NUMBER 34

All Set For School Opening Here Monday

School opens at 9:00 a.m. Monday, August 28, with the following program in the school auditorium which the usual capacity crowd is expected to attend:

- Presentation of Colors—Boy Scouts
- Pledge of Allegiance
- Invocation — Judy Hext, President, Student Council
- Rev. Nyquist, Methodist church
- Introduction of Platform Guests
- P-TA Welcome — Mrs. Mary Nell Harkey, President
- Music — High School Girls
- Plans for Year — A. M. Whitis, Superintendent
- Introduction of New Teachers
- Announcements — Frank G. Kemble, Jr., High School Principal
- Announcements — Curtis T. Humphries, Elementary School Principal

Further instructions for the school day will be given at the assembly. Buses will run on their usual routes in time to get the students to school. Students will be dismissed at 2:45 p.m.

The Cafeteria will serve the first meal also on Monday.

On Tuesday the regular schedule will be followed.

Following is a list of teachers and administrators for the coming year:

- Barnett, Earl — Science
- Bowen, Wm. — Social Science and Speech
- Bowen, Hedy — 6th Grade
- Bell, Dixie — English & P. E.
- Bell, Jack — Drivers Training, P. E.
- Burk, Oliver — Voc. Agriculture
- Cain, Mrs. Alta — 6th Grade
- Donelson, Ruth — 4th Grade
- Hale, Oma — Nurse
- Hill, Katherine — English
- Humphries, Curtis — Ele. Principal
- Humphries, Estelle — 5th Grade
- Jackson, Aurelia — Miles Ele.
- Jay, Robert L. — Science
- Jones, Billie — 2nd Grade
- Jung, Douglas — Science & P.E.
- Kemble, F. G. Jr. — H. S. Principal
- Matthews, Glen — Band, Soc. Studies
- Matthews, Winnie — 3rd Grade
- Miles, Bertha — Miles Elementary
- Miller, Jewel — 1st Grade
- Mittel, Raymond — Social Science
- Newport, Imogene — L. A. 1st Grade
- Nimitz, Frances — 1st Grade
- Owens, Dana Ray — Home Econ.
- Ray, Marylu — Commercial, Eng.
- Robinson, Corinne — L. A. 1st Grade
- Royster, Mattie — 2nd Grade
- Scott, Carroll — Math.
- Shelton, Susan — Librarian
- Stigler, Evelyn — 3rd Grade
- Storrs, James M. — 5th Grade
- Teel, Mrs. Irene — Choral
- H. S. & Elementary
- Whitaker, Mrs. Beth — 4th Grade
- Whitaker, Guy — Math
- Whitis, Mrs. Helen — 3rd Grade
- Whitis, A. M. — Supt.
- Woullard, Leslie — English and Spanish

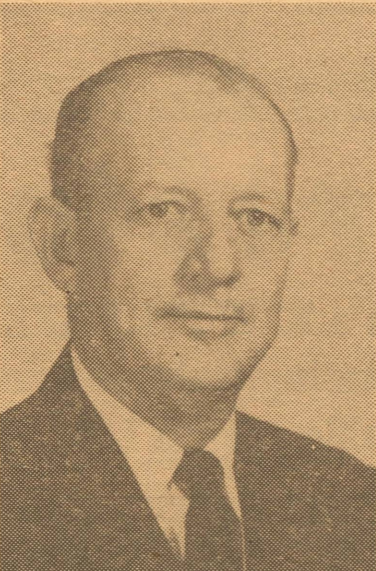

Guests in the home of Mr. and Mrs. Edwin Jackson this week is her sister, Mrs. Velma McKinley and son Jimmy Joe of Austin and Mrs. Jackson's niece, Miss June Johnson of Longview.

A. M. WHITIS
Superintendent

FRANK KEMBLE, JR.
High School Principal

CURTIS T. HUMPHRIES

Mr. and Mrs. Laman Hazelwood and Mr. and Mrs. Vernon Hazelwood visited Mr. and Mrs. Lilburn Hazelwood and family Saturday and Sunday at Temple. Mr. and Mrs. J. C. Whiteley stopped at Brady and visited Mr. and Mrs. Jack Whiteley. Lonny and Danny Hazelwood came back with the Hazelwoods to visit for a few days.

Wheat Referendum Voting Is On Today

"Schleicher county wheat growers will join with other producers throughout the nation on August 24, to decide if marketing quotas will be in effect on their 1962 wheat crop," County Agent W. G. Godwin announced. Quotas will be in effect only if at least two-thirds of the producers vote "yes" in the referendum. Here are the options in a nutshell.

- If farmers vote "yes":
 1. The price of wheat will be pegged at \$2 per bushel or about 84% of parity for those who comply with program provisions.
 2. There will be a mandatory acreage reduction of 10%.
 3. Payments will be made for diverting wheat acreage and for devoting it to a conservation use.
 4. Additional voluntary reductions may be made.
- If farmers vote "no":
 1. Price support on wheat will be \$1.19 per bushel or 50% of parity for those producers planting within acreage allotments.
 2. There will be no limit on marketings.

All farmers who have produced more than 13.5 acres of wheat in at least one of the last three years are eligible to vote, Godwin said. Complete information on the proposed wheat stabilization program can be obtained at the county agent's office, or by contacting Schleicher county ASC office manager Wilson Smith.

"We do not have a 1962 wheat program now," Smith emphasized. "That will be up to the farmers to decide today, August 24."

Foxworth-Galbraith Has Enthusiastic Response To Home Building Plan

Foxworth-Galbraith Lumber Co. officials have reported an enthusiastic public response to the firm's Reliance Homes program.

Reliance Homes, a new innovation in economical primary and vacation housing, were introduced by Foxworth-Galbraith in 41 North and West Texas communities on July 25.

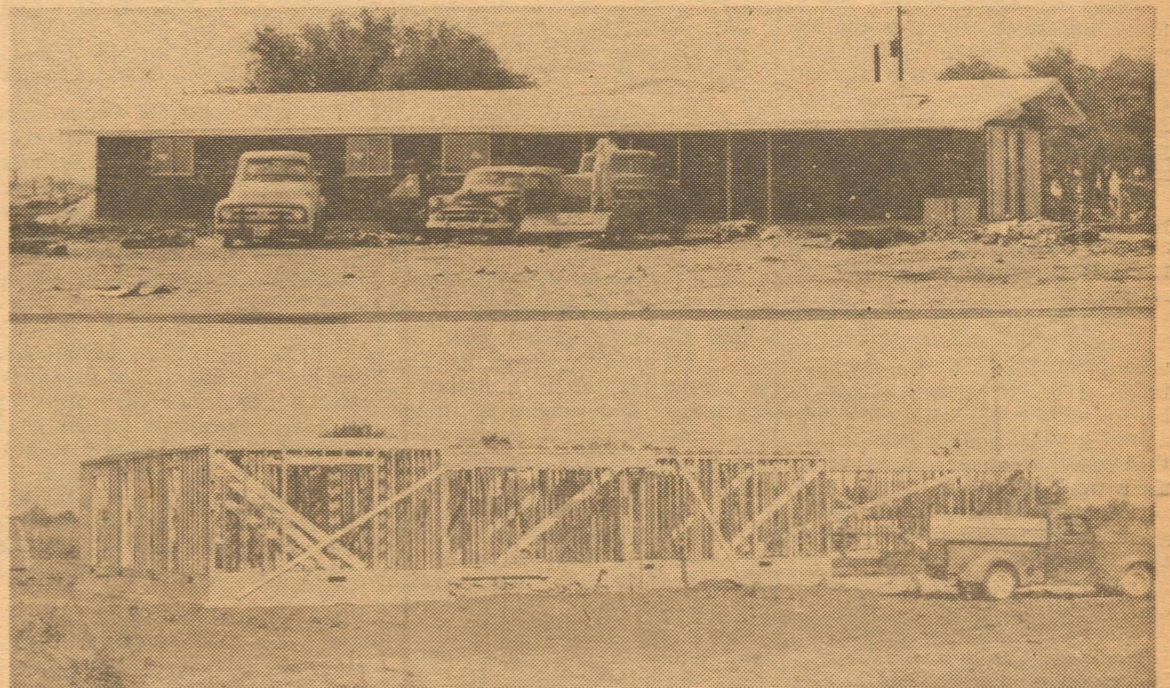

"We have learned from the many inquiries, that the Reliance Homes' greatest appeal lies in the fact that they are built by the purchaser's own hometown lumber dealer," said J. L. Foxworth, Dallas, president of Foxworth-Galbraith. "People realize the many advantages of dealing with a long-established, local firm. For example, the Reliance Home purchaser receives Foxworth-Galbraith's written warranty against defective materials and workmanship."

Reliance Homes, ranging in price from \$1,495 to \$6,480, are built on the owner's lot for no down payment, no closing costs and as little as \$29.50 per month. There are many different basic designs which can be built to any stage of completion, from semi-finished to finished. Additional designs are in the planning stage and will be offered to the public from time to time, according to Mr. Foxworth.

Mr. and Mrs. Gus Love and Roy Lynn and Mr. and Mrs. Roy Andrews all spent the week end fishing at Granite Shoals.

Joe Kreklow left by plane Sunday for a visit in Pontiac, Michigan with his parents. Vida is at A&M this week on official business.

Work Well Under Way On New Homes For Hartgraves, Davis

UPPER VIEW shows the new house being built a few miles east of Eldorado on the Menard highway for Gerald Hartgraves. The four-bedroom house has double carport and utility room, and will feature year-around all-electric air conditioning. Another feature will be a room-to-room intercommunication system. Workmen are continuing this week on the interior and exterior finish work.

LOWER VIEW is of the new home going up in South Eldorado for Lum Davis. The house will have three bedrooms and two baths and is being erected a block off the new Sonora highway, on land which Mr. Davis already owned. General contractor on the brick home is L. B. McCowan of Abilene. B. L. Blakeway is doing the electrical work and Fred Logan is in charge of the construction.

Quarterback Club Holds Organizational Meeting

About 60 turned out Monday night in the Memorial Building for an organizational meeting of a quarterback club, which has been named the Booster Club.

Purpose of such an organization is to boost school athletics, not only football in season, but other sports through the remainder of the school year.

Coach Barnett was on hand to show some films of last year's games, and to discuss the booster organization. Coaches Guy Whitaker and Douglas Jung, and Supt. A. M. Whitis were also present.

A steering committee was appointed to visit Quarterback clubs in neighboring towns. The Booster club will help the team and the coaches in every way possible.

Members of the steering committee are Ralph Waldron, chairman; Jack Halbert Jr., Dick Preston, A. M. Whitis, John H. Murr, Walter McGregor, and Joe Wagley.

The next meeting of the Booster Club will be on Tuesday night, August 29th. "We would like all ladies who would like to come, to be there at the next meeting," the Boosters said.

In a telephone call to Elizabeth Ballew on Sunday night, the E. K. Bauers of Niagara Falls, New York asked that they be remembered to all of their friends in Eldorado. They report they are doing very well, and that the Yasseens, parents of Mrs. Bauer, had spent last winter in Alabama and were now making plans to go back there.

Mrs. Lois Powell, Billy and Mary of Stanton and Mr. and Mrs. Sid Williams, Jacquelyn and Ann of Corpus Christi, have been visiting with Mr. and Mrs. Ward Parks. Mrs. Powell and Mrs. Williams are the Parks' daughters.

School Tax Rate Election Coming Up This Saturday

Voters in the Schleicher County Rural High School District will go to the polls Saturday, August 26, to decide for or against the raising of the maintenance tax for the

—Sample Ballot On Page 5—

school district from the present \$1 rate to a new rate of \$1.50 per hundred dollars valuation.

(Note: The present tax rate of \$1.50 includes \$1.00 for maintenance and 50c for bonds.)

In calling for this special election, school board officials point out that the State Legislature thru Senate Bill No. 116, passed at the legislative session in 1955, made it legal for independent school districts throughout the state to raise the tax assessment to a maximum of \$1.50. Joe M. Christian, president of the school board, points out that it is not the intention of the need of the school board to use the full fifty cents that would be authorized by a "yes" vote in Saturday's election, but in order to obtain any additional funds for maintenance purposes, an election must authorize the full additional fifty cents. It will be left to the discretion of the board itself as to what amount of additional tax would actually be needed.

Mr. Christian points out that the school district is faced with two immediate problems of an emergency nature that are responsible for the calling of the special election. The first and most demanding of these is the necessity to repair the dressing room facilities for both boys and girls in the new gymnasium which have been severely damaged from water seepage. This work must begin as quickly as possible to assure the

use of these facilities during the coming school year.

The second of the two problems is the passage by the State Legislature in special session of a teacher's pay raise in the amount of \$810 annually. This amount of pay increase must be borne proportionately 80% by the state and 20% by the school district. However, under present conditions predicated by the Gilmer-Aikin Bill, the local school district is allowed only 30 teachers; the system actually hires 39 teachers, leaving nine teachers who will receive the entire \$810 pay increase directly and wholly from the school district.

If the voters give an affirmative answer in Saturday's election, board officials point out that it is felt that it will be necessary to use only an additional 25 cents of the approved \$1.50 maximum to continue the program of the school and to meet the two mentioned emergencies. It is also felt that it will be necessary to have a maintenance tax of \$1.25 for only one year, spending 20 cents for gymnasium repair and 5 cents for the teachers' pay raise item.

A. M. Whitis, school district superintendent, points out that public schools all over the state are faced with the same cost-price squeeze facing individuals and corporations in that expenditures are exceeding income. "We have maintained the same tax-rate structure for this school system since 1956, without any increase, but it appears that additional funds must be provided for this system to continue to serve the public in the comprehensive and progressive manner of the past. If any interested tax-payer or patron of this district would like to better understand the expenditures of the district, we welcome their interest, and such records as might be desired will be available at any time."

Telephone Rates Hiked

Local patrons of the General Telephone Co. received their bills in the mail Tuesday, and noticed an increase of 75c and above, from previous months.

The hike in rates was brought before the City Council about three months ago and was put into effect recently.

The new rates are:

	Business	Residence	Rural Multi-Party
One-Party	\$11.50	\$6.00	\$9.00
2-Party	9.75	5.25	5.00
Extension	1.50	4.50	(None of the above rates include the 10% Federal Tax.)
			Extra charge for a color phone remains at 25c.

Eagles' Pictures To Start In Next Week's Success

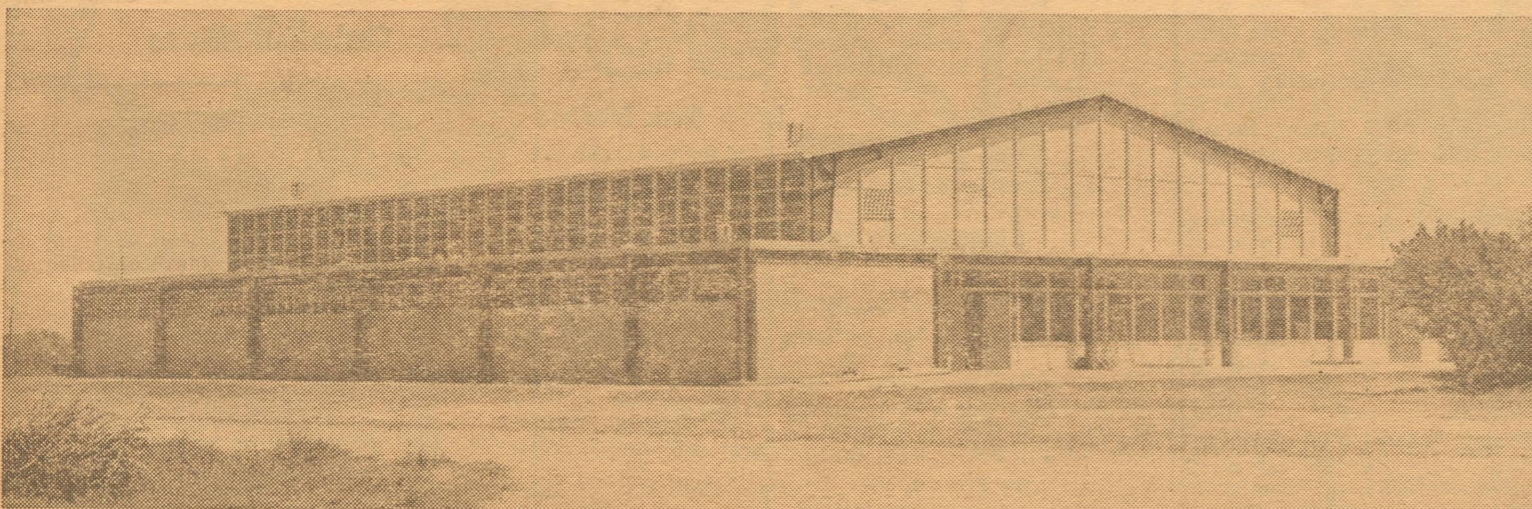

Again this Fall, the Eldorado Success will publish a series of pictorial ads boosting the Eldorado Eagles throughout their football season. The first of these will be run next week, the day before Iraan comes here for the season's opening tilt.

The pictorial ad will show each game's probable starting line-up, along with other individual pictures of the substitutes, coaches, and team managers.

The Success crew has already done quite a lot of work preparing the pictorial series of ads.

The 10-game season extends through the months of September, October, and part of November. Earl Barnett is in his second year as head coach of the Eagles, and his assistant is Douglas Jung.

New Gymnasium Develops Structural Flaws; Repair Job Faced

The big, fine high school gymnasium, less than three years old, has been developing serious structural flaws in the past few months, and the school is faced with an expensive repair job that will probably cost over \$30,000.

The trouble is not in the big

main room, but is in the boys' locker room along the south side of the building. The floors have cracked and pushed upward, the tile walls are split, doors and windows are out of plumb, and water pipes and other service lines are being subjected to severe pressure.

On the other side of the building, the girls' locker rooms are starting to be affected the same way. The damage has progressed rapidly in the last three months.

Various contractors, architects and engineers have been called in to diagnose the trouble and

recommend repairs. The whole floor on these two sides must be removed, they say, and rebuilt. The lowest estimate, so far, is \$32,000. School board members, and administrators invite public to come by and see the damage for themselves. "We hate it just as much as you do," they add.

The CIVIL WAR CENTENNIAL

By Dayton Kelley
Mary Hardin-Baylor College
Belton, Texas

By far some of the most intriguing and charming episodes of the Civil War are those connected with the flags of both the Union and the Confederacy. There are dozens of examples of love and devotion for the flags on the part of both civilians and soldiers during the War, some of which we have related in this space. And even today there is more interest in flags than perhaps any other item of Civil War vintage.

John S. Coman, president of the Bull Duram Advertising Service in Durham, N. C., saw one of our stories about the Confederate flag and wrote a long letter to add to our information about the Stars and Bars.

Mr. Coman, whose company makes all five of the Confederate flags in sizes from miniature ones to those suitable for display, says that of all the various documented phases of Civil War history, the flags are the most neglected. Of the hundreds of drawings of the era the flags were quite often just an interpretation by the artist and we are still influenced by the old prints in such publications as Harper's Magazine and Frank Leslie's Illustrated Newspaper.

He says that a trip through museums will reveal that the flags were not stereotyped as to size as we sometimes believe with a square one for certain units and a rectangle for others, but that every conceivable size and shape was used. "We have even seen the Battle Flag with yellow stars," he says. "A Confederate Maryland Artillery unit just wanted to be a little different, and when the unit was reactivated to participate in the reenactment of the First Manassas we reproduced the flag for them," he added.

Mr. Coman also pointed out that the first banner, the Stars and

Bars, went through the wringer too and still confuses us today. When the seven states met at Montgomery and adopted their new flag there were seven stars in the circle. Then the rest of the 13 states began dropping out of the Union and quickly made up flags adding their own star until 13 appeared in the circle. "Although we've never seen one, there were probably Stars and Bars at First Manassas with 7, 8, 9, 10, 11, 12 and 13 Stars," he said, "for surely they didn't throw away their own cherished hand made flags and make new ones."

So, how many stars were in the circle of the Stars and Bars? The answer would seem to depend on what day of the week or month between December 1860 and June 1861 you asked the question.

Incidentally we were quite amused during the recent episode of the television production, "The Americans" which showed the Confederate Battle Flag being used during the Battle of First Manassas. Any good Civil War buff or any good reader of this column knows that the Battle Flag was not used or made until long after the smoke of Manassas had cleared away.

EASTSIDE W.M.U. MEETS

Eastside WMU met Aug. 21 in the home of Mrs. J. B. Swain. Our meeting was opened by prayer. Lesson was Royal Service. Mrs. J. T. Ottaberry was in charge.

Eight were present and one visitor. Next meeting will be at Mrs. Claud Jergins, Aug. 28 at 2:00 p.m. —Reporter.

Mrs. Alma Sauer, Kathy and Joy returned from a week's visit with Cynthia Baker of Ft. Worth. They were accompanied by the Bakers one day to Sheppard Air Force Base, for a visit with A/3c Kenneth Van Dusen.

To Conduct Short Course On Beef Cattle Sept. 4-8

W. M. OLIVER

A beef cattle short course for adult farmers will be held Sept. 4-8 under the sponsorship of the Eldorado High School Vocational Agriculture Department, according to A. M. Whitis, superintendent, and Oliver Burk, teacher of vocational agriculture.

William M. Oliver, beef cattle specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Animal Husbandry at Texas A & M College, will be the instructor in the course.

"Many beef cattle short courses in various parts of the state have been taught by Mr. Oliver and all have met with outstanding success," according to Clemon Montgomery, area supervisor of vocational agriculture, Big Spring. Arrangements for the adult education short course in beef cattle and in other fields are made through Mr. Montgomery's office.

The short course at Eldorado is scheduled to begin Sept. 4 at 8:00 p.m. in the vocational agriculture room in the school building. Other meetings in the series will be held Sept. 5-8. During the dates the short course is in progress, Mr. Oliver will be available to assist cattlemen with individual problems and to provide on-the-farm instruction, according to Mr. Burk. Cattlemen interested in attending the short course should write or call the superintendent of schools, Mr. A. M. Whitis, or the teacher of vocational agriculture, Mr. Oliver Burk. An entry fee of \$2.00 will be charged. Beef Cattle Short Course Certificates are to be presented to each cattlemen who attends all the training sessions.

Mr. Oliver states that the field of beef cattle production must take a close look at efficiency of production in the future. With land prices, feed, and taxes rising the producer is meeting more and more competition for the consumers dollar at the meat counter. From the economic view of the beef cattle business, there is every indication that in comparing the producer of yesteryear and the producer of tomorrow, beef must be produced to sell cheaper in order to be a profit making business. Mr. Oliver indicates that the beef cattle short course will deal with the methods of producing beef at a lower cost and the ways of producing the kind of beef that the housewife wants to buy. He also states that the course will include such very important fields as the meat type steer, selecting bulls and replacement heifers, proper range use, supplemental winter feeding and will be adapted to the wishes and interests of the farmers and ranchers enrolled.

"Short courses in beef cattle, as well as in other areas, are now available to farmers throughout the state under the new cooperative program between the Texas Education Agency and Texas A&M College," stated E. V. Walton, head of the Department of Agricultural Education at Texas A&M, who coordinates the program for Texas A&M College.

"This cooperative program" says Walton, "is designed to make the services of specialists available to conduct short courses under the supervision of public schools. Such a program will enable teachers of vocational agriculture to provide improved educational services to farm people."

Specialists are now available in the fields of beef cattle, insect control, farm management, farm electrification, farm welding, swine production and tractor maintenance.

Mrs. Lucile Doyle has returned from a week's vacation trip. She visited her daughter, Betty Mae, Mr. and Mrs. M. J. Cunningham and family at Dallas, and with other relatives in Denison and Sherman.

Mr. and Mrs. Grover Lee Johnson visited a few days early this week with her mother, Mrs. Bertha Wilson, after they returned from a trip to Illinois, Indiana, and Ohio. They returned Tuesday to their home at Kermit.

June Alexander, daughter of Mr. and Mrs. James Alexander, returned last week end from a week's visit with her aunt and family, Mr. and Mrs. Jodie Minnick of Midkiff.

Heffernan Instructs Reservists Tuesday

Sp-4 Jackie Heffernan of Eldorado presented a two-hour period of instruction to Junction-Sonora-Ozona-Eldorado Reservists Tuesday night, August 22, in Sonora Armory. His subject was Chemical, Radiological, Biological Warfare. Sp-4 Heffernan's instruction is a part of the Army course of study for the 15th Cavalry, 4th Reconnaissance Squadron of which the Junction-Sonora-Ozona-Eldorado unit is a component.

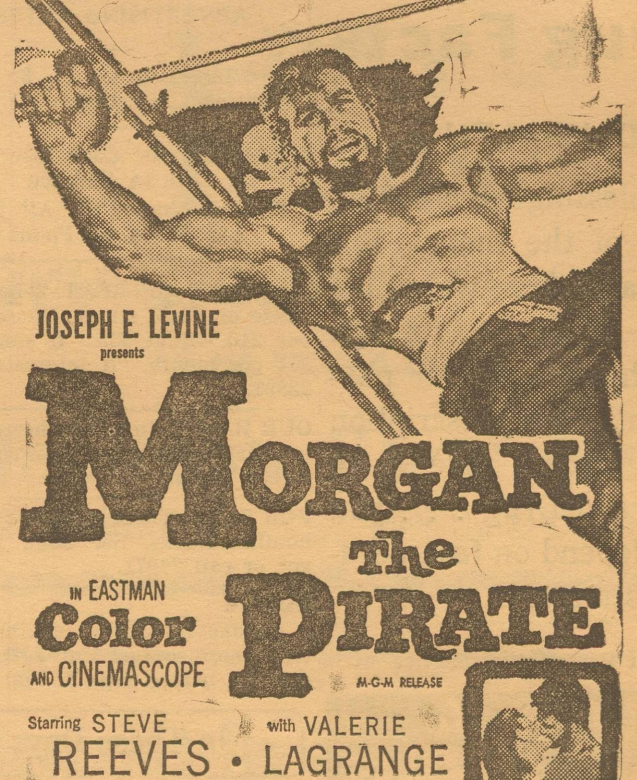

At the same meeting, Captain Merton Skaggs who commands the Reserve unit presented each Reservist with a "Letter of Appreciation" from Lt. Col. Richard I. Weirus who commands the 4th Recon. Squadron. Colonel Weirus thanked members of the Junction-Sonora-Ozona-Eldorado unit for their untiring efforts in preparing themselves for emergencies their country might encounter.

He concluded with the following: "I am proud to have been your commanding officer because you are preparing to defend your country. This we are all obligated to do, because a nation that has lost patriotism has lost life. It moves, but it has become useless and will be taken over by those who have the courage to fight it out, if need be. You of the 15th Cavalry have proved that you have that patriotism." Signed, Lt. Col. Richard I. Weirus, Commanding.

The Four-City Reservists skip Tuesday night, August 29, but return to study the night of September 5, when two ranking Sonora Non-Coms take over the instruction.

Mrs. W. E. Bryant has her three grandchildren, Kara Lynn, Kathy Jo, and Bob, children of Mr. and Mrs. R. S. Rogge of Farmington, N. M., with her. Mr. and Mrs. Rogge are in San Angelo with Mrs. F. A. Rogge who had a leg amputated this week. Mrs. Rogge is in the St. John hospital.

THE STATE OF TEXAS

TO: R. H. Murray; R. H. Murray, trustee; W. H. Woodward; Pearl Woodward; Mrs. Audrey Finn; Mary G. Welch; Mary F. Swaney; Willard R. Swaney; W. G. Jordan; the unknown heirs of R. H. Murray, deceased; the unknown heirs of R. H. Murray, trustee, deceased; the unknown heirs of W. H. Woodward, deceased; the unknown heirs of Pearl Woodward, deceased; the unknown heirs of Mrs. Audrey Finn, deceased; the unknown heirs of Mary G. Welch, deceased; the unknown heirs of Mary F. Swaney, deceased; the unknown heirs of Willard R. Swaney, deceased; and the unknown heirs of W. G. Jordan, deceased; GREETING:

You are commanded to appear by filing a written answer to the plaintiffs' first amended original petition at or before 10 o'clock a.m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 11th day of September, 1961, at or before 10 o'clock A. M., before the District Court of Schleicher County, at the Court House in Eldorado, Texas.

Said first amended original petition was filed on the 28th day of July, 1961.

The file number of said suit being No. 1070.

The names of the parties in said suit are: Palmer West; Herman L. West; W. F. West; Agnes West Womack, joined by her husband C. T. Womack; Coralie West Mebane; Pauline West Mund, joined by her husband, W. C. Mund; Bertha West Elder; Adah Riedelle West Bowder; Leman West, individually and as independent executrix of the estate of Carson C. West, deceased; Leslie L. Baker, administrator with will annexed, estate of Mrs. Augusta West, deceased; as Plaintiffs, and

R. H. Murray; R. H. Murray, trustee; Doyle C. Primm; Alma Primm; W. F. Minick; Norma J. Minick; W. H. Woodward; Pearl Woodward; W. F. Hicks; Dolores Hicks; Stella Brauer; H. Brauer; Mrs. Audrey Finn; George C. Getwood; Guy M. Lavender; Tiffin Hall; Byron Matthews; Ronald Adultman; S. T. Murray; Lola Murray; Mary G. Welch; Oscar L. Grimes; Mary F. Swaney; Willard R. Swaney; O. P. Leonard; Clyde Vinson; Lula Felton Vinson; C. W. Gore; Dean Penick; W. G. Jordan; W. G. Jordan; Cardinal Chemical, Inc., a Texas corporation; Dresser Industries, Inc., a corporation; The Western Company of North America, a Delaware Corporation; the unknown heirs of R. H. Murray, deceased; the unknown heirs of R. H. Murray, trustee, deceased; the unknown heirs of W. H. Woodward, deceased; the unknown heirs of Pearl Woodward, deceased; the unknown heirs of Mrs. Audrey Finn, deceased; the unknown heirs of Mary G. Welch, deceased; the unknown heirs of Mary F. Swaney, deceased; the unknown heirs of Willard R. Swaney, deceased; and the unknown heirs of W. G. Jordan, deceased; as defendants.

The nature of said suit being substantially as follows, to-wit:

To declare four oil and gas leases terminated and cancelled as clouds on plaintiffs' title to 753 acres of land, in Schleicher County, Texas, said leases all being to R. H. Murray, trustee, and bearing date October 23, 1956, and being recorded in Volume 79, beginning at Pages 110, 231, 233 and 291, respectively, of the Deed Records of Schleicher County, Texas, and said land consisting of the East 240 acres of Section 79, West 400 acres of Section 78, and 118 acres out of East 240 acres of Section 78, all in Block A, H. E. & W. T. Ry. Co.

Also, said Palmer West seeks judgment against R. H. Murray and R. H. Murray, trustee, for \$656.00 and interest thereon at the rate of 6% per annum for services rendered.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 28th day of July, 1961.

Given under my hand and seal of said Court, at office in Eldorado, Texas, this the 28th day of July, 1961.

Infertile Bulls Are Expensive To Owners

Illeg Station.—One in every cow would not do much damage to the beef producer's pocketbook. If she failed to produce a calf, only one animal would be lost. But stop and think how costly an infertile bull would be. Instead of missing one animal, the cattleman would miss an entire calf crop. This would be very costly.

U. D. Thompson, extension animal husbandman, says there is no way to look at a bull and tell whether or not his sperm are capable of reproduction. Today, however, it is possible to have one tested and thus know in advance if he is capable of settling a cow. Many veterinarians have a machine called an electro-ejaculator, which aids them in collecting a semen sample. This sample is placed under a microscope and evaluated. This test enables the cattleman to know in advance whether or not his bull is a "calf-getter."

A survey made by A&M College on 1,369 bulls in all areas of Texas showed that 84% were satisfactory breeders, 9% were questionable, and 7% had cull semen. These seem like pretty good odds and the cattleman could gamble, but what if he lost?

Look at the question carefully, says Thompson. Suppose it costs \$80 per year to keep a cow, and \$10 to have the bull tested. This places the cow cost up to \$90, but the cattleman has a chance to get this and more back if the bull is fertile. On the other hand, if the bull is not tested and proves to be infertile, the cattleman is out \$80. In other words, by not having the bull tested, the producer is betting the upkeep cost of the entire herd against the price of a test. These are not very good odds.

Ask your county agent or local veterinarian about testing bulls for fertility, says Thompson. Or get a copy of Bulletin B-924, "Testing Bulls For Fertility," from the local county agent or the Agricultural Information Office, College Station, Texas.

You Can Take Your Litter With You

Austin.—"You can't take it with you."

That's the thoughtless attitude of the litterbug who leave a trail of trash behind on Texas highways and roadside parks.

The Texas Highway Department asks that you do "take it with you" when traveling, said State Highway Engineer D. C. Greer.

"Summer is the time of year when Texans and their families enjoy the outdoors to the fullest," Greer noted. "We encourage motorists to enjoy using our highways and roadside parks—but please leave them clean for the enjoyment of others."

Greer urged motorists to follow these simple rules to stamp out litter:

1. Set a good example for your children and neighbors by always disposing of trash in a proper receptacle and carrying a litterbag in your car.
2. Aid your civic organizations in making people aware of the need to keep Texas highways beautiful by "stowing" trash, not throwing it.
3. Enjoy the picnicking facilities of roadside parks but leave them clean for the next visitor.

Greer commented that a large percentage of the litterbugs are not out-of-state tourists but are Texas residents. "I am afraid that most of our litterbugs are local citizens," he said. "They simply do not think of the consequences of throwing out an empty pack of cigarettes, a napkin, or a bottle and how these items, multiplied by the thousands of motorists who use our highways each day, can destroy the scenic qualities of our highway network."

He pinpointed bottles as the "triple threat" of highway litter. "First, they are the hardest items to pick up among the litter; second they often break when thrown from a car window and can cause slashed automobile tires or injuries to people who step on them; third, they can be the origin of grass fires caused by the summer sun's rays."

He said the litter problem is especially acute in Texas' 1,000 roadside parks during the summer months when they are heavily used. "We provide disposal units at these parks and ask that they be used."

The State Legislature in special session recently passed the first General Sales Tax measure in Texas history, and it goes into effect Sept. 1. It is already being referred to in some quarters as the "Legislative Retirement Act."

Check Beginner's Readiness For School

Starting to school is a big event in every child's life. The experience will be a happy one if your youngster is physically, mentally and emotionally ready for it.

Children should not be entered in school unless they can meet certain practical tests to show they are ready. These tests are suggested by the White House conference on child health and protection.

First of all, a child needs to know his own name and address well enough to repeat to others if necessary.

Physically, he needs to be fairly independent and well-trained. He should be able to dress and undress himself, take care of toilet needs, and eat wholesome food without assistance. If he is able to run, climb and use his hands easily in simple construction and play, he will be more at ease with other youngsters.

Check on his intellectual readiness. He should talk readily, using sentences, understand and carry out simple directions, and show a healthy curiosity and desire to experiment. It will help if he knows the names and uses of the common objects in his environment.

Health check-ups are very important. Be sure to include eye, ear, nose and throat examinations and dental check. Plan for necessary vaccinations and immunizations. Build up general health with lots of rest and nourishing foods during the remainder of summer.

School will mean a new social situation. He will be happier if he has learned to play with other children, respects their possessions and assumes some responsibility for his own belongings.

The emotional adjustment is difficult for a child who is still very dependent on others, shows marked fears, temper outbursts or moodiness. If he looks forward to school as a happy experience, and has learned to stay contentedly in another home or school for limited periods, he is ready to go.

Check safety training, too. Make certain your child knows the danger of passing automobiles, and how to walk safely on the streets or highways. He needs to realize the danger of sharp instruments, matches, electricity and machinery in motion.

Less than one week before school starts. Check that beginner now and help prepare him for a happy start.

How long do you figure that your new washer and dryer will really last? Appliances cost a lot of money these days and I believe that this table of "life expectancy" or length of service will help to justify, in some cases, the initial cost.

Home management specialists of the A&M College of Texas have provided figures of these following estimated years of services for some necessary furnishings and appliances.

- Electrical washing machine
- Automatic, semi-automatic.....11 yr
- Wringer, spin dryer.....10 yr
- Electric refrigerators.....15 yr
- Electric & gas ranges.....15 yr
- Vacuum cleaners
- Upright.....18 yr
- Tank.....15 yr
- Wool living room rugs.....14 yr

Get The Most From Your Dishwasher

Wonderful as the new dishwasher is, it does need some help from you in order to do its best job. Here are some details that must get attention if the results are satisfactory:

Hot water, between 140-160 F.
Detergent measured to suit load.
Pre-rinse if dishes are to stand for some time before being washed.

Presoak pots and pans if necessary.

Alternate large and small dishes in rack.

Place pans and dishes to avoid water blockage.

Load flatware handles down, alternate knives, forks and spoons to avoid "nesting."

Place cups, glasses and bowls to permit drainage.

Articles not suitable for machine dishwashing are:

Anodized or colored aluminum.
Highly polished decorative aluminum ware, soft metals and alloys (such as pewter).

Non-heat resistant plastic and rubber.

Wooden salad bowls.

China patterns not glazed.

Soft (leaded) glass or crystal may streak or etch.

Mr. and Mrs. H. S. Joiner have returned from their vacation. They visited relatives at Post and Kermit, and Jal, New Mexico.

Expected as a guest in the home of Mr. and Mrs. H. G. Loden this coming week end is Mrs. Loden's sister, Mrs. Dovei Craton of Gilmer.

The Gay Copeland ranch reported 1.95 inches of rain during the past week; and Arch Edmiston received 1.10.

San Angelo Boosters Coming Here Tomorrow

San Angelo.—The traditional Red Carpet becomes the Magic Carpet Friday, August 25, when a goodwill flight and motorcade of San Angeloans make a stop in Eldorado.

The San Angelo aircade and highway caravan will arrive simultaneously in Eldorado at 9:15 a.m. Friday, tomorrow.

The scene-stealer will be a plush red carpet made of West Texas wool and mohari, furnished by the Eldorado Woolen Mills. The trippers will literally roll out the red carpet in Eldorado.

Live musical entertainment will be given.

Approximately 15 private aircraft and 15 1961 automobiles will bring the Red Carpet caravans to Eldorado.

BUILDING GOING ON:

Work on the building on South Main which Gus Love sold recently to Leslie Baker is about complete. Desmond King did the carpenter work and B. L. Blakeway the wiring in the half of the building to which Mr. Baker will move his office soon; the interior has been partitioned and painted. The other half is occupied by Jackson Cleaners. The entire building was formerly occupied by the Co-Op offices.

Mrs. Bertha Wilson has had new brickstone siding put on her house, along with new aluminum windows and screens, and new cement porch and ornamental iron porch columns.

Ray Boyer painted the front of his electrical shop recently.

Mrs. E. W. Mund has for her guest for a while her sister, Miss Sammie Stewardson of Coleman.

Guests in the home of Mr. and Mrs. C. O. Neff this past week end were Mr. and Mrs. H. C. Alsop of Junction.

55TH WEDDING ANNIVERSARY

Mr. and Mrs. L. L. Harris quietly observed their 55th wedding anniversary Tuesday.

The couple were married in 1906 at Creedmore, Texas.

INJURY PUTS KINK IN EAGLES' STARTING LINE-UP

With the Eagles' opening game just eight days away, an injury sustained in practice play has caused a change in the probable starting line-up.

H. A. (Allen) Belk, son of Mr. and Mrs. H. A. Belk, injured his leg in football practice last Friday and was taken to Shannon hospital. He was released from the hospital yesterday, but will be unable to play for several weeks.

The Eagles go to Menard tomorrow night for a scrimmage game.

Miss Jerry Blaylock and her friend Mary Ann Eubaks from Galveston are spending their vacation with Jerry's parents, Mr. and Mrs. W. A. Blaylock and other relatives.

Mr. and Mrs. L. D. DeBusk and Larry of Burkett, Texas, visited with the Jack Etheredges Saturday.

Mrs. W. B. McCutcheon of Austin has returned to her home after a week's visit with her parents, the W. L. Isaacs. Her sister, Mrs. E. O. Williams, accompanied her home for a few days visit in Austin.

Guests in the home of Mr. and Mrs. B. E. Moore this past week end were their children, Mr. and Mrs. John Michalski and two children, and Mr. and Mrs. Joe H. Moore, all of San Antonio.

Eldoradoans going to Brady on Sunday, August 20 for a family reunion at Richards Park were Mr. and Mrs. Will L. Isaacs, Mrs. E. O. Williams, Mrs. F. M. Bradley and Mrs. R. L. Ballew.

Post Script

George Stanley Finley, who was formerly associated with the law firm of Blakley & Walker in Dallas, is now in San Angelo where he is a member of Snodgrass, Smith, Rose, & Finley, with offices in the Central National Bank Bldg. George Stanley is the son of the late H. T. (Dogie) Finley, long-time county clerk here, and Mrs. Ebba Finley, who also lives now in San Angelo.

Up at the house of the one-armed printer, we are still having it out with the wasps...

Late Sunday afternoon my front porch looked cook and comfortable and I decided it was a good place to go, so I seated myself in a porch chair and lit up a cigarette. Pretty soon I shifted my position a little and—bang!—I got a sharp sting in the calf of my leg. I moved out—angry wasps were flying all around. From a respectable distance I looked back, and sure enough there on the bottom edge of the chair was a big nest. I had been practically SITTING on 'em. Honestly!

With our subscribers: Abram A. Millar has moved from Adelphi, Maryland, to 3509 Duke Street, College Park, Maryland.

Jack Mund has given up his place as parts man at the Eagle Chevrolet house, and has taken over the operation of the Gulf Station, formerly operated by his father.

The Dan Sebesta, Dr. Dyer, and Page families attended the Bloys encampment recently near Fort Davis.

The Henry Jenkins family are to move late this month to San Angelo.

Everett Grindstaff of Ballinger spoke at yesterday's meeting of the Lions club. He was introduced by T. P. Robinson, Jr.

Evelyn Pennington and Kenneth and Mickey returned home Sunday night from their California trip. On their return trip they stopped at Las Vegas, Carlsbad, and Midland.

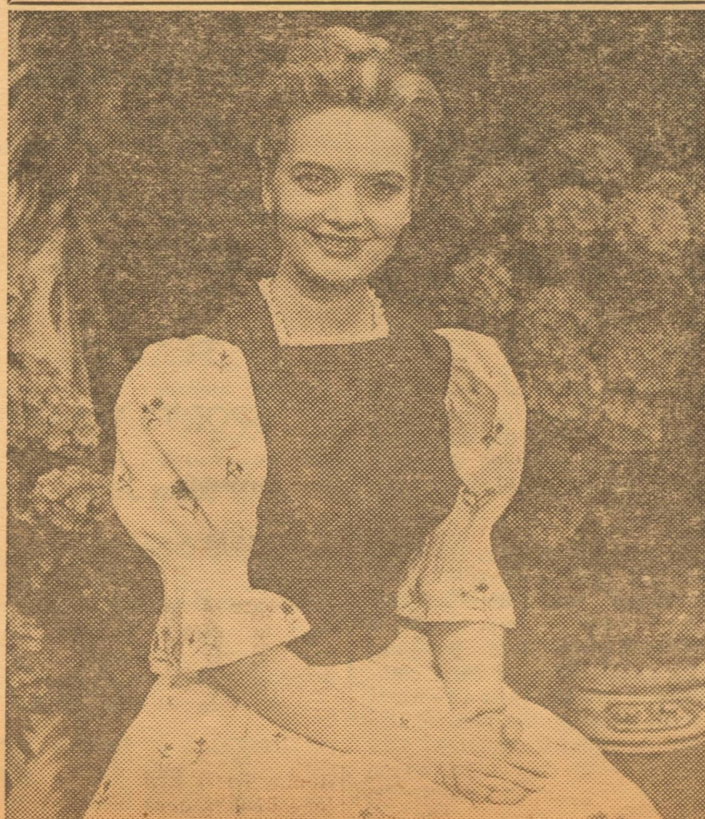

Guests in the home of Mrs. Joe Garvin this past week end were Mr. and Mrs. Robert Schaefer and Mr. and Mrs. Henry Garvin of San Angelo, and Mr. and Mrs. Carroll Don Wallace and son Charles Wade and Mrs. Della Wallace, all of Cleburne.

Allan Corbell is visiting this week in Hamilton with his uncle and aunt, Mr. and Mrs. T. S. Redford.

Mr. and Mrs. George Conway and family and Mrs. Conway's mother, Mrs. J. T. Kolb of Christoval, have just returned from a ten-day visit in Colorado. They visited Seven Falls, Royal Gorge, and while on the Blue Lake mountain they witnessed a sleet shower.

Mr. and Mrs. Owen Fry had as their guests last week end her parents, Mr. and Mrs. J. M. West and Jimmie Ruth of Round Rock.

Student Council Officers Who Will Serve 1961-62 School Year

ELECTED last Spring, these high school students will serve as officers of Student Council for the school year now getting under way. Left to right are Judy Hext, president; Donny Holden, vice-president; Betty Humphries, corresponding secretary; and Herman Walker, parliamentarian.

First Fall P-TA Meeting Scheduled For Sept. 25

The first meeting for this Fall will be a social the evening of Monday, September 25, announces the president, Mrs. B. F. Harkey. At this time plans are in the making, and will be announced later.

Dues Increased

A poll was taken last Spring to get the opinion of the members of the P-TA to vote on raising the membership fee from 50c per person to \$1.00. Most everyone voted for the raise in dues, so beginning this year the dues will be \$1 per member.

Officers

- Pres.-----Mrs. B. F. Harkey
- V-Pres.-----Mrs. Glenn Parker
- Sec.-----Mrs. Bob Bland
- Treas.-----Mrs. E. H. Nixon, Jr.
- Parl.-----A. M. Whitis
- Historian-----Mrs. Frank Kemble

Standing Committees

- Program: Mrs. M. H. Woodward, A. M. Whitis, Frank Kemble, Curtis Humphries.
- Membership: Mrs. Wm. Rountree, Mrs. J. H. Mace, Mrs. Bill Lester, Mrs. James Williams, Mrs. Richard Jones, Mrs. Vernon Rogers.
- Finance: Bill Bowen.
- Hospitality: Mrs. L. D. Mund, Mrs. Billy Frank Blaylock, Mrs. Sam Henderson, Mrs. William C. Porter, Mrs. John Murr.
- Pre-School Round-Up: Mrs. Paul Page, Curtis Humphries.
- Council Delegate: Mrs. Carroll Ratliff.
- Alternate Council: Mrs. Edwin Jackson.
- Committee Chairmen**
- Budget, Mrs. James Page.
- Civil Defense, Dick Preston.
- Clothing, Mrs. W. H. Hale.
- Costume and Song Leader, Mrs. Oliver Teele.
- County Library Rep., Mrs. Luke Thompson.
- Culture Arts, Mrs. J. Forrest Runge.
- Education for Family Living, Mrs. Herman Walker.
- Ele. Room Representatives, Mrs. A. G. McCormack.
- Goals, Mrs. Joe Wagley.
- Health, Mrs. Eldon Calk.
- H. S. Representatives, Mrs. Henry Moore.

Sunday Is Final Day Of Swim Pool Operation

This Sunday will be the final day of operation of the County Swimming Pool in western Eldorado, announces Jack Montgomery, who has been manager this summer. This was the fifth season for the pool to be run, and good crowds were reported all summer. Swimming classes have been conducted by David Kuykendall, and others, for children. The pool is closing the day before school starts.

Gift Coffee Honors Donna Beth McCormick

DONNA BETH McCORMICK

A gift coffee honoring Miss Donna Beth McCormick, bride-elect of Joe Rider, was held in the home of Mrs. B. F. Harkey last Saturday from 9:00 to 10:30.

The floral arrangements were blue morning glories and white dahlias in white milk glass bowl, for the register table which was covered with white net over blue satin. A white umbrella with white bells and flowers artistically arranged around the base formed the center piece for the serving table which was also covered with white net over blue satin.

Miss Becky Mund registered guests and Mrs. Clifford Schooley and Mrs. Henry Speck, Jr., served refreshments of coffee and tea with carrot bread, melon balls and mints. About 45 guests called.

Hostesses were: Mmes. L. C. Higgins, Arch Mittel, Carl Stevens, Henry Moore, B. E. Moore, L. M. Hoover, Allan Kuykendall, Evelyn Pennington, Paul Phillips, J. H. Mace, John Stigler, Clifford Schooley, Aaron Steward, B. F. Harkey, Ernest Hill, Harry Mercer, Charles Kellogg, Sam Carrol, Elton McGinness, C. C. McLaughlin, and Miss Becky Mund.

Mrs. J. D. Ashmore has as her guest for two weeks her sister-in-law, Mrs. O. J. Ingram of El Paso. She will be joined by her husband in two weeks when his vacation starts.

Mrs. Wiley Hight and Hubert Koy visited in Temple last Thursday with her father, J. T. Boatright, who is a patient in the Veterans Hospital there.

Mrs. R. A. Evans, Sr., had as her guests recently her niece, Mrs. S. W. Evans of Blackwell, and her daughter and son-in-law, Mr. and Mrs. Walter Phillips and three children of Salina, Kansas.

Mr. and Mrs. Jim McWhirter and Dana and Cathy returned Thursday to Augusta, Ga., after visiting with the Lum Burks. Other visitors in the Burk home have been Mr. and Mrs. Chester Burk of Midland and Mr. and Mrs. A. J. Burk and family of San Angelo.

Linda Bess Love, daughter of Mr. and Mrs. Gus Love, will be in this week end from TWC for a two weeks visit before her fall school term starts.

Explorer Scouts Have Clean-Up Project On

The Region Nine Explorer Committee, in cooperation with the Sears-Roebuck Foundation, is offering awards for the most outstanding service activity projects among Explorer units in the Region. The activity should challenge the ingenuity of every Explorer unit in Region Nine. These projects were to have been started by April 1, 1961, and are to be completed by December 1, 1961. For their project Eldorado's Post 318 has decided to beautify our main street (Divide) especially where the new highway has been moved. They also hope to arouse the pride of landowners along this street and help them beautify the street also. As you may have noticed they have done some work on the vacant lot next to Eagle Chevrolet-Olds. They have removed the mesquite trees and plan to prepare the land for mowing. They plan to improve several more lots along the street, but it takes everyone's cooperation.

If they contact you, please cooperate and help them if at all possible by allowing them to clean your vacant lot. There is now charge, of course. —Jim Runge, reporter.

Army Refresher Course

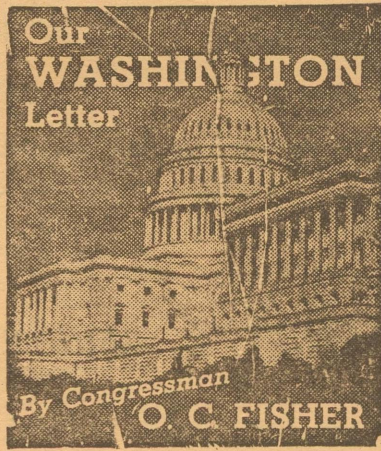

BILLY GENE EDMISTON

Fort Chaffee, Ark.—Spl)—Billy G. Edmiston of Odem, Texas, began a two-week refresher course Sunday, August 13, at Fort Chaffee, Ark.

He is one of 2,000 non-unit reservists being trained by the 95th Division. The 95th is the largest of 13 multi-branch training divisions set up by the Department of the Army in 1959.

In event of emergency, the 95th, dubbed the Victory Division after World War II, would mobilize and train up to 14,000 men at one time in advanced individual training, common specialties and basic combat training. During their two-week tour each summer, the men of the 95th brush up on instruction and training methods by offering a refresher course to non-unit reservists.

The citizen soldiers will break camp and head for home August 27.

Foreign Aid for another year sailed through the House last week, but only after amendment was adopted which continues the program on a year-to-year basis. The President had requested authority to undertake a mammoth blank check development loan plan under which commitments for projects could be made for five years in advance and financed by a "back door" technique, avoiding the need to come to the Congress each year for approval of what is planned.

The \$4.8 billion bill was approved by a vote of 287 to 140, with 11 Texans, including myself, being recorded against it.

There is presently \$5½ billion of carry-over unexpended funds from prior appropriations for foreign aid. And while portions of the omnibus bill are admittedly desirable, the bill includes a wide range of items which I consider unsound, wasteful and unjustified.

Aside from this foreign aid program, this country carries on a world-wide give-away plan that runs into billions. During the past 6 months, for example, agreements for the shipment overseas of \$2.5

"YOU CAN'T TAKE IT WITH YOU" is the thoughtless attitude of the litterbug, who leaves a trail of trash on the highways which Texas Highway Department maintenance crews clean up by the truckload as shown here. The Department asks that you do "take it with you" when traveling. Dispose of your travel litter in proper containers. Please keep Texas highways clean for the enjoyment of others.

billion worth of surplus farm commodities were concluded. This is a part of the so-called Food-for-Peace program. Most of this food is either given away or sold for local currencies. If the latter, the major portion of what is collected is plowed back into the local economies, gratis.

This latter plan has been going on since 1954. During these seven years \$14.4 billion worth of surplus food and fibre have been

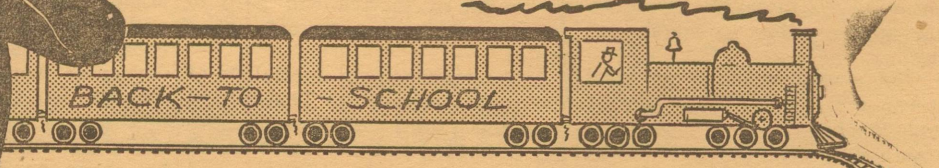

shipped abroad. In addition, through the World Bank, the International Monetary Fund, and a half dozen other programs, many billions have been loaned, mostly in American money.

So, regardless of the fate of the current Foreign Aid legislation, this country is in other ways pouring billions of dollars in cash and goods into the economies of nearly a hundred nations all over the world.

Austin.—Ben Ramsey's appointment as Railroad Commissioner—after a decade in which his name has been synonymous with the Lieutenant Governorship—carries with it several major political implications.

First, it's a pretty safe bet that the quiet-spoken East Texan will not be in the field of contenders for the Governor's chair. Pre-campaign speculation has had Ramsey in practically every gubernatorial race in recent years.

Second, it leaves the 1962 race for the Lieutenant Governorship wide open. At least a half-dozen likley prospects already have been mentioned.

Third, it puts Sen. Bruce Reagan of Corpus Christi automatically in charge of the Lieutenant Governor's duties. He was elected by his colleagues as President Pro-Tempore of the Senate shortly before Gov. Price Daniel's an-

nouncement of Ramsey's appointment.

There could be several "Lieutenant Governors" before the election this year. This depends on how many legislative sessions occur between now and then. Texas' Constitution provides that a President Pro Tempore shall be elected at the beginning and at the end of each session.

Governor Daniel has announced that he will call another special session before the end of the year. So it will be up to the Senate to elect a man who will assume the duties of Lieutenant Governor for that session. Then another will be chosen for the interim between its windup and the beginning of the next one. And so on!

Meanwhile, Reagan is first in line of succession to the Governor's office.

Ramsey's appointment to the \$17,500 a year Railroad Commission post came as no surprise in political circles.

Appointment is for the unexpired term of the late Olin Culbertson, which runs until January 1, 1963. Then, if Ramsey desires a full six-year term, he will have to stand for election.

Ramsey joins Ernest O. Thompson and William J. Murray, the present chairman, on one of the most important agencies in the state government. The Railroad Commission not only regulates all Texas oil and gas production, but all highway and railroad freight and passenger rates in the state.

Another Special Session Assured

At the close recently of the called special session which voted a teachers' pay raise averaging \$810 pre year, Governor Daniel announced he will call another session sometime before the end of the year, to act on several matters.

He said he will submit such matters as loan shark control legislation, a law to include banks in the recently passed abandoned property act, juvenile delinquency legislation, and controls over municipal annexation.

The short session, in addition to the teachers' pay raise, also provided additional money for the operation and maintenance of school buses and for administration.

A law requiring runoffs in congressional elections when one candidate doesn't receive a majority was passed in the dying moments of the session.

Although the major objectives of the Texas State Teachers Association have been reached, there are more to come.

These include a sick leave plan for teachers; provision for assistant superintendent units for large school systems; using average daily attendance, instead of scholastic census, as the factor for determining distribution of the state's available school funds to local districts; more driver education teachers; compulsory attendance for all children, six through 16, for the whole school year; and creation of regional film libraries. Incidentally, the \$810 teacher pay raise doesn't necessarily mean every teacher in the state will get such a raise. Some districts already are paying their teachers more than the state minimum. In such cases it's up to the districts to decide whether a raise is in order.

Sales Tax Explained

Prime targets of the state's new two per cent sales tax, which becomes effective September 1 are furniture, household and kitchen appliances, clothing with some exceptions, household supplies, toys, restaurant meals, and gas and electric utility bills.

But those are not all by any means, as you'll soon discover.

However, groceries, housing, medical and dental bills, insurance, and telephone service will not be covered by the new levy.

One break for the taxpayer came with the new tax bill. The 3% tax which was on television sets, radios and air conditioners, will be reduced to 2%. Cosmetics tax will be lowered from 2.2% to 2%.

It should be some consolation, at least, to know that all sales taxes under the new law are consumer taxes and thus deductible from the federal income tax.

Daniel Accedes To Sales Tax

Governor Daniel filed the sales tax bill with the Secretary of State, unsigned. This permitted it to become law without his signature.

He said to veto it at this time, when appropriations must be met September 1, "would be disastrous to the State of Texas, its school children, state institutions, old age pensioners, and other programs which are dependent upon adequate revenue & appropriations."

"It is with considerable regret," he said, "that I feel compelled to permit this type of bill to become law. Among other inequities it contains a limited type of general sales tax which I have opposed

for 22 years." There is no time to "re-fight" the tax battle, he added.

School Bus Prices Fixed?

An anti-trust suit has been filed by Atty. Gen. Will Wilson against 16 persons and firms. Suit alleges that bids on school buses sold to the state have been rigged.

Wilson said something like 5,100 buses costing \$23 million are involved. Allegation is that those named agreed to "fix, maintain and increase the price at which school buses are sold in the State of Texas."

Suit asks penalties up to \$3,600,000 for price-fixing acts covering a period from January 1, 1955 to August 16, 1961.

Do's and Don'ts With State Money

The Legislature says it's all right for the Governor to transfer funds from other appropriations into the Civil Defense and Disaster Relief appropriation if the President proclaims the national safety is in danger.

It also says he can purchase a \$10,000 limousine for personal use—but Governor Daniel quickly announced he would not do so "as long as the state deficit continues."

Legislature says it's NOT all right for state money to be spent on embossed or engraved printing or stationery, except for the offices of Governor, Lieutenant Governor, Speaker of the House, members of the Legislature, and for degrees and diplomas from state institutions of higher learning.

Short Snorts

There will be no more game wardens in Texas after September 1. Thereafter they will be called "conservation officers." "Actually," says Howard Dodgen, secretary of the Game and Fish Commission, "they spend more time on prevention of violations than in actually making arrests."

Advertising of liquor stores is legal in dry counties as long as the ad doesn't refer to liquor, according to an Attorney General's opinion. In the case in point, the name of the liquor store didn't indicate what it sells.

Big rhubarb is in the making in Texarkana, over the new two per cent sales tax for Texans. When Arkansas levied a three per cent sales tax, Texarkana, Arkansas, was exempted because Texas had no sales tax. There was a provision however, that when Texas does levy a sales tax, citizens of Texarkana, Arkansas, must start paying the Arkansas tax.

Mr. and Mrs. F. E. Chapple had as their guests Sunday and Monday, their son and daughter-in-law, Mr. and Mrs. H. A. Chapple of Sterling City.

School Menus

Aug. 28, Monday. Fried chicken, creamed potatoes & gravy, English peas, tossed salad, buttered rolls, milk, canned fruit.

Aug. 29, Tuesday. Meatloaf, macaroni & cheese, green beans, carrot & pineapple & apple salad, buttered rolls, milk, pudding.

Aug. 30, Wed. Baked wieners with cheese strips, potato salad, pinto beans, cole slaw, buttered rolls, milk, fruit cobbler.

Sept. 1, Thursday. Chicken fried steak and gravy, creamed potatoes, buttered broccoli, cooked prunes, buttered rolls, milk, chocolate cake with fudge icing.

Sept. 2, Friday. Tuna sandwiches, pimento cheese sandwiches potato chips, carrot sticks, deviled eggs, ice cream.

Policies and prices will be the same this year as last, in regard to the school lunch room.
