Eldorado Polo Team Still Tied Up With Spur for Championship

THE ELDORADO POLO TEAM — Mounted, left to right are: Horace Linthicum, Vernon Humphreys, James Alexander, Ollie Phillips, H. A. Belk, J. H. (Skeet) Mace, referee; Bob Skurlock, Hal Whitten, A. A. Clark, Arch Ory, Eldred Roach, and E. H. Sweatt. Standing is Lewis Whitten. Photo by Carr.

The Eldorado polo team will go to Roby on Sunday, October 30, where they will undertake to play off the tie they now have with Spur.

Matched with Spur for the state polo championship, the Eldorado team went to Spur Sunday, October 2, and lost to that team by one point. Then last Sunday, October 16, Spur came here and the combined scores of the two games was to determine the winner. This time Eldorado

won by one point—making a tie for the combined scores.

It was agreed by the captains at the close of the game that a play-off would be held. The date was set for Sunday October 30 on a neutral field at Roby. Game time is 2:30.

Roby is located about 20 miles north of Sweetwater, and about 143 miles from Eldorado. Fans from here can attend this game and make the drive back home before dark.

The game here in Eldorado Sunday was attended by a large crowd—many of whom were witnessing a polo contest for the first time. A 3-point score made by Ollie Phillips was one of the high points of the game.

At another stage of the game Horace Linthicum duplicated the feat, but his horse carried him out of bounds which nullified the score.

County Caliching Streets, City To Pay With Water

The county road equipment and men are at work on the streets of Eldorado under a deal whereby the county works on the city streets for two weeks in exchange for water for a year. The county will receive water for county road construction and courthouse grounds free with the exception of 4 cents per 1000 gallons on the courthouse water to pay for actual pumping costs.

Under this deal all of the work in Eldorado is being done on city streets and none on personal property.

City officials state that two full

weeks' work will be given the city under this agreement, including many blocks of streets with thin or worn caliche or none at all. Some of the work under way lies between the school and Lum Davis' residence.

To help pack the caliche, the city has bought equipment for application of asphalt emulsion to seal the new surfacing.

A new source of caliche on the Gunn Ranch has been arranged for, as the trucks were beginning to run into rocks in the caliche pit on Wagley's, their former place of supply.

ELDORADO LOSES TO RANKIN 26-7 IN GAME HERE FRIDAY

Rankin downed Eldorado here last Friday night to the tune of 26-7.

All through the first quarter it looked as though the two teams were evenly matched. There was a lot of fumbling on both sides, but the boys were playing hard, and the quarter ended 0-0.

Things went along about the same way in the second quarter, until Eldorado fumbled on its own 13-yard line, and provided a set-up from which Rankin went over for a T.D. and added the extra point.

With the score 7-0 against them, the Eagles came back strong right after the half—Stockton went over for a T.D. and the extra point tied it up 7-7. It looked like anybody's ball game at this time, but before the third quarter was over Rankin broke loose for a long gallop and added another T.D. and extra point 14-7.

Another Eldorado fumble led to the third Rankin score with Jim Ingram going over from the two. The extra point try failed.

Rankin scored again just before the game ended as Welling passed to Ingram on a play which covered 65 yards. Again the extra point try failed.

Final score 26-7. The Eldorado and Rankin bands both gave performances at the half which were enjoyed by the crowd.

Other Games

Other games in the area last Friday resulted as follows:
Menard 44.....Robert Lee 12
Melvin 7.....Blanket 20
Big Lake 61.....Marfa 0
Sonora 26.....Mason 20
Eden 25.....Rochelle 7
Eagle Pass 6.....Junction 0

No Game Tomorrow

The game with Rankin was the last of the non-conference games for Eldorado. Tomorrow is an open date for the Eagles, and on October 28 we play Ozona, at Ozona.

Tomorrow night Junction will play at Menard; and Sonora will play at Ozona. Local fans will probably cover one of those games.

RANGE TOUR SCHEDULED

All people interested in growing grass in drought hit West Texas are invited to attend a range field tour being held October 21st, on the D. C. O. Wilson Ranch at Fort McKavett.

Those attending will be able to observe the results of several years of range deferment and other conservation practices.

The program is being sponsored by the Eldorado-Divide Soil Conservation district and will feature a discussion panel on ranch conservation problems. The panel will be composed of ranchers, Soil Conservation Service personnel, and other agencies.

Mr. Wilson will treat all visitors to a barbecue lunch at noon. The field tour is scheduled to get under way at 9:30 a.m. sharp.

Girl Scout Leaders To Meet On Tuesday

Mrs. Jack Mowrey, chairman of the local Girl Scout City Council, has called a meeting for leaders and City Council members next Tuesday, October 25, at 9:00 a.m. in the Club Room of the Memorial Building.

City Council members are Mrs. Mowrey, Mrs. Roy Collins, Mrs. Eldon Calk, Mrs. Jack Hext, Mrs. Jerrill Sanders and Mrs. M. H. Woodward. Girl Scout Troop leaders are: Second grade Brownies, Mrs. E. K. Bauer; third grade Brownies, Mrs. Pete McBurnett; fourth grade Brownies, Mrs. Carroll Ratliff; fifth and sixth grade Scouts, Mrs. Curtis Short and seventh and eighth grade Scouts, Mrs. Gene McCalla and Mrs. John Mayo.

GIN REPORT

Sam Gausemeier, local gin manager, reports a total of 107 bales at 10:00 Wednesday morning. Ginning includes four or five bales a day, the pickers going from patch to patch as scattered bolls open.

"If the freeze holds off even ten days, it will make a lot of difference to the crop," he says—"but these mornings seems pretty cold to me, and I don't know—"

IRRIGATION NEWS

Moore Test Appears To Be Successful Irrigation Well From 400 Ft. Level

It is not all smooth going in the movement to introduce irrigation to Schleicher County. Problems come up which take time and money to overcome. Here is a report on some of the recent activities:

CUB SCOUTS STAGE HARVEST FAIR TONIGHT AT 7:30

Tonight is the night! Everyone is invited to attend the Cub Scout Harvest Fair which begins at 7:30 p.m. at the Memorial Building. Bring your pies, cakes, cookies and candy and enter them in the contest. Prizes will be given in all contests. These contests are not limited; everyone can enter.

There will also be games of skill, bingo, bean guessing games and a fish pond. There will be plenty of entertainment for every one and food, cold drinks, and coffee for sale.

RATTLER AND THE CALVES

Jim Martin was running some calves through a chute and found it hard going, with the calves balking about going ahead. He paid no attention to the confusion at first, then sent the Mexican down to investigate. Imagine his surprise when the Mexican killed a big rattlesnake. As far as they could tell none of the stock was bitten.

COMMITTEE APPOINTED

Appointed as a committee for Schleicher County under administration of the Veterans' Land Board are W. G. Godwin, J. P. Enochs and T. P. Robinson, according to minutes of the last Commissioners' Court meeting.

Henry Moore's well in the Reynolds community which was recently drilled to below 800 feet, was declared a failure at that depth. Operator pulled casing and plugged back to the Edwards lime. At 400 feet it was acidized with 2000 gallons. Test resulted in production of 325 GPM on 6-hour test. While this amount is considered adequate for a successful operation, the owner was advised to acidize again with 5000 gallons. This was done over the weekend and test-pumping on Tuesday developed a flow of 450 GPM.

Nick Jurecek, whose irrigation project has been pumping from the Queen sand (500 feet) decided to pull his pump and acidize at the 400 foot level while crews and equipment were in his community. Jurecek's well, which had never been acidized, was treated over the week end. Results have not been reported at this time.

Clyde Keeney's irrigation project adjoining the city limits has been hounded with troubles, but was again in operation this week. Trouble developed several weeks ago with leaking in his large earthen tank, which created a mud-hole near the well, allowing muddy caliche water to run back into the well and gum-up his pump. The pump was pulled and overhauled; a string of surface casing was set and new lines were laid to pump directly into the ditches and bypass the big tank. Keeney is now watering an adjoining field in preparation for sowing winter grain.

It has been estimated by water well men that Keeney's well has increased in production and now looks like 1,000 GPM.

Oil Activity In Schleicher

Wesley West of Houston has filed application to drill a 600-foot cable tool wildcat 50 feet southeast of his No. 1 R. M. Thompson et al, seven miles south of Eldorado. It will be the No. 2 R. M. Thompson et al.

Work has been going on on the No. 1 Thompson for some time, but the project is being drilled as a "tight" hole. Neighbors report that large gas flares have been burning there intermittently ofr the past two weeks.

Ashmun & Hilliard Ltd., Midland, and Fortune Drilling Corp., San Angelo, No. 1 R. Wilbur Brown Sr., in 70-H-GH&SA, 17 miles northeast of Eldorado, recovered four feet of heavily oil and gas-cut mud and three feet of free oil on a second consecutive drillstem test in the Harkey sand.

Tool was open for 2½ hours on the test between 4,786-96 feet. Flowing pressure was zero; 30-minute shut-in pressure, 600 pounds; and hydrostatic pressure 2,400 pounds.

The project was drilling below 4,823 feet.

Harkey sand production was indicated earlier with the recovery of 2,520 feet of free oil and 180 feet of heavily oil and gas-cut mud on a drillstem test between 4,776-

4,768 feet.

The prospect is ¼-mile southwest of the same operators' No. 1 Mrs. Grace O'Harrow, opener and lone producer in the O'Harrow Strawn reef and Strawn sand distillate field.

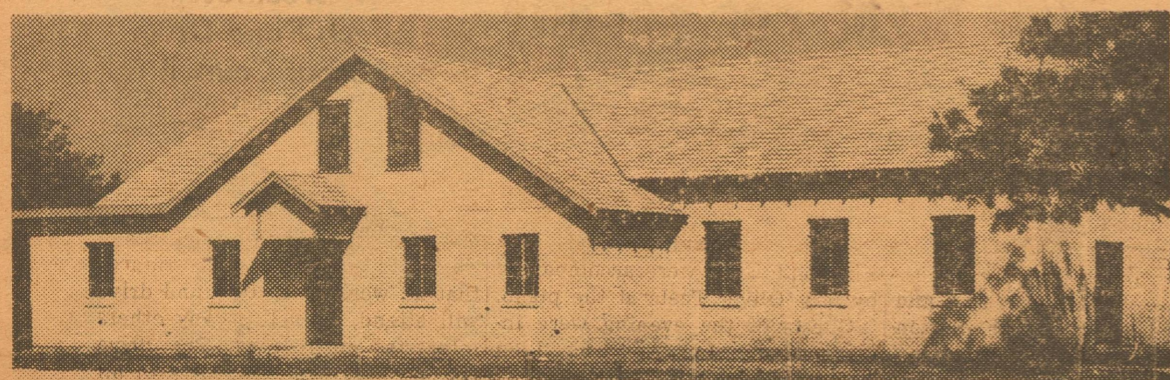

The Tillery (Pennsylvanian) field of Schleicher County has been extended one location north with the completion of Warren Petroleum Corp., Oil Division, No. 3 Virgil J. Powell in 1-A-AB&M, five miles northwest of Fort McKavett.

It was completed for a daily pumping potential of 69.91 barrels of 38.3 gravity oil, plus 14% water with gas-oil ratio 1,768-1.

Production was through perforations between 3,631-644 feet in 5L-inch casing set at 3,665 feet on total depth of 3,677 feet.

Sinclair Oil & Gas Co. of Fort Worth has filed application to drill its No. 6 Southland Royalty Co. as a ¼-mile east stepout to production on the east side of the Huldale (Pennsylvanian) field of Schleicher County, 11 miles northeast of Eldorado.

The project will be drilled with rotary to 5,800 feet. Location, on a 640-acre lease, is 467 feet from the south and 1,980 feet from the east lines of 54-M-GH&SA.

ELDORADO'S newest church, Eastside Baptist, celebrated their first anniversary Sunday. It was one year ago this past week that the church was organized separately,

having been set up originally as a mission of the First Baptist church. This church building was completed last Spring. Joe Dossett is pastor.

Lions Hear Dr. Sutton At Ladies Night For Faculty

Dr. Willis A. Sutton, noted educator, philosopher, and member of Who's Who In America, was speaker Thursday night at the annual Lions Club ladies' night honoring faculty members and school board members, and their wives.

As a former school superintendent and a widely traveled and experienced educator, Dr. Sutton gave a very interesting discussion of the teaching profession, its goals and rewards as well as its problems. Increased prestige and respect for the teaching profession were pointed out as desirable. Dr. Sutton was introduced by

Supt. T. E. Holcomb. Earlier in the day he counseled with students in the high school.

Other items on the program included a girls' trio, Gaynelle Belk, Becky Mund, and Barbara Spencer, who sang Unchained Melody, and His Hand. They were accompanied by Mrs. Oliver Teele at the piano. Guests of the evening were introduced by Joe Andrews, Lion Tamer and high school principal. These included Deputy Governor and Mrs. Bill Vines of San Angelo and Mr. and Mrs. Edwin Jackson.

The benediction was given by Rev. James Spencer.

Kick-Off Breakfast To Launch Fund Drive In Boy Scout Council

A kick-off breakfast which will officially launch the 1955 Boy Scout fund drive in Eldorado and Schleicher county will be held next Tuesday morning at 7:00 in the Memorial Building banquet room. Chairman Ed Meador announces that all workers on the fund drive will attend, as well as any others interested in helping. The drive will be held simultaneously in all towns in the Concho Valley Council.

E. A. Brodhead, superintendent of Sonora schools, is scheduled speaker.

FRONTIER COUNCIL OF GIRL SCOUTS MEETS ON SUNDAY

An established camp for Girl Scouts was discussed as the greatest problem of Girl Scout workers at the Frontier council meeting held here in the Memorial Building Sunday afternoon. The girls have previously used Camp Sol Mayer but due to the expansion of the Boy Scout program this established Boy Scout Camp will no longer accommodate both boys and girls.

In the business meeting of the Council, Jack Cooper of San Angelo was named president, Mrs. Edwin Sawyer of Sonora, vice-president; and Roy Clary of San Angelo, treasurer.

The five functional chairman posts were filled by J. D. Williams, Mrs. August Clemens Jr., Mrs. Iko Murchison, Mrs. Ralph Logan, and Milton Williams with Mrs. Morris Elliott, Mrs. Charles Ratliff, and John Winslow elected as a nominating committee. A secretary will be elected at the next meeting.

The 25 delegates attending approved an amendment to the by-laws which will allow a board member to serve more than three years in succession with the unanimous approval of the directors.

Announcements made included: the Christmas work shop in San Angelo November 16 and a training school for board members in San Angelo Nov. 20.

The council voted to meet in Eldorado for the coming year with meetings to be held at the Memorial Building the third Sunday in January, April, July and October. Meeting time will be 3 p.m.

The Eldorado City Council were hosts to the group and served a covered dish supper following the meeting. Local Council members attending were Mrs. Jack Downrey, Mrs. Eldon Calk, Mrs. Jerroll Sanders and Mrs. M. H. Woodward.

GLENDALE H. D. CLUB

The Glendale H. D. Club met in the home of Mrs. P. S. Dudley on Thursday morning, Oct. 13. Mrs. Ed Meador, president, presided during a brief business session. She announced the election of the following officers:

Mrs. Ray Alexander, vice pres.; Mrs. J. H. Mace, sec.; Mrs. Mary Edmiston, reporter; Mrs. J. C. Ratliff, council del.; Mrs. P. S. Dudley, parliamentarian;

Mrs. Jean Ezell, rec. leader. Mrs. Ray Alexander gave a report from the finance committee and the club voted to adopt the recommendations made.

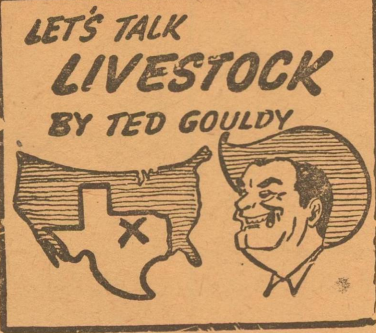

Miss Retha Nell Lloyd gave a demonstration on recreation and led the group in a number of games. She pointed out the qualities of a good recreation leader.

Mrs. Dudley served refreshments to ten members, one visitor and Miss Lloyd.

The next demonstration will be given at 9:00 o'clock, Oct. 27, by Mrs. Ed Meador and Mrs. Morehouse at the home of Mrs. Morehouse. The demonstration will be on broiling steak.

Mrs. W. H. McClatchy had as a guest her cousin, Mrs. Mary Lamon, El Campo nurse. The two visited Mrs. McClatchy's sister in Sabinal and Mrs. Lamon went on home from there. Mrs. McClatchy returning to Eldorado.

Ray Boyer and two children left Friday for Dallas to spend the weekend attending the State Fair. They returned home Sunday.

Cows Open Lower; Stockers Steady

Fort Worth. Cows opened weak to 50 cents lower to slaughter interests at Fort Worth Monday, but stocker buyers were active on kinds suitable to go back to the country and bought these steady. Mature steers and fat yearlings were steady, and bulls brought firm prices.

Stocker demand was again dominated by strong Southwestern demand, and good and choice sorts were sold at prices that were steady with last week's advances. However, the plainer kinds were inclined to lower levels.

Choice slaughter calves were steady, and the others sold around 50 cents lower. Cornbelt interests were still talking lower prices on all replacement cattle and calves, but the greening pastures in much of the Southwest influenced prices at Fort Worth more than Northern conditions.

Packers were uniformly pessimistic in view of the heavy cattle offerings of recent days.

Comparative prices included: Good and choice slaughter steers and yearlings \$18-22; common to medium \$12-17; fat cows \$10-12; canners and cutters \$6.50-10; bulls \$9.50-13, few \$13.50. Good to choice slaughter calves \$16-18; yearling weights to \$19 or better when fancy; common and medium calves \$12-15; culls \$9-11. Stocker steer calves \$21.50 down; heifers \$18 down; steer yearlings \$19.75 down; stocker cows \$8-13.

Cattle On Feed Up 19% October 1

USDA Crop Reporting Board report of cattle on feed in 13 states, released at Fort Worth's Agricultural Market News Office, says that 19% more cattle are on feed October 1 than a year ago. Texas, Arizona, and Colorado are included in this report for the first time.

Cattle on feed in Texas October 1 were estimated at 84,000, against 49,000 July 1. Nine Cornbelt states report an increase of 25% above a year ago.

Feeders in the 13 states reporting said that 73% of their cattle would be marketed in the next three months.

Feeder Lamb Demand Narrows

Feeder lamb prices which have been very strong for the past month has been unevenly lower late last week, and Monday trade was very weak at Fort Worth, on the class. Cornbelt feeders have been talking sharply lower prices right along, but the prospects of winter grazing and demand for feeding lambs in Texas and other Southwestern states had kept price well above Cornbelt offers.

SENATOR DANIEL TO ADDRESS CATTLE LEADERS

FORT WORTH—Senator Price Daniel will be the featured speaker at the Texas Beef Council's beef supper here October 31, Council president Leo Welder said today.

The occasion will be the cattle industry's second state-wide celebration of Beef Week, which will be October 30-November 5.

Leaders in the cattle industry and allied fields will attend the dinner, which will be held on the grounds of the Southwestern Exposition and Fat Stock show.

Weekend guests in the home of Mr. and Mrs. Houston Thigpen included Mr. and Mrs. D. Arthur of Abilene and Mrs. Ollie Young and Judy of San Angelo.

Boy Scout Fund Drive To Be Held Tuesday

"The future of Texas and America will be in the hands of the men who are boys today. I know of no organization that is making a greater contribution toward the training of boys for meeting the responsibilities which will be theirs in the years ahead than the Boy Scouts of America." That's what Governor Allan Shivers says in a speech prepared for delivery to some 35-40,000 Boy Scout campaign workers in kick off meetings Tuesday.

The meetings are planned simultaneously to kick off finance campaigns in 24 Texas Scout Councils, except in towns where the Scouts share in the United Fund or Community Chest. The campaign is slated to be a one-day whirlwind affair. Theme of the campaign is "Building Tomorrow's Better Texas."

"Scouting has had a rapid growth in Texas," Gov. Shivers says. "There are now 165,000 boys enjoying the wholesome benefits of the program. However, this is only one of every 4.7 boys of Scouting age. There are 608,000 boys in our state still outside Scouting. Surveys show that at least three out of every four of these boys want to be Scouts. Our concern is to see that each boy has a chance to do so. The number of boys in your Council and in your community who will have an op-

portunity to become Scouts depends upon the success of the work that is undertaken today. Scouts do good turns all year long. They are depending on you to do one today."

The campaign which will be conducted next Tuesday in the Concho Valley Council, is headed in Eldorado by Ed Meador as general chairman. In charge of arrangements is W. R. Bearce, while Fred Watson has been working on special gifts. Patton Enochs will be in

charge of audit.

Scouting in Eldorado has been under sponsorship of the Lions club for many years.

Mr. and Mrs. John R. Jones left Tuesday for Drumwright to spend a month on their farm.

Guests of Mr. and Mrs. Odes Jeffrey through last Sunday and Sunday night were their son-in-law and daughter, Mr. and Mrs. Jerry Ray Smith.

From where I sit... by Joe Marsh

Tie This One For Consideration—

Closed the office early last Saturday to go after pheasants with Pops Foster. I used fewer shells than the old gentleman and took home more birds—but not because I did better shooting.

I'd borrowed a dog for the occasion. Pops took along Blue, his ancient pointer. Several times I noticed Pops walk up to a clump of bushes Blue had pointed at and fire into the air—though he hadn't flushed a single bird.

Naturally, I wanted to know why. "Well," he said sheepishly, "I've been hunting with that dog for 11 seasons. His nose isn't much

help any more—but I'd rather waste a shell than let him know."

From where I sit, Pops always shows consideration for people, too. For instance, this is a small thing, but he puts a bottle of beer on ice for me when I visit him—though he never takes anything but coffee himself. Even if he doesn't agree with me on a matter of personal choice (which is his right) he'd rather not make a "point" of letting me know.

Bulwark of Freedom

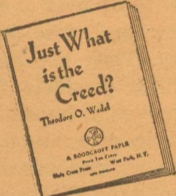

Every man believes in something! He has a creed—a "belief." He may find its expression in "isms," political theories, or what not. He seeks an answer to the question, "What is Life's Purpose?"

Christianity gives that answer. It has stood for 2,000 years when all other "isms" and beliefs have fallen by the wayside.

Episcopalians, too, have a creed. They follow the belief of the Ancient Church which is based on the Apostles' and Nicene Creeds. Both start, "I believe in God." The Episcopal Church is a "believing" church—believing in God the Father, God the Son, and God the Holy Spirit, one God—believing that Jesus Christ came to earth to save man from himself, and to establish a divine society in which all men are brothers.

This belief is the militant spirit of Christianity which can defeat Communism—and can defeat any other "ism" which threatens our God-given freedom, and is the answer to man's eternal question, "What is life's purpose?"

Won't you join us today in reaffirming our belief in God in the Episcopal Church near you?

Thought For The Week

Ministerial Alliance

By PERRY COX

I have always marveled at the art of sculpturing, though never have I actually watched a sculptor at work. It has amazed me to think a person could take a piece of worthless stone, remove parts of it and within a short time unveil a piece of work that is priceless.

A man by the name of Gutzom Borglum, an American sculptor and painter, had just completed a masterpiece, which he had chipped out of stone. Someone came to him when he had finished, and commented on such a marvelous job. Borglum denied that he had done anything great at all... he said all that he had done was to take away the stone that shouldn't have been there.

When we take away things from our lives which shouldn't be there, a masterpiece of art may be seen by others. We cannot become great until "petty" sins in our lives are cast aside. The greatness is there, but sins of stone cover up what our lives could and should be, in reality.

CIRCLE MEETS

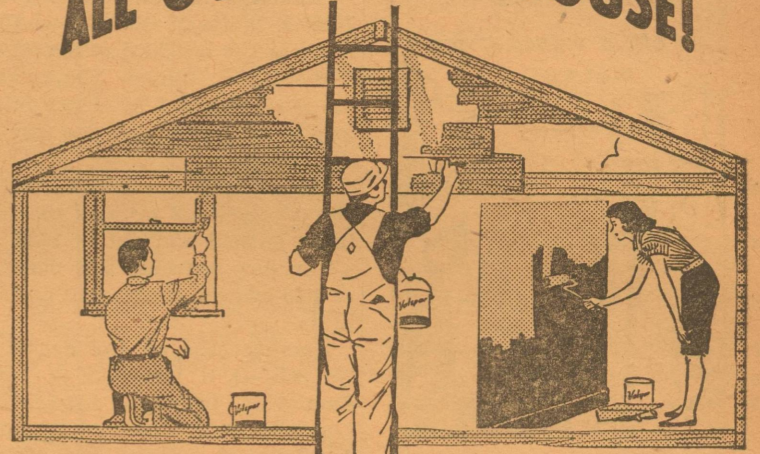

Circle No. 1 of the First Baptist church met in the home of Mrs. W. O. Alexander. Mrs. Ashmore called the meeting to order with prayer by Mrs. Ramsay. Mrs. Alexander, led the devotional. After a short business session Mrs. Alexander led the lesson on agricultural missionary.

We decided to call our circle the Salle Fite circle, after a missionary in Brazil. After prayer by Mrs. Kuykendall refreshments were served to nine members and one child.—Reporter.

Mr. and Mrs. Bill Williams of San Angelo visited Sunday with relatives.

Mr. and Mrs. T. E. Holcomb and weekend in Dallas and attended Mr. and Mrs. E. C. Peters spent the the SMU-Rice game.

'56 Chevrolet sets new Pikes Peak record in top-secret test!

Not long ago a hush-hush, camouflaged '56 Chevrolet scorched the nerve-breaking road up Colorado's Pikes Peak for a new NASCAR* certified record—the first time that old King of the Mountains has seen a new official stock car record in years! And what a road! 170 chilling turns and no guardrail! It's the first and only time a new model ever proved itself such a great road car before its introduction! The '56 Chevrolet showed the kind of performance that makes driving safer and more fun. So wait for the car that beat the King of the Mountains!

calves on the ground are like MONEY IN THE BANK

It costs a lot of money to keep a cow. A lot of that money is lost if she fails to settle or drops small, weak calves that die or develop into "tail-enders."

BIG CROPS of husky calves are a must, if a fellow is going to make money ranching. This is especially true when the price of cattle is off.

Your range needs help. It takes more than grass alone to give your cows what they need to grow and drop the kind of calves that will bring top prices next fall.

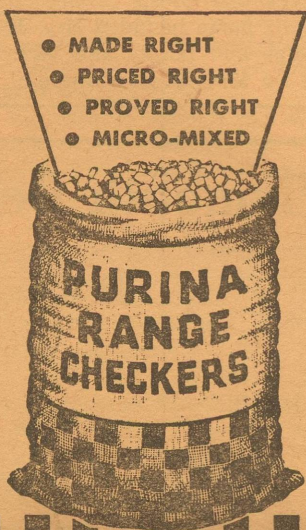

PURINA RANGE CHECKERS have proved their worth in research tests and on thousands of ranches. This favorite range supplement has what it takes. Cattle love Checkers, do well on them. Cows stay up in good shape at calving time, have lots of milk for the calves, too.

Feed for big calf crops the Purina Way. Purina Range Checkers can help you keep your operation on the profit side of the ledger.

COME IN. We'll visit about Purina Range Checkers and profitable ranch management. Make it soon!

Class pictures and almost all of the group pictures for the annual were made Monday. The photographer will return Friday afternoon, Nov. 18, to take football and favorites pictures.

All pictures for this 1955-56 annual must be made by January 16, 1956. The last pictures which can be included in this year's Talon must be made 120 days before school is out.

The Talon sale will close this week, and the yearbook publishers will deliver only the number of annuals ordered in advance. The deposit on an annual is \$2.00 and upon delivery of the book, the final payment of \$2.00 is made. However, the total cost of \$4.00 may be paid in advance.

The Eldorado High School Band attended a band clinic at Howard Payne College, October 8th, under the direction of W. R. Parker. Several of the Eldorado band members participated in the Gold Band under the direction of James Neilsen, guest clinician. Later that afternoon the band students were privileged to hear concerts given by Cross Plains, Rising Star, and Howard Payne.

In the marching contest Comanche won first place in the Class AA division, Mason in the class A division, and Early in the class B division.

Eldorado was one of the three bands which performed at the half time of the Howard Payne and New Mexico A&M game. The other two bands were Comanche and Bangs. Eldorado was led by Junior McLaughlin, drum major, and Arnie Lee Westbrook, assistant drum major. Eldorado's stunt featured an Indian dance by Ann Ballew, Dale West, and Janis Sofge; and a dance done to Darktown Strutters Ball by Monetta Brad-

shaw and Jimmie Dell Williams. Everyone was very proud of the band's performance.

A short play will be presented during the assembly period Friday morning, October 21, entitled "What Was I Doing?" The cast, consisting of Yvonne Logan, Willie Luedecke, Becky Mund, Charles McLaughlin, Ralph Taylor, D'Ann Hallmark, and Joy Dodd, is the fourth period speech class. The play is in the form of a TV panel show, and deals with the problem of defacing school property.

The Senior class will be in charge of Hank's Gulf service station this Saturday, Oct. 22, and all profits will go into the senior class fund for their trip next Spring. In addition to regular station service, they will sell coffee and cake to motorists who patronize the station. A big cake walk will be held downtown at 7:30 Saturday night, with 10 big cakes for the lucky winners. The seniors are hoping that their customers will be many and close together all day Saturday.

The Masqueraders, Eldorado High School drama club, initiated seven new members at its regular meeting Tuesday night, October 18, in the high school auditorium. New members are: Carolyn Hall, Herman Early, Barbara Spenser, H. L. Turnbow, Jerry Caldwell, Kathy Hemphill, and Monetta Bradshaw. The meeting was the conclusion of four days of "apprenticeship" for the new members, which included such stunts as not wearing make-up, keeping absolute silence outside of the classroom, and entertaining the student body with a 15-minute program at noon. Tuesday night the pledges were in charge of the refreshments and entertainment for the charter members of the club, after which they were

formally awarded full membership in the Masqueraders.

During the business meeting of the Masqueraders, plans were discussed concerning the play to be given in December, Charles Dickens' "The Christmas Carol." Rehearsals will begin this week, with Charles McLaughlin playing the part of Scrooge. Other cast members will be announced shortly. Mrs. Dick Wynne will direct the play, and the Home Economics and Music departments of the high school will assist in costuming and programming.

The Vocational Agriculture boys that are feeding calves are Billy Williams, 10 calves; Bobby Williams, 10 calves; D. J. Garvin, 5 calves, and Marcie Pina, 1 calf. All these are commercial calves. We do not plan to show them. These calves will be fed about 150 to 180 days and sold.

The grass team from Eldorado entered the State Fair Grass Contest. We are not up to the competition that was in the contest. The high boy missed only one plant out of forty and the tenth

high boy missed only four. We will do a lot of hard work between now and the time for the Southwestern Exposition contest at Fort Worth and we hope to make a better showing.

The boys feeding lambs this year are: Jimmy Whitten, 14 lambs; Ernest Nimitz, 8; and Dick Runge, 50 lambs.

Jones-Williams Wedding

Mr. and Mrs. John R. Jones received word last week of the marriage of their son John Lee Jones October 2 to Mrs. Charline Williams of Perryton.

The couple are making their home at 2818 Brook Avenue, Amarillo, where the groom is employed as a city engineer.

Mr. and Mrs. Jimmie Danford moved this week to their new home which they bought from Cameron's. It is located on Lot 5B, Block 31, in the northeast part of town. The Preston Cosgroves, who had been living on the James Williams place, have moved to the Gus Love house vacated by the Danfords.

Latin American Woman Is Buried Thursday

Maria Morales, wife of Marcus Morales, age 64, died Thursday morning at 4:00 at her home in Eldorado, after four years' invalidism caused by a light stroke and a heart ailment.

Funeral services were held Thursday afternoon at 4:00 at the Latin American Baptist mission, of which she was a member, conducted by the pastor, Rev. Roberto Rocha, ministerial student from Howard Payne College who was called to serve the church two months ago as regular pastor.

Mrs. Morales is survived by her husband, a sister, who lives in San Antonio, and other relatives. She was born in Laredo, and had lived here over 20 years. Her husband is employed in the business district.

Mrs. Mowrey Entertains Junior Woman's Club

The Junior Woman's Club met last Thursday night in the home of Mrs. Jack Mowrey with Mrs. Mowrey and Mrs. Wilson Page hostesses. Albert Ricci, hair stylist from San Angelo, was the guest speaker and spoke on better hair styling and better personality.

The hostesses served chocolate angel food squares and coffee and tea from a table centered with an arrangement of red glads flanked by lighted tapers. There were 32 members and guests present.

Mrs. Johnny Mayo honored her daughter Sammie with a party last Friday night in honor of her 12th birthday. Guests included Janice Meador, Judy McGregor, Linda Jones, Mary Ann Nixon, Linda Sofge, Vera Powell and Elaine Whitten.

The girls had supper at the Mayo home, attended the ball game, and had a slumber party following the game.

PLENTIFUL FOODS LISTED FOR NOVEMBER

The November plentiful foods list is heavy with Thanksgiving favorites. So much so, it is described as a shopping list for the traditional Thanksgiving dinner.

Heading the list of favorites for the holiday season is turkeys. Then, says Mae Belle Smith, extension specialist in consumer education, there is an abundant supply of rice for stuffing the turkey and plenty of cranberries, raisins, grapes and potatoes.

Other favorite foods include beef, broilers and fryers, milk and other dairy products and canned tuna. But taking the featured spot for the month are pork and winter pears.

Stocks of lard and vegetable fats continue to increase as hog marketings climb and new crop of soybeans and cottonseed move to market.

All in all, Miss Smith says, there should be no shortage of the long-time food favorites of the holiday season and shopping should be made easier.

Mr. and Mrs. Robert Milligan were in San Angelo on business Tuesday.

WOMAN'S CLUB OBSERVES FEDERATION DAY

Federation Day will be observed at the next regular meeting of the Eldorado Woman's Club, Tuesday October 25, in the home of Mrs. W. N. Ramsay with Mrs. Ramsay and Mrs. L. D. Christian as co-hostesses.
