Everything Ready For Election Day Saturday

Firemen Still Collecting Items For Rummage Sale

Eldorado firemen went over town Tuesday night picking up items for their rummage sale, which is set for this Saturday night, but more items for auctioning are still needed, it was stated this week.

Pies and cakes, livestock, and cast off household goods which are no longer needed by a family, but which some other family might buy, are being solicited. In the latter category are old pots and pans, dishes, gas heaters, furniture, etc.

Anyone with such items to donate may call a fireman and they will be picked up, or the items can be taken to the collecting point in the city hall building.

Money taken in from the sale Saturday night will be used by the department for their various projects.

Auto Insurance Rates Are Going Up

The State Board of Insurance issues the following statement:

"Automobile insurance rates for Texas will be raised effective Aug. 1, 1958. These increases result directly from an increasing number of automobile collisions, higher costs of repairs, larger medical costs, and higher jury awards in actions for damages.

"The average rate increase, state-wide for all classes combined, will be approximately 19% for liability insurance and approximately 17% for collision insurance on private passenger cars. It is emphasized that these percentages are only the average increases, are based on Texas experience alone, and will vary widely among the different rating territories of the State and among the different classes of insureds. The State Board of Insurance, as required by law, has set these rates after a public hearing in Austin on June 20, and after careful study of statistics collected on automobile losses in Texas.

SWIMMING POOL OPEN FRIDAY NIGHTS

The Schleicher County swimming pool in the West addition is now open Friday nights from 7:30 to 10:00 o'clock. It is planned to have the pool open Friday night instead of Tuesday night.

Other pool hours remain the same: 2:00 to 7:00 p. m. Tuesday through Saturday; 2:00 to 6:00 p. m., Sunday; and closed Monday.

David Kuykendall, pool manager, has been in charge of diving classes this week.

WARNING — AGAIN!

Local firemen this week repeated their plea for all drivers of vehicles, other than firemen, to PLEASE clear the streets whenever the fire siren sounds. Some near misses have been reported by firemen on their way to answer alarms when they have nearly collided with cars backing out, or with slowly-moving cars which failed to pull over and stop.

Another aspect: It's the law that all streets are to be cleared while the firemen are answering a call, and violators are subject to fines.

So when the siren sounds, leave your car parked. If you are driving, pull over and stop. In these small ways you will help the firemen to help you.

OPEN HOUSE SUNDAY TO HONOR BELKS ON THEIR 25TH WEDDING ANNIVERSARY

Mr. and Mrs. H. A. Belk will hold open house Sunday afternoon on their Silver Wedding Anniversary, at their home in the Reynolds community. They state that all of their friends are welcome to call during the afternoon.

Mrs. Belk is a life-long resident of Schleicher county. Her parents were the late Mr. and Mrs. Will Faught, and she attended schools of the county, graduating from Eldorado High school with the class of 1932. Only two other '32 classmen, Hollis McCormick and Bernard Carr, still make their homes in Eldorado.

Mr. Belk graduated from high school at Howard Payne in Brownwood.

The couple were married July 27, 1933, in Goldthwaite. They made their first home in this county on her father's place, where the

Post Script

Following the announcement that a carbon removal and dehydration plant would be built in this county, a local supply house got in touch with the contractors, Bairy & Co., of Tulsa. Assurance was promptly received that engineers would soon be on the ground, and the implication was that the job would be carried on from Eldorado.

Location of the plant will be on a 20-acre plot in Section 4, block 'D', GC&SF survey. This is a J. H. Emmons section—not Sol Mayer as we reported last week.

Skeet Mace, manager for Foxworth - Galbraith, drove out to the location over a week ago and made careful notes off road conditions and distances. He says it is 18 miles from Eldorado, and 25 miles from Sonora. Included in the 18 miles from Eldorado, are 11 miles of paved road.

—ps—

There seems to be a plague of jackrabbits all over the county—you see them everywhere when you drive along a country road, and lately they have been observed encroaching the city limits—on vacant, weed-grown lots, etc.

The subject came up the other day, and one rural resident reported that he had started a war on them with his .22 caliber repeater rifle, and that he had killed over 200 in less than a month. He also spoke of a neighbor who had killed about 400. They say it is almost hopeless to try to have a garden out in the country.

What is your rabbit story? P. S. would like to hear about it.

—ps—

All right, get it off your chest! Gripes against Eldorado merchants, the town, the county, or any other phase of life here can be aired as result of questionnaires which were sent out this week to local box holders by the Chamber of Commerce.

Persons who fill out the questionnaire will remain anonymous, since they do not sign their names anywhere. Here is your chance to give-em (us) hell!

The survey is under the direction of Clarence H. Wright, local C of C manager.

TO BROWNWOOD MEETING

Clarence Wright, manager of the Schleicher County Chamber of Commerce, and Edwin Jackson, were planning to leave today for Brownwood to attend the directors' meeting of the West Texas C of C.

Commissioners Let Contract For Three-Fold Paving Job

At their regular meeting Monday, Schleicher County commissioners received paving bids, and awarded contract to Reece Albert of San Angelo on his low bid of 30c per square yard.

The three-fold paving job includes the landing strip at the airport, the parking area around the swimming pool, and the Huldale road.

Mr. Albert's representative will be in Eldorado next week to work out details of the

Milton Faughts now live, moving later to their own place about three miles away.

When the camp at the old Shell pump station was dismantled a few years ago, the Belks purchased one of the houses and moved it to their place and remodeled it for their home. Just last year the house was rock veneered.

The Belks' family consists of two daughters, both of whom are married, and two sons. Jane, Mrs. James Alexander, lives in the county and the couple have three children, June, Eddie, and Sheila. Gainell, Mrs. Jodie Minnick, makes her home with Mr. Minnick in Midland. Allen, 15, and Jimmy, 11, are still at home and attend the Eldorado schools. All the children and grandchildren are expected to be on hand for the open house Sunday.

Schleicher county voters will join those from all over the state this Saturday when they go to the polls to name officials from governor down to county treasurer and two commissioners, as the First Democratic Primary takes place.

While not as many offices are up for contest as in the past, a good turnout of voters is expected. Contests in which a candidate fails to get a majority of votes will carry over into the Second Primary in August.

Local Races

Local interest is centered mainly in the county treasurer's race, in which A. G. McCormack is running

Joe Dossett's House Is Moved In This Week

Joe Dossett's house was moved in this week from the Rancho camp south of Eldorado, and workmen were fitting the house onto its new foundation yesterday. Dossett built the foundation on the lot on the Menard highway, which he purchased a while back from L. M. Hoover.

Fred Watson's house will be moved before long to the foundation he has built on his lot in the Finnigan addition.

It is understood that the Service Pipe Line house will be moved to Stamford for Hall Hagler. Mr. Hagler was transferred there recently to become district gauger.

Arrangements for the remaining two houses to be moved from the Rancho camp were indefinite at press time this week.

Lions Club To Sponsor Bicycle Inspection Day

At their meeting yesterday, Eldorado Lions voted to sponsor a bicycle inspection day for local youngsters. The day will be designated sometime in August, and Herman Moore of the State Highway patrol will come to assist.

A film on bicycle safety will be shown, and boys and girls whose bicycles pass inspection will be given certificates. Ray Boyer is in general charge of arrangements.

PHIL McCORMICK INJURED

Phil, son of Mr. and Mrs. Hollis McCormick, was injured Tuesday evening while crossing the highway on his bicycle. In trying to avoid a car coming down the highway his bicycle overturned and hurt one of his feet. He will have to wear a cast on the foot about two weeks, but is resting nicely at present.

work with county officials. It was indefinite this week how soon Mr. Albert's crews would get on the job, or which of the three projects would be done first.

Topping of the air strip was approved by the court a while back, after it was caliche. The all-weather strip is also to be fenced, with the county furnishing materials and the city furnishing labor.

The parking area around the swimming pool is to be topped, to lessen the sifting of caliche dust into the pool.

The Huldale road has been rebuilt in places recently, where a cave-in threatened, and is to be topped.

IN TENNIS TOURNAMENTS

Danny and Ilene Clayton participated in the tennis tournament in Sweetwater recently, and each placed third in singles.

Ilene also placed second in the 15 and under doubles.

Danny and Ilene attended the Abilene tennis tournament over the week-end and came home with two firsts and a second.

Danny teamed with Kenneth Rogers from Clyde, and won the boys 13 and under doubles.

Ilene played with Peggie Pringle, also from Clyde, to win the girls' 15 and under doubles. Ilene also won second in singles, beaten by Jill Philbrick of Lubbock in the finals.

Ilene and Danny will attend the Lubbock tennis meet in August.

against the incumbent, Mrs. Mabel Parker. County Judge W. R. Pearce and County Clerk J. P. Enochs will appear on the ballot without opposition.

In Commissioner Precinct 2, Grat Edmiston and Orland Harris are running against the incumbent, Sam H. Henderson. In No. 4, Chan Whitten, Jack Wade, Thomas Baker, and Leonard Lloyd are running. The remainder of the county offices are not up for contest this year.

For the first time in several years, there is a contest for State Representative of the 78th Representative district. Jerry Shurley of

Sonora is running against the incumbent, Joe Burkett of Kerrville.

Seven Polling Places

Schleicher Democrats will vote at seven boxes over the county. They are:

Precinct 1, Memorial Building. Tom Ratliff, judge; Elizabeth Ballew, associate judge; Mrs. Jack Hext, Wayne Black, Mrs. Grover Lee Johnson, Donna Beth McCormick, Mrs. Roy Phelps, Mrs. J. C. Schooley, Mrs. James Williams, Earl Barnett, Guy Whitaker, Mrs. Gladys Cheek, W. H. Hale.

Precinct 2a, Eldorado Wool house. Billy Frank Blaylock, judge;

L. E. McCalla, associate judge; Mrs. B. F. Blaylock, Mrs. Joe Edens.

Precinct 2b, Cooper Gas Co. Mrs. R. A. Frieske, judge; Mrs. Arch Ory, associate judge; Mrs. W. F. Wyatt, Mrs. A. A. Clark.

Precinct 4a, Perry Mittel residence. W. F. West, judge; Mrs. Perry Mittel, associate judge; Mrs. W. F. West, Mrs. John Mayo.

Precinct 4b, Permian Gas plant. Mrs. Victor Sauer, judge; Nick Jurecek, associate judge; Mrs. J. W. Davis, Mrs. Arthur Smith.

Precinct 3a, County Barn. Joe Wagley, judge; Daniel Brown, associate judge; Anita Runge, Mrs. Curtis Short.

Precinct 3b, Adams. Lottie Reynolds, judge; (others to be named).

The polls open at 8:00 a.m. and close at 7:00 p.m. Each of these boxes will be the site of a precinct convention at 2:00 p.m., with exception of No. 1, where the precinct convention will be held in the district courtroom instead of the Memorial Building.

Again this year County Democratic Chairman Edwin Jackson has urged all voters to vote as early in the day as possible. This will speed the counting of the votes and enable returns to be announced as soon as possible after the polls close at 7:00. He also urged all voters to attend their respective precinct conventions.

Returns To Be Posted

The Eldorado Fire Department will have charge of the only returns board in Eldorado this year, which will be set up on the large parking lot west of the courthouse. Returns will be posted as they come in from the various boxes.

There will be a rummage sale at intervals during the evening, with Alvin Atkinson as auctioneer. Other entertainment has been lined up in addition.

Absentee Voting

With the passing of the deadline late Tuesday for absentee voting in the Primary, a total of 78 absentee votes had been cast in the office of Patton Enochs, county and district clerk.

The total of 78 includes several ballots which were mailed out and which have not yet been received back in the office.

HULLDALE ROAD PUT BACK IN SHAPE BY COUNTY ROAD CREW

Along in the middle of June we ran the above picture of the Huldale road, showing the huge cracks where the road bed threatened to give way, and slide down hill. Not long after that time the county's road crew went to work on the project and rebuilt this section.

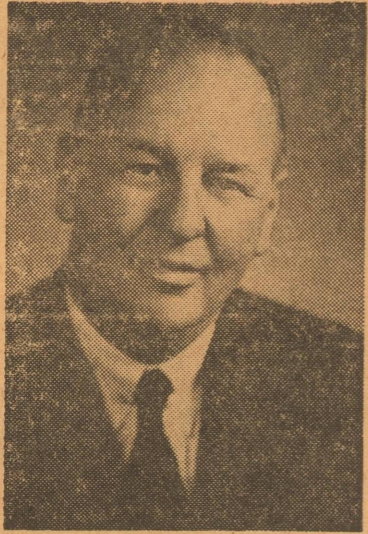

The picture below was taken from almost the same point and shows everything back in good shape and safe for heavy traffic. The county crew, under the direction of Jack Griffen, foreman, rebuilt the grade and improved the drainage and they think they now have the

problem whipped. It was built originally by an out-of-town contractor.

This piece of road will be included in the black-topping contract which the commissioners arranged for this week.

YOUR SENATOR BACKS RAMSEY

SEN. HARDEMAN

TO THE PEOPLE OF THE 25th SENATORIAL DISTRICT:

It is of great interest and importance to the people of Texas and especially West Texas that we have a person of the stature of Ben Ramsey as Lieutenant Governor.

Governor Ramsey's ability and integrity commend him for re-election to such office. His dedication to sound economy and constitutional government has earned the respect and confidence of the people.

Ben Ramsey's fairness as the presiding officer of the Senate has meant much to our district, as well as to the State.

I am grateful indeed for my re-election without opposition, and I hope that Ben Ramsey will be re-elected as Lieutenant Governor.

Sincerely yours,
DORSEY B. HARDEMAN,
Your State Senator,
25th District,
San Angelo, Texas.

He Is Able to Give New Life
Scripture: Roman 7:1-6. Text: Rom. 7:4.

"Likewise, my brethren, you have died to the law through the body of Christ, so that you may belong to another, to him who has been raised from the dead in order that we may bear fruit for God."

"New life in Christ" is the aim of struggling humanity today. It is also the goal of history, the express purpose of God's will for mankind. Here the apostle brings into sharp contrast two kinds of life; one, the spiritual life, the other, a life dominated entirely by physical instincts and desires. Will our lives be ruled by insight or governed by impulse? The answer is found in our relationship to the church. "You have died to the law," says Paul, "through the body of Christ." It is not a matter of individual faith and personal experience alone. It is something we share with all the people of God, as members of the church. We have been given a new allegiance, we "belong to one another" because we "belong to him."

The result of this intimate union with Christ, illustrated by the holy example of a husband and wife in marriage, is that our lives may "bear fruit for God" and that we may "serve... in the new life of the spirit." External rules, laws, and regulations have no power in themselves to produce the quality of life and happiness we need. The dynamic comes from God through him who was raised from the dead.—Hubert Chaney.

H. D. Market Day Sale Is Set For This Saturday

The Home Demonstration women of Schleicher county have set Saturday, July 26, as the date of the annual Market Day sale. This will be the third year for the sale and most citizens of the community are acquainted with the procedure. The sale will be held in the Bill Word building on Main street and will open at 8:00 a.m. and remain open until the election returns are complete.

Each Home Demonstration club in the county will have a stand where they will sell cakes, pies, sandwiches and many other home made and home grown foods. One club will sell hot dogs and every one is invited to stop by for lunch and again any time during the day and evening. The 4-H girls will also have a stand.

The Market Day Sale is the only money making event held by the Home Demonstration women and the money is divided equally between the individual clubs and the county council. The council money is used to pay the expenses of the organization and to send delegates to the state and district meetings.

AN EDITORIAL

REPRINTED FROM THE FRONT PAGE OF THE KERRVILLE TIMES, JULY 20, 1958

The testing days of Texas lie ahead. In the next few years, our state must gear itself to a new fast-paced economy, must develop strong plans for a rapidly-developing future. The acts of today will have a strong reflection on the future of Texas.

For these reasons, if for no other, the voters of this district would be wise to return Joe Burkett, Jr., to his office as our state representative. He is an experienced legislator. He has demonstrated his skill in planning, his devotion to the people, his attention to detail.

But there are other reasons, too.

Joe Burkett, Jr., has fought staunchly for the principles of the people in this district since the first day he stepped into the high-domed halls of our state capitol. Voters of his district and members of the State Legislature were quick to realize Joe Burkett, Jr., had one of mankind's most treasured virtues: he was a man of his word, he kept his promises.

In the drought-ridden days of the early fifties, Joe Burkett, Jr., was a champion of water rights. He still is. He sponsored the water bill proposed by the Association of Soil Conservation Districts. He has fought consistently for the protection of the water rights of the people of his district, for riparian rights, for the 200-acre-foot stock pond law.

As a livestock farmer himself, Joe Burkett, Jr., knows the problems of the ranchers and has acted on every account to secure their just legislative needs.

He is opposed, on the other hand, to an increase in state taxes unless he is convinced new taxes are absolutely necessary for the proper maintenance of present services. He is opposed to the CIO-sponsored—or any other—state income tax.

He is opposed to the repeal of the "right to work" law as is proposed by the leaders of organized labor.

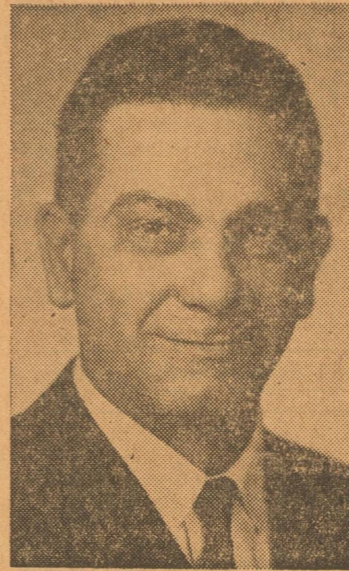

Joe Burkett, Jr., is a strong advocate of local self government and for economy in the operation of governmental affairs.

As a veteran himself, Joe Burkett, Jr., knows and appreciates the problems of veterans. It was he who led the investigation of the veterans land scandals and his committee sought stronger laws in that direction.

For the benefit of the voters of this district—and indeed, for all the people of Texas—the State Legislature should be filled with men of experience and depth. As a zealous guardian of the rights of the people, as a champion for their causes, Joe Burkett, Jr., shines as a legislator.

As a steadying hand on the forces which guide our state's future, as a protector of the rights we hold dear, as a vigorous worker for what is best for all the people in this district, Joe Burkett, Jr., should be returned to the State House of Representatives by the voters of the 78th District.

These opinions are shared not only by a great majority of the people of this district, but by Joe Burkett's colleagues in the House of Representatives. Approximately two-thirds of the present members of the House believe his ability, experience, integrity & leadership are of such outstanding character that they have pledged him their support as the next Speaker of the House. This support insures the voters of this district will elect the next Speaker of the House when they re-elect Joe Burkett, Jr.

Dr. Alexander's Funeral Is Held In El Paso

Funeral services were held in El Paso last week end for Dr. M. L. Alexander, who was nearly 82 years of age. His survivors include three sisters, Mrs. Joab Campbell, Miss John Alexander, and Mrs. L. M. Hoover, and a brother W. O. Alexander, who live here in Eldorado. None of the local relatives were able to attend the funeral because of illness here.

Word was received here late Thursday of Dr. Alexander's death, which occurred in an El Paso hospital.

Dr. Alexander had practiced medicine for nearly 50 years. He first went to Water Valley after receiving his diploma, where he stayed several years and married Charlie Hearn. He was later at Burkett in Coleman county, and for a short time was in Eldorado.

For a number of years Dr. Alexander practiced in Knickerbocker. He spent about four years practicing in a hospital in Old Mexico. Later in Arizona he had a stroke which partially paralyzed his left side, and was confined to hospitals in El Paso. He was a railroad physician at one time.

He recovered enough from the stroke to go on with his practice, and built a home at Canutillo about 20 miles from El Paso. He served as county health doctor there, and broke his hip about five years ago.

In addition to the relatives here in Eldorado, Dr. Alexander is survived by two daughters, Mrs. Guy Holt of Tucson, Arizona, and Mrs. Janie Scott of Canutillo; four grandchildren, and six great grandchildren. He was preceded in death by Mrs. Alexander, who died about two years ago.

Mr. and Mrs. Wayne Land of Sterling City visited here recently with Mr. and Mrs. James Alexander and family.

—My sincere desire is at all times to truly represent the true interests of my district and of Texas. I have no master except the people, and I shall always represent their true interest to the best of my experience and ability.

A PICTURE OF PROGRESS

U.S. PASSENGER AUTOMOBILES AVERAGE 9,360 MILES A YEAR, AND CONSUME 645 GALLONS OF GASOLINE. IF YOU EQUAL THAT AVERAGE THIS YEAR, YOU'LL PAY ABOUT \$56.76 IN DIRECT TAXES ON GASOLINE ALONE!

GASOLINE IS A COMMODITY THAT ALL OF US DEPEND ON... YET THE TAXES ON EVERY GALLON ARE FOUR TIMES AS HIGH AS THE FEDERAL TEN PER CENT ON "LUXURIES".

FOR EVERY DOLLAR PAID FOR FUEL AN ADDITIONAL 40 CENTS GOES TO THE FEDERAL AND STATE GOVERNMENTS—

REMEMBER: THE REAL PRICE OF GASOLINE... EXCLUSIVE OF TAXES... STILL REPRESENTS ONE OF THE BEST BARGAINS ON YOUR FAMILY BUDGET.

A States Rights bill passed the House last week. Designed to protect the Constitutional rights of the states against Federal encroachment, the measure simply provides:

"No Act of Congress shall be construed as indicating an intent on the part of Congress to occupy the field in which such Act operates, to the exclusion of all State laws on the same subject matter, unless such Act retains an express provision to that effect, or unless there is a direct and positive conflict between such Act and a State law..."

In recent years the Supreme Court in several decisions has cast aside State laws because there were Federal laws on the same subject. A good example of that occurred in the Steve Nelson case

wherein Nelson, a Communist leader, was convicted under a Pennsylvania law for subversive activities. But the Supreme Court set Nelson free on the theory that since Congress had enacted anti-subversion laws, all state laws on the subject were automatically invalid.

If the Senate follows suit and if this bill becomes law, it will be a significant step toward protecting the sovereignty of the States against encroachments by actions of the courts. It in effect says to the courts: "Don't knock down state laws unless they are in conflict with Federal laws."

The Closing-day-guessing-game is

heard everywhere you go around here these days. I've heard several ask the Speaker: "When do you think we'll adjourn, Mr. Speaker?" And I've heard several put the same question to Senator Lyndon Johnson. Both of them disclaim any special knowledge about closing date. They, like the others, do some speculating, with plenty of flexibility. Right now it looks like the average guesser would put the closing date at about August 9.

Recent visitors have included Mr. and Mrs. J. O. Willoughby of Eldorado.

COUNTY AGENT'S COLUMN

Schleicher County Agricultural Agent

Claim for refund of federal tax on gasoline used on a farm or ranch from July 1, 1957 through June 30, 1958 are due in the Internal Revenue office on or before September 30, 1958. Producers claiming this tax should receive Form 2240 through

the mail direct from Internal Revenue. If none have been received call Mrs. Joe Woodward, 24281, for Form 2240 with complete instructions. If a claim has never been filed contact Mrs. Woodward for complete details.

The rate of refund is .03 per gallon on gasoline used for farm or ranching purposes after June 30, 1957 and before July 1, 1958.

With the drying of ranges, a good creep feeding ration can pay dividends on lambs. A good mixture for creep feeding is: 2 parts sorghum grain, 2 parts oats, and 1 part cotton seed meal.

Creeping lambs will lighten the load on the ewes, also there can be a spread of several cents a pound in favor of fat lambs off the range over feeder lambs.

These insecticides control termites: 5% DDT in deodorized kerosene, 2-3% chlordane, 5% pentachlorophenol or 0.5% dieldrin in an oil carrier. One gallon of either the above or a mixture of the insecticides will cover 100 square feet of wood surface.

It is wise to be sure that all boards, sticks or other wooden material is cleaned out from under the house, because loose material is a good source of termite infestation. Check your house today for termites.

Chinch bugs and the sorghum ear worm have reached the infestation stage in some grain sorghum fields. 10% DDT or 20% toxaphene applied as a dust, or spray equivalent, will control both. Producers will receive the maximum use of their insecticides if used in the heat of the day when sorghum heads are open.

Avoid poisoning if possible within thirty days of harvest.

The grain sorghum parity price for Schleicher county is \$1.65. If stored in an approved government granary the cost of handling and hauling is to be deducted from the \$1.65. For approved granary storage places call or see your local ASC office.

A conservative estimate of the grain sorghum crop as of the present is about 20 million pounds. 97 per cent of all grain sorghums are hybrids with RS610 being far in the lead in acreage.

4-H boys will be selling tickets to the Junior Rodeo to be held in Eldorado August 8-9. This ticket sale campaign will begin Saturday, July 26th.

The question as to whether a boy will be ineligible for sports if he participates in this Junior Roping, has been cleared by Horace Linticum and Coach Herridge with the Interscholastic League officials. He will not be ineligible so long as he accepts something symbolic for the occasion such as ribbons or trophies. These will be offered and have been announced.

One thing that has saved the youth of today has been dad's not confining himself strictly to the truth in delivering his "When I was a Boy" oration.

**VOTE FOR A CHANGE!
Elect JERRY SHURLEY**

OF SUTTON COUNTY
STATE REPRESENTATIVE, 78th DISTRICT

Jerry Shurley believes

In using every precaution to protect citizens from such scandals as have occurred during the past 6 or 7 years in our State Legislature.

Jerry Shurley believes

That honesty begins at home and thus it should be with our State Legislature. In equitable representation of all the people of the 78th District.

Jerry Shurley believes

A man is only as good as his word and thus it should be with political promises.

Jerry Shurley believes

In continuation of Farm-to-Market road programs and equitable development of our water resources.

Jerry Shurley believes

In speedy solution to problems of our district and state.

A CHANGE IS NEEDED

HIS OPPONENT, as chairman of the committee that wrote new insurance laws "to protect the public," voted AGAINST re-organization of the Insurance Board AFTER the insurance scandals were uncovered.

HIS OPPONENT has voted AGAINST lobby control laws for our Legislature on three separate occasions. And it might be noted that some of the most powerful career lobbyists in Texas are campaigning for him.

HIS OPPONENT has voted consistently AGAINST school and teacher legislation and has even tried to have the Gilmer-Akin School Law repealed.

HIS OPPONENT has voted AGAINST increases in salaries for state employees.

WHY DELAY A CONSTRUCTIVE CHANGE?

Jerry Shurley is an attorney and ranchman of this district and a married man with two children. He is educated in government and law at the University of Texas. His unquestioned honesty and dedication to clean and truly economical government make him the right man to serve his friends, the people of the 78th District. They are the only lobby he speaks for.

Enrollment Drop

Supt. Cullen N. Perry, said this week that the local school system will attempt to operate with one less teacher than it has been for the past several years. This situation was brought about by the resignation of Mrs. Ethel Horton and a drop in average daily attendance. Perry said he had several applications on hand to replace Mrs. Horton, but because of the drop in attendance, none was to be considered at this time. —Santa Anna News.

Tigers Take Lead In First Game Of Little League Baseball Play-Off

By RAY LEWIS BALLEW

Red Sox vs. Tigers, July 17

Peaches Included In August Plentiful List

College Station. — This year's crop of freestone peaches is king-size—the largest since 1947. Present indications point to a national crop of 49½ million bushels, nearly a fourth larger than last year, and slightly more than a fifth above the 10-year average.

This abundant supply has placed peaches on the USDA's plentiful foods list for August, reports the Agricultural Marketing Service, as a featured food. Other fruits carried on the list are fresh and processed lemons and watermelons.

Abundant supplies of potatoes and summer vegetables are also forecast for August. Tomatoes, sweet corn, green beans, lima beans, green peppers, cucumbers, lettuce and onions are among the vegetables expected to be plentiful next month.

The early summer potato crop is estimated at nearly 10 million hundredweight, or 6 percent above last year. Harvesting of the early summer crop is running late in all areas and marketing is likely to continue into August, says the Marketing Service. Late summer output also will be abundant if acreage intentions are met.

Vegetable fats and oils round out the August list. Prospects for another large soybean crop, plus a carryover from last year, assure a plentiful supply for the months ahead.

In last Thursday night's game Danny Halbert took the mound for the Tigers and allowed only three hits the whole game for the Red Sox. In the first inning the Tigers took a 3-0 lead with Monty Montgomery and Mack McAngus both getting hits for the Tigers. The next inning found both teams held scoreless.

The Tigers chalked up four runs in the 3rd and 4th innings, while the Red Sox were held to one run in the 3rd inning. In the 5th the Tigers rallied, scoring 5 runs to make the score 12 to 1. In the final inning the Tigers scored 4 runs while the Red Sox scored only 3, making the final score 16-4 in favor of the Tigers. The umpire was Joe Logan.

Cougars vs White Sox

In Friday night's game the Christoval Cougars swamped the Eldorado White Sox with a 25-0 score. Under the combined pitching of Rudy and Bobby Menchaca, the Cougars held the White Sox to only one hit throughout the game.

The Cougars got off to a good start in the first inning scoring 12 runs to the White Sox nothing. The 2nd and 3rd innings says the Cougars run up seven more scores, and in the 4th inning they collected 4 more, making the score 23-0.

The Cougars picked up two runs in the last inning while the White Sox were held scoreless the whole game. Rudy Menchaca was high scorer for the Cougars, collecting six runs to help his team defeat the White Sox 25-0. The umpire was Bob Page.

Bride-Elect Honored With Gift Coffee

A gift coffee Wednesday morning in the home of Mrs. T. P. Robinson, Jr., honored Janice Cales, bride-elect of Richard Wayne Graves.

Hostesses included Meses. Ben Hext, W. T. Whitten, L. L. Arnold, Ben Biggs, Fred Watson, Bernard Carr, Truett Stanford, Arch Mittel, Carroll Ratliff, Carl Stevens, W. M. Rountree, Buster Gunn, J. H. Mace, L. M. Hoover, Henry Moore, Allen Kuykendall, T. P. Robinson, Jr., and J. E. Spencer.

The engaged couple plan to be married August 30th in the First Baptist church in Eldorado, with a reception to follow in the church parsonage.

Calks Will Attend State Convention

Austin.—Eldon T. Calk, vice counselor, District 4, and his wife, both of Eldorado, will be present at Texas Pharmaceutical Association's 79th annual convention slated for July 27-30, at the Municipal Auditorium. The big 4-day program is estimated by association officials to attract an attendance of 1400 or more pharmacists from every section of Texas.

"Charting our future with visibility unlimited" is the theme of the 1958 meeting arranged by the association for its 4000 members. Tapping impressive drug industry and governmental sources from throughout the nation, TPA has commitments from 25 guests speakers to perform on the elaborate business program.

New Babies

A son was born July 19 in a Pecos hospital to Mr. and Mrs. John E. Wilkinson of Orla, Texas. The new baby weighed 6 lbs. 3 oz. at birth and has been named William Lewis. He is the Wilkinsons' first child.

Grandparents are Mr. and Mrs. C. O. Dewey of Eldorado and Mr. and Mrs. Jack Wilkinson of Christoval. Mrs. Wilkinson is the former Melba Jean Dewey.

A son, Michael, was born July 17th in a San Angelo hospital to Mr. and Mrs. Freddie Gauntt. Mrs. Gauntt is the former Monetta Bradshaw. The new baby weighed 6 lbs and 7 ozs. at birth.

Grand parents are Mr. and Mrs. O. B. Bradshaw of Eldorado, and Mr. Gauntt and Mrs. Joan Gauntt of San Angelo. Greats include Mrs. Emma Bradshaw of Eldorado and a great great is Mrs. J. L. Kiser of Ozona.

Mrs. O. B. Bradshaw has been in San Angelo this week with the mother and new baby. The baby's father is employed in San Angelo.

Mr. and Mrs. Raymond Mittel are parents of a son born in the Sonora hospital July 16. The baby weighed 7 pounds and 10 ounces at birth and has one sister, Theresa.

Grandparents are Mr. and Mrs. Jack Drennan of Sonora, and Mrs. Christina Mittel of Sonora is a great.

Tigers vs. Christoval Cougars

First Game Of Play-Off

The Tigers chewed up the Cougars in the first game of the little League play-offs by defeating them 23 to 7. Danny Halbert and Roy Lynn Love combined their pitching efforts to allow the Cougars only 7 hits. The Cougar pitchers, Skip Roberson, B. Menchaca and Gary Bivins were unable to stop the the Tigers' scoring streak.

The first inning saw the Tigers take the lead, scoring 6 runs while the Cougars scored only 2.

The Cougars were held scoreless in the 2nd and 3rd while the Tigers chalked up 2 runs. The 4th inning 12 Tigers cross home plate and only one Cougar made the grade.

After the 5th inning of play the score was 23-7 and the Cougars were held to no runs in the top of the 6th. Top scorer for the night was Tiger Danny Halbert, with four runs. Earl Barnett was the umpire.

TONIGHT AND TOMORROW SCHEDULE OF PLAY-OFF

The second game of the play-off will be played at Legion Field Thursday (tonight) July 24th, and the third game on Friday, July 25 (tomorrow). With the title at stake these promise to be exciting games.

CARTWRIGHTS VISIT HERE

Rev. and Mrs. George Cartwright and children of Wabash, Indiana, have been here the past week visiting in the home of Mrs. Cartwright's parents, Mr. and Mrs. Otto Sauer and other relatives in the county. Early this week they went to Van Horn where they visited in the home of her brother William Sauer and family. From there they expected to go Carlsbad Caverns.

CIRCLE 2 MEETS

Circle No. 2 of the First Baptist church met at 3:00 Monday afternoon in the home of Mrs. Ruth Finigan. In the absence of Mrs. J. L. Ratliff, Mrs. Fred Watson presided at the business meeting, after which Mrs. Kuykendall led the Bible study.

ATTEND FUNERAL

Mr. and Mrs. Jud Brannan and Bill Word attended funeral services Monday afternoon in Del Rio for Charles Morris, who was a brother-in-law of Mrs. Brannan.

CIRCLE THREE

Circle No. 3 of the First Baptist Church met Monday with Mrs. Morris Whitten. There were seven members present and the Bible study was given by Mrs. Charlie Morris. Refreshments were served by the hostess at the close of the program.

Methodist News

Tissie Enochs is attending the 7th and 8th grade assembly at Mt. Wesley this week. Tissie is a member of the Intermediate MYF.

The Intermediate MYF will meet Sunday evening and a program is being prepared. All intermediates are urged to be present.

The Commission on Education met last night. Mrs. E. H. Topliffe is chairman of this commission.

The Methodist Men will meet next Monday at 8:00 p. m. in the educational building. A good program and refreshments will be provided. All men are invited. Charlie Trigg is president of the Methodist Men.

Mrs. R. R. Heaner will teach in the school of missions at Texas Tech in Lubbock next week.

The Official Board had a meeting last Monday night, with chairman W. H. Hale presiding. The renovating of the church is now almost completed.

Senior League Game Set For Sunday Afternoon

Sunday afternoon at 2:00, the Senior League team from Eldorado will meet Sonora in a return game at the diamond just south of Eagle stadium, (the old Fastball diamond)

Since their recent organization, the locals have won three games, one with Sonora and two with San Angelo. Team members were busy this week cleaning off the diamond and getting it in shape for the Sunday game.

It was at the game last Sunday in San Angelo that Hal Whitten broke his leg.

Manager Tony Kerr states that any other young men interested in playing should get in touch with him. Uniforms for team members have been furnished by local business concerns.

ANDREWS HONORED

Mr. and Mrs. Joe Andrews were honored by members of his Sunday school class and their wives with a barbecue Tuesday evening at the home of Mr. and Mrs. L. L. Watson. About 46 were present and all report a good time.

Mr. Andrews is leaving soon to take up his duties as superintendent of the Merton schools.

NIXON CLASS HAS PICNIC

The Nixon Sunday school class of the First Baptist church enjoyed a picnic supper recently at the home of Mr. and Mrs. Ben Biggs.

After the supper, which was served in the back yard, Bro. DuBose brought the devotional on the life of Paul. Present were 21 members and guests.

BUS. WOMEN'S CIRCLE

The Business Women's circle of the First Baptist church met Monday night with Mrs. Edgar Spencer. There were six members and one guest, Mrs. Jesse Ashmore, present. Mrs. Spencer gave the mission study book.

CIRCLE 1 MEETS

Circle No. 1 of the First Baptist church met Monday morning at 9:00 in the church with Mrs. Ben Biggs as hostess. Mrs. L. M. Hoover taught the Bible lesson and refreshments of cantaloupe and ice cream were served to six members.

Rev. and Mrs. D. C. DuBose and family returned Wednesday morning from Lake Travis where they have been fishing and visiting. Rev. DuBose preached Sunday morning and evening at Luling where he was ordained to the ministry.

Mr. and Mrs. C. C. Henderson are at home for a while after spending a month vacationing and fishing at Port Isabella. They visited with the Webb Frisbys, who lived here at one time. Fishing was fine but they were glad to be back at Eldorado.

Mr. and Mrs. Walter Stucke stopped by to visit his sister, Mrs. Ben Biggs and family over the week end. The Stuckes are on their way to the Davis mountains and other points.

Mrs. Rutha Boyer has as a guest this week her brother, Denton May, from California.

W. O. Alexander Jr., and family who have been living at Corpus Christi are spending a few days here with his parents before going on to California, where he plans to work on his Ph. D. at Stanford university. He will be there about three years. Mrs. Alexander's parents, Mr. and Mrs. J. W. Tyler, are accompanying them.

Jean Kuykendall of San Angelo spent the week end here with home folks. Also visiting in the Kuykendall home Sunday was S-Sgt. Ray Henderson of Goodfellow AFB.

Miss Dodd, Mr. Robinett, Shurley Closing Out Are Married Saturday

In a ceremony Saturday evening in the Earl Parker home, Miss Joy Dodd became the bride of Monte Robinett of Price, Texas, with close friends and relatives attending.

The bride wore a white dress and was attended by Miss Helen Kaye Taylor as maid of honor. Carl Parker attended the bridegroom as best man.

Officiating was the Rev. Wesley Harralson, pastor of the Congregational Methodist church in Brownwood, who is a former minister of the Congregational Methodist church here in Eldorado.

Becky Mund sang a solo. A reception was held following the ceremony, with Miss Mund serving punch and Miss Taylor serving cake.

The couple left for Dallas where he is employed, and where they will make their home.

The bride was a member of the 1958 graduating class of Eldorado High school.

Out-of-town guests included the grandparents of the bridegroom, from Coleman, and his uncle and aunt from Texon.

Shurley Closing Out Campaign for State Rep.

Jerry Shurley of Sonora, candidate for state representative from this district, is winding up his campaign activity in Kerrville as election day draws near.

Shurley, with his wife, Jackie, formerly of Ozona, and their two sons, have been touring the ten-county 78th District extensively in the past few weeks. The candidate is a twenty-seven year old lawyer-rancher of Sutton County and a graduate of the University of Texas with degrees in government and law.

"I feel qualified by training and background to serve this district well," says Shurley. "I admit that I don't have any experience in the legislature, but I regard this as an asset because I don't have any commitments in Austin either."

A strong believer in honesty and economy in government, Shurley also advocates more and better maintained farm-to-market roads and better soil and water conservation.

a church house—wherever a man stands in a little pasteboard booth with a piece of paper and a blunt pencil.

In the booth is a man who looks like an average, unimportant sort of guy. Chances are he's not very rich, not very interested in politics as a rule. But John Q. Poll Tax Payer is the most important man in Texas this week. With a few strokes of his pencil Saturday, he'll decide who'll be who in Texas for the next two years or more.

When John Q. glances down the ballot, he may see a number of names he's never heard of. He'll pause, scratch his head, wonder which name "sounds best," finally shrug, make a mark and go on.

Such a possibility gives office seekers the cold shakes. For fear their names may yet be unknown to some, they'll try to be everywhere at once this week.

In addition, a lot of people will be pleading with John Q. to come back to the polling place Saturday evening for his Democratic precinct convention. Gov. Price Daniel supported by moderate conservative party officials, is asking him to come and vote for "majority rule." Opposing the governor are the liberal Democrats of Texas who want John to join their drive to assure that "only real Democrats shall participate in Democratic party affairs."

Nobody can positively predict what John will do. Past records show that some years he feels liberal; some years, conservative. And some years, both ways at the same time.

Oil Quota Up Again

Texas oil allowable for August will be 328,185 barrels a day more than for July—a hopeful sign for an industry that's been "in the dumps" for more than a year. The Railroad Commission set next month's allowable at 2,978,058 barrels daily. Number of producing days will be increased from 9 to 11. Reason for the increase was not so much the disturbance in the oil-producing Middle East, said one commissioner, as the fact that Texas had finally reduced its excess oil stocks to correct levels.

50-50 Plan

State Highway Department will reimburse cities and counties half the court costs of securing land for state and U. S. highway building. Up until last year costs of obtaining right of way were borne solely by local governments. Last

Legislature passed a law authorizing the state to share the cost 50-50 with cities and counties.

At first this was construed to mean the state would pay half the cost of purchasing the land. Now it has been expanded to include half of court costs and appraisers' fees.

City Tax Proposals

City officials are laying plans to ask the next Legislature to extend and adjust city taxing powers. Legislative committee of the League of Texas Municipalities has drawn up a two-pronged proposal to:

1. Allow cities to broaden their tax base and lighten the burden on property owners.
2. Substitute another tax to be collected at time of auto registration for the present "unworkable" property tax on cars.

School Fund Fight

A rough-and-tumble time can be expected next year when lawmakers consider just how permanent the permanent school fund should be. Rep. Louis Dugas of Orange has announced he will introduce a bill which would allow the state to use part of the revenue from school lands for current expenses instead of putting it all into the permanent school fund.

Dugas was author of a bill last

BILL BLAKLEY

Texans like a public official who is independent in his thinking and doesn't have to account for his actions to anyone except the voters themselves.

William A. Blakley is such a man. Of his race for U. S. Senate, the *Port Arthur News* says: "He entered this race by his own decision. He is beholden to

nobody. He doesn't have to promise special interest groups anything and he wants to represent all of Texas, not any political splinter or fragment or faction above the rest."

A vote for Bill Blakley on July 26 is a vote for returning to Washington a man who will truly represent Texas.

BILL BLAKLEY for U. S. SENATE

session to divert 1% of the permanent fund each year to the available fund.

State School Board and numerous other school officials have

come out strongly against all moves to tap the schools' multi-million-dollar endowment. They compare it to "eating the seed corn."

Caution Urged In Use Of Lawn Mowers

College Station.—A lawn mower can be a helpful and faithful servant. But it may turn into dangerous machine unless a few safety precautions are observed, warns W. L. Ulich, extension engineer. Several injuries have occurred recently from objects being thrown by the mower, points out Ulich. Nails, wire, rocks and other objects can be picked up by the mower and thrown at tremendous speeds, causing serious bodily injury. To reduce the possibility of such injury, he advises going over the lawn before mowing to remove foreign matter and debris.

Start the mower on level ground, making sure your feet are away from the cutter blade or bar. Keep

the machine firmly on the ground when starting by placing one foot on the deck and holding the handle with one hand. Don't leave the mower running unattended where it might be a temptation to children and others who don't how to handle it, Ulich adds.

Be sure children and pets stay away from the machine when you

are mowing, says the engineer. Keep a steady footing and balance when mowing on inclines. Don't make adjustments, remove clogging grass or sticks, or reach in front of the mower when the engine is running. Always disconnect the spark plug wire when making adjustments. Keep hands, feet and loose clothing away from moving

blades, reels, motor belts and exposed chains. When storing the mover, remove the spark plug or spark plug wire to prevent inquisitive youngsters from starting the machine.

Observance of these simple rules can greatly reduce the hazard of injury involved in the task of lawn mowing, Ulich said.

Meadors Return From Six-State Vacation Trip

Mr. and Mrs. Bill Meador, Clay and Cathy, returned Friday from a 9-day, 3000-mile vacation trip to six states. They visited such points of interest in Colorado as the Manitou Cliff Dwellings, Pike Petrified Forest, Cripple Creek Gold Mine, Estes Park, and then took a ride on the Estes Park aerial tramway.

They attended the King Merritt championship steer roping at Laramie, Wyoming, then went on the Black Hills of South Dakota to the Boot Hill Stage Station at Custer, the Mount Rushmore National Memorial, Dinosaur Park and the museum of geology at the school of mines in Rapid City.

Then they went to Deadwood to Bar No. 10, where Wild Bill Hickock was killed, and to the graves of "Wild Bill" and Calamity Jane. They went through Custer State park and Wind Cave National park where large herds of buffalo and antelope roam. At Scottsbluff, Neb. Bill visited Maurice Van Kirk, an old buddy he was with at Fort Knox, Kentucky, during World War II. A good time was had by all.

Rural Community Bldg. To Be Provided

Approval of construction for a proposed community hall in the Coyanosa farming town in northwest Pecos County highlighted a routine July meeting of the commissioners court here Monday.

The commissioners voted to advertise for bids on construction of the community hall, long sought by Coyanosa residents. No estimated cost of the building was announced, although it is known that Coyanosa backers of the project have been thinking in terms of \$12,000 to \$15,000.—The Fort Stockton Pioneer.
