ELDORADO — SCHLEICHER COUNTY, TEXAS

THURSDAY, APRIL 7, 1955

NUMBER 13

## If You Want a H-D Club Tell the Commissioners So Monday

All who are interested in the project of employing a Schleicher County Home Demonstration agent are asked to meet with the commissioners' court at their regular meeting next Monday at 1:00 p.m.

Present at the meeting to discuss the proposed project will be Miss Thelma Casey, a district representative. The entire session will be in the nature of a question-and-answer period. Commissioners are anxious first to sound out public opinion, so they will know the extent of the interest here. There will be also the question of the salary, the percentage the county would pay, the providing of an office, and other problems to iron out.

The work of a demonstration agent is county-wide, it is pointed out, and women in the rural areas

of Schleicher County are especially urged to be present next Monday—it is traditionally true that many of the strongest home demonstration clubs of the state are in rural communities, both from the standpoint of numbers and subject matter covered.

The commissioners stress the fact that they must know that there is sufficient interest to employ a demonstration agent before they make plans to that end.

Next Monday's planning session is in response to presenting of a petition to the court recently, carrying a large number of names.

State county officials, "If you want a Demonstration Club, whether you signed the petition or not, be at this meeting! Your absence may be taken as a sign of lack of interest!"

## Mayor Re-Elected In Close Race Tuesday

With a total of 215 votes cast in the city election here Tuesday, incumbent Eldon Calk received 111 and his opponent, Rance McDonald, received 104.

The vote turn-out was large for a city election, but it was not a record. In the city election a year ago 223 votes were polled.

In addition to the 215 votes cast Tuesday, we understand that there are six absentee votes which are yet to be counted, but this would not be enough to affect the outcome of the race.

In the matter of electing three aldermen there was no contest—

and Christian and Pennington each received 199 votes and Meador, 204. There were the inevitable scattering of write-ins which produced 3 votes for Ernest Finnigan, and 1 vote each for Pete Parker, Earl Parker and John Stigler.

The election Tuesday still leaves the board of aldermen incomplete, due to a last minute development. Joe Muller Christian moved the day before the election to his farm outside the city limits, making him ineligible. After his election Tuesday he promptly announced his resignation—leaving a vacancy which will be filled by appointment.

## FIRST SERVICES SET FOR SUNDAY AT NEW CHURCH

A full day's program on Easter Sunday marks a high point in the church year for members of the East Side Baptist Church, who will be holding services for the first time in their new building.

The building is not entirely completed, states Rev. Joe Dossett, pastor, but the auditorium is 95% finished, and the entire building is now useable and will be completed at an early date.

The auditorium has 144 individual, auditorium-type seats, with 19 more in the choir, and room for 60 more in Sunday school rooms opening from the main room.

The pastor asks that everyone be in his place Sunday at 9:45 at the latest, to avoid confusion in assignment to class rooms by opening time at 10:00.

Other services Sunday include preaching at 11:00 a. m. and 8:00 p. m., and training union at 7:00.

Rev. Dossett announces that a vigorous evangelistic campaign is planned for the spring and summer months, with a revival scheduled in July at which Dr. Clifford Nelson will be speaker.

A dedication service will be held soon, also.

Mrs. C. L. Meador Jr. returned home Sunday from Dallas where she spent the week with Mr. and Mrs. Jack Meador.

The Girl Scouts and the Brownies will meet together this afternoon at the Memorial building at 4:00 to practice the program which they will present at the Woman's Club meeting April 12.

## Funds For Cancer To Be Collected In April

April has been designated as cancer fund drive month according to Mrs. Gus Love, local crusade chairman.

Mrs. Love has selected four captains to assist her in the drive. These are: Mrs. Fred Gillaspay, who has charge of the southeast part of town from the Menard highway to the Sonora highway; Mrs. T. R. Jones who will have charge of the northwest part of town from the San Angelo highway to the Mertzon highway; Mrs. Calvin Henderson has the southwest part from the Mertzon highway to the Sonora highway; and Mrs. Jess Waiston who has northeast part from the San Angelo highway to the Menard highway.

These captains will select helpers and make a house to house canvas for donations during the month of April.

Anyone wishing to mail their contributions may mail them to Mrs. Gus Love. Checks should be made out to "The Cancer Fund."

## SENIOR GIRL, ELDORADO NATIVE, DIES IN CRASH

Doris Fay Roberts, 18, native of Eldorado, and Senior in McCamey High School, was killed instantly, and three others were injured when their car crashed into a bridge early Sunday near Rankin.

The three others, Jim Steinhart, Dow Chemical employee, and Gladys Schreiber and Gaynel Spicer, also high school students, are being treated in Rankin Hospital. Miss Spicer's condition has been critical.

The four, riding in a 1939 Mercury, struck a bridge when the left front tire blew out, reported the Upton County deputy sheriff. The car was completely demolished, he reported.

In the crash all of the young people were thrown from the car. They were thought to have been on their way back home to McCamey from Rankin, when the tragedy occurred.

Doris Fay was born February 18, 1937, in Eldorado, the daughter of Mr. and Mrs. C. C. Roberts, and attended school here until the family moved to McCamey about nine years ago.

She was a member of the Senior class of McCamey High School and was in the cast of the Senior play. She was a member of the band five years, was president of the Future Homemakers and past president of the library club, and was a member of the volley ball team three years. She loved flowers and was especially interested in arranging of flowers. For the past six years she had been a member of the Church of Christ.

Surviving are three sisters, Betty Grace Bullion, Mrs. Charlie Pannell and Mrs. C. D. Capps; two brothers, Willie Clyde Roberts and Delbert Fay Roberts; a grandmother, Mrs. O. C. Roberts of Schleicher County, and her parents.

Funeral services were held at both McCamey and Eldorado, Novil Baize of Stanford and Davis Murr of Eldorado officiating. Pall bearers were young men from the McCamey senior class. The first service was held Monday morning in McCamey high school and the second at 3:30 p. m. in the West Side Church of Christ at Eldorado. Interment was made in the Eldorado Cemetery.

A number of out-of-town relatives and friends were here for the funeral.

Mrs. H. L. Galbreath, who has been living on the Christian farm, exchanged places with the Joe Muller Christian family Monday, the two families making the move at the same time. The Christians are remodeling the farmhouse.

## Oil News

### Another Huldale Producer

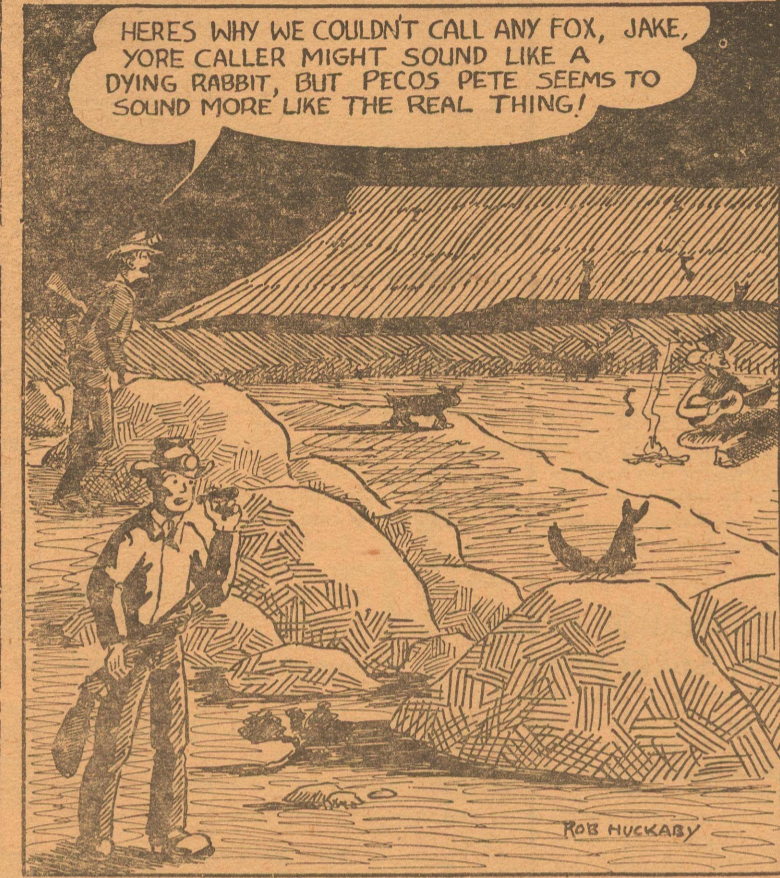

The Huldale field has been extended one location south with the completion last week of Sinclair No. 5A Dwight McClatchy in 31-M-GH&SA survey, seven miles northeast of Eldorado.

It was finalized for a daily flowing potential of 1,091.08 barrels of 42.8 gravity oil, no water, with gas-oil ratio of 880-1. Production was thru a 32/64-inch choke and Pennsylvania perforations between 5630-5655 feet in 5 1/2 inch casing set at 5679 feet. Completion was natural. Top of pay was picked at 5630 feet on elevation of 2255.

The test on Henry Moore's was down to 8350 Wednesday, following taking of a drillstem test on which 90 feet of drilling mud was recovered.

## ONE NEW; ONE OLD MEMBER ELECTED TO SCHOOL BOARD

### PECOS PETE CALL OF THE WILD

In what was considered a fairly heavy vote, C. O. Dewey, Ohio Oil field foreman, topped the list of candidates for school board at the trustee election here last Saturday. Incumbent Henry Speck, president of the board, was voted back in office by a vote of 195. These two took their places on the school board at the meeting of the board last night.

Jim O'Harrow, Bill Oglesby and Joe Wagley were the other three on the slate. Here is the complete tabulation of votes:

C. O. Dewey	252
Henry Speck	195
Jim O'Harrow	155
Bill Oglesby	137
Joe Wagley	87

A total of 417 votes was cast, with no write-ins.

### RATLIFF RESIGNS

The school board in session Wednesday night elected Jack Brownning to the high school faculty, his assignment to be made later. He graduates in May from Howard Payne at Brownwood.

The resignation of Jack Ratliff, member of the board one year, was accepted. The board did not appoint his successor, but will do so at a later date.

The election of other teachers who are being considered will take place also this spring.

### DANCE DATE SET

The private dance classes which are being taught by an instructor from San Angelo will be presented in a recital on May 24 in the school auditorium, it is announced today.

### SENIORS TO LEAVE

The Senior Class and their sponsors and the superintendent will leave at midnight tonight by chartered commercial bus for their trip to Galveston. School closes this afternoon for the Easter holidays.

### SIX WEEKS ENDS

The fifth six-weeks' period for the school ends this week and report cards will be issued soon. Only one more six-weeks' period remains before school closes.

## GROUND BREAKING BY METHODISTS HIGHLIGHTS SUNDAY

Dr. L. Eugene Harris, Methodist district superintendent of San Angelo, presided at ground breaking ceremonies which highlighted services at the Methodist Church Sunday. Those participating were: W. G. Godwin, chairman of the official board; L. Eugene Harris, district superintendent; Rev. Doyle W. Morton, pastor; W. A. Shuller, chairman of building committee; Mrs. Delbert Taylor, pres. WSCS; Pale West, pres. MYF; Edward F. Msador, supt. church school; W. F. Meador, chairman board of trustees; Richard E. Preston, chairman committee on evangelism; L. W. Steen, chairman on finance; Jim Martin, president Methodist Men.

Others in the group participated after the officials had completed their part on the program. The spade used in the ceremony was the one used years ago for ground breaking for the church. The new church building will house the children's division.

Other features of the day's worship included Sunday school with 160 in attendance; church, at which Rev. Eugene Harris brought the concluding message of the revival; dinner at noon; quarterly conference at 3:00, and services at night at which Rev. Fred Hamner of San Angelo, preached.

The spade used in the ceremony was the one used years ago for ground breaking for the church. The new church building will house the children's division.

Other features of the day's worship included Sunday school with 160 in attendance; church, at which Rev. Eugene Harris brought the concluding message of the revival; dinner at noon; quarterly conference at 3:00, and services at night at which Rev. Fred Hamner of San Angelo, preached.

## Hancock To Conduct Revival At Artesia

Rev. J. C. Hancock, pastor of the First Baptist Church, will leave April 12 for Artesia, Colorado, where he will conduct a two weeks meeting with Rev. Darwin Welsh, former assistant pastor of the local church.

Rev. Hancock will go by way of Salt Lake City, Utah, where he will attend a 3-state evangelistic conference on April 13. He plans to return home April 25.

Mrs. Tom McGill left Wednesday morning for Kerrville where she will be joined by her niece, Mrs. T. E. Clark and three boys. They will go from there to Bay City where they will spend the Easter holidays with Mrs. McGill's mother, Mrs. M. G. Klein.

## REQUEST FORMS FOR SALK VACCINE SENT TO PARENTS

Letters and request forms have been sent this week to parents of first and second grade children, through the school, concerning the nationwide plan of vaccination with the Salk polio vaccine.

Parents are urged to give these letters careful consideration and to return the completed form promptly to their child's teacher at the school.

More information will appear in the Eldorado Success after Dr. Thomas Francis, Jr., of the University of Michigan, releases his report April 12, concerning licensing of the Salk vaccine.

## Ministerial Alliance Presents Good Friday Service Tomorrow

Special Good Friday services, under sponsorship of the Ministerial Alliance, are set for tomorrow, Friday, morning, from 10:00 to 10:45. The entire community is urged to attend these joint services which will be held at the Presbyterian Church.

Ministers who are members of the Alliance will present the service, which will be in the form of a series of meditations on the seven last words.

Rev. Doyle Morton will talk on the first two words, Rev. J. C. Hancock on the next two, Rev. James Spencer on the fifth and sixth words, and Rev. Morton on the last one.

Mrs. James Page will be organist for the program.

## More Money Received For Car Licenses Than In Year 1954

A total of 1346 licenses for various types of vehicles was taken out in the office of the tax assessor & collector before the deadline on April 1. This represents a drop of 12 from last year's total of 1358.

The total in money brought in represents a substantial increase over last year—\$22,840.13 for 1954, as compared with \$25,080.79 this year.

Largest operator paying for vehicles was Paul Haley, with Shell and Halliburton ranking second and third. Due to the fact that Halliburton now maintains an office here the license tags were bought in this county for the first time.

## SALES SLIPS IMPORTANT IN WOOL PROGRAM REPORT ASC OFFICIALS

With the passing of April 1, starting date for the new wool incentive program, the Texas State Agricultural Stabilization and Conservation Committee again urges wool growers to secure and hold on to all sales slips showing date and quantity of 1955 clip wool sold.

These slips, they explain, will determine the grower's eligibility for payment and the amount of the payment to be received. The payment will be based on a fixed percentage of what the grower receives for his wool. No payment will be made for less than \$3.00.

Only wool of the 1955 clip sheared after January 1, 1955 and marketed in the period April 1, 1955 through March 31, 1956, will be eligible for the incentive payment. Lambs and yearlings, sold for slaughter, unshorn or once shorn but with a wool growth of 1 1/2 inches, also will be eligible for payment.

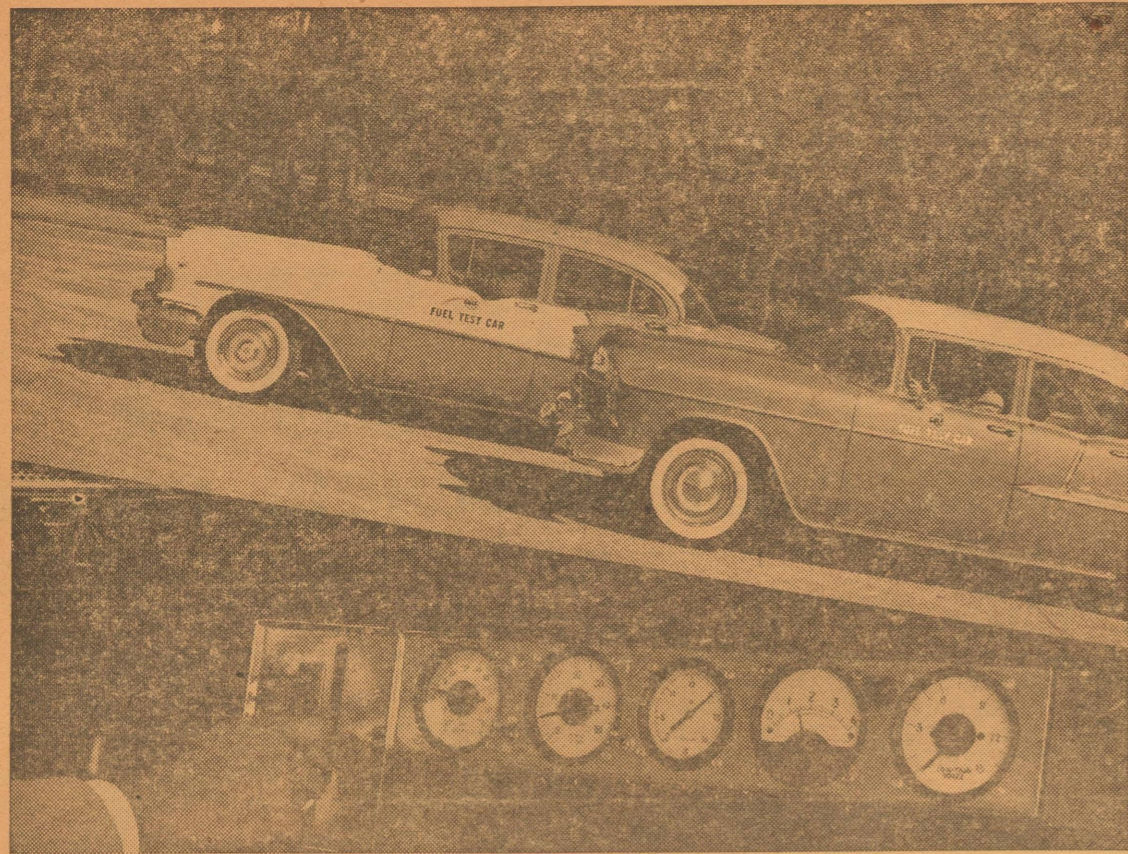

## ANITA RUNGE HERE TO VISIT HER PARENTS

Miss Anita Runge, daughter of Mr. and Mrs. Forrest Runge has arrived here to visit home folks—her parents meeting her in San Angelo Wednesday morning. She arrived in Houston by plane earlier in the week, and visited relatives in Galveston and Austin before coming to Schleicher County. As an employee of Talon Education Service of New York City, she will make a business trip to Lincoln, Nebraska, after leaving Schleicher County.

ESTERBROOK FOUNTAIN pens, \$2.50 — Eldorado Success.

GOV. ALLAN SHIVERS, left, officially opened the American Cancer Society's annual educational and fund-raising Crusade by declaring April as Cancer Control Month in the state. With him is Joe Polichino of Rosenberg, chairman of the Cancer Crusade in Texas. Mr. Polichino presented the governor with a Sword of Hope, symbol of the American Cancer Society

WHAT IS THE ROAD OCTANE? Gulf Oil's new fuel test cars are designed to answer just that question about its premium gasoline. In its newspaper advertising Gulf has pledged that no competitor will offer a better gasoline than No-Nox. The automotive engineers in charge of the cars each expect to drive 40,000 miles over Texas roads this year checking the quality of Gulf's gasoline. Instruments on the special panel give a complete picture of the motor's operating efficiency under all load and fuel conditions.

**Sheep Raisers' Ass'n Sets Ozona Meeting**

San Angelo. — A special directors meeting to further discuss the National Wool Act with special reference to Sec. 708 has been scheduled for April 12 in Ozona, R. W. Hodge, TS&GA president, has announced. The meeting is called for 10:00 a. m. in the county court room.

Section 708 provides for the promotion of lamb, wool and mohair through a producer operated organization. It will be financed through a mandatory deduction of one cent per pound from the incentive payments due the producer, Hodge stated, but the deduction for the program will not be made unless

it is approved by growers of two-thirds of the wool in a referendum to be held later in the summer. He urged that all interested growers attend the meeting.

**Publication Printed On Soil Evaporation**

College Station.—A complete tabulation of information available on rainfall and water evaporation in Texas is given in a recent joint publication of the Texas Agricultural Experiment Station and Agricultural Extension Service.

The 83-page bulletin, "Water Evaporation Studies in Texas," also contains information on proper installation and operation of evapor-

ation stations, and discusses procedures and coefficients to use in converting pan evaporation losses to natural or reservoir losses.

Studies of evaporation show that over long periods storage reservoirs may yield for useful purposes as little as 50 percent of total water impounded—the rest is lost to evaporation, says the publication.

Robert Martin and his sister and brother-in-law, Mr. and Mrs. Wm. Lynch of Dallas, are on a vacation trip to New York. They plan to be gone about ten days.

John Miller and his mother, Mrs. Julia Miller of Ballinger, were in LaGrange several days this week on business.

Mrs. Etta Gardner of Abilene is visiting this week with Mrs. S. H. Cheatham.

Mr. and Mrs. R. B. Glasscock and children of Seminole spent the week end here with Mr. and Mrs. Richard Cheatham. Mrs. Millard Smith Jr., of San Angelo visited them Sunday.

Mrs. R. C. Edmiston and Babs of Rankin spent last week here visiting relatives.

Wallace Cozzens and daughter, Pam, of Midland, visited his mother Mrs. Mattie Cozzens Saturday and Sunday.

**More Rain Needed For Brush Control To Be Most Effective**

College Station.—More rain is needed in the Texas mesquite country this spring for aerial applications of herbicides to give good kills of mesquite. Moisture is

believed adequate in post oak and blackjack areas for a high percentage kill.

Without proper soil moisture the use of aerial sprays may be disappointing, says A. H. Walker, extension range specialist, adding that large kills also rest heavily upon timeliness of application. Spray mesquite when the plants are in full-leaf, usually 50 to 80 days after leaves appear in the spring, he explains.

Rangeman Walker recommends use of either a low volatile ester of 2,4,5-T or silvex, at rates of one-half to two-thirds of a pound in one gallon of diesel oil and three gallons of water to an acre.

For control of post oak and blackjack, sprays of one and one-half to two pounds of 2,4,5-T or silvex in three gallons of water and one gallon of diesel oil are recommended. Additional treatment one to two years later may be necessary to kill back sprouts.

Aerial herbicidal sprays usually are the cheapest form of mesquite and oak control. But once the brush is gone the job isn't done. Walker says if the permanent benefits of brush control are to be realized, deferred grazing and proper stocking of livestock is essential.

More information on the chemical control of hardwoods is contained in bulletins L-127 revised "Chemical Control of Mesquite" and C-230 "More Grass From Controlling Hardwoods." These publications are available from the offices of county agricultural agents.

**IT'S THE LAW**  
in Texas  
A public service feature of the State Bar of Texas

**Attorneys Must Often Take Unpopular Cases**

"The first thing we do, let's kill all the lawyers."

Shakespeare puts these words in the mouth of Dick, the butcher, one of Jack Cade's followers, in the play, "King Henry the Sixth."

It has been quoted often as an example of the occasional antipathy of the public towards lawyers. However, an examination of the play reveals a rather interesting turn to this quotation.

Jack Cade was a pretender to the throne of England. In the process of inciting his rebellion, he promised the rabble that they would get several halfpenny loaves for a penny, and all three-hooped pots should have ten-hoops, all things should be in common, the laws of England would come from his mouth, and his mouth would be parliament.

Here was the promise of dictatorship, socialism and Communism, all rolled into one, in the time of Shakespeare, and in order to accomplish these results the first thing to be done was to kill all the lawyers, who would naturally oppose any such system.

Upon the pages of history are the names of lawyers whose contribution to our free society was so great that they are beacons by which all men continue to see their inalienable rights shine forth in the darkness of dictatorship and injustice.

One, whose name stands out on the early pages of history as a champion of all men in their striving for equality, was Cicero. Chrysoogonus, the political power of Rome, condemned Roscius, so that his property might be confiscated for the benefit of Chrysoogonus.

When no one else would defend Roscius for fear of Chrysoogonus, Cicero came forward and, with the knowledge that he stood alone against the most powerful figure in Rome, made himself immortal when he refused to temper his argument, courageously attacked Chrysoogonus, and shamed the court into turning from cowardice to follow the law and set Roscius free.

Thus was broken the abuse of the powerful in using the courts to deprive men of their liberty, their rights and possessions. Cicero's act is a tradition of the legal profession today.

Look also to Lord Coke, who defied King James when he said the King is under the law, and thus again set the pattern for the supremacy of law for all, high and low alike.

America has had many great lawyers to whom each of us owe, and will continue to owe, a tremendous debt of gratitude, for the privilege of justice as we have it today.

John Adams, one of the leading patriots of Boston, endangered his life and his career by defending the British soldiers involved in the Boston Massacre. He later applied his deep-seated convictions of human rights and freedoms by assisting in the framing of the Declaration of Independence.

Our history books contain many other stirring examples. In the preservation of the individual's rights of freedom, the lawyer's training and tradition compels him to agree with Voltaire when he said, "I disapprove of what you say, but I will defend to the death your right to say it."

**Soil Stewardship**

Soil Stewardship Sunday will be sponsored by the Eldorado Divide Soil Conservation District on May 15. The "Soil and Souls" Sunday had its formal beginning in 1946, when publishers of Farm and Ranch magazine suggested to religious leaders of a few southern states that they set aside one Sunday each year to remind their congregations of man's duty to be a good steward of the land—that he is but a custodian, not owner, of the Lord's land. This year, for the first time, the Soil Conservation Districts are its sole sponsor.

Technicians from the local office of the Soil Conservation Service, assisted Mr. Burk, instructor of the local chapter of Future Farmers of America, in conducting a class on land capabilities and the Soil Conservation District program. This field tour and class took place on the John Miller farm northeast of Eldorado. Mr. Miller spoke to the boys regarding his conservation problems and the ob-

ligation he feels toward his soil. A total of 28 boys took part in this program.

Supervisors of the Eldorado Divide Soil Conservation District have undertaken to sponsor a land and grass judging contest late this spring. They are making a provision for awarding cash prizes to the winners. It is planned to divide the contestants into several different groups for the contest. The contest will cover grasses, native to this district, and the different classifications of land and soil.

The program will be in charge of the local personnel of the Extension Service, high school vocational agriculture department and the Soil Conservation Service, who are cooperating in planning the program.

Mr. and Mrs. Paris D. Burnham have rented the Otto Mund house recently vacated by Cullen Biggs and family, and their household goods arrived Wednesday. Mr. Burnham is the new manager of Wm. Cameron & Co., lumber yard.

**D. A. R. MEET'S**

The El Dorado chapter D. A. R. met recently in the home of Mrs. J. O. Willoughby with Mrs. L. W. Ballew and Mrs. John Ewing as co-hostesses.

The chapter was opened in regular form with the regent, Mrs. J. H. Luedecke presiding, and Mrs. J. F. Montgomery acting as chaplain in the place of Mrs. Bert Page.

The treasurer, Mrs. W. F. Meador, reported a balance of \$284.00. Mrs. Meador reported all material sent to the chairman of records in time to be sent to the bindery. Mrs. J. H. Luedecke, the regent, read the President General's message. Mrs. Ernest C. Hill gave a report on national defense.

Mrs. C. M. McWhorter by questions and answers gave an interesting and instructive history of the Flag and its correct use.

Mrs. W. O. Alexander gave Mrs. Hoover's paper on "Our Immigration Laws and their Effectiveness," material for which was furnished by Congressman O. C. Fisher.

Before the meeting a delicious and attractive spring luncheon of barbecued chicken was served to: Mrs. W. O. Alexander, Miss John Alexander, Mrs. Ernest C. Hill, Mrs. J. E. Hill, Mrs. W. F. Meador, Mrs. J. B. Montgomery, Mrs. P. K. McIntosh, Mrs. C. M. McWhorter, Mrs. Raymond Schrank, Mrs. Mabel Parker, Mrs. Luke Thompson, Mrs. V. G. Tisdale, Mrs. John Bailey, and Mrs. Bascom Cox of Ozona, and Miss Kitty Buchanan, guest.—Reporter.

**GIRL SCOUTS TO PRESENT PROGRAM AT WOMAN'S CLUB**

Miss Gerene Stansberry, executive director of Frontier Girl Scout Council, will be guest speaker at the meeting of the Woman's Club Tuesday, April 12 in the Memorial building. Girls Scouts and Brownies will be presented in a program under the direction of Mrs. Wesley Hayhurst, local training chairman. Mrs. D. F. Cox will be program leader and Mrs. Joe Edens and Mrs. L. L. Watson will be hostesses.

Mr. and Mrs. Sandy Donaldson and boys and Mrs. Way King visited Sunday in Junction with Mr. and Mrs. Bud Churchill.

Mr. and Mrs. Dial Mercer and baby of Robert Lee spent the week end with his mother, Mrs. Mae Mercer.

Janice Cales of Baylor is expected home today to spend the Easter holidays with her parents, Mr. and Mrs. George Cales.

**FASTEST KNOWN PAIN RELIEF  
 FOR ARTHRITIC, RHEUMATIC  
 VICTIMS—NOW AVAILABLE**

Seven "Film-Coated" Ingredients Offer Positive Relief

The crippling, torturing, twisting pain of Arthritis and Rheumatism may soon be forgotten, thanks to an exciting new laboratory discovery named Ar-Pan-Ex. Ar-Pan-Ex was perfected by a noted scientist of a world-famed university, working with all known facts about these crippling ailments. The result is a safe, easy to take tablet that promotes the fastest relief known from that stinging agony.

the powerful, pain-relieving medicine is released only in the small intestine where it can be quickly carried by the blood stream to every pain-wracked muscle joint and nerve. Swelling, stiffness and soreness may seem to be miraculously eased when Ar-Pan-Ex helps the system throw off excess Uric Acid that can also aggravate pains.

Nothing Like AR-PAN-EX. Nothing ever offered before can bring relief faster, more effectively or with longer lasting benefits than Ar-Pan-Ex. It may mean a renewed life of usefulness and pleasure to millions.

Why AR-PAN-EX Helps. Ar-Pan-Ex does not dissolve uselessly in the stomach—avoids stomach distress. Ar-Pan-Ex is scientifically "Film-Coated" so that ALL

Ask for genuine Ar-Pan-Ex today at any drug store for the kind of relief no other product can claim to equal. If your druggist is out of it, he will be glad to order it for you.

**DAR PROGRAM**  
The local chapter of the D.A.R. will sponsor a musical program at 8:00 p. m., April 14 at the First Methodist Church. The chapter sponsors a similar program each year on their project of advancement of American music. The entire program is made up of local talent and the public is invited to attend.

**GIRL SCOUT LEADERS MEET**  
The Girl Scout leaders met Tuesday night at the Memorial building to plan an outdoor training program which will be Thursday, April 21 from 9 a. m. to 2 p. m.

**PAT IS HONORED**  
Jana Walker, Donna Beth McCormick and Willa Higgins were hostesses at a birthday party honoring Pat Higgins last Monday. Mrs. E. W. Perry, Mrs. Herman Walker and Mrs. Bud Hall assisted the hostesses. Twenty girls were present.

**GA's MEET**  
The GA Girls met Monday afternoon at the First Baptist Church with 8 members and 1 leader present. The girls had a discussion on China. After the meeting they had refreshments at the drug store.

### ★ The Military ★

Mrs. Rance McDonald received word from her son, 2nd Lt. Melvin G. Harris, that he is in the Navy hospital at Atsugi, Japan, with a serious back injury.

Cpl. and Mrs. Benjamin D. Dusek arrived in San Angelo last week from Fairbanks, Alaska, where he was stationed at Ladd Air Force Base. Cpl. Dusek received his discharge at Ft. Lewis, Wash. The couple made the trip to and from Alaska in their own car. Mrs. Dusek is the former Carol Lynn Dickens.

Pfc. Melvin Owens, son of Mr. and Mrs. Marion Owens, is leaving this week for California to report back to his base after serving 13 months in the Marines and spending his 21-day furlough with relatives here and in Corpus Christi. He has been in the Korean area seven months.

Lt John Ochsner of Ft. Hood spent the weekend here with his parents, Mr. and Mrs. L. D. Ochsner.

PFC Alfred Ray Fore is visiting this week in the J. R. Trentham home. Alfred Ray, son of Mr. and Mrs. Albert Fore of Robert Lee, is a former resident of Eldorado. He has just completed 14 months overseas with the armed forces.

Lonnie L. Spears, son of Mr. and Mrs. Reuben Spears, is home on a 14 day leave from Fort Ord, Calif.

Following is a list of Schleicher County boys reclassified at the draft board meeting April 5:

- Porofirio A Arispe ----- 1A
- Jesus R. Cardona ----- 4F
- William D. Parker ----- 1S(H)
- Noble G. Hicks ----- 1C Res
- John L. Jones ----- 1C Res
- Jack S. Hodges ----- 5A
- Grover L. Johnson ----- 5A

### School News

Superintendent T. E. Holcomb accompanied by the following trustees Henry Speck, Jim O'Harrow, Gene Edmiston and W. V. Lux, attended the meeting of the Texas School Board Association at San Angelo College Thursday evening, March 31st.

After a dinner was served the State Commissioner of Education, Dr. J. W. Edgar spoke to the group on the results of five years of operation of Texas schools under the minimum foundation program.

The finding of the Texas Research League were revealed to the approximately 200 trustees and school personnel. Some facts revealed were the need of more reorganization into larger units; some 2000 new teachers will be needed each year for the next ten years not counting replacements; state apportionment should be based on attendance rather than census; and that local fund assignment be made on property values rather than county income.

The Texas Research League commended the Gilmer-Aiken program, but the above recommendations were made for its improvement.

The Eldorado chapter of the Future Farmers of America was honored with the presence of Bud Hale of Lamesa as speaker for the father-son banquet Friday, April 1st. Bud is vice-president of the Texas Association of Future Farmers of America. Preston Montgomery, president of the Lamesa chapter, accompanied Bud on his visit to Eldorado.

The local chapter and its advisor, Mr. Burk, wish to thank every one that helped make the initial banquet a success. The chapter is especially grateful to Sam McGinnis, Jess Walston and Chan Whitten for furnishing the meat and to Mr. and Mrs. Odis Harris for preparing the food. About 55 were present for the banquet.

The livestock judging team entered the Alpine judging contest Saturday. Jimmie Whitten won first as high individual in the livestock contest. Jimmie was also second high in the hog division. Billy Williams was fifth in the hog division. The Eldorado team finished first in the hog division and tied with Alpine for 4th place in the sheep division. The team won 6th in the livestock contest. The boys on the team were Jimmie Whitten, Billy Williams, and Bobby Williams. Tony Cheatham was alternate. This was the last contest until the area contest in Lubbock April 30.

Ila Jean Boyer and Janna Sue Walker placed 1st and 3rd respectively at the district literary events meeting held in Sonora, April 2. Both girls will represent this district in typing at the regional meet to be held in Brownwood.

### Experiment Station Plans Field Day

Sonora, Mar. 30. — The Texas Agricultural Experiment Station at Sonora will hold its annual field day Saturday, May 7, Dr. W. T. Hardy, superintendent has announced.

The field day climaxes a 224 day feeding period testing rams for their rate of gain, and production of length of staple and pounds of clean wool in cooperation with sheep breeders.

An auction sale of many of the tested rams will be held during the day which also will include an inspection of the pens of rams on test, discussion of research in the sheep and goat industry and a barbecue lunch.

Dr. Clair E. Terrell, in charge of sheep research at the Western Sheep Breeding Laboratory of the U. S. Department of Agriculture in DuBoise, Idaho, will be the principal speaker, Dr. Hardy concluded.

Mr. and Mrs. Gilbert A. Love attended funeral services for her grandfather, Frank Braden, at Junction Tuesday afternoon. Mr. Braden, who was 95 years old, had been ill about two months.

Milton Faught took his father, W. F. Faught, to Dallas last Friday for a medical check up. They are expected home today.

**SKIN ITCH HOW TO RELIEVE IT. IN 15 MINUTES.**

### HIGHER PROFITS ON SOIL PROGRAM OF FERTILIZATION

Higher profits await farmers who send their crops deep for water with a soil program of fertilization and crop rotation.

Well fertilized corn, for example, actually sends more elaborate root systems deeper to tap new water supplies, and yields more abundantly, M. K. Thornton, extension agricultural chemist, explains.

Thornton cites tests in Missouri where a six-year average yield of 100 bushels of corn was produced on well-fertilized plots in a corn-oats-meadow rotation. Only 23 bushels were harvested from untreated plots in a corn-oats rotation plan. In the extremely dry year of 1953 these same plots yielded 79 and 18 bushels of corn respectively.

The studies showed that corn on well-fertilized plots actually got a seventh more water than the others. The additional came mostly from the subsoil, out of reach of the weaker root systems.

While higher yields came partly from greater water consumption, Thornton explains that the big increase came from more efficient use of available water—5,600 gallons to the bushel with good management and 21,000 gallons without.

Good management pays in other ways, too. Water run-off averaged about three inches per growing season from unfertilized corn, and less than one inch from fertilized corn in the four-year rotation. Soil losses were proportional, two and one-quarter tons to one-half ton, respectively.

### Rev. Nelson Receives Honorary Doctorate

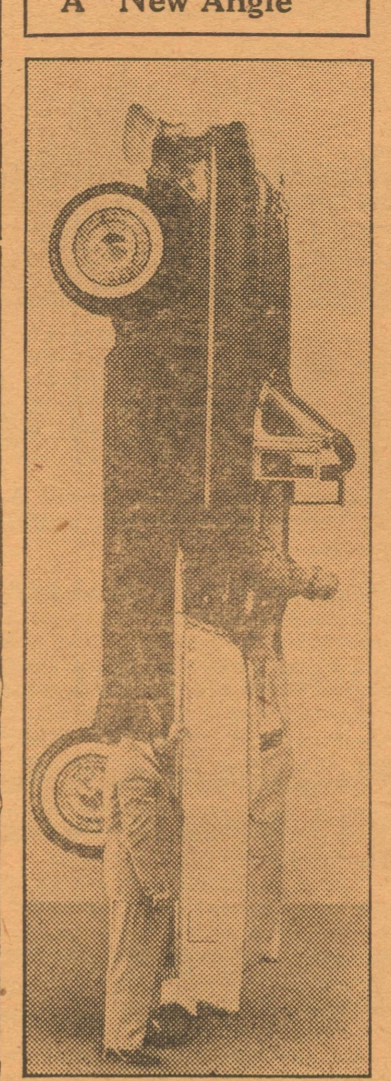

Rev. Clifford Nelson, who is living in Brownwood where he is connected with Baptist work, received an honorary doctor's degree from Howard Payne in special services at the college Wednesday.

While a complete list of those from here who attended is not available, it is understood that the following were in attendance: Mr. and Mrs. Frank Kinser, Mr. and Mrs. Jack Halbert, Mrs. George Cales, Miss Louise Kuykendall, Mr. and Mrs. Fred Watson, Mr. and

Mrs. Will Whitten, and Doug Yates. Rev. Nelson is a former pastor of the First Baptist Church in Eldorado.

The Eldorado polo team won over Loma Alta Sunday afternoon with a score of 8 to 3.

### A "New Angle"

You will never see a car in this position, but Chevrolet engineers did recently, when they hung the car by the front axle to make X-frame pictures. The man behind the wheel knows how the Navy's XFV-1 "Pogo Stick" plane pilot feels when he's ready for a vertical takeoff. The chain holding the convertible has been retouched out of the picture.

### Deacons Entertained

The quarterly dinner for the deacons and their wives was held Monday night at the First Baptist Church.

Guests were Mr. and Mrs. W. T. Whitten, Mr. and Mrs. J. C. Ratliff, Mr. and Mrs. Edgar Spencer, Mr. and Mrs. Roy Phelps, Mr. and Mrs. T. P. Robinson Jr., Mr. and Mrs. L. M. Hoover, Mr. and Mrs. J. F. Kinser, Mr. and Mrs. Truett Stanford, Mr. and Mrs. Perry Mittel, Mr. and Mrs. George Cales, Mr. and Mrs. Allen Kuykendall, Mr. and Mrs. Bill Rountree and Rev. and Mrs. J. C. Hancock.

Hostesses at the dinner were Mrs. Spencer, Mrs. Robinson, Mrs. Whitten and Mrs. Kuykendall.

The primary, kindergarten and nursery classes of the Presbyterian Sunday school will have an Easter egg hunt at the home of Mr. and Mrs. Wilson Page tomorrow afternoon.

Mrs. Velma Hodges and son, Kenneth, and Mrs. Wanda Atkinson of Mertzon visited in the W. O. Faulk home Sunday.

Texas Almanacs — Success Office

### New Babies

Lt. and Mrs. Donn A. Byrnes are the parents of a new baby girl, Kathleen, born Sunday, April 3 at 4:00 a. m. in Base Hospital, Larson Air Force Base, Washington. Mrs. Byrnes is the former Lola Beth Ballew, daughter of Mr. and Mrs. Lewis Ballew of Eldorado, Mrs. V. G. Tisdale of Eldorado and Mrs. Ella Ballew of San Angelo are great grandparents.

Mr. and Mrs. A. D. Evans are the parents of a baby boy, Alfred Wayne, born March 27 in Lubbock. Mr. and Mrs. Evans live in the Nolan McDonald house. He is employed by Pohly Exploration Co.

Born, March 26, in a Corpus Christi, a son to Mr. and Mrs. Earl Musick of Corpus Christi. The new baby has a sister, Vickie, age 8 1/2. Mr. and Mrs. Marion Owens are grandparents and Mrs. Rosa Owens is a great grandmother.

# State Capitol NEWS

Austin.—Two big proposals for the state's water conservation program won in the Senate.

One is Sen. Dorsey Hardeman's \$100 million state bond issue for aid to local projects. It calls for a constitutional amendment vote in September. The other is an enabling bill to start operations if and when the amendment is passed.

House sponsors on this, and on the Parish \$200 million bond bill to aid local projects have delayed calling for final action. They don't think they have enough votes.

### Tax Blank

An openly hostile revenue and taxation committee shunted Rep. Jerry Sadler's \$160 million-a-year gas processing tax bill to sub committee. It would levy a 1-cent tax on all Texas gasoline and repeal the 4-cent gas sales tax. Opponents said it would bring a 19-cent cut in crude oil prices, costing Texas \$190 million a year.

The committee left buried the two bills embodying Gov. Shivers' original tax program. It included a 2-cent hike in the 4-cent gas tax and a 1-cent boost in the 4-cent cigarette tax. This confirmed last week's report that administration forces had abandoned the two single-shot revenue bills and pinned new hopes on Revenue Chairman Stone's omnibus bill. It would permit increases in any of the 100-odd present taxes.

### Land Case

Bascom Giles' legal troubles mounted when a group of San Antonio GIs filed a civil recovery suit in 53rd District Court. Asking \$33,000 judgement against Giles, the veterans charged that he made that much in "personal profit" out of a veterans land deal.

At the latest count, Giles faced two criminal indictments, charging conspiracy to commit theft of state funds and accepting a bribe; four felony theft charges, and four civil recovery suits. Twice Giles has refused to testify in court about the veterans land scandals and charges against him.

"Open Door" Bills  
Attorney General Shepperd has

expressed "deep hope that action will be taken on the Open Door to Good Government bills during this session of the Legislature."

Most of the bills have been reported favorably by House committees, he pointed out, but some still are being held for further committee study.

"They are sound, logical proposals to aid better government in Texas, to give the people a bigger voice and to more quickly reveal official wrong-doing," he said.

Shepperd referred to 13 bills dealing with full public disclosure of public records and funds. All are pending in the House of Representatives. Most of the 13 bills have been introduced and are backed by the Texas Press Association and other groups interested in good government.

### Cross Filing

Cross filing in political races is out as the result of a bill passed by both houses and signed by the Governor. This bill by Representative Maury Maverick of San Antonio, removes from the law a sentence allowing candidates to run "as the nominee of two or more political parties for the same office." Controversy arose over cross-filing when Governor Shivers and other state candidates were listed in 1952 as the nominees of both the Democratic and the Republican parties.

Mr. and Mrs. Delbert Taylor and family spent the week end in San Angelo with Mr. and Mrs. R. R. Hamilton.

Dr. and Mrs. M. G. Holcomb, Sandra and Rhonda of El Paso visited in Eldorado from Thursday to Saturday.

Mrs. Lewis Tisdale of Menard spent the week end with Mrs. V. G. Tisdale.

Mr. and Mrs. Houston Thigpen spent Saturday and Sunday visiting in Abilene.

Mr. and Mrs. C. H. Derrick of El Paso arrived Wednesday of last week for a visit with their son Howard Derrick and family. Both families visited in Austin over the weekend.

Mr. and Mrs. Cecil Templeton of San Angelo visited Sunday with Mr. and Mrs. W. S. Carrell.

Mr. and Mrs. Edward Gibson of Seminole are visiting Mr. and Mrs. W. S. Carrell and Mr. and Mrs. Vermon Gibson.

## News From Our Neighbors

### School Contract Let

Low bid of \$134,881 for construction and improvements at the Junction high school was accepted by the Board of Trustees of the Junction Independent School District Tuesday afternoon when bids were opened and read. W. C. Ruthford & Son of San Angelo, successful bidder, said their firm will be ready to begin work in 10 days after the contract is completed. The contract will allow 160 working days.—Junction Eagle.

### New Trial Set

The trial of Leonard Lionel Bingham, charged with the murder of Mrs. Jo Ethel Lambert here March 4, 1954, has been set for May 9 in Fort Stockton by Judge Jim C. Langdon, of the 112th District Court.

Bingham was tried last spring in Junction and was given the death penalty. The Court of Criminal Appeals ruled that Bingham had been convicted illegally because of the fact that an unpardoned ex-convict was a member of the jury.—Devils River News.

### Flood Control Considered

An article under a Temple, Texas dateline, appearing in the Sunday Fort Worth Star-Telegram gives promise that a decision soon may be reached by the State Soil Conservation board in Temple on Crockett County's application for funds to carry out a flood prevention project on Johnson Draw above Ozona.—Ozona Stockman.

### School Head Elected

At a meeting of the Mertzon school board last Tuesday night the board elected James T. Lowe superintendent. The vacancy occurred recently when Joe Scrivner of Rankin resigned to accept the school at Rankin.

Mr. and Mrs. Lowe come to Mertzon from Knott, Texas, where he has been superintendent of the Knott High School; prior to that

time he had been superintendent of the Eola school four years. He has had 14 years in the teaching profession.—Mertzon Weekly Star.

### Ore Discovered

Carnotite type uranium ore has been discovered five miles north of Lajitas in southern Brewster County, A. D. O'Neal of Universal Service Mining Corp., announced Thursday. Two representatives of the Atomic Energy Commission were due to arrive in Alpine by plane this afternoon to inspect the new find, which is located in the face of a limestone mountain in Section 49, a mile east of the Presidio County line.—Alpine Avalanche.

### Drive Goes Over

For the seventh consecutive year at least, the Eden Chapter has exceeded its American Red Cross quota—this year by a margin of \$71.00, on the incomplete returns on Wednesday. The 1955 call of \$465.00 was the smallest quota since 1949, and each year since that time Eden has met or exceeded the set quota.—Eden Echo.

### Robert Lee Grows

Robert Lee's population today is near the 1,600 figure! It is a gain of 50% during the past five years, since the 1950 census showed Robert Lee to have 1,069 people.

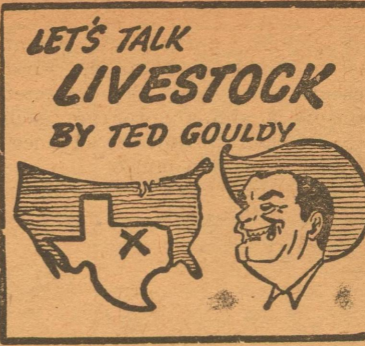

The new population estimate is based on reports from both the West Texas Utilities Co., and the City Water Department.—Robert Lee Observer.

Sammie Lee Stewartson of Fort Stockton visited here from Thursday to Sunday with Mrs. E. W. Mund and family.

Leslie Woullard and Miss Ada Woullard spent the week end in San Angelo.

Mrs. E. R. Bryant visited in Sonora Sunday with Mr. and Mrs. Sid Rogge and children.

Mrs. Earl Yates and children and Mrs. E. H. Sweat Jr. visited Mrs. O. Morris at DeLeon last week end.

Ft. Worth. Cattle and calf prices were inclined to be on the low side of steady in most cases Monday at Fort Worth. Buyers point to a number of factors as influencing the trend, despite the fact that runs reported around the nation were somewhat below a week earlier.

Most important factor in the weakness of fat cattle and fat calves is the expected domination of the Easter dinner tables by ham and turkey. Nationwide promotion of Easter hams as handled by the National Livestock and Meat Board has all the purveyors of red meat certain that ham will dominate the holiday board.

Another factor that weakens the immediate cattle trade is the continuation of sub-normal moisture in much of the Southwest and the accompanying blowing of the soil. Even the most optimistic cattle buyers are wary of going into the summer without a season in the ground, and much of the Southwest needs rain right now.

Fed steers and yearlings and cows opened steady to 50 cents lower. Stockers and feeders were mostly 50 cents lower. Fat calves and bulls sold about steady at Ft. Worth Monday. Fat cows drew \$12 to \$14.50, and canners and cutters sold from \$8 to \$12. Bulls \$10 to \$15. Fat calves \$21.50 down. Stocker calves and yearlings \$16 to \$22.

A good recovery from the lows of last week in sheep and lamb prices continued at Fort Worth Monday. Average prices of most sheep and lambs were fully \$1 and

in sport \$1.50 to \$2 above the extreme low spots of last week's trade.

Good and choice fat spring lambs drew \$20 to \$23, and shorn fat lambs cashed at \$19 down. Old wethers drew \$13 down. Old ewes sold from \$5.50 to \$7, and old backs drew \$4 to \$5. Yearling muttons sold around \$16 down.

Good and choice butcher hogs topped at \$18.25 at Fort Worth Monday. This was 25c above the close the week before. Less attractive butchers sold from \$17 to \$18, and packing sows sold for \$14 to \$16.

### First Baptist Circles

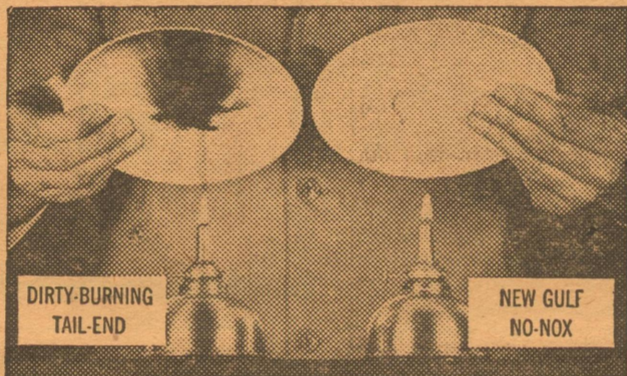

The WMU circles of the First Baptist Church met Monday afternoon at 4:00 as follows:

Circle 1 met in the home of Mrs. J. F. Kinser with Mrs. R. E. Cheat-ham in charge of the business meeting. Mrs. Ruth Finnigan reviewed the first three chapters of the book "The Larger Stewardship" Refreshments were served to 7 members and one new member.

The Katherine Cozzens circle met in the home of Mrs. L. M. Hoover. Mrs. E. H. Dannheim announced that boxes would be sent to the orphanages the last Monday in April. Mrs. Mattie Cozzens gave the lesson and refreshments were served to 8 members and Mrs. J. C. Ratliff, a guest.

The Bagley circle met with Mrs. W. T. Whitten with Mrs. John Luedecke presiding. The circle voted to send Ruth Langley, the scholarship student, \$2.00 and cards on her birthday. Mrs. W. N. Ramsay taught the lesson. Refreshments were served to 8 members and one visitor.

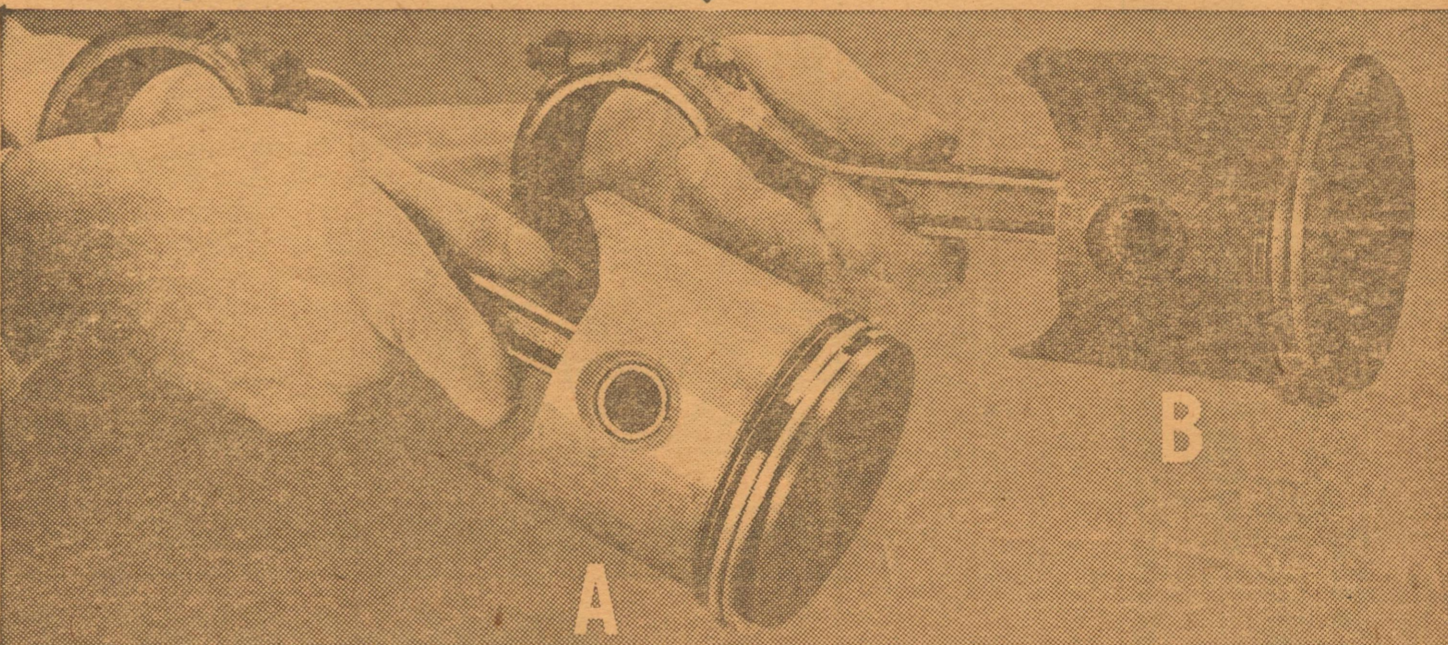

Circle 4 met with Mrs. W. M. Rountree with Mrs. T. P. Robinson Jr., in charge. It was announced that there will be a WMU meeting of the Concho Valley Ass'n at Park Heights Baptist Church in San Angelo April 19. Mrs. Charles Love brought the lesson. Refreshments were served to 9 members and 2 new members.

This lamp test shows what a difference Gulf super-refining makes. Gulf refines out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new, clean-burning Gulf NO-NOX.

1955 No-Nox burns clean like this...

and protects your engine like this!

Compare clean piston "A" from engine using new NO-NOX with piston "B" from engine using the "dirty-burning tail-end" of gasoline that Gulf refines out. Both pistons shown here, from Gulf test engines, ran the same number of hours under the same conditions.

what's more... No gasoline—no, not a single one—has higher octane than

## New 1955 GULF NO-NOX

This is GULF'S PLEDGE to the motoring public

- We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.
- It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest—in power, in performance, in engine protection.
- This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the integrity—of the Gulf Oil Corporation.

Always remember: Octane alone is not enough. Only a gasoline that burns clean can make its full octane power really work for you. New NO-NOX is super-refined to burn clean for lasting power. Fill up and feel the difference in:

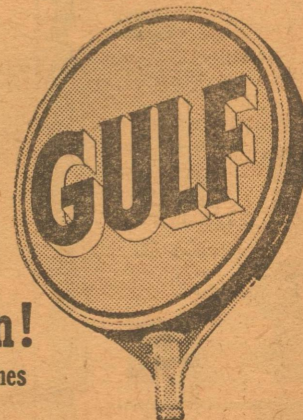

- More complete protection than with so-called "miracle-additive" gasolines.
- Extra gas mileage in short-trip, stop-and-go driving motorists do most.
- Stall-proof smoothness . . . instant

It's super-refined... to burn clean!

The '55 gasoline for all high-compression engines

starts . . . fast, fuel-saving warm-up.

- No knock, no pre-ignition—even in today's high-compression engines.

### Presbyterian News

Sunday, Sunday school 9:45. Morning worship 11:00. Youth Fellowship 6:00. Evening worship at 7:30.

Monday: The Women of the Church will meet in circles. Stated session meeting 7:30.

Wednesday: Crusaders meeting 4:00. Choir rehearsal 4:00. Mid-week meeting 7:30.

Thursday: Boys' Club meeting 7:00.

Saturday: Pioneer Conclave in Ballinger at 10:00 a. m.

One of the high lights of the Easter morning worship will be the Sacrament of Infant Baptism. Infants are baptised upon the faith of the parents, and in a covenant of dedication in which the parents covenant with God to pray for and with the child, to teach him the principles of the Christian religion, to set before him the example of godliness and piety and to bring him up in the nurture and admonition of the Lord.

We find our duty for such practice, like other beliefs of the church in Holy Scriptures. In every covenant God has made with man, the family, with the children have been included. With Noah, Gen 9:9; with Abraham, Gen. 17:7; with the Prophets, Isaiah 65:23; the words of Jesus, Matt. 19:14 and John 21:15. Peter understood that the promise was to children as well as parents, Acts 2:39.

Infant Baptism was practiced from apostolic times. We read of Lydia and her household, Acts 16:15; the Philippian jailer and his household, Acts 16:33; and in Acts 18:6 we read where "Crispus, the chief ruler of the synagogue, believed with all his house." And in 1 Cor. we read where Paul says that he baptised "the household of Stephanus." The history of the early Church, before it became Roman Catholic, shows that Infant Baptism was a common practice. We do not believe that the Sacrament saves the child but it is a beautiful and sacred seal of a covenant that has come down to us from the very beginning of the Christian Church and we are happy to celebrate the sacrament.

The Pioneers of the Church will attend a Conclave in Ballinger next Saturday, leaving here about 8:30 and returning about 3:00. This will be the first Conclave for our group and we are looking forward to it.

Mr. and Mrs. Joe H. Moore are visiting in the homes of Mr. and Mrs. B. E. Moore and Bob Whitley.

### Methodist News

On Sunday morning, the children's choir of the Methodist church, with Mrs. Wesley Hayhurst as director, and the adult choir with Mrs. Ernest Hill as director, will present the Easter music as a combined choir. There will be infant baptism, and the Easter message by the pastor. At the Sunday school hour, the opening services will be presented by the children's division at 9:45.

The annual men's Brotherhood fishing trip will take place April 22 and 23, and committees are already at work on preliminary plans.

The vacation Bible school will be held from May 30 to June 10, with Mrs. Palmer West in charge. She and her workers met in a planning session Wednesday afternoon.

### Thought For The Week

Ministerial Alliance

#### "I Don't Have Time"

Tomorrow morning, April 8th at 10:00 we are called to worship in a union service, in memory of what happened some 1925 years ago. Jesus, the only begotten son of God, who had all the power he could ask for, allowed wicked and thoughtless men to nail him to the old rugged cross that he might pay the price of sin and in so doing he satisfied divine justice and all who will trust in him will live thruout eternity.

How many in Eldorado will take time out to go and pay homage to the one who died for us. Are we saying, "I don't have time!" Jesus was the busiest man who ever lived but he took time to die for us. Was he talking about us when he prayed "Father, forgive them, for they know not what they do."—James L. Spencer.

#### EGG HUNT SCHEDULED

The nursery, kindergarten and primary classes of the First Methodist Sunday school will meet Friday afternoon at the church for an Easter Egg hunt. Five children are to meet at the church at 3:00 p. m. to practice for the Sunday school program. The egg hunt will begin at 4 and be over at 5. The children are to bring their Easter baskets but no eggs.

Mrs. D. E. DeLong and Mrs. S. D. Harmon took Mrs. Johnson home to Hamilton Wednesday. Mrs. Johnson has been visiting with Mrs. DeLong for two weeks.

Dwight McClatchey of Midland visited Friday night and Saturday with his mother, Mrs. W. H. McClatchey.

Mr. and Mrs. Sam E. Jones Jr., and children spent most of last week in Sonora visiting her mother, Mrs. H. L. Taylor of Del Rio, who was in the Sonora hospital. Mrs. Taylor was dismissed from the hospital Saturday and returned to her home.

Mr. and Mrs. Truett Stanford

attended funeral services at Brady Monday for D. L. Waldrip of Melvin.

Mr. and Mrs. Travis Perry and girls of San Angelo visited Sunday in the home of Mr. and Mrs. Fred Watson.

Weekend guests in the home of Mr. and Mrs. L. Wheeler were Mr. and Mrs. H. F. Herring of Honda.

Mrs. Way King visited relatives in Mason Thursday.

Joe Logan of Sonora spent last Sunday with Mr. and Mrs. Marvin Logan.

Mr. and Mrs. Jake McCoy and family visited in Brownwood Saturday and in Brady Sunday.

Mr. and Mrs. Oles McMillan of Melvin spent the week end with her parents, Mr. and Mrs. C. E. Stone.

Billy Galbreath of Sonora visited with his mother, Mrs. H. L. Galbreath Monday.

Big news about

## Buick's 4-Door Riviera

THIS brand-new kind of automobile—the sensation of all the Auto Shows this year—is now rolling off the Buick assembly lines in volume numbers. That's the first news.

And the second is just as wonderful—this dramatic new model is very definitely everything that eager buyers hoped it would be.

For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear-seat passengers—plus rear-compartment room big as a Buick-size family sedan.

It comes breezing in with all the low-lined sweep and wide open visibility of Buick's original 2-Door Riviera—and with luxurious new spaciousness in

its sizeable and full-length 4-door body.

With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides.

You find rear doors are hinged at their front edges to swing wide and free, and assure easy entrance and exit.

And you'll find legroom, headroom and hiproom extra-generous both front and rear—with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.

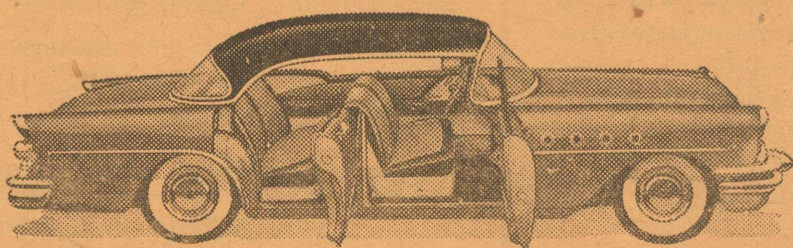

Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CENTURY Series.

So you can pick your 4-Door Riviera with the potent performance of a 188-hp or 236-hp Buick V8 engine—the swift get-away and gas saving of Variable Pitch Dynaflo—the velvet stride of the Million Dollar Ride—the long list of Buick bonus features at no extra cost—and all at "great buy" prices that have helped move Buick into America's "Big Three" of best sellers.

But—better come see us about the 4-Door Riviera now.

With all-out production—and a prompt order—this newest excitement in cars will be yours that much sooner.

\*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

## DISTRICT P. T. A. MEETS IN DEL RIO MARCH 29, 30

Mrs. Sidney P. Bolding of San Angelo, PTA president of District 6, presided over the 34th annual Spring Conference held in Del Rio March 29 and 30.

Mrs. Palmer West, 5 county council president, Mrs. J. C. Ratliff, vice president of Schleicher and Sutton counties, and Mrs. Archie Mittel, chairman of Endowment Fund, Founders' Day and Texas Congress Birthday, attended the Board of Managers meeting which was held at the Roswell Hotel Tuesday, March 29.

Mrs. West, Mrs. Ratliff, Mrs. Mittel, T. E. Holcomb, school superintendent, Joe Andrews, high school principal, Mrs. Pete McBurnett, incoming president of the local unit, and Mrs. Joe Wagley, incoming secretary of the local unit attended the regular session Wednesday, March 30. Mrs. Ratliff and Joe Andrews conducted swap shops and Mrs. Mittel and Mrs. West were swap shop consultants.

Mrs. Ratliff, chairman of district registration, reports a total of 157 registered. There were 9 district officers, 10 district chairmen, 2 county council presidents, 1 city council president, 18 local unit presidents, 2 state board members and 115 delegates.

State representatives present were Mrs. J. K. Bradley of Rice, state vice president; and Mrs. W. S. Pickett of Karnes City, state chairman of Spanish-speaking service.

Special guests were Robert H. Mayfield of San Angelo, coordinator of instructional aids, and superintendents and principals.

The Eldorado unit received a grade of very good on the publicity book which was compiled by Mrs. John Stigler and an A on the year book which was compiled by Mrs. Ed Meador. This unit also received a 100% rating on all work requirements for the year. These include the year book, endowment fund, state birthday, founders day and national headquarters.

Seven life memberships were awarded and two national life memberships were awarded to this district. Mrs. Edwin Jackson was awarded a national life membership.

The members of the nominating committee appointed at this meeting are: Mrs. Chesley McDonald of Sterling City, chairman; Mrs. Roy Bogusch of Sanderson, Mrs. Glenn Russell of San Angelo, Mrs. Palmer Vest of Eldorado and Mrs. H. L. Hartgrove of Paint Rock. Alternates for this committee are Mrs. J. B. Pena of Del Rio, Mrs. John M. Robertson of San Angelo, Mrs. H. C. Green of Water Valley, Mrs. J. C. Ratliff of Eldorado, and Mrs. Carl Pfluger of Eden.

Del Rio, San Angelo and Big Lake issued invitations for the 1956 Spring Conference. The place will be chosen by the board of managers at a later date.

## LIBRARY NEWS

The Eldorado Public Library received a number of new books this month. Mrs. Agnes R. Jeffers gave 35 volumes to the library. Among them are included the following: Kabloona, The Signpost, % Postmaster, and Danger is My Business.

Two books were received this month in memory of S. L. Stanford. These are Letters to Young Churches, given by Mr. and Mrs. H. C. Noelke Jr., of Sheffield, and Here's A Faith For You, given by the Archie Mittel family.

The latest Guild books are: My Zoo Family, Around the USA in 1000 pictures; Sincerely, Willis Wayde; and Coromandel.

Britannica, the Book of the Year 1955, is now in the library.

The public is invited to visit the library and make use of all the books.

Judy Beicher of San Angelo spent the week end with her grandmother Mrs. Rutha Meyer.

## 5 County PTA Council To Meet Saturday

The PTA 5 county council will meet in San Angelo Saturday, April 9. The executive board will meet at 9:30 and the regular assembly at 10:30.

All incoming officers are urged to be present says Mrs. Palmer West, president of the 5 county council. Especially urged to attend are the president, council representative, council alternate, superintendent and principals and council officers.

This is an open session so any interested PTA member is invited. Luncheon, at \$1.25 per person, will be served following the meeting.

Mr. and Mrs. J. H. Mace and Paula, and Mrs. Sonny Stanford and baby spent the week end in Ft. Worth with his parents Mr. and Mrs. E. B. Mace. They also visited Mrs. C. L. Thornton and Mrs. Elsie Holloway.

Mrs. J. W. Reese of Ballinger and Mrs. Ray Reese and two children of Bastrop visited last week end with Mr. and Mrs. Pete Ringle.

**JUNIOR WOMEN'S TEA**  
The Junior Women's Club will entertain with a tea at 3:30 p. m., April 14 in the club room at the Memorial building honoring Miss Ethel Foster of Sterling City. Miss Foster is chairman of International Clubs for the General Federation of Women's Clubs. Members of the Woman's Club will be guests at the tea.

**BIRTHDAY PARTY**  
Clay Meador was 4 years old last Wednesday and in honor of the occasion his mother, Mrs. Billy Frank Meador, entertained 11 children and 7 mothers with a birthday party at her home. The western theme was carried out in decorations, refreshments, and favors. The decorated cake was served with ice cream and soft drinks. Western color books and balloons were given as favors.

**BIRTHDAY PARTY**  
Mrs. Lee Jennings entertained with a birthday party at her home honoring her daughter, Patsy, who was five years old. Birthday cake, cookies, punch and coffee were served to 15 children and seven mothers.

## ATTEND FUNERAL

Mr. and Mrs. Claude Doyle, Mrs. Will Doyle, and Mrs. Ruby Dameron of Eldorado and Mrs. G. S. Roberts and son of Ballinger attended funeral services for Lem Doyle, age 79, at Nicks Cemetery near Lampasas, last Thursday afternoon. Lem, a brother of Will Doyle, died at the home of his son in Seguin, last Monday.

Mr. and Mrs. Edwin Childers and family and Sue Henry spent the weekend with Mr. and Mrs. C. W. Sudduth and baby at Lovington, N. M.

Mrs. O. Wilson of San Angelo visited in the R. L. Wilson home last week end.

## CIRCLE MEETS

The Dora Lee Circle met at the First Methodist Church Monday afternoon with 7 members present. Mrs. Dwight Wiedenmann was program leader and Mrs. Luke Thompson Jr., was hostess.

Mrs. Ruby Dameron spent the week end in McCamey visiting in the Jack Dameron home. Donald Robinson and a friend, both of Ballinger, accompanied her home Sunday. The boys returned home Monday.

Mr. and Mrs. Howard Mittel and baby of A&M are spending the Easter holidays here with Mr. and Mrs. Frank Clarke and Henry Mittel and family.

## No other low-priced car even comes close to matching these important Chevrolet advantages...

**If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Motoramic Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.**

**The beauty's built in—not bolted on!** And that makes a big difference—not only in how your car looks today, but in how it will look tomorrow, too. Chevrolet's good looks spring from fine, clean, uncluttered design. The beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

**The Body's by Fisher!** No other low-priced car has a Body by Fisher—but many of the high-priced cars do. That fact alone tells you there must be something extra special about the style, quality and construction of Body by Fisher. And there is! You can see it, feel it and even hear it when you slam the door.

**Today's most modern engines!** That goes for Chevrolet's new V8 and two new sixes as well. For example, all Chevrolet engines bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. This means quicker cold weather starting and a greater electrical reserve. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry,

and develops the highest power per pound of any V8 in the low-price field. It takes valve-in-head leadership like Chevrolet's to bring you truly modern engines like these!

**A drive to suit your driving!** You can take your choice of three different drives—and every one's as modern as this minute. There's silky, peppery Powerglide, new Overdrive (both extra-cost options), and a new Synchro-Mesh transmission that's as smooth as they come.

**All the power helpers you want!** Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish.

And you can even have air conditioning if you like. These things are extra-cost options, of course, but they more than repay you with extra pleasure.

**Fun is "standard equipment"!** You find that out the first time you take the wheel of a new Chevrolet. Here, you discover, is a car that takes the curves like it's on rails, that steers like it's reading your mind. It seems simply to ignore bumps—and when you stop suddenly, there's no excessive lurching or diving, either. There has never been such a difference in low-priced cars as there is today—or so many good reasons why you should drive a new Chevrolet. Come in and take the key.

Over Ten Million Chevrolet owners—Two Million more than any other car!
