Accident Rate Up

According to reports there have been quite a few automobile accidents in the last 35 days in McCamey. About eight have been reported on the city streets of McCamey.

Fred Moore, Chief of Police, stated that the cause of most of these accidents was that people are mostly too careless with stop signs, yield the right-of-way signs, and amber lights. Also, he stated that the majority of people drive too fast; that while the city speed limit was 30 miles an hour, it was too fast in a number of dangerous spots. —McCamey News.

Junction Enrolls 659

Fifty additional registrations since Monday morning in the Junction Public Schools raised the total enrollment this week to 659, and registrations are continuing daily, Sherman T. Rimes, high school principal reported.

Twenty of the additional registrations were in high school. Initial registration by grades include seniors, 40; juniors, 40; sophomores, 44; freshmen, 46; 8th, 49; and 7th, 57. —Junction Eagle

Sitting House Opened

George Parks, local man, has opened a uranium sitting house in Mertzon. It is located in the building formerly occupied by Sadie's Beauty shop.

Thousands seeking relief from aches and pains have been visiting sitting houses in Brown, Eastland, and Comanche counties. Mr. Parks decided to do something about it so he brought a truck load to Mertzon. Folks who have been going to those counties can stop over in Mertzon and sit in the sand. —Mertzon Weekly Star.

Disease Breaks Out

Equine Encephalomyelitis (sleeping sickness of horses) has struck Pecos County in recent days, and two horses in the Ray Claver group have died in recent days.

Claver, Ft. Stockton oilman and rancher, is one of the best known breeders of quarter horses in this area, and runs his stock on the old INK ranch 20 miles north of Fort Stockton and on his farm 3 miles north of Ft. Stockton on Block 1. —Ft. Stockton Pioneer.

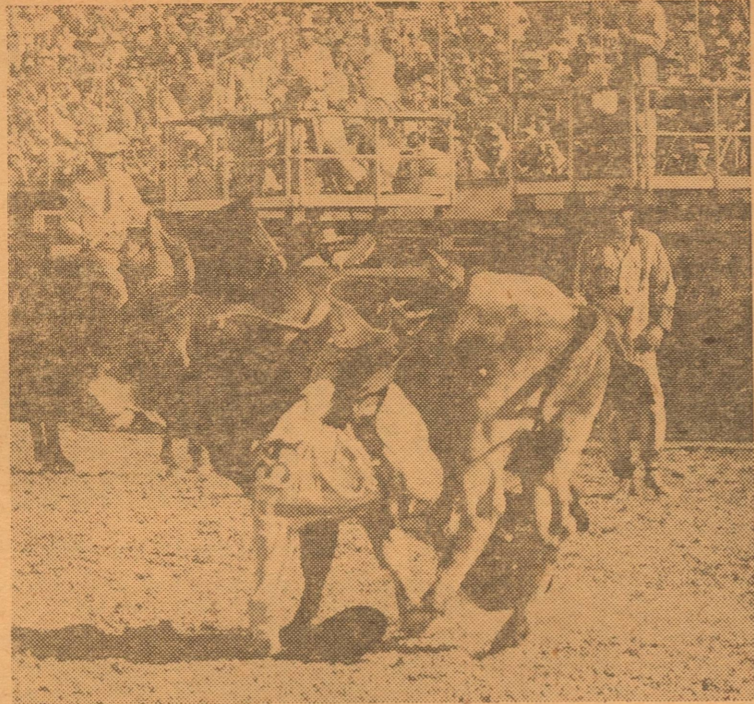

Church To Open

At 3:00 next Sunday afternoon the new Silver Methodist Church building will be formally opened in services conducted by Rev. L. Eugene Harris of San Angelo. This will mark the completion of the building program initiated a year ago when, on Sept. 12, the congregation was officially organized as a Methodist Church.

Since that time the church has met for classes and worship first in the Silver Baptist Church, then in the School Auditorium. On April 18 this year ground was broken for erection of the building. —Robert Lee Observer.

Five Sisters, Brother Spend Weekend At Edmiston's Ranch

Five of the sisters and a brother were together during the weekend at the Grati Edmiston Ranch, with Mrs. Grati Edmiston as hostess to the family, and the mother, Mrs. J. I. Davenport of Katey, the honored guest. A barbecue supper was served to the group one evening, at which Mr. and Mrs. Clifford Schooley and children Cliff and Loretta of Eldorado joined the relatives.

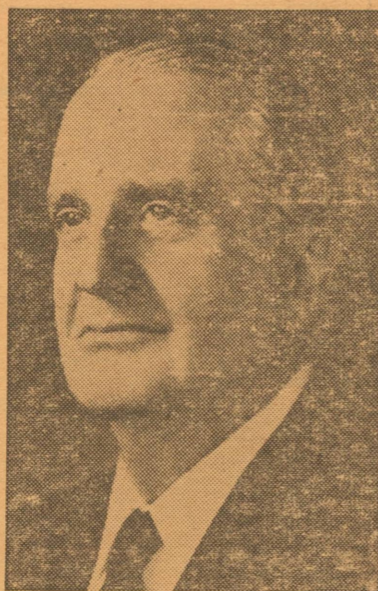

Present for the occasion were four of Mrs. Edmiston's sisters, Mrs. Anna Kidd of Mason, Mrs. Maude Lindley of Carrizzo Springs, Mrs. Willie Walker and Mrs. Alice Armour and her husband of Eden; a nephew, Lindley Watkins and his wife and children Barbara Lynn and Johnnie of Eden, also the Edmiston, who live on a ranch in Schleicher County.

Donna Beth McCormick left Tuesday for Austin to enroll at the State University for her Freshman year. She will room at 1909 Rio Grande, with Beth Shilling of Mission, at a boarding house at which ten girls make their home. Her mother, Mrs. Don McCormick and her aunt, Mrs. Howard Stephenson, took her to Austin and returned home the following day.

Mr. and Mrs. John Clark of Austin are visiting their daughter and family, Mr. and Mrs. Claude Alexander, and his brother, Jack Clark, and family. Other guests in the home of Mr. and Mrs. Jack Clark are another brother and two sisters, L. P. Clark, Mrs. Lou Alexander, and Mrs. Ray Lytton, all of Lampasas.

Mr. and Mrs. Sam McGinnes returned home last weekend from a visit with their son and daughter-in-law, Mr. and Mrs. Floyd McGinnes, at Crosbyton. They also visited Mr. and Mrs. C. B. Conners at Dickens, Mr. and Mrs. Walter Lowe, at Eden, and Mr. and Mrs. Sam Lowe at Menard.

Scheduled For Lecture Sunday In San Angelo

JOHN D. PICKETT

How health and individual usefulness can be restored through spiritual means, as illustrated in the Bible, will be brought out in a public lecture on Christian Science to be given in San Angelo by John D. Pickett of Chicago.

Mr. Pickett will speak in Cactus Hotel ballroom Sunday, Sept. 18, at 3:00 p.m. under the auspices of First Church of Christ, Scientist. His subject will be Christian Science: The Power of an Active Faith. The public is invited to attend without charge.

Earn and Learn Demonstration Club Meets On Thursday

Mrs. Oliver Teele gave a demonstration on copper tooling when the Earn and Learn H. D. Club met last Thursday night in the home of Mrs. Ralph McMillan. There were 18 members, one new member and six guests present.

The next meeting will be in the home of Mrs. Jack Etheredge Sept. 22 at which time Mrs. Vida Krellow will give a food demonstration.

NIGHT BRIDGE CLUB

Mr. and Mrs. Wilson Page entertained the Night Bridge Club at the Memorial Building last Saturday night with a bridge-dinner party. The hosts served a barbecue dinner to 16 tables of players and eight dinner guests. Mr. and Mrs. Edwin Jackson were awarded the dinner guest prize. Mr. and Mrs. Jack Shugart won high guest; Mr. and Mrs. E. C. Peters, high club; Mr. and Mrs. Fred Case, travel; and Mr. and Mrs. Carol White, bingo.

LEGION NOTICE

All Legionnaires who have membership lists are urged to complete them and turn them in as it is imperative that the names be submitted at the earliest date to prevent payment of increased dues.

A substantial revenue resulted from the Legion sponsored football booster page in the Success last week and funds from this project will be used for a Christmas party for Schleicher County children. Plans are in the making for this occasion.

# School Work in All Departments Off to Good Start

The Eldorado School has had a very successful first week with a well qualified faculty. Twelve members of the faculty have Masters Degrees and all the others have Bachelor Degrees. The combined faculty has 326 years of experience. Only two members have had no previous experience.

Many patrons and friends attended the opening program last Tuesday with only 5 vacant seats in the auditorium.

The school program will be completed by 3:00 p.m. Friday, September 16, to enable those students and teachers who desire to

attend the Eagle-Bulldog football game at Melvin at 8:00 p.m.

The Student Council held their first meeting Monday the 12th of September. Due to the absence of a recording secretary, plans for an election were discussed.

A trip to Kermit October 1st is being planned by the Council. Kermit is going to be host for the West Texas Forum of which Eldorado is the president. The theme for this session will be, "Life Is A Matter of Choice."

An election will be held during the noon hour Friday to fill the office of recording secretary va-

cated by Jerry Caldwell's moving to Sweetwater. Candidates are Burnell Doyle, Sr.; Charlene Logan, Jr.; Monetta Bradshaw, Soph.; and Nancy Jo Jackson, Freshman.

Student Council representatives from the 7th and 8th grades were elected Tuesday. They are Arlene Harris and Eddy Etheredge from the 8th, and Elaine Whitten and Jim Lindsey from the 7th.

Eldorado High School has added a new elective course this year which promises to be of great benefit to the student body. It is a course in Public Speaking and Dramatics, and is taught by Mrs. Dick Wynne, a dramatic arts major from Abilene Christian college. The class is available to students above the freshman level, and has eighteen students enrolled for the first semester work.

According to Mrs. Wynne, the definition of speech is "bodily expression of thoughts, feelings, and wants," and the purpose of the course is to train and develop in the student the art of expressing himself most effectively in any situation calling for speaking contact with an audience. If the student develops this art, he will gain poise, and a well-rounded personality, as well as the ability to interest an audience.

The class is divided into two sections: public speaking, which meets three times a week, and dramatics, with two class meetings. In public speaking the students will learn the fundamentals of speech, such as the anatomy of the speech mechanism, voice projection, preparation and practice of different types of speeches, debate, oratory, and others. The dramatics class will study acting, gestures, pantomimes, character study, and posture; and plan to work on a one-act play, to be presented this semester, as their class project. Certain assemblies throughout the year will be the projects of the combined classes. In the near future, the class plans to present a program, to which the public will be invited, to display their work.

"We have a group of interested, enthusiastic, and talented students in the class, and I believe that we will enjoy the school year very much," said Mrs. Wynne.

Mr. and Mrs. James Alexander and Mr. and Mrs. Ray Alexander attended the Polo game at Lubbock and spent the weekend with Mr. and Mrs. R. J. Alexander at Vincent.

## CIRCLE MEETS

The Dora Lee Circle met at the First Methodist Church Monday afternoon with three members and one guest, Mrs. Stearns, present. Those present had a short business meeting in which they voted not to have a program due to the absence of so many members. Mrs. Jim Martin served refreshments.

## NIXON CLASS ORGANIZES

The Nixon Class of the First Baptist Church met Tuesday, Sept. 13 in the home of Mrs. Perry Mittel with nine members present. Mrs. Allen Kuykendall brought the devotional and Mrs. L. M. Hill installed the following officers: Mrs.

Kuykendall, teacher; Mrs. L. M. Hill, president; Mrs. Myrtle Williams, vice-president; Mrs. Perry Mittel, first group captain; Mrs. Thomas Baker, second and Mrs. O. L. Woodward third; Mrs. C. C. Henderson, social chairman; Mrs. Jess Thompson, secretary; and Mrs. Myrtle Galbreath, associate secretary. The project for October is the Mexican Mission. The hostess served iced tea and cookies.

Mr. and Mrs. Truett Stanford drove to Waco last weekend with their son Jack, and Sonny Moore who enrolled in Baylor. They spent the weekend with Mr. and Mrs. A. P. Waldrup at Melvin.

## INSPECTION PERIOD STARTING TODAY

AUSTIN—Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, announced today that the Public Safety Commission has set September 15, 1955, through April 15, 1956, as the new Motor Vehicle Inspection period for state motorists.

Garrison pointed out that this will give Texas car owners a full seven months to report to one of the more than 4,000 licensed inspection stations in the state for a safety check of their vehicles.

Mrs. J. H. Wagley is on the sick list this week.

### WHAT "RETEX" IS

The "RETEX PROCESS" is an important factor in the finishing of wearing apparel which has been dry cleaned.

Natural retexturing properties are now assimilated to steam, which is used in the finishing of garments dry cleaned.

This newly developed process restores essential oils vital to the fiber of all fabrics.

Retex Processed fabrics retain their "life" and drape and brilliance of color.

Note the difference in the texture, the drape and the sheen of your retextured garment.

**Coffee Opens Year For Womans Club At Jackson Residence**

The Eldorado Woman's Club met in the home of Mrs. Edwin Jackson Tuesday, September 13, at 9:30 a.m. for a coffee with the executive committee serving as hostesses to 20 members and two guests. During the business session the club voted to establish a county Library shelf in memory of Mrs. Bert Page, Mrs. C. L. Meador Jr., and Mrs. D. E. DeLong with each member donating a new or used book.

The president urged members to be positive in their thinking, and forward looking and concluded with this thought for the day, "May we take time for friendship—it's the source of happiness. Take time to dream, it hitches the soul to the stars. Take time for God—it's life's only lasting investment."

The program chairman introduced the year's study entitled "Trouble spots of the World." After the reading of rules and regulations, the parliamentarian stressed the need for study of our constitution and by-laws.

The meeting was adjourned by the musical collect with Mrs. Wilson Page soloist and Mrs. James Page at the piano.

**Mrs. Joe Pate Is Shower Honoree**

Mrs. Joe Pate, the former Ramona Dildine, was honored with a gift tea Saturday afternoon from 3 to 5 in the club room of the Memorial Building.

Hostesses were members of the WMU of the Eastside Baptist Church. The honoree and her mother received guests. Mrs. E. T. Turnbow was at the register. Shirley Carroll served cake and Marie Turnbow served punch from a table covered with a lace cloth and centered with a bride and groom. The room was decorated with dahlias.

**Methodist Notes**

Laying of brick for the Methodist educational building continues and work is reported to be coming along in satisfactory shape.

Presbyterian and Methodist young people are meeting together this fall, holding their PYF and MYF at the churches on alternate Sundays. Last Sunday Rev. M. C. Stearns met with the group at the Methodist Church and presented the lesson for the evening. Organization of the MYF is still under way; sponsor for the PYF is Mrs. Marvin McAngus.

About 60 attended the Fellowship supper Sunday evening at the church, and later heard a religious "chalk talk" given by Mr. Kenney, Shell employee from McCamey.

Mr. and Mrs. E. H. Coulter had as guests Sunday Mr. and Mrs. J. L. Hays of Abilene. Mr. Hays is the Coulters' nephew.

Mrs. Ray Boyer entertained a group of Ila Jean's friends after band practice Monday night, honoring her daughter on her birthday. Decorated birthday cake and punch was served.

**HOW TO PACK A CAR**

MAKE A "wobble platform" and you and your children will travel better on your next weekend trip. Carol Lane, Women's Travel Director of Shell Oil Co. shows how it's done. Stack suitcase to the level of the car's back seat. Cover the

surface with a crib mattress or quilt, and the children are provided with a play or rest space. Other travel tips: packed right, the average car trunk can hold one 26-inch suitcase, a two-suitcase, three 21-inch bags, two large du-

ffle bags, a golf bag and clubs, fishing tackle, souvenir box for the children. Camping equipment goes best in the special roof-top carrier. Distribute luggage weight evenly—you will have a smoother ride and it is easier on the car.

**Safety Is Stressed As Schools Open**

September means back to school for millions of American youngsters. Many will be in school for the first time and problems of the day may overwhelm them. They'll be facing new problems and of major importance is their own safety.

The Texas Farm and Ranch Safety committee says the 4,100 children under 15 killed last year in the nation in motor vehicle accidents is a challenge to every citizen. Life for the generation growing up can be made a safe one if adults and youth alike assume their responsibilities, believe the committeemen.

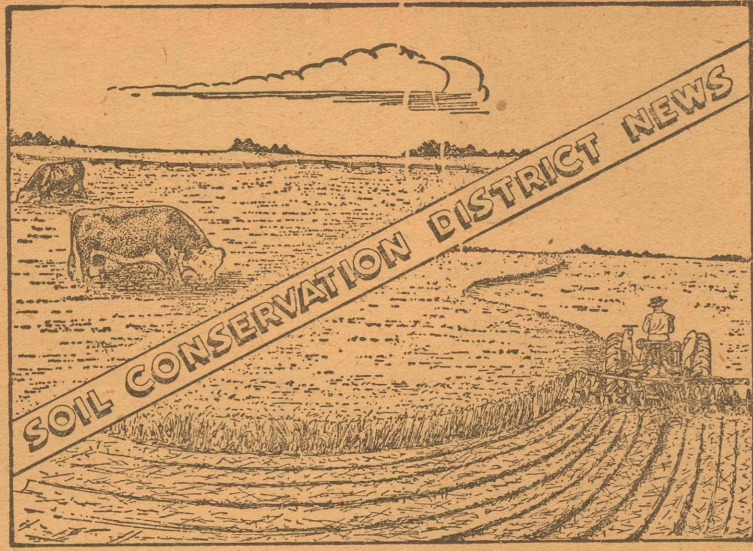

Safety training in the home is of the utmost importance for youth are great imitators. They learn much from the examples or habits of their elders. The Safety Committee believes the youngster who has been taught safety and good housekeeping will be able to transfer this knowledge to bicycles and cars.

Adult drivers are warned to expect the unexpected where children are concerned. Safety is often forgotten in the rush to retrieve a ball. Drive slowly in areas where children play or congregate; be alert to all signs, signals, traffic officers and school patrols and especially of the youngsters themselves. One slip, says the committee, might mean the loss of a life—and your peace of mind.

**BIRTHDAY PARTY HONORS TWO CHILDREN**

Mrs. Ed Meador and Mrs. Joe Ed Hill entertained 40 children with a party in the Hill yard last Thursday honoring their daughters, Claudia and Peggy, on their third birthdays. The little girls each had a doll birthday cake. Bracelets and French harps were given as favors. Mrs. Wilson Page assisted the hostesses in entertaining the small guests.

Mr. and Mrs. R. H. Lindholm of George West and Miss Mattie Yarbrough of Kerrville spent the weekend with Mr. and Mrs. Claude Doyle.

oats Grama seemed to be the dominant species on the ranch.

Robert and Jimmy became co-operators with the Eldorado-Divide Soil Conservation district in July, 1949. At that time they started a program of seasonal deferments and moderate stocking in working toward the improvement they now have. They have found that resting and proper stocking of pastures is profitable. At present their feed costs are only a quarter of what they were three, four and five years ago. The grass they have grown the past few years is like a bank account. They are now ready to stock up and harvest their crop of grass.

Soil Conservation Service technicians assisted Robert and Jimmy in conducting the tour.

Mrs. M. L. Potter left Wednesday for Corpus Christi where she will visit her daughter, Mrs. Carl Nall, while Mr. Nall is taking reserve training in the Air Force at Harlingen.

Mrs. Dee Love is still confined to her home and has her leg in a cast as the result of a broken bone sustained in a fall many weeks ago.

The results of six years of conservation ranching was shown to visitors during the field tour on the Martin Brothers ranch 25 miles east of Eldorado Friday, Sept. 9. The tour was well attended by interested Schleicher County ranchers.

"It's almost unbelievable" were the words used by Schleicher county judge W. R. Bearce in describing the grass grown by Robert and Jimmy Martin. To most of those attending—here was proof that you could grow grass and keep a good cover on your soil during severe droughts. Sideoats Grama, Big Bluestem, Little Bluestem, Silver Bluestem, Hairy Grama, Green Spangletop, and many other good grasses were all observed coming back in good stands. Side-

**Cotton Farmers Urged To Plow Stalks Under To Control Insects**

College Station, Sept. 14. — Boll weevils and pink bollworms, insect dollar grabbers of cotton fields, are plentiful in most areas of Texas. The showery weather reduced the effectiveness of control measures and enabled the insects to increase to record numbers.

To stop a further increase, Extension Entomologist F. M. Fuller says farmers should destroy all cotton stalks immediately after the harvesting job is completed. He recommends that a shredder type stalk cutter be used and then followed with a plowing job which will get all plant materials covered deeply. The big objective is to destroy the insects' food supply and thus force them into winter hibernation in a weakened condition. This will mean fewer survivals and a lower emergence rate next spring.

Besides being the most economical control method, early stalk destruction also gets the soil in top condition for planting a winter legume crop and improves its water holding capacity.

Fuller says to be most effective, the stalk destruction program should be carried out on a county or area-wide basis. The larger the area the better, he adds. The biggest returns come when the stalks are destroyed just as far ahead of frost as is possible. But the practice is worthwhile, he explains, even if delayed until only a few days before frost.

He says reports from the southern part of the State indicate that counties in that area have met their deadline dates for having all cotton stalks destroyed and urges cotton producers in the other areas to do the job just as soon as the harvest is completed.

**ATTEND FIREMEN'S MEET**

Mr. and Mrs. Palmer West attended the Winter Garden Firemen's Convention in Rocksprings last Sunday. Claude Gilmer of Rocksprings was master of ceremonies and Olin Culberson was main speaker in the program. The program was followed by a barbecue dinner with the races held in the afternoon. Palmer started all races.

**PROCLAMATION**

Whereas: The Daughters of the American Revolution are sponsoring the observance of Constitution Week September 17-23, 1955 in commemoration of the 168th anniversary of its adoption;

Therefore, I, Eldon T. Calk by virtue of the authority vested in me as Mayor of the City of Eldorado, do proclaim the week of September 17-23 as Constitution Week and urge all citizens to pay special attention to our Federal Constitution and to the advantages of American Citizenship and ask that all homes and businesses fly the United States Flag on September 17th, Constitution Day. Eldon T. Calk, Mayor

**Junior Women In First Session of Year**

The Junior Woman's Club met Thursday morning at the Memorial Building for the opening meeting of the coming year. The social committee members were hostesses and served breakfast to 16 members and two guests. Mrs. Paris Burnham and Mrs. Phil Olson. The president, Mrs. T. P. Robinson Jr., gave a short talk and the first vice-president, Mrs. Dan McWhorter, gave a review of the programs for the new year.

**Young People Are Entertained**

Mrs. T. E. Holcomb and Mrs. Archie Mittel entertained a group of young people with a party at the Mittel home last Tuesday evening honoring their sons, Bill and Ronnie, who were leaving for college.

Guests at the party included Gaynelle Belk, Yvonne Logan, Janice Cales, Joy Dodd, Nancy Elder, Margo Mittel, Ruth Drennan of Sonora, Jerry Johnson, Raymond Mittel, Billy Sam Hale, Jim Steward, Sonny Moore, Dan Mittel, the honorees, and Mr. Holcomb and Mr. Mittel.
