will Whitten's place, and Dan dug up the third on Lewis Whitten's.

The McWhorters have also found

## YOUTHS WANTED FOR CAR THEFT ARE ARRESTED

Sheriff E. H. Sweatt and Deputy James Williams have been out of their office for several days, assisting with a hunt for two youths who were wanted in connection with theft of a car in Tennessee and driving it out of the state.

The youths were apprehended at 5:00 Wednesday morning 20 miles east of Sonora on Highway 290, the Sterling City sheriff and three patrolmen making the arrest.

The young men had been within a radius of eight or ten miles, in brush, hiding from planes under camouflage of cedar and other brush several days.

The youths had been involved in check forging in Sonora, passing one check and attempting unsuccessfully to pass another.

County officials and highway patrolmen of several counties, set up road blocks, searched brush over a wide area, and have used planes in the search. The men were caught attempting to hitch-hike on 290.

One gave his name as Paul Miller and the other Charles Young.

## Two Important Wildcats Spotted

### Wildcat Near Town

Tucker Drilling Co. filed application to drill a deep wildcat 13-4 miles southwest of Eldorado, to be known as No. 1 Mary S. Weir, located on part of the original Keeney Estate.

Rotary will drill to 8,000 feet, drilling to start immediately.

A road has been cut through from the West Road at a point just east of the cemetery.

The location is on an 80-acre lease 1995 feet from south and 660 feet from west lines of 80—A—HE&WT.

It is 1½ miles south of a Cambrian failure, abandoned in April, 1952.

## Polo Team Winners Over Loma Alto

The local Polo team met the Loma Alto team at Eldorado last Sunday. The score was 6 to 4 in favor of Eldorado.

Local players include Lewis Whitten, H. A. Belk, Horace Linthicum, Ken Love, Arch Ory, A. A. Clark, E. H. Sweatt, James Alexander, Bob Skurlock, Hal Whitten and Vernon Humphrey.

The local team has practice on Tuesday and Friday nights and the public is invited to attend.

Horace Linthicum and Ken Love attended a meeting of area teams in San Angelo last Tuesday. This meeting was held to set up new rules and regulations.

Fred Gillaspay is coach and Horace Linthicum is captain.

The next game will be with Big Lake Sunday afternoon at 2:30 at the roping arena. The admission will be 50c and this will be given to the March of Dimes.

## Four Latin Americans In Highway Accident

Four Latin American youths returning from Rankin Friday night skidded their car on wet paving near the Gene Edmiston ranch and on the Big Lake highway 7½ miles from Eldorado, and received injuries when the vehicle went into the ditch.

The four young men were all riding in the cab of the Chevrolet pick-up owned by Evanisto Gonzales of Sonora. The other three were Juan and Ramejio Guano and Uesbio Martinez of Eldorado. None of their injuries were serious, but the pick-up is badly damaged. The youths were taken to the Eldorado Clinic Hospital for medical attention.

## Wildcat On Moore's

A wildcat is going down on Henry Moore's, the name having been changed from No. 1 H. D. Moore et al to No. 1 L. Moore Estate. The test is 12 miles west of Eldorado in Section 29 Block A, GC&SF, 660 feet from north and west lines. It is on a 1270 acre lease. Drilling is scheduled to begin late this week by Continental Oil Co. of Midland.

The cattle guard has been put in and a caliche road built to the location, which is less than a mile from the Big Lake Highway and near the new Reynolds road. Rotary is being put up this week.

If a producer should be brought in it would call for offsets in adjoining sections 28, 30 and 31.

tian civilization was at its height, and had its Pharaohs or kings, the Egyptians built their pyramids, or large mounds of earth with palaces buried beneath them. Water travel was encouraged during this period, and ancient Egyptians crossed the Sahara desert to board ships which they paddled to lower Mexico. From then on these Egyptian Indians were called Mayas, and they began to live in swamps and jungles, where they were interested in hunting for jade because its green color meant life and growing things.

After several hundred years there, they moved up to the region around Mexico City, where they stayed for centuries, re-naming themselves Aztecs.

A few centuries later the Spaniards conquered them. Some escaped, to make their way north into Texas and surrounding area, where they came to be known as Mound Builders. The history books state that living quarters were built on these mounds, which provided the drainage necessary to keep the inmates dry.

Professors point out that there are only two ways in which these Mound Builders could have come into Texas: one is through the Bering Strait from the north, and the other as described above; the second is unlikely—the first is considered possible.

**What Are They Good For?**  
The Mounds provide scanty grazing at the best—they are not especially beautiful to look at—they wouldn't bring a dime at an auction sale!

But there is something about them which sparks the imagination. Who knows—perhaps some day valuable loot from an earlier age may be uncovered, and the whole world of archeology will be up on its collective (but learned) ear!

Meanwhile, collectors of arrowheads will continue to collect these and other valued prizes from the days of the American Indian.

But that concerns another story, about another civilization.

Right now, Dan and Rita are looking for someone who can read the ancient writing on their rocks. Does anyone have the key?

## Commissioners Court Starts Off New Year In Several Recessed Meetings

### Memorial Building To Be Closed For Renovating

By order of the new Commissioners Court last week and upon recommendation of the City and County Health officers, the Memorial Building has been ordered closed beginning January 24th for renovating and re-conditioning.

The closing period will be only for so long as workmen are on the job, which is expected to be approximately two weeks.

No specific faults were listed when this news was given to the Success, but it is understood that conditions have developed which are considered unsanitary.

The building, which provides space for all sorts of community gatherings, was constructed over six years ago, and no work has been done on it since that time, except the recent installation of a second kitchen.

### Post Script

New renters in the Ernest Finnigan house are the F. M. Dawkins family, here with Halliburton. Mr. and Mrs. G. E. Jooey are back in Eldorado after a year's absence, and are renters in the Millard Smith house.

Some welcome rains fell during the weekend, upping prospects for a wet spring. In Eldorado the rains of Saturday and Sunday registered .91. A few other reports were:

Dick Preston	2.00
C. C. McBurnett	1.75
Ben Hext	1.75
J. O. Willoughby	1.50
A. R. Parker	1.50
D. C. O. Wilson	.40
L. Meckel	.50
L. Lloyd	.50
McClatchy Ranch	.75
Case Ranch	.70
Rest of County	1.00

A shower measuring .28 fell on Monday night on DeLongs—and there were possibly showers elsewhere that night that we haven't heard of.

### Scouts Are Honored At Lions' Meeting

The Lions Club met Wednesday at noon at the Memorial Building for their regular weekly meeting. There were 47 members and two guests present. The guests were Jerry Starkey of San Angelo who is a Boy Scout Field representative, and Bill Wyatt of San Angelo who is a Boy Scout Executive of the Concho Valley Council.

Mr. Wyatt reviewed the charter of the Eldorado Scouts. The troop was organized in December of 1928. Two members of the troop were present at this Lions Club meeting. They are Joe Muller Christian who was a tenderfoot, and E. W. Brooks who was a committee man of the charter troop.

The Lions Club will not meet January 26 and February 2 as the Memorial Building will be closed for repairs on these dates.

**ELDORADO CLINIC NEWS**  
L. T. Wilson, a medical patient was dismissed Wednesday after several days in the clinic.

Mrs. Jack Montgomery and new baby, Robert Scott, dismissed on Monday.

Kenneth Daniels, small son of Mr. and Mrs. Billy Rae Daniels, dismissed Sunday after four days in the clinic. He was a medical patient.

Jack Shugart is opening to the public the large new brick veneer house which he is completing in the Finnigan Addition, at an open house Sunday from 2:00 to 6:00. This will undoubtedly be a popular event, as other such open houses have proved to be in the past.

The new Commissioners Court which was sworn in at noon on Monday, January 10th settled down to work in a series of recessed meetings that went on through Monday, Tuesday, Wednesday and Thursday. (Additional meetings were scheduled for this week.)

Much of the time was spent in familiarizing themselves with the business of the county and taking up first-of-the-year problems. Among the first items that required attention was setting of officers' salaries, and these were established on a per annum basis as follows:

County Judge	\$4,800.00
Sheriff & Tax Collector	\$4,800.00
County & District Clerk	\$4,800.00
County Treasurer	\$4,800.00
County Attorney	\$4,800.00
Clerk's Deputy	\$3,600.00
Sheriff's 1st Deputy	\$3,600.00
Sheriff's 2nd Deputy	\$2,700.00
Commissioners, each	\$1,800.00

Although there was a long session on January 11th, most of the time was spent in hearing petitioners and discussing various problems. Out of this session came two orders of minor importance. One provided that keys would be made available for court house rest rooms, and when not in use these rooms would be kept locked. Another order provided that janitors salaries were to be paid bi-monthly. A third order specified that the Memorial Building would be closed beginning January 24 for renovation and repairs, in co-operation with recommendations from the city and county health officers.

A later day produced another order that had as its purpose a sympathetic consideration of the problems of older men who are nearing retirement age but not quite able to qualify for social security benefits. The order reads as follows:

"It is ordered by the Court that all janitors and caretakers employed by the county, be employed only until they become eligible to draw social security benefits. It is the intention of this order to give work to persons who may not be able to obtain gainful employment that carries social security."

Soon to be retired under this order will be: J. A. Butler, A. L. Jones and Freeman Yardley—all of whom are 65 years of age or over and have the required number of employment quarters to be eligible for social security.

In hiring successors for these men it will be the intention of the court to give special consideration to others of similar age who lack the required numbers of quarters to qualify for social security.

### Band Teacher Resigns To Go Into Business; Successor Is Chosen

The School Board in a called meeting Saturday, Jan. 15th., accepted the resignation of Billy Saylor, band director. John Brown of Ingleside school of Corpus Christi was elected to fill Saylor's unexpired term.

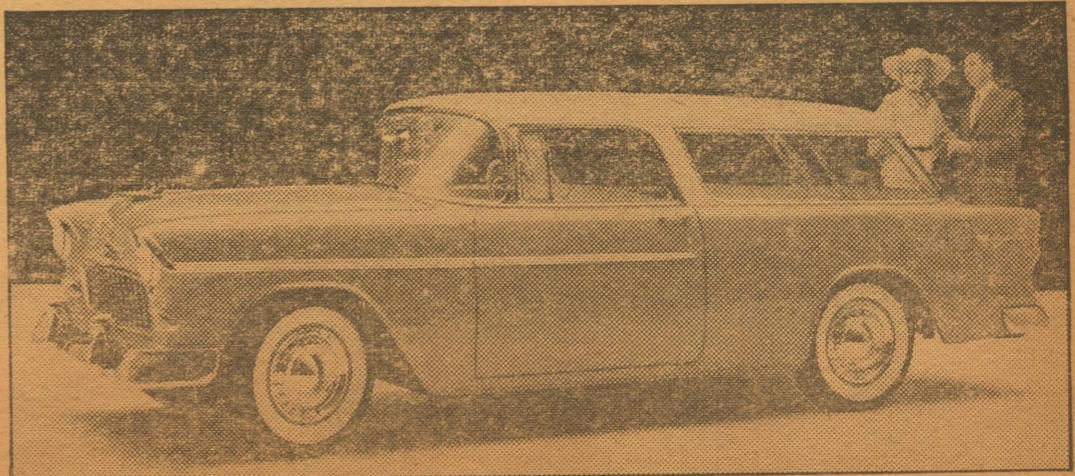

Mr. Saylor, who came to the Eldorado Schools in the early part of September, has purchased an automobile agency in Port Lavaca and will return there to care for this business. The band has made substantial advancement under the leadership of Mr. Saylor, and the school regrets to lose him, but wishes him success in his new endeavor.

Mr. Brown holds a degree from Howard Payne College, Brownwood, with one year experience, having been a member of organized bands since his enrollment in the fifth grade. He is an energetic young man, is married, and comes to the school highly recommended.

Mr. and Mrs. Vernon Carroll visited at their farm near Goldthwaite Sunday and on Monday were in Ozona visiting the Tom Carrolls.

Mrs. Bert Page is still undergoing treatment at Galveston and Mr. Page is staying there with her, also her daughter Mrs. D. E. Kinamon of Pennsylvania. Mrs. Page's address is Room P-214, John Sealy Hospital, Galveston.

### EXPERIMENTAL 'DREAM CAR' IS NOW IN PRODUCTION

Patterned after the "dream car" first displayed adds a fifth station wagon to the 1955 Chevrolet at the General Motors Motorama, Chevrolet's line. It reflects, the company says, a strong de-Nomad station wagon is now in production. This mand for a "different" styling in this type of car.

Junior Women Meet, Elect New Officers

The Junior Woman's Club met at the Memorial Building Thursday at 7:30 with 22 present. Hostesses were Mrs. Dan McWhorter and Mrs. C. W. Warren.

In the business meeting the following officers were elected: Mrs. T. P. Robinson Jr., president; Mrs. Dan McWhorter, 1st vice president; Mrs. Ken McAllister, 2nd vice president; Mrs. Marvin McAngus, recording secretary; Mrs. Joe Ed Hill, corresponding secretary; Mrs. Dick Preston, treasurer; Mrs. Clifford Schooley parliamentarian; Mrs. J. S. Miller, historian. These officers will be installed in May and will take office next September.

After the business meeting Mrs. Luke Thompson, Jr., gave a talk on the United Nations.

JANIE IS HONORED

Janie Shugart was four years old last Saturday. In honor of the occasion her mother, Mrs. Jack Shugart, assisted by her grandmother, Mrs. Bertha Shugart, of Dallas, entertained with a party at the Memorial Building. Birthday cake and ice cream was served to 35 children and a number of mothers.

WEDNESDAY BRIDGE

Mrs. Jimmy West was hostess when the Wednesday Bridge Club met last Wednesday at the Memorial Building. Prize winners were Mrs. Leslie Baker, high; Mrs. Carroll Ratliff, hi-guest; and Mrs. Elizabeth Powell, bingo. Guests were Mrs. Ratliff and Mrs. Ben Hext. The hostess served a party plate to sixteen guests.

CELEBRATES 5TH BIRTHDAY

Toddy Bierschwale was five years old last Monday.

To celebrate the day her mother, Mrs. W. L. Bierschwale, entertained 25 small guests with a birthday party at the Memorial Building. The birthday cake, which resembled a snow man, was served with punch. Out of town guests were Mary Carolyn Wickson of Menard and Toddy's grandmother, Mrs. Richard Stehling, of Fredericksburg.

MRS. TILLMAN HONORED

Mrs. Bill Tillman was honored with a coffee Monday morning at 9:30 at the home of Mrs. James Page by Circle No. 3 of the Presbyterian Church. The Tillman family is leaving soon for Colorado City where they will make their home.

Methodist Notes

Prayer meeting will be in the home of Mrs. Mary Johnston and Mrs. Bertha Wilson at 7:00 p. m., Thursday. Prayer meeting will be in various homes each Thursday at 7:00 p. m. Everyone is invited.

There will be a covered dish supper at 6:00 p. m. Sunday. Each fourth Sunday night will be "family night" with a covered-dish supper. At the worship hour there will be a mission study, using the book "Crowded Ways." Everyone is invited.

Cong. Methodist

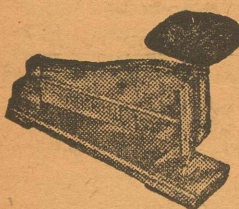

Rev. O. D. Cox, Pastor

The Congregational Methodist Church of Eldorado will be one year old Sunday. We are delighted with the progress that has been made. We have a faithful group and they are making a sacrifice, and the blessings of God are upon them who do so.

We are now having some work done on the building which will add a great deal to the looks and on the inside. We urge every member to be present Sunday and invite others to be with us. We are having good services and the Lord is blessing our services.

We invite all who will to come be with us.

Mr. and Mrs. W. S. Ellis of Snyder spent last weekend here with Mr. and Mrs. W. R. Ellis.

Mr. and Mrs. Walter Low of Eden visited Mr. and Mrs. Sam McGinnes last Sunday.

Everybody loves a bargain...

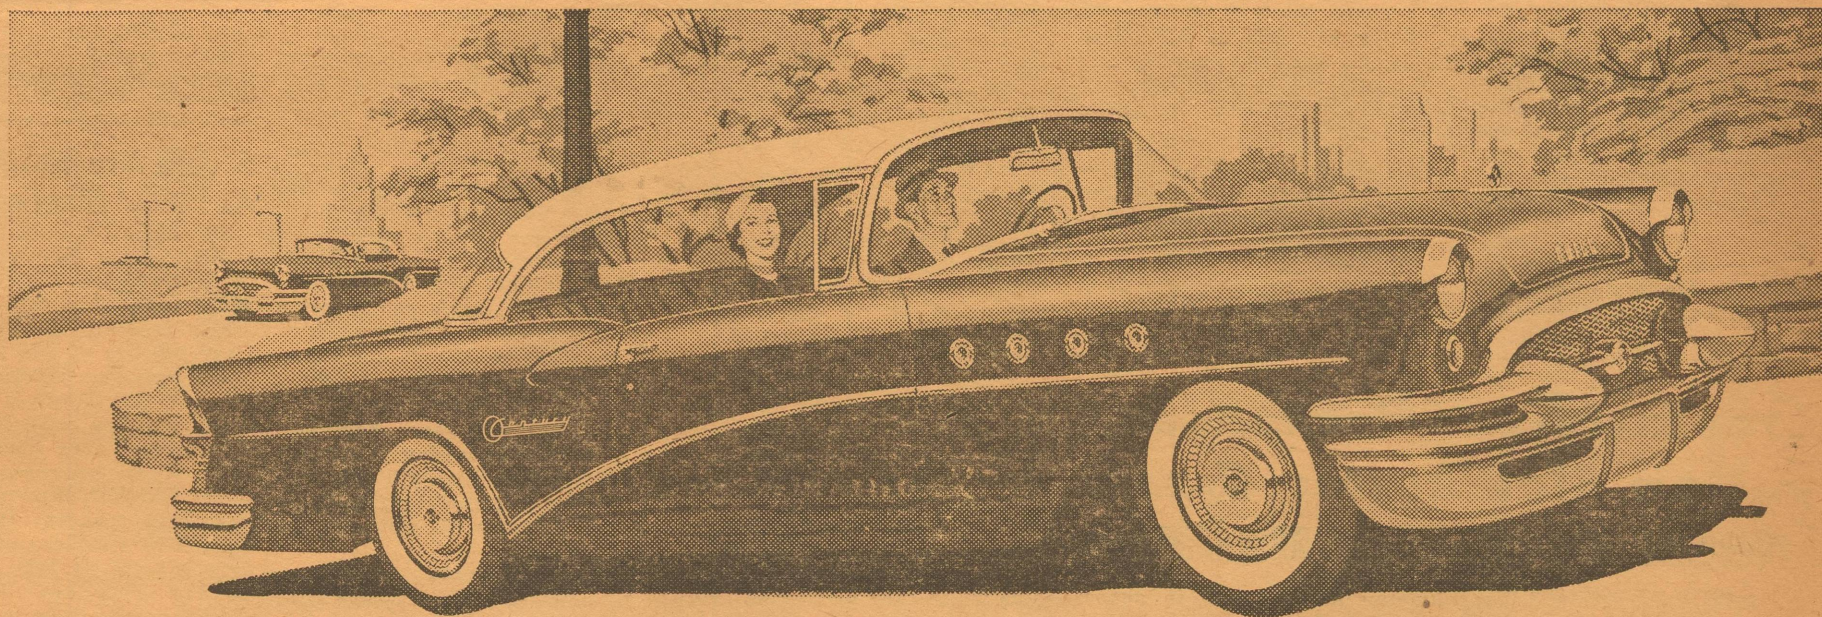

... and the biggest bargain in your budget today is your electric service. The fact is that West Texas families get almost twice as much electricity per dollar today as they did twenty years ago. For mere pennies a day electric service helps you live better, feel better, play better, work better. Just a few examples:

For about a nickel you can refrigerate all your food for a whole week end. Hot water is always on tap for just a few pennies' worth of electric service. Television is enjoyed by one and all for just a few cents of electric power a day. Everything comes out clean in the family wash for just pennies of electric service.

And all this low-cost electric service is right at your finger tip...around the clock. Usually bargains don't come this easy, or this big. No wonder everybody loves this bargain...ELECTRIC SERVICE.

When you want to Go -You're gonna Go!

No ifs, ands or buts about it.

When you give the gun to a 1955 Buick with Dynaflo Drive,\* you move.

In the instant you push down the pedal, you get the action you've called for--immediate getaway from a standing start, or immediate safety-surge out of a tight spot on the highway.

It's not magic, this thrilling and pulse-quickenng response--though it feels like the closest thing to it.

It's a principle of the modern airplane, brought for the first time to an automotive transmission.

Twenty "variable pitch propellers" inside the Dynaflo unit itself can

change their angle--like the propeller of the airliner can change its pitch from take-off position to cruising position.

And what this brings to you--at the wheel of a '55 Buick--is the nearest thing to flight on wheels. Far better gas mileage in your normal driving and cruising. Spectacular response when you want it for quick getaway or emergency acceleration.

But all this, mind you, with the absolute smoothness that is constant in Dynaflo Drive.

Surely, a demonstration of Variable Pitch Dynaflo is a Buick must this year. We'll be happy to do the honors--and show you, in the doing, what a whale of a buy you make here. Drop in this week, won't you?

\*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

# Funeral Held Tuesday For Eldorado Resident, 103

Schleicher County's oldest resident died Monday.

J. E. Estes, age nearly 103, passed away at his home Monday morning at 4:00 after two weeks' illness. He was able to be about the house and sit up in his chair until he took to his bed early this month.

He was the oldest person in Schleicher County, the oldest Mason in the Eldorado Lodge, and the oldest Missionary Baptist in this county and probably in the State.

### Funeral Tuesday

Funeral services were held Tuesday afternoon at the First Baptist Church, of which he was a member. The organist was Mrs. John Stigler. A quartet, composed of W. M. Patterson, Joe Muller Christian, Mrs. Gus Love, and Lavelle Meckel, with Mr. Meckel as director, sang four old favorites of the deceased, "Beulah Land", "How Tasteless and Tedious the Hours", "When I Get to the End of the Way", and "When I Can Read My Title Clear".

Rev. J. C. Hancock, pastor of the church, preached the funeral sermon, and the Eldorado Masonic Lodge was in charge of the committal service at the grave.

Pall bearers were grandsons, Darrell Wright and John Wright of Coleman, Martin G. Wright of Sterling City, Wayne Estes and Odis Harris of Eldorado and Jim P. Estes of Alpine.

Interment was made in the Eldorado Cemetery, where the aged man's mother is also buried.

### Native Of Illinois

He was born February 10, 1852, in Jefferson County, Illinois. He evidently did not inherit his longevity from his parents, for his mother died at 78 and his father at 66.

He recalled many incidents concerning life during the Civil War—including hardships which caused children to walk barefoot to church and put on their shoes before entering the building.

He learned spelling from the old Blue Back Speller, attending school the four months a year the schools were in session.

Ironically it was because of his bad health that the family moved to Texas, making the 1000-mile trip in a covered wagon. They arrived in Alvarado, Johnson County, in October, 1873.

Later the family moved to Jefferson County to make their home.

After a brief period of residence at Breckenridge, where his daughter Viola was buried, Estes, then a widower with a family, moved to San Saba. There, in 1885, he was married to Callie Johnson.

### Arrival Here In 1901

The arrival of the family in Schleicher County took place in 1901, their first home being on land in the Vermont Community, where they lived until 1914. After a period of residence in Tarpoly, he moved back to this county to retire in 1941.

During his long life he owned

PICTURE OF J. E. ESTES, ON 100th BIRTHDAY

only one car, a Model A, preferring to drive a team.

He joined the Methodist Church when he was 12, later affiliating with the Baptist Church; he was ordained a Baptist deacon in the building which was both a church and a school at Vermont, and has been a deacon since that time. He had also been a Mason 53 years

### Many Descendants

Surviving, in addition to his 88-year-old wife, are nine children: Jesse Estes, Estancia, N. Mex. Mrs. Judy Schultz, Bishop, Tex. Martin Estes, Bellville, Ark. Mrs. Mayme Gay, Ruston, La. Mrs. Rosie Lackey, Roxy, Ark. Mrs. Hattie Stanford, Eldorado. Charlie Estes, Castle, Okla. Mrs. Obal Padgett, Malakoff. Clyde Estes, Eden Texas.

Because the members of the family have scattered it was found impossible to list all of his descendants, but the family have names of 41 grandchildren, 75 greats, and 20 great greats.

He and Mrs. Estes lost three grown children: Perry, who was born in 1894, died in 1927; Viola, who was married in 1920 at the age of 15, died a year later; Rosie died eight years ago at the age of 59; a son Thomas, who would be 83 if he is still living, left home many years ago and has never been heard from.

### His Illness

No explanation has been offered for his extremely long life. In addition to his period of failing health in his early manhood, he had "brain fever" and nearly died when he was 22, he was seriously ill during the time when Dr. Patton served the county as general practitioner; nine years ago he had double pneumonia. He had never been in any hospital as a patient. He started using tobacco when he was in his 30's.

For the past several years he has been spending most of his time at home, because of his failing hearing and eyesight. Before that he had been a regular Bible reader and had memorized many

### TEXAS LONGHORNS

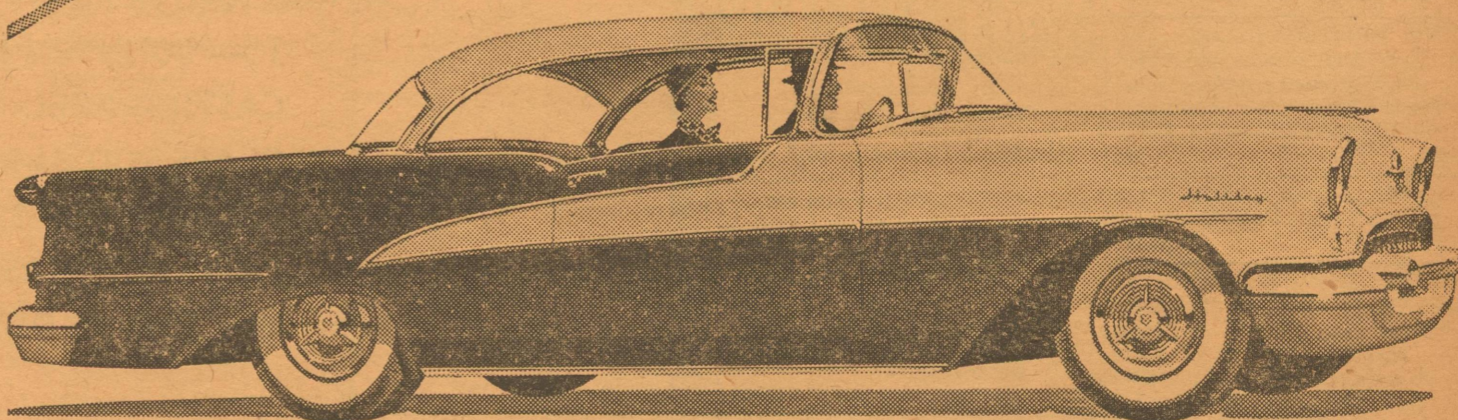

During the early decades of Anglo-American development of beef cattle industry, the concentration was heaviest on the Gulf Coastal Plain. At this time the Texas beef cow was the Longhorn type, derived largely from the early Spanish cattle, but with some of the blood of cattle introduced by the Anglo-American settlers. The cattle trail movement which began before the War Between the States was over the Chisholm, Dodge or Western, and other trails of that day. It has been estimated that some 11,000,000 cattle went up these old trails.

Austin — Cigarettes and gasoline are to be the prime tax targets of the 54th Legislature.

In his message to the Legislature, at a joint Senate and House Session, Governor Allan Shivers put his finger on those two items as the answers to Texas' financial problem.

He suggested a two cent per gallon boost in gasoline taxes and a one cent per pack increase in the cigarette tax.

The former would add \$45 million to the highway fund and \$14.5 million to the school fund. The latter would bring in an additional \$16.5 million to the general fund. Gasoline now carries a state tax of 4c per gallon. Cigarettes are

taxed 4c per pack.  
Also recommended by the governor was an increase to \$50 in the tuition charge made by state colleges to Texas students. Present fee is \$25, for Texas residents. The \$150 charge assessed out-of-state students would not be changed.

Shivers also asked for better water laws, insurance laws, crime and juvenile delinquency measures, and congressional and judicial redistricting.

**Opposes Increase**  
First signs of opposition to increased taxation have come from Rep. Waggoner Carr of Lubbock.

Carr, who may be voicing the opinion of other conservative legislators, says that much of the needed money could come from trimming present state expenses.

**General Fund Low**  
State Comptroller Robert S. Calvert estimates the state's general fund, now slightly more than \$9 million may hit bottom temporarily in February, and put the state on a general fund deficit for a short time.

If the state goes in the red, it will be the first time in 12 years. Calvert estimates that there will be only \$10,344,000 in the fund by the close of the fiscal year, September 1.

**New House Speaker**  
Rep. Jim T. Lindsey of Texarkana is the new Speaker of the House.

He was elected unanimously the first day of the 1955 session as lawmakers wasted no time getting down to business.

**Veterans Land Board**  
First official act of the 54th Legislature was to order a complete look into the Veterans' Land Program.  
Investigations were resumed a day later by the Senate General Investigating Committee.  
A Feb. 15 completion deadline is set.

Dennis Wallace, a 20-year employee of the State Land Office, is now acting executive secretary of the Board. He took over temporarily upon resignation of Lawrence C. Jackson.

Col. J. Earl Rudder, land commissioner, has announced the resignation of two other key employees: U. S. McCutcheon, first assistant executive secretary, and H. Lee Richey of Austin, appraiser for the South Texas area.

**Conservative Leaders**  
Two conservatives head important House committees in the Texas Legislature. They will have a lot to say about finding and spending \$135 million for state operations.  
Rep. Max C. Smith of San Marcos was re-appointed chairman of the House appropriations committee.

Rep. Stanton Stone head the revenue and taxation committee.

**Prison Board**  
Members of the Texas Prison Board will not ask the Legislature for more building funds although they admit construction is needed. Chairman French Robertson said that prison population is at an all-time high, that facilities are needed, but that cost would be tremendous.

**Women Jurors**  
A new law providing for women jurors will be presented the Legislature by Rep. DeWitt Hale of Corpus Christi.

Hale would eliminate the qualification that a juror must be a county householder or state freeholder.

He will also ask for exemptions for nurses, expectant mothers, and mothers of young children.

The Junior basketball team defeated the Christoval Junior High 50-20, Monday afternoon. Abel Sanchez and Dan Mittel were high scorers for the Eagles.

The Junior girls defeated the Christoval girls 27-24 in a game played Monday.

The Ag. boys have organized a stock judging team and will enter competition this Saturday in the Iran show.

The classes are studying crop production this semester while in the shopwork they are constructing feeders. Rony and Tony Kerr are making a metal feeder to be used at home.

The Lamb Show has been postponed until February 5th.

Eldorado scored its second district win in two games Tuesday night defeating Sonora 62-45. Leading the scoring for the Eagles were Bill Holcomb with 23 points and Jerry Pennington with 16. George Johnson was high point man for the losers.

The Eagles are entered in the Ozona tournament and will play Pig Lake tonight at 7:00 p.m. If they win they play the winner of

Mason-McCamey game at 9:40 p.m. Friday. If they lose they will play the loser of the Mason-McCamey game at 11:10 a.m. tomorrow.

The girls dropped their second district game by a score of 58-35 to Sonora Tuesday night. June Henderson set the scoring pace for Sonora with 36 points while Jo Ann Trentham made 21 for Eldorado. The girls defeated Menard earlier this year for their first district win. They play London here tomorrow night in a non-district game. Game time is 7:00 p.m.

Coach W. A. Allgood issued the call this week for track prospects to report for conditioning training. Preparatory work for track work will last about two weeks; then individuals will be selected to participate in the various events.

The conditioning will consist of exercises, wind sprints, weight lifting, and running laps to build and strengthen the leg muscles.

The following boys reported this week: Bounds, Damon; Boyer, Larry; Gaynor, Bill; Jeffrey, David; Hallmark, Cliff; Luedecke, Willie; McLaughlin, Charles; Mitchell, Voy J.; Parker, Billy; Short, Roy; Swain, James; Turnbow, H. L.; Steen, David (Mgr.); Taylor,

Ralph; Early, Herman; Pina, Domingo; Hight, Hubert; Dickens, John; Love, Ken; Mittel, Ronnie; Lloyd, Harold; Hill, Monty; Ratliff, Bob; Moore, Mike (Mgr.); Heffernan, Jackie; and Hale, Billy Sam.

The Basketball boys will report at the close of basketball season. Some of the prospects have never participated in sports and therefore will need lots of help and encouragement.

Mrs. Francis Hodges is on the sick list.

Jess Thompson is on the sick list.

L. T. Wilson returned home Wednesday after several days in the local clinic.

### FED CATTLE OPEN 50 CENTS HIGHER

Fort Worth — Well finished beef sold higher at Fort Worth Monday, with most steers and steer yearlings strong to 50 cents higher and fed heifers mostly 50 cents higher. Some fed heifers at \$23 were mates to heifers sold late last week at \$22.50. Shortfed cattle sold about steady.

Cows were mostly steady, and bulls drew steady to 50 cents lower prices. Calf trade was generally steady kinds and quality considered, although some creepfed heavyweights sold to better advantage than late last week to top at \$20.

High grade stockers and feeders were far short of the needs of the buyers and prices were strong on the available offerings, quality considered. Some good stocker

steer calves and stocker yearlings drew \$20, and better kinds in sizable lots were quotable well above that range.

Good and choice fed steers and yearlings sold from \$19 to \$24, some mixed heifer and steer yearlings to \$23.50, the best price for mixed lots in some weeks. Lower grade butcher cattle sold from \$12 to \$18, with cutter grades around \$10.

Fat cows cashed at \$10 to \$12.50, and canners and cutters drew \$6 to \$10. Bulls sold mostly from \$9 to \$14, a load of breeding bulls to \$225.00 per head.

Good and choice slaughter calves drew \$15 to \$20, and common and medium offerings sold for \$10 to \$14, with culls at \$8 to \$10.

Medium and good stocker steer calves and steer yearlings drew \$15 to \$20 and heifers of similar

kinds sold \$2 to \$3 under comparable steers unless fat enough for slaughter. Stocker cows drew \$9 to \$12.

### SHEEP AND LAMBS STEADY

A generally steady trade prevailed at Fort Worth on all classes of sheep and lambs, although the top was \$20.50 on some club lambs—50 cents better than the high mark last week.

Stockers and feeder demand was again broad, with shipper buyers aggressive buyers on mixed feeder and fat lambs again. Older sheep were scarce and fully steady.

Good and choice fat lambs in the wool sold from \$17 to \$20.50, shorn lambs with Fall shorn pelts at \$20 down, and No. 1 pelt lambs sold from \$19.50 downward. Cull, common and medium sorts sold from \$10 to \$16.

**First Baptist News**

The Sunday School program for budget subscription has been given a fine response. The indications made on the Stewardship cards has given the church something concrete to work on.

The attendance in both Sunday School and Training Union has not recovered from the holiday slump. Every member should give thought to this important matter.

The book "Studies in Hebrews" by H. H. Hobbs is being studied each Wednesday night this month. A number of people have bought the book and we still have a few left. This is a good book to have in your personal library. The Wednesday evening services are at 7:30 p.m.

Thursday and Friday of this week the State Evangelistic Conference meets at First Baptist Church, Lubbock, Texas. The pastor plans to be in attendance at this meeting.

The W.M.U. and Brotherhood organizations are making plans for the annual banquets to be held during February. These are highlights in both of these organiza-

tions. Announcements will be made in the near future concerning them.

If you do not have a church home in Eldorado, the First Baptist Church invites you to make it yours.

Go to church somewhere next Sunday, it makes up the difference.

**"Recognizing God"**

Can anyone see God? No, not just anyone but everyone who wants to see him may see him. We usually see what we want to see. Do we want to see God?

1. Look at nature: Sun, moon, stars, sky, trees, flowers, myriads of beautiful things that no man can make. What is it but a reflection of the face of God.

2. Look at history as we find it in Jesus Christ, the Holy Scriptures, the growth of the Church and all the world movements for good. What is the answer? Is it not God in search of wayward man? When man is willing to be found wonders can be, and are, performed.

3. Look at your own experience. Has not God made, what you thought, your blackest periods of life the very bright spots. Thru his love he makes us to know that in him is life eternal. Let us recognize him in everything for in the sphere of history and in the sphere of human experience the final ordering is the Lords and our final destination depends upon our recognizing this truth. —James L. Spencer.

**Calendar For The Week**

Sunday: Sunday School, 9:45; Morning Worship, 11:00; PYF, 5:45; Evening Worship 7:00.

Monday: Women of the Church, 8:15.

Wednesday: Crusaders, 4:00; Choir Rehearsal, 4:00; Mid-Week Study, 6:30.

On Tuesday the 25th Mid-Texas Presbytery will meet in Grace First Presbyterian Church at Weatherford. The main issue coming up at this time is the vote on whether or not we will re-unite with the Presbyterian Church U. S. A. If 63 of the 84 Presbyteries in the Presbyterian Church U. S. vote in the affirmative the consummation will take place at the next meeting of the General Assembly next June. If less than three fourths vote in the affirmative we will continue as we are. Representatives from the Eldorado Church are Ruling Elder Edwin M. Jackson, Sr. and the Pastor, James L. Spencer.

Mr. and Mrs. Tom McGill took Mrs. A. A. McGill of San Angelo to Waco last Friday. She will visit there with Mr. and Mrs. Malcolm McGill.

Mr. and Mrs. Roy Andrews and Mr. and Mrs. R. N. McDonald attended a singing in the Elementary School Auditorium in Ozona Sunday.

Mr. and Mrs. George Williams and Mr. and Mrs. Jerome Mitchell and family visited Sunday in Abilene with Mr. and Mrs. Glyndon Aldridge and baby.

Mr. and Mrs. Carson West visited in Sonora last Sunday with their grandchildren, Sandra and Carol Adamson, who are in the hospital.

**When Winter Comes... Your Ewes Need HELP**

Nature has given the ewe three big jobs. She must keep up her own body, build wool and nourish the unborn lamb. The ewe must have help when range is sparse or covered in snow.

Purina Range Checkers are research-built, ranch-proved to help the ewes do these jobs. Don't gamble with the health of your flock. Come in and see us for your feed needs.

**Styling that's stealing the thunder from the high-priced cars!**

The styling spotlight blazes down on a low-cost car this year—for the Motoramic Chevrolet is stealing the show from the high-priced cars with its subtle sweep of line, the brilliant sophistication of its European-type grille, the bold rake of its deep-curved windshield.

And there's even more excitement in the way it drives—the velvety comfort of Glide-Ride front suspension and outrigger rear springs, the handling ease of Ball-Race steering, the flashing performance of the new 162-h.p. "Turbo-Fire V8"

engine or the two new "Blue-Flame" 6's. All this—plus the extra-cost options of Powerglide or Overdrive and a full range of power assists. Try a 1955 Chevrolet—now—and you'll know why it is stealing the thunder from the high-priced cars.

**YOUTH GROUPS IN PARENT TEACHER PROGRAM TUESDAY**

The Eldorado PTA met Tuesday night at the School Auditorium. The Executive board met at 7 p.m. At this meeting the following recommendations were made: 1—The PTA purchase an amplifier for the record player which was purchased in December. 2—The February 15 meeting be held at 3:30 in the afternoon.

The regular session met at 7:30. The meeting was called to order by Mrs. Gus Love, president. W. M. Patterson gave the invocation which was followed by the presentation of the flags and flag salute led by Jim Lindsey, Jim Runge, and Jimmie Cheek.

The program, under the direction of Forrest Runge, followed. This was a presentation of the various youth organizations. The first number was a song and folk dance by the Brownies, who are the junior Girl Scouts age 7 to 10. The regular Girl Scouts, age 11 to 17, presented the second number, a folk dance and song. The third number was given by the Cub Scouts, who are the beginner Scouts, age 8 to 10. Scoutmaster, Dick Preston, gave a short talk on the requirements of the Cubs and the qualifications for receiving arrow points and these qualifications were demonstrated by the Cubs as Dick gave the list.

The Boy Scouts, under the leadership of Billy Frank Blaylock, gave the fourth number, a demonstration of an accident, and administered first aid to the victim.

Mr. Runge gave a brief talk on the work of the 4-H boys in which he told of their accomplishments and work.

After the program the business meeting was called to order. Mrs. W. H. Lindsey gave the financial report. She reported a balance of \$760.92 in the treasury; Mrs. Love explained the recommendations made by the executive board. These were both made into motions and passed.

Mrs. Palmer West gave a report on the 46th Annual Convention at Corpus Christi which she attended from Nov. 17 to 19. She also made mention of the Spring Conference which will be in March.

Mrs. Pete McBurnett gave a report on the 5 County Council Meeting in San Angelo, January 8.

The room count awards went to Mrs. Holcomb, third; Mr. Love, fifth; Burk and Saylor, seventh; and Fudge and Baker, 12.

Mr. and Mrs. Jack Hinton of Hobbs, New Mexico, visited from Monday to Wednesday with Mr. and Mrs. Robert Nixon.

From where I sit... by Joe Marsh

**A Pretty "Snappy" Menu**

Cuff Taylor had a near riot in his hen yard last week. Seems the hens were scratching around the cold ground when they found a piece of rubber band frozen in the ice.

"One hen pecked at it," says Cuff, "and it snapped right back. She backed off clucking while another hen tried it, and another. And the 'worm' kept right on snapping back. They all got their feathers ruffled. You never heard such a ruckus!"

"I finally had to break up the ice with an ax before those hens

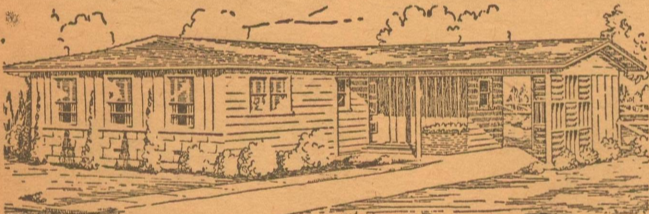

would get back to business and start laying eggs again."

From where I sit, some people raise a pretty big fuss over nothing, too. Take the fellow who would deny me a temperate glass of beer with my game of checkers. Maybe he'd rather have coffee! Well, that's all right. He has a right to his own preference. But so do I. And there's no point in his "snapping" at me just because his choice isn't the same as mine.

*Custom* **Royal Lancer**

Custom Royal Lancer V-8 in dramatic new three-tone exterior styling.

A car of noble proportions, gallant and gay, and born to rule the road in flashing style!

In every age, there are those who are not content with the humdrum, the commonplace.

If you are one of these, the Royal Lancer speaks directly to your heart.

For here is a car that fairly breathes adventure. You sense it in the bold forward thrust of its hood, the sweep of rear deck, the rakish slant of the New Horizon windshield.

Its beauty is not calm and placid, but eager and alive—the measure of performance that stems from the most advanced aircraft-type V-8 engine on the road.

And should you choose to make this car yours, you will have this assurance: In any company of automobiles, there is nothing to challenge the distinction of your Royal Lancer by Dodge.
