## Boys, Men, Stage Livestock Show in Spite of Rain & Muddy Grounds

An enthusiastic crowd interested in better livestock for Schleicher County slogged around in the mud happily Saturday morning and watched the judges pick the winners at the Annual Schleicher County Livestock Show.

Rain two weeks before had caused postponement of the event—and rains of last Thursday and Friday nights caused some inconvenience, but the leaders went ahead with their plans as scheduled and report a most satisfactory show.

As one of the leaders put it: "If this is going to be a wet country, we might as well get used to it!"

The champion ram of the show was shown by Bob Stewart, who was awarded a jacket by George Humphrey Motors. Champion ewe, shown by Joe Stanford, brought an award of a jacket from Ratliff Store.

Other general awards were: Showmanship, Jim Whitten, — Spurclip presented by The National Farm Loan Association of Sonora.

Best Fitted Lamb, Jim Whitten — Spurclip presented by West Texas Woolen Mills, Inc.

Outstanding Sheep Exhibit, Joe Stanford — Buckle presented by Hollands Jewelry, San Angelo.

Champion lamb of the show, Sonny Moore — Trophy presented by Nathans Jewelry, San Angelo.

Reserve champion lamb of show, Sonny Moore — Roseette presented by Local Show Committee.

Ribbons were awarded by the Finance Committee.

## PECOS PETE THE LOST APPETITE

## World Day Of Prayer Set For February 25

Friday, February 25 at 4:00 p. m., is the time set for the meeting of the United Church Women, at the Presbyterian Church. This is the 69th world-wide observance.

The theme this year is "Abide in Me," as stressed in this prayer: "Our Father, who are in heaven, hallowed be thy name. May thy kingdom come. We thank thee on this World Day of Prayer for the presence of thy spirit which binds us as peoples of every race and land into one great Christian fellowship."

"May each of us become more aware of the needs of people everywhere—the lonely, the sad, the hungry, the cold, the homeless, those who suffer from the iniquities of many. Help us to reach out to them in love and to feel a deep sense of kinship."  
"As we face man's desperate need in this troubled world, may we not be frightened or dismayed, but have greater courage, and greater faith in thy love and power as they are revealed to us through Jesus Christ."

## Firemen At Convention

Mr. and Mrs. Lum Davis, Mr. and Mrs. Palmer West, Mr. and Mrs. Roy Andrews, and Mr. and Mrs. Marvin McAngus attended the Hill Country Fireman's Convention at Brownwood Tuesday.

In the association business meeting the following officers were elected: Millard Anderson of Eden was elevated to president with Howard Salter of Brady as retiring president; George Herd of Coleman was elected first vice-president; Lee Patrick of Sonora, second vice-president; John M. Hankins of Junction, life time secretary-treasurer; Rev. W. C. Cooper of Coleman, chaplain; the mascot was from Winters and the sweetheart from Bangs.

The main address was given by Gene Sanders of Austin, assistant State Fire Marshall.

In the races Ballinger won the 6-man pump race, Brady the 3-man pump race and Santa Anna the one-man. Ballinger won the ladies' race. Eldorado entered all races except the 6-man.

This is the 25th birthday of the Hill Country Fireman's Association and all past presidents were introduced. These included Palmer West of Eldorado.

The ladies Auxiliary had a luncheon at noon followed by their business meeting. Mrs. George Barrows of Sonora, retiring president, presided over this meeting. Mrs. Jack Harrison of Winters was elevated to president; Mrs. Tom Taylor of Brownwood was elected vice-president. Mrs. Millard Anderson of Eden secretary-treasurer, Flora Mae Minnick of Sonora, sweetheart and Karen Swagerty of Brownwood, Mascot.

Mrs. Lee Patrick of Sonora presented retiring officers with appropriate pins. These included Mrs. Palmer West of Eldorado, secretary-treasurer.

Mrs. Leo Bales, State Auxiliary president, spoke to the group.

Leon Powell of Junction was endorsed to be nominated as state vice-president.

The business meetings were followed by a bar-b-q supper and dance.  
The next meeting will be the second Tuesday in August at Sonora.

## Heavy Gas Flow New Development In O'Harrow Test

Heavy gas flow for the indicated producer on the Jas. H. O'Harrow brightens the oil picture in Schleicher. Ashmun & Hilliard, Ltd., Midland, and Fortune Drilling Corp., San Angelo, Strawn Sand and reef prospect, in 69-H-GH&H, 18 miles northeast of this city, flowed gas at daily rate of 4,200,000 cubic feet and distillate at approximate rate of 20 barrels per million cubic feet of gas.

Flow was through perforations between 5079-83 feet.

Drilling log:  
Ashmun & Hilliard and Fortune 1 O'Harrow, preparing to re-perforate. Operator washed through perforations between 5392-395-ft. with 500 gallons of mud acid and 500 gallons of regular acid.

## Dr. Lindsey Addresses Woman's Club, Guests, On Mental Health

Mental health was the program subject at the Woman's Club meeting Tuesday in the Presbyterian Church parlors, with an Eldorado physician as principal speaker.

Dr. W. H. Lindsey spoke to the group, bringing interesting findings on this subject. He stated that the biggest problem in Mental Health is the increased life span.

During the business session the club agreed to help the Jr. Woman's Club in repairing curtains in the Club Rooms.

Ten members expressed a desire to attend the Book Review with the Christoval El Concho Club on February 21.

An invitation to the Anniversary Tea and Book Review with the Mertzton '48 Club, for February 15 was read and some are making plans to attend.

Mrs. Ernest Nimitz reporting on Mental Health, mentioned the needs of the Texas State Hospitals. She stated that even the new building program cannot keep pace with the three per cent increase in patients per year.

The hostesses, Mesdames R. J. Page and H. A. Ringle, served refreshments to Mrs. Forrest Runge and Mrs. Ruth Williams, guests, and 19 members.

The Club will meet in the W. N. Ramsay home February 22, with Mrs. Driscoll Christian, co-hostess.

Edba Finley, Ernestine Hext, Dorothy Evans, Ida Neill, and Elizabeth Ballew attended an Abstractor's Convention at Midland Saturday. They also visited Mrs. Ray Hudgens a former resident of Eldorado.

The Eldorado PTA will meet February 15 at 3:30 in the high school auditorium. This time has been set because of a basket ball game that night.

A very interesting program has been planned for this meeting and every one is urged to attend.

## Boy Scout Annual Fund Drive Opened Officially Wednesday; Lions Sponsoring Organization

### Two Are Injured When Jeep Overturns

James McDonald and A. G. McCormack were injured when the Cooper Gas jeep which they were driving on the lease overturned about noon Tuesday. McDonald was driving the vehicle.

Both were hospitalized here immediately. McDonald, less seriously injured of the two, sustained a foot injury and cuts and bruises and returned home after x-rays.

We understand that McCormack, who is still a patient at the Eldorado Clinic Hospital, is in a condition of paralysis, but hope is expressed for his eventual recovery.

Both of the young men have been Cooper Gas employees several years.

### Girl Scout Leaders At Training Meeting Here Next Tuesday

There will be a girl Scout training meeting at the Memorial Building Tuesday, February 15, from 9 to 2.

This meeting will be a training school for leaders in the Girl Scout training in Outdoor and field programs, under the direction of a Girl Scout worker from the Frontier Council. All Girl Scout leaders, troop committee members, town committee members, and any adult interested in Girl Scout field work is invited to attend.

This training must be taken by leaders before this chapter can have a camping and outdoor program.

Each leader is to bring a sack lunch.

### Post Script

The publisher and his wife spent a pleasant day Sunday at Big Spring, where they attended round table discussions of newspaper problems at the Mid-Winter meeting of the West Texas Press Association.

Sessions were held at Settles Hotel, where the dinner was also served.

It was an inspiring day—and a pleasant one, providing a chance to visit with other publishers from over West Texas.

Among subjects discussed was water conservation, and the newspaper's obligation to give it favorable publicity. Another concerned local government and the responsibility of the three principal spending bodies (school, county, and city), employees of which are on the public payroll, to report to the people who foot the bill.

A most favorably received after dinner feature was a talk by Houston Harte on the Bible as an essential to good writing.

According to announcement in our advertising columns on page five, city tax payers are asked to drop in at the City Hall and render their taxes.

Up to 11:00 Wednesday morning, 63 car license plates had been sold from the office of the sheriff. Car numbers sold were from FV-3050 to FV-3113 — trucks from IX-3750 to 3760 — and Farm trucks from 5R-7275 to 7295. The car and truck plates are orange with black lettering.

For statistically minded readers we have obtained from the same office the figures on how many paid poll taxes in the four precincts — here are the totals:

Precinct 1	126
Precinct 2	143
Precinct 3	153
Precinct 4	174
<b>Total</b>	<b>596</b>

Most of Schleicher County received good rains late last week, the showers falling Thursday and Friday. Among rain totals are these:

Dick Preston	1.1
Henry Speck Jr.	1.71
B. E. Moore	1.1
J. F. Mayo	1.3
Jim Martin	1.2
Orval Edmiston	1.6
Robert Nixon	.8
Lavelle Meckel	.8
Sam Henderson	.8
D. C. O. Wilson	.56
Howard Derrick	.75
Eldorado	1.01

In a fast-moving fund-raising campaign, a special Lions' Club Committee, assisted by the entire membership, spearheaded the annual drive for funds for the Boy Scout organization.

"Give generously" is the urgent request of the Lions' Club, the Boy Scouts' sponsoring organization. They further add: "Your Contribution Once Each Year Keeps Scouting Going ALL YEAR."

An investment in youth pays dividends of character development, leadership training, citizenship, physical fitness... a boy is born... the man is made."

Mr. O. B. Ellis, general manager of the Texas Prison System stated recently, "During the five years I have served as general manager of the Texas Prison System, 15,000 persons have been sentenced. Of this number only ONE HAS BEEN A SCOUT, and he was paroled after a few days." Lions are making their appeal with the backing of the following facts, under the head Did You Know:

That for 45 years the Boy Scouts of America has been training for citizenship, building character, and physical fitness!

That more than 20,236,000 persons have had training in Scouting; that 3 out of every 7 adults today were Boy Scouts!

That since its publication in 1910 the Handbook of the Boy Scouts of America has been, next to the Bible, the nation's best seller, and has a total sale of 13,000,000 copies!

That Boy Scout training in correct artificial respiration has saved the lives of many persons!

That Scouting complements the home, the church and the school in building character!

That America needs Scouting today to help keep alive the basic ideals of democracy!

That Scouting is for all boys regardless of race or creed or color!

That the Boy Scouts of America is chartered by Congress and its badges and insignia are protected by Law!

That the Government does not put any money into Scouting!

That Scouting is financed by the free-will contributions of local citizens like yourself!

That 3 out of 4 boys intensely desire to become Scouts!

That the annual membership of our 23 1/2-county Concho Valley Council is now over 5,389!

That the population of the Concho Valley Council is increasing every year and that the only thing that keeps more boys from becoming Scouts is the lack of dollars!

That every organization which sponsors a Scout Unit has a representative in the administration of the Council!

That communities over the 23 1/2 county Council are now in their annual fund-raising campaign to underwrite the \$75,894.32 Program for the new year!

That you're investing in America's future when you make your investment!

That — YOUR INVESTMENT Is Deductible From Income Taxes! Lions hope this year to complete their drive in a few days, and express the cooperation of the public in helping them stage a successful campaign.

News From Our Neighbors

To Start TV Tests

Sonora's new 440-foot television receiving tower has erected last week and owners Edwin Sawyer and Jack Mackey expect to have a TV set installed by tonight. The set will be installed in a small building near the tower for a month's testing, during which time the public is invited to watch the program. Most of the program will come from San Angelo, although attempts to receive San Antonio and Midland will also be made. —Devils River News.

Throat Cut

A 58-year-old Midland man was returned to his family this week after being found early Monday morning with his throat cut. The man, who said he inflicted the wound himself after becoming despondent over a family situation, was taken to Hudspeith Memorial Hospital for emergency treatment. After his release from the hospital he was kept in custody by the Sheriff's Department until friends called for him Tuesday night. —Devils River News.

Women On Jury

Women listed for jury service in the 112th District Court which opens here on Feb. 28 total 28, exactly 50% of the number being summoned by Sheriff J. O. Wright's office. Among those called are a daughter, Mrs. Jack Jones and a sister, Mrs. Jack Sykes, of the Sheriff himself. Mrs. Weaver H. Baker, Chairman of the State Board of Control during the Stevenson administration, is also on the list compiled by the jury commission of which the present Mrs. Coke R. Stevenson was a member. —Junction Eagle.

New Water Well

The McCamey City Council started action last Friday in a special called meeting to add another water well to the city water department and also voted to have the city manager advertise for a new half ton pick-up, complete with Radio and heater, for use by the water department. The Council discussed the drilling of an additional water well for the City Water Department. Mayor Smith and Councilman Moore will designate the site of the new well and Councilman Roberson and Moore will contact several drilling contractors regarding the drilling of this well on an hourly basis. —McCamey News.

Principal Resigns

W. H. Stockard, serving his fourth year as principal of the South Elementary school here, has resigned, effective Feb. 12, to accept a position as assistant director of curricular service in the Corpus Christi Public Schools. Mr. Stockard's resignation was accepted by the school board in regular meeting this week and Earnest M. Boyd, serving his second year as fifth grade teacher in the North Elementary, was named to succeed Mr. Stockard as South Elementary principal. —Ozona Stockman.

Is Crockett Dry

Crockett county's application for designation as a drouth disaster county, made by the local drouth committee of the Agricultural Stabilization and Conservation administration through the state committee, has been denied by the U. S. Department of Agriculture, according to advice received by letter yesterday from R. T. Price, Texas administrative officer, ASC. —Ozona Stockman.

Hospital Plans —Discussed

Architectural firm of Davis & Foster in El Paso this week began working on detailed plans for the new \$400,000 Brewster County Hospital. Ralph Davis, partner in the firm, and his assistant, V. T. Kuykendall, showed preliminary plans for the hospital to members of the Commissioner's Court, local doctors and other interested citizens at a special meeting Thursday afternoon, Jan. 27. County Judge Felix McGaughy, who invited all doctors to attend the meeting, inspect the plans and make suggestions, said agreement has been reached on all major points. —Alpine Avalanche.

Wins SC Award

Mrs. John Royal won second place in a public-speaking contest sponsored jointly by the Association of Texas Soil Conservation District supervisors and the Great

Southwest Life Insurance company of Dallas. Announcement of the winners was made at the annual convention of the district supervisors held last week in San Antonio. Mrs. Royal's topic was "Water Problems in My Soil Conservation District and on My Ranch." The speech was tape-recorded and forwarded to the state organization for judging. As second-place winner, Mrs. Royal received \$60 and a plaque. —Menard News.

Patent Granted

Clarence Schuessler has applied for a patent on the electric weight recorder which he had built for the Mason Sales Company auctioning and has received word from Washington that he can proceed with the manufacture of the appliance if he cares to. This indicates the recorder does not infringe on existing patents. —Mason County News.

Road Okayed

Solution of a right-of-way difficulty on the north end of the projected county road north and south through the Coynosa farm district has cleared the way for im-

mediate construction of the road, and bids will be received by the Pecos County Commissioners Court on Feb. 22 at 10 a.m. at a special meeting. Plans have been completed on the 19.6-mile project by Jack Silliman, county engineer, and have been approved for distribution to road contractors. —Ft. Stockton Pioneer.

Weaver At Robert Lee

We were happy to see Harry Weaver this week and offer our sympathy for the terrible sorrow and trial that he has experienced. Harry has a host of Robert Lee friends, as did Helen, and the entire community has grieved over Helen's untimely death. Harry is bearing up well under the terrific strain. He will make his home on the ranch south of town and plans to be active as an associate architect in building the new court house. —Robert Lee Observer.

Harold Hunt, division gauger in the Snyder Pan Am office, was here Tuesday on business for the company. He and his family formerly lived here.

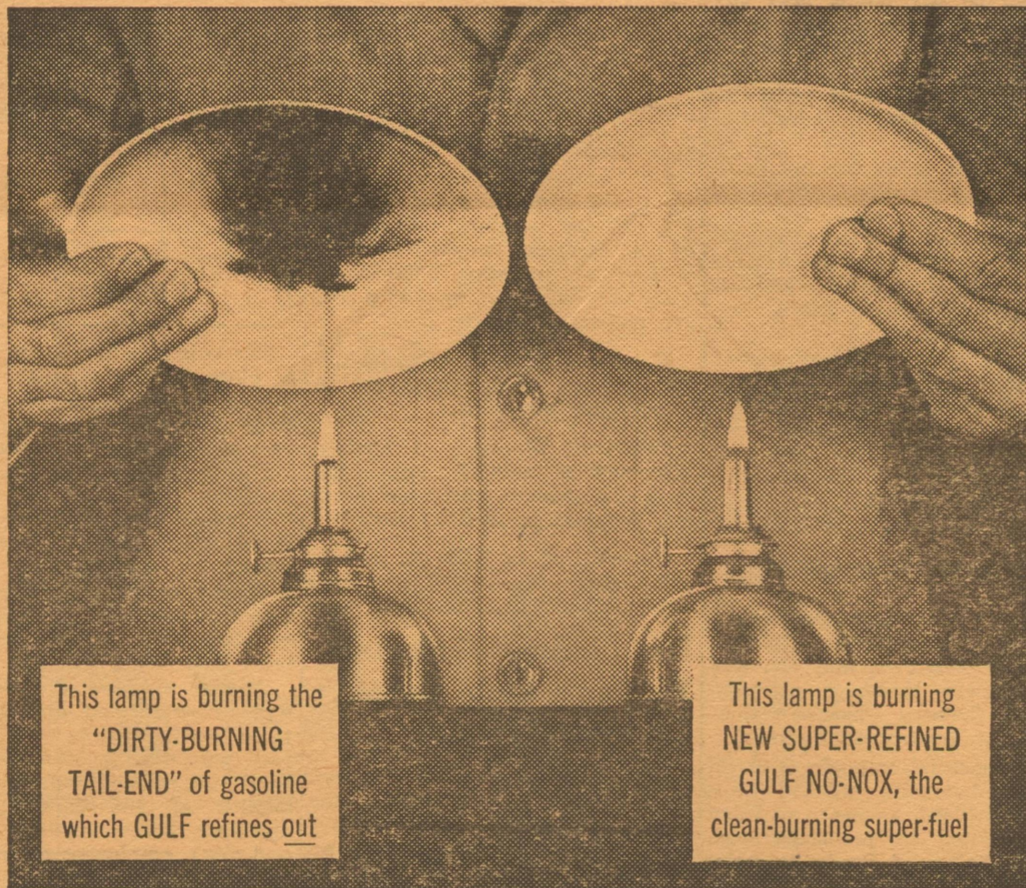

Lynn Griffin has enrolled at SAC for this semester. Mr. and Mrs. J. B. Swain visited Mr. and Mrs. Leo Ivy at Sheffield Sunday.

# No gasoline-no, not a single one- has higher octane than New 1955 GULF NO-NOX

This lamp is burning the "DIRTY-BURNING TAIL-END" of gasoline which GULF refines out

This lamp is burning NEW SUPER-REFINED GULF NO-NOX, the clean-burning super-fuel

but octane alone is not enough...

That's why new Super-Refined Gulf NO-NOX is specially made to burn clean—to protect your engine—to give you thousands of extra miles of full engine power.

Fill up with new Super-Refined Gulf NO-NOX and feel the difference, right from the start, in full engine power that lasts! You'll get:

- More complete engine protection than with so-called "miracle-additive" gasolines.
- Extra gas mileage in the short-trip, stop-and-go driving motorists do most.
- Stall-proof smoothness... instant starts... fast, fuel-saving warm-up.
- No knock, no pre-ignition—even in today's high-compression engines.

Always remember: Octane alone is not enough. Only a gasoline that burns clean can make its full octane power really work for you mile after mile.

That's why, instead of trying to fight harmful deposits with so-called "miracle additives"—inside your engine—Gulf believes in preventing them from forming in the first place; removes the cause—the "dirty-burning tail-end" of gasoline, at the refinery, to bring you new NO-NOX.

Just look at the plates in the photo above, and see what a difference Gulf super-refining makes!

This is GULF'S PLEDGE to the motoring public

- We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.
- It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the

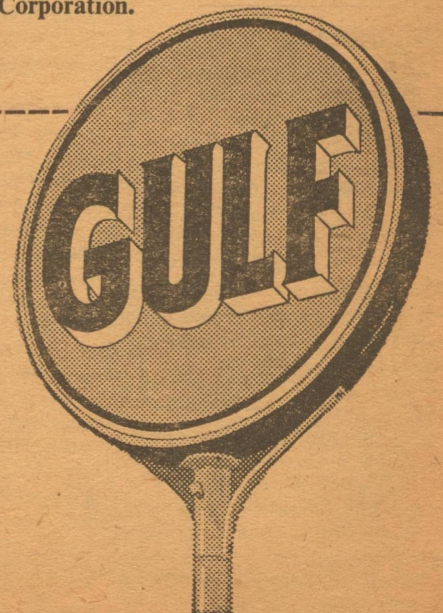

finest—in power, in performance, in engine protection.

• This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the integrity—of the Gulf Oil Corporation.

**First Baptist News**

The Church honored the Senior Class of Eldorado High School with a banquet on Thursday night February 8, 1955. We are justly proud of these young people. They well represent our community. They are the reflection of the past and the only hope of the future.

Saturday night February 5 the young people met at the church for refreshments and games as an Intermediate and Young Peoples party. There were twenty young people in attendance.

The services on this past Sunday February 6, were well attended.

The Sunday School attendance is up from a year ago. We hope that it will continue to be above last year, and it will if everyone will make plans to attend the services every Sunday.

Saturday night February 12, the Young People of our church will have their annual Valentine Party at the church. The time set is 7:00 p.m. and a good program has been planned. A film with a fine human interest story will be shown. It is only 25 minutes in length.

February 17 and 18, Thursday and Friday will be the dates for the meeting of District 16 Baptist Convention. At this date we do not have a copy of the program, but drop by the office later and look at the program. Attend if you possibly can.

Go to church somewhere every Sunday, it does make a difference.

Mr. and Mrs. Don McCormick and daughter Donna Beth spent the weekend in Austin, to make preliminary plans for Donna Beth to enroll at the University for the fall term.

Mr. and Mrs. Joe Ed Hill and family spent the weekend in Ft. Worth with her mother, Mrs. Gene Horton, and her brother and sister-in-law, Mr. and Mrs. Jack Horton. Susan stayed in Fort Worth with her grandmother for a 2-week visit after which Mrs. Horton will bring her home.

**Plans For Texas 4-H Roundup Announced**

College Station — The 1955 Texas 4-H Roundup is scheduled for June 7-8-9 and as in past years it will be held on the campus of Texas A. & M. College. Floyd Lynch, state 4-H leader, says the annual meeting will provide opportunities for the delegates to get training in leadership and subjects of their choice and further acquaint them with the facilities of the college.

State winners in 18 different judging and team demonstration contests will be determined on June 8. Delegates will select and participate in one of the 17 subject-matter short courses being offered this year. These courses

cover the field of agriculture and home economics and the training will be such that it can be used by the members and leaders in their local clubs.

Delegates, says Lynch, will be limited to two boys and two girls from each county on a district basis. An adult leader—either a local leader or extension agent—must accompany the county delegation, and all delegates must be 4-H members and at least 13 years of age on January 1, 1955.

The program will get underway the evening of June 7 with a meeting in Guion Hall. The shortcourses and contests will highlight the second day's activities with the popular "Chuckwagon" and Share-the-Fun Festival winding up a day that usually is long remembered by those attending.

The third day's activities will include a continuation of the special courses; presentation of awards to all winners during the afternoon. The annual banquet and entertainment will follow in the evening and also officially close the Roundup.

Lynch says county extension agents have complete details for the big show and advises 4-H members and elders to commence making plans now to attend.

Mr. and Mrs. Bud Davidson spent the weekend in Harper visiting relatives.

Mr. and Mrs. Johnny Mayo and children spent Saturday and Sunday with his parents at Voca.

From where I sit... by Joe Marsh

**A Winner Every Time!**

Last Friday at our big basketball game with Centerville I sat next to a fine-looking old man. Centerville had things their way the first half — and he cheered every score they made.

But our boys began to catch up. Then Stretch Brown put us in the lead with a long set shot, — and I noticed that the old fellow was now rooting for our side. "What team are you for, anyway?" I demanded.

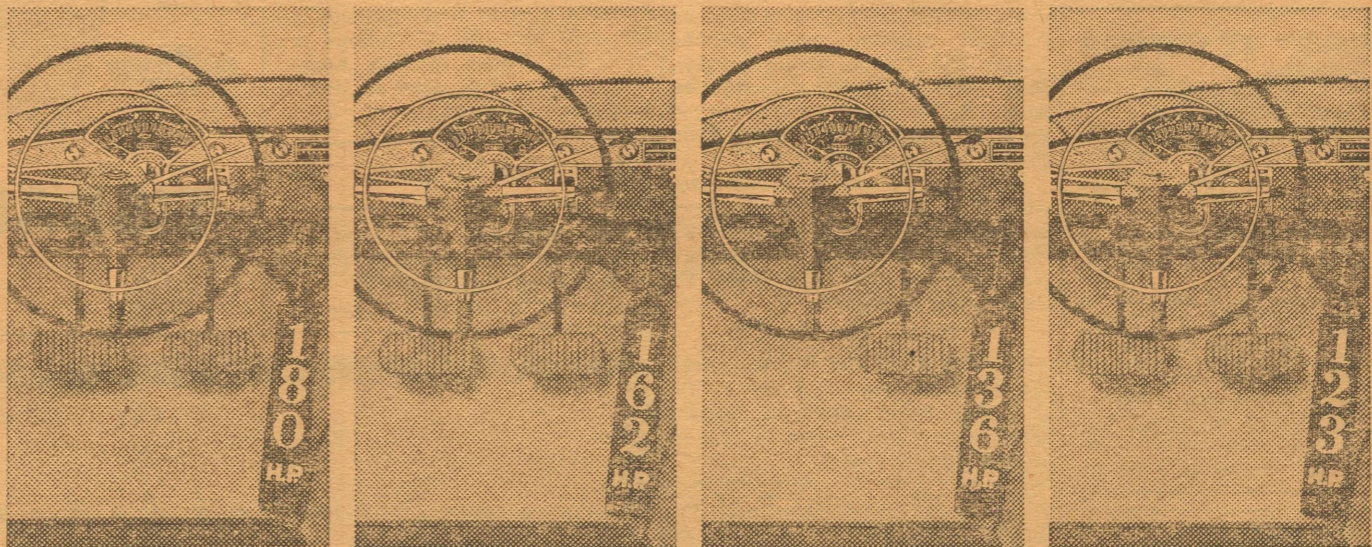

"Neither," he replied. "I've got my own team. I figure any kid that does a good job out there

is on my team. Root for the individual like I do — and you'll always back a winner!"

From where I sit, maybe it is a good idea to keep our eye on the individual, instead of automatically grouping him on teams you're "for" or "against." We're all individuals at heart, with our likes and dislikes — our right to prefer tea to coffee or beer to buttermilk...our right to "blow the whistle" when anyone tries to regiment us.

The FFA boys are making preparations to take their lambs to the show in San Antonio next week. The boys will enter 26 lambs in the show. The following boys have lambs entered: Sonny Moore, Dick Runge, Ronnie Mittel, and Jimmie Whitten.

The FFA boys and Mr. Burk wish to express their appreciation to Mr. Gray of College Station, the sheep breeders of Schleicher County, the mothers, dads and everyone that helped make the show a success. We hope to improve our show in quality and quantity in the years to come.

After winning five games Eldorado lost February 4 to Menard and February 9 to Sonora.

Menard's Yellowjackets won over Eldorado 56 to 52. Bill Holcomb tallied 21 points, and Jerry Pennington and Tony Kerr ten each. Menard led by a single point after the first quarter, but Eldorado was a point ahead at the end of the third, Menard sewing up the decision in the fourth.

Sonora's victory was by a decisive 64 to 46. Bill Holcomb was high for Eldorado with 16 points and Jerry Pennington was second with 11. The third quarter probably lost the game for Eldorado.

Sonora girls won over Eldorado 59 to 14.

The Senior Class will sponsor a game party at the Memorial Building Saturday night beginning at 7:30. They will also hold a cake sale Saturday afternoon in down town Eldorado. These programs are to raise money for the senior class trip and the seniors especially invite everyone to attend.

### In What Ways Is Homemaking More Than Housekeeping?

by Patsy Taylor

Homemaking is making a home for a family and living in it with that family, and to have its activities in a livable house. A home needs something in it besides furniture and well kept rooms; it needs children and a mother and father. Everyone in the home should love each other and be prepared to share with each other.

Homemaking is truly more than housekeeping. A person can have a house and have some one to come in once or twice a week to keep that house, but that isn't all to being a homemaker.

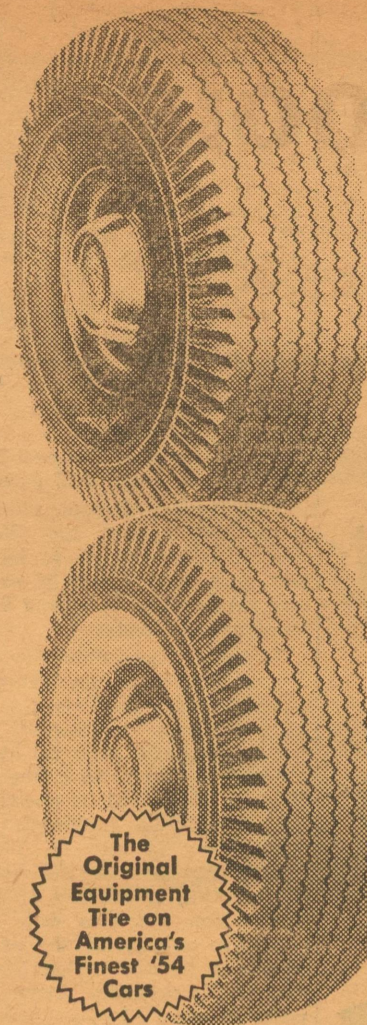

Homemaking is to be married, have a house to call home, have children, and to do things to please that family and each other. Religion is a very important part of homemaking, and everyone in the family should take part in it. Planning and cooking meals and keeping the house is a great part of this wonderful job of being a homemaker and not just a house-keeper.

By Vern Sanford  
Texas Press Association

Austin — Austin is full of "land-grab" investigations.

Attorney General John Ben Shepperd blew the lid off veterans' land sales to start the movement and the lid is still sailing.

Both houses of the legislature have their own investigating committees. Also peering into the "land block sale" scandals are grand juries in Travis and DeWitt counties.

Voting to conduct a full investigation, the House set up a committee composed of Representatives Joe Burkett, Wade F. Spilman, Virginia Duff, Reagan R. Huffman and Jesse Osborn. Burkett is chairman; Spilman vice-chairman.

Recalled by the Senate investigating committee, headed by Sen. Dorsey B. Hardeman, was Attorney General Shepperd, for testimony under oath. This at the request of Sen. Jimmy Phillips.

Because of Phillips' line of questioning, Rep. Leroy Saul charged that the senator was preparing to run for attorney general and using the investigation for "personal publicity."

Shepperd testified that minutes of the Veterans' Land Board showing him present and voting for individual applications were erroneous. He said that the board did not pass on the applications. . . . that it was an administrative matter turned over to the chairman — former Land Commissioner Bascom Giles.

The same practice is being followed under the new chairman, J. Earl Rudder, Shepperd said.

Shepperd also said he didn't use his influence as a board member to get favors for any applicants. He further stated that a 1953 letter from G. Curtis Jackson Jr. Zavala County attorney, complaining of block land deals by C. O. Hagan, was not seen by him until after the investigation started.

### Shepperd Files Suit

This testimony came as Shepperd filed the first two of a prospective long list of suits to forfeit block land deals and recover the money paid land operators.

G. Curtis Jackson Jr., was a defendant named in one of the suits. Shepperd testified that Jackson was identified in one of the land deals.

Shepperd's first two suits were against L. V. Ruffin and B. R. Sheffield, both of Brady, and J. Paul Little, G. Curtis Jackson Jr. and H. R. Stallings, of Crystal City. The Brady group was sued for \$336,247; the latter for \$150,000.

Sheffield has been identified as a former business associate of Bascom Giles, who quit as land commissioner and veterans' land board chairman on Jan. 1. Giles refused to testify before the Senate committee on his business relations with Sheffield and other land operators.

Rep. Dolph Briscoe Jr., author of the House investigating measure, also introduced a bill providing 10-year prison terms and \$10,000 fines for using deceit, fraud or duress on veterans, or false or forged documents in land deals.

### Insurance Committee Action

Corrective insurance bills have run into a slow-down. Four were heard by a House committee including one to regulate insurance company securities. All were sent to a sub-committee for two weeks.

In the Senate the insurance committee heard two bills. One would fix a \$375,000 minimum capital and surplus for new legal reserve life companies, all in cash. One requires examinations of legal reserve life agents. Both were attacked as monopolistic—for the big companies and were sent to sub-committees.

Thought For The Week Ministerial Alliance

Exclusively Yours

Almost every person has within reasonable reach a Bible. If he does not have one in his possession he is not far removed from one who does. The Bible is the best known of all books. Yet it is least known from the standpoint of what it contains and why it contains a message at all. If a young man should perchance find a letter from his best girl friend placed on his bed by his Mother he would be a fool not to read it. Many people have a whole series of letters from One who loves them very much. These letters are within arms reach, yet are still unread. What must the Lover think concerning His unread letters of concern? Those letters were placed there by someone very close to us, men who were vitally concerned that we know as much as possible about the Great Lover.

The message of the letters is personal. In the New Testament almost every part is directed toward individuals. "I say unto You-", "Come Ye after me-", "If any man-", "Except Ye repent-". Yet, so much of The Book is yet unread by You.

Have You read your love letters, do you know what they contain for You? If not, then read them, they are Exclusively Yours. —J. Clifton Hancock.

Livestock men of your local Soil Conservation District and throughout Texas are proving that Conservation ranching is good business. The continued drought, depleted feed reserves, large numbers of stock on the range, and declining prices has plagued stockmen for the past several years. But, those who have been practicing Soil Conservation for a number of years are coming through with flying colors. They

have had insurance policies against these dry hot years by following a sound soil and water conservation program on the land. The light rains they did receive, were lengthened by their having applied conservation practices on the land. Conservation farming and ranching allows for a flexible program. By stocking conservatively with breeding stock, conservation farmers and ranchers can carry over

their calves and lambs to yearlings except in periods of extreme drought. "The best protection against drought on rangeland", these operators explain, "is a natural cover of grass which lets the soil absorb moisture whenever it falls, protects new growth, stimulates natural reseeding, cuts down on evaporation, and provides a reserve of feed during a long dry spell".

Stocking the range with breeding stock at about 50-75 per cent of the estimated carrying capacity allows for resting each pasture one year out of five. "Rest is what our ranges need during these dry years", these men are saying.

Good sound conservation plans, they say, should be given to credit for bringing about increased calf and lamb crops and higher yields. This is the best and surest way to increase the carrying capacity of the ranges during and following the dry years.

These operators in carrying out their conservation program, have balanced the number of stock with the grass available, deferred the grazing where needed, placed salt to encourage grazing in areas of lightly used grass, properly stocked all pastures, and divided several pastures to make livestock and grazing management easier.

It is through their districts that farmers and ranchers obtain technical help from the Soil Conservation Service in planning and applying a conservation program that fits their land.

Because of good vigorous perennial grasses that are ready to grow when the rains come, and good management practices through the years, these conservation district cooperators are surviving the dry years in pretty fair shape. Supplemental feeding is cut to the minimum because they are growing the bigger part of their feed out on the range.

For assistance in working out a sound soil and water conservation plan on your farm or ranch, contact your District Supervisor or the office of the Soil Conservation Service.

Coffee advertised for 27¢ a pound today would send you flying to the store. But back in 1940 that was not an unusual price for it.

Today, even your electric service bill is higher, because you are using a lot more of it. \*Actually, the average price you pay per kilowatt-hour has gone down, but you have added more electrical appliances to make your job easier, your life more pleasant.

How many work-saving appliances have you added — a refrigerator or a range, perhaps. Possibly an automatic washer, dryer or a food freezer. More than likely an air conditioner.

\*Actually, in homes served by WTU, the average cost of a kilowatt-hour is 22% LESS than it was ten years ago.

**Twelve Children At McBurnett Party**

Twelve little girls helped Suzanne McBurnett celebrate her 8th birthday last Saturday. Her mother, Mrs. Pete McBurnett, picked the girls up in town at 1:00 p.m. and took them to her home where they played games, went on a hike, and were served a picnic supper.

The Valentine theme was carried out in decorations and the birthday cake. Hats and whistles were favors. Guests from out of town were Linda and Carol Ford of San Angelo.

**Methodist Notes**

Rev. Donald E. Redmond, executive secretary of the Inter-Board Council, southwest conference of the Methodist Church, will preach Sunday morning, Feb. 13, at the local Methodist Church, the service to begin at 10:55. He recently returned from a trip to Bolivia, where he visited Methodist mission work. Before assuming his present duties, he was pastor of the Methodist Church at Harlingen. All are invited to attend this service and hear his interesting message.

The Pioneer Circle met at the Methodist Church last Monday afternoon. Mrs. Ben Hext brought the lesson. There were 12 members present.

Mr. and Mrs. J. D. Meador and children spent Sunday visiting in Christoval.

Mrs. Clyde Evans and children of San Angelo visited Mr. and Mrs. Jud Brannan Sunday. Her uncle, Bill Word, accompanied them home for a visit.

Mr. and Mrs. R. J. Alexander and family of Vincent spent the weekend here visiting Mr. and Mrs. T. H. Alexander and other relatives.

Mr. and Mrs. O. M. Hill and Carolyn spent the week end recently with the Jack Elder family. Mr. Hill is a driller for McFarland Drilling Co., in Tatum, N. M.

Mrs. Clifton Henderson is out of the hospital and improving.

Mr. and Mrs. Odis Harris have had word from their son, PFC Elton Harris. He has been assigned to the 166th Military Intelligence Platoon at Fort Drake, Japan. He is photographic interpreter for this platoon.

The Jr. Woman's Club will meet tonight at 7:30 at the Memorial Building.

Mrs. Lula Mae Dismukes of Uvalde is visiting her sister, Mrs. A. T. Wright, and Mr. Wright.

T. S. Buchanan is visiting with friends at Big Wells this week.
